	Power tilt and slide sunroof	£550
	Driving assistance:	
	Driving Assistance Pack One <i>Forward collision alert with automatic city emergency braking / traffic sign recognition / following distance indicator / lane departure warning with lane assist</i>	£575
	IntelliLux LED Matrix headlights	£1825

For details of these and other options please see Features / Options pages.

FEATURES

Infotainment:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay™ / Android Auto™
 - USB audio connection
- Six speakers (four front, two rear)

Interior convenience / styling:

- Leather seat trim
- Electronic dual-zone climate control
- Heated leather-covered steering wheel
- Heated front / outer rear seats
- Sports style front seats
- Four-way electrical lumbar adjustment
- Adjustable front armrest
- Centre rear armrest
- Multi-function trip computer
- Steering wheel audio / phone / cruise controls
- Electric parking brake
- Cruise control with speed limiter
- Two rear USB charging points

Exterior convenience / styling:

- 17-inch multi-spoke alloy wheels
- Chrome-effect upper window trim
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Automatic anti-dazzle rear-view mirror
- Front fog lights
- Remote control central locking
- Electrically operated front / rear windows
- Electrically adjustable / heated / folding door mirrors
- Silver-effect roof rails (Sports Tourer)

Safety / security:

- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Remote control alarm system
- Hill start assist
- ISOFIX child seat mounting points on outer rear seats
- Electronic engine deadlock immobiliser
- Tyre pressure monitoring system
- Door-to-door illumination
- LED daytime running lights

COMPANY CAR INFORMATION

-  P11D price starting at £22,170
-  From 23% tax band**
-  From £85 monthly BiK tax**
-  CO₂ emissions from 110g/km

Please see www.vauxhall.co.uk/fleet for details.

** = 2018/19 tax year.

ASTRA FEATURES / OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
- Anti-submarining ramps in all seats – Prevents occupants sliding underneath the lap belt during a collision.

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front seatbelts with crash locking tongues • Outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement. • Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact. • Front and rear 'seatbelt unfastened' audible warning and warning light

Child safety

- Deactivation switch for front passenger's airbag – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact. • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. • Hazard warning lights • Fading brake support – Compensates for the effects of brake fade. • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking. • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.

Tyre pressure

- Tyre pressure monitoring system

ASTRA FEATURES / OPTIONS

DRIVER ASSISTANCE		Design	Tech Line Nav	SE	SRI	SRI VX-Line	Elite Nav	Ultimate	Price (£) exc. VAT	Total (£) inc. VAT
Cruise control with speed limiter Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. • Steering wheel mounted controls		●	●	●	●	●	●	●		
Front and rear parking distance sensors (not available with Parking Pack) • Front and rear parking distance sensors (Design, Tech Line Nav and SE models upgraded to six speakers) • Audible warning • Distance warning graphic shown in driver information display 		○	○	○	○	○	○	○	387.50	465.00
Parking Pack (includes front and rear parking distance sensors) Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road. Advanced park assist: Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse. The system works with both parallel and bay parking. • Ultrasonic side sensors with four-metre range • Ultrasonic front and rear parking sensors with a two-metre range • Fully automated steering • Detailed forward/reverse instructions are shown in the instrument cluster 										
 Finds suitable parking spaces  Auto steers into the parking space for you										
Side blind spot alert: Side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror. • Ultrasonic side sensors with three-metre range • LED warning light in door mirrors • Audible warning is sounded if the indicators are used and the system has detected another vehicle • Electrically folding door mirrors (fitted as standard on Elite Nav models) 					○	○	○	●	625.00	750.00
 Warns of vehicles in your blind spot										
Rear-view camera: The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and one-metre grid lines shown as reference points 										
 See what's behind you on the central screen										
Sport switch Enables the driver to change the steering feel and throttle response for a sportier driving style. • Facia mounted sport switch					●	●				

● = Standard equipment. ○ = Optional at extra cost.

EXTERIOR LIGHTING Standard lighting features <ul style="list-style-type: none"> • LED daytime running lights • Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions. • Halogen projector headlights • LED side repeat indicators • Lights-on audible warning: When keys are removed and driver door opened an audible warning sounds to alert the lights have been left on. • Manual headlight beam levelling: Use to adapt headlight range to the vehicle load to prevent dazzling. • High-level LED centre rear brake light • Rear fog light • Reversing light • Hazard warning lights • Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle. 	●	●	●	●	●	●	●		
<ul style="list-style-type: none"> • Automatic lighting control with tunnel detection 			●	●	●	●	●		
IntelliLux LED Matrix headlights IntelliLux LED Matrix headlights work with the Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of eight individual LED lights. These lights replace the main beam function and supplement the dipped beam function. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions. The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated. Studies shown that the enhanced roadside illumination of IntelliLux LED Matrix headlights gives the driver an extra 1.5 seconds of reaction time at 50mph. <ul style="list-style-type: none"> • Dipped beam, main beam and dynamic lighting: 16 electronically controlled LED lights (eight per headlight) • Driving Assistance Pack One incorporating front camera system • Intelligent main beam control • Automatic headlight levelling • LED tail lights 									
									
<ul style="list-style-type: none"> • Smart headlights automatically adjust the shape of high beam • No need to switch between high and low beam • High beam is always glare free 				○	○		●	1041.67	1250.00
Every type of driving environment has been considered: Urban light: With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function. Highway light: The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers. Country light: As speeds increase, so does the lighting's performance. Static Cornering light: At lower speeds corners and bends are illuminated to match steering inputs. Parking light: When reversing, additional side-facing lights are activated in the headlights. Energy saving mode: On Start/Stop models, the IntelliLux LED Matrix system goes into Energy saving mode when the engine is automatically stopped.						○		1520.83	1825.00

TRANSMISSION

Five-speed manual gearbox

Standard on: 1.0i Turbo (105PS)

Six-speed manual gearbox

Petrol engines: 1.4i Turbo (125/150PS)/
1.6i (200PS) models

Diesel engines: 1.6CDTi (110/136PS)/

1.6CDTi BiTurbo (150PS) models

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i Turbo (150PS) and 1.6CDTi (136PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

BRAKING AND STABILITY

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended. S/S = Start/Stop.

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

BODY

Aerodynamic drag co-efficient:
Hatchback – Cd 0.285
Sports Tourer – Cd 0.278

FUEL TANK CAPACITY

48 litres (10.5 gallons)

ASTRA SPECIFICATIONS

ASTRA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE NAV HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification with a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers. It allows you to choose most models in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive

www.vauxhall3dtd.co.uk

or call 0330 587 8221**

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Astra Tech Line Nav 1.6CDTi (110PS)	
Start/Stop ecoTEC 5-door hatchback (CO ₂ emissions 107g/km)	
On-the-road RRP	£20570.00
Deduct: Vehicle Excise Duty	(£165.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20350.00
Add: Optional two-coat metallic paint	£575.00

List price for tax purposes (P11D value)	£20925.00
--	-----------

Car benefit charge	
2018-19 tax year (26%)	£5440.00
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1088.00
Higher Rate (40%) tax payer	£2176.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †† = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Non-Diesel† 2018-19 tax year	Diesel†† 2018-19 tax year
Up to 50	13	17
51-75	16	20
76-94	19	23
95-99	20	24
100-104	21	25
105-109	22	26
110-114	23	27
115-119	24	28
120-124	25	29
125-129	26	30

ASTRA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£140.00
Band C	51 – 75g/km	£25.00	£105.00	£140.00
Band D	76 – 90g/km	£105.00	£125.00	£140.00
Band E	91 – 100g/km	£125.00	£145.00	£140.00
Band F	101 – 110g/km	£145.00	£165.00	£140.00
Band G	111 – 130g/km	£165.00	£205.00	£140.00
Band H	131 – 150g/km	£205.00	£515.00	£140.00
Band I	151 – 170g/km	£515.00	£830.00	£140.00
Band J	171 – 190g/km	£830.00	£1,240.00	£140.00
Band K	191 – 225g/km	£1,240.00	£1,760.00	£140.00
Band L	226 – 255g/km	£1,760.00	£2,070.00	£140.00
Band M	over 255g/km	£2,070.00	£2,070.00	£140.00

* = Correct at time of issue. ** = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).
† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

S/S = Start/Stop.

ASTRA FEATURES/OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
- Anti-submarining ramps in all seats – Prevents occupants sliding underneath the lap belt during a collision

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front and outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement • Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Front and rear 'seatbelt unfastened' audible warning and warning light

Child safety

- Deactivation switch for front passenger's airbag – Permits the safe use of a child seat in the front passenger seat • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install • Child-proof locks on rear doors

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance • Hazard warning lights • Fading brake support – Compensates for the effects of brake fade • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel • Adaptive brake lights – Automatically warns other road users of heavy braking • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

- Tyre pressure monitoring system

DRIVER ASSISTANCE									
Cruise control with speed limiter Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. • Steering wheel mounted controls		●	●	●	●	●	●		
Front and rear parking distance sensors (not available with Parking Pack) • Front and rear parking distance sensors (Design and SE models upgraded to six speakers) • Audible warning • Distance warning graphic shown in driver information display 		○	○	○	○	○	○	387.50	465.00
 Easier parking									
Parking Pack (includes front and rear parking distance sensors) Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road. Advanced park assist: Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse. The system works with both parallel and bay parking. • Ultrasonic side sensors with four-metre range • Ultrasonic front and rear parking sensors with a two-metre range • Fully automated steering • Detailed forward/reverse instructions are shown in the instrument cluster 									
 Finds suitable parking spaces									
 Auto steers into the parking space for you									
Side blind spot alert: Side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror. • Ultrasonic side sensors with three-metre range • LED warning light in door mirrors • Audible warning is sounded if the indicators are used and the system has detected another vehicle • Electrically folding door mirrors (fitted as standard on Elite models) 					○	○	○	625.00	750.00
 Warns of vehicles in your blind spot									
Rear-view camera: The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and one-metre grid lines shown as reference points 									
 See what's behind you on the central screen									
Sport switch (not available on 1.4i (100PS) models) Enables the driver to change the steering feel and throttle response for a sportier driving style. • Facia mounted sport switch					●	●			

● = Standard equipment. ○ = Optional at extra cost.

EXTERIOR LIGHTING								
Standard lighting features								
<ul style="list-style-type: none"> • LED daytime running lights • Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions. • Halogen projector headlights • LED side repeat indicators • Lights-on audible warning: When keys are removed and driver door opened an audible warning sounds to alert the lights have been left on. • Manual headlight beam levelling: Use to adapt headlight range to the vehicle load to prevent dazzling. • High-level LED centre rear brake light • Rear fog light • Reversing light • Hazard warning lights • Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle. 	●	●	●	●	●	●		
<ul style="list-style-type: none"> • Automatic lighting control with tunnel detection 			●	●	●	●		
IntelliLux LED Matrix headlights								
<p>IntelliLux LED Matrix headlights work with the Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of eight individual LED lights. These lights replace the main beam function and supplement the dipped beam function. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions. The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated. Studies shown that the enhanced roadside illumination of IntelliLux LED Matrix headlights gives the driver an extra 1.5 seconds of reaction time at 50mph.</p> <p>• Dipped beam, main beam and dynamic lighting: 16 electronically controlled LED lights (eight per headlight)</p> <p>• Driving Assistance Pack One incorporating front camera system</p> <p>• Intelligent main beam control</p> <p>• Automatic headlight levelling</p> <p>• LED tail lights</p> <p>✓ Smart headlights automatically adjust the shape of high beam</p> <p>✓ No need to switch between high and low beam</p> <p>✓ High beam is always glare free</p> <p>Every type of driving environment has been considered:</p> <p>Urban light: With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function.</p> <p>Highway light: The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers.</p> <p>Country light: As speeds increase, so does the lighting's performance.</p> <p>Static Cornering light: At lower speeds corners and bends are illuminated to match steering inputs.</p> <p>Parking light: When reversing, additional side-facing lights are activated in the headlights.</p> <p>Energy saving mode: On Start/Stop models, the IntelliLux LED Matrix system goes into Energy saving mode when the engine is automatically stopped.</p>

ASTRA SPECIFICATIONS

TRANSMISSION

Five-speed manual gearbox

Standard on: 1.4i (100PS)/1.0i Turbo (105PS)

Six-speed manual gearbox

Petrol engines: 1.4i Turbo (125/150PS)/1.6i (200PS) models

Diesel engines: 1.6CDTi (110/136PS)/

1.6CDTi BiTurbo (160PS) models

Five-speed Easytronic transmission

The five-speed Easytronic 3.0 transmission is optional on 1.0i Turbo (105PS) engines. Easytronic is a five-speed manual gearbox with no clutch pedal. In manual mode you simply push the lever forward or back to shift gears up or down, whilst in automatic mode Easytronic takes control. A new electro-hydraulic actuator operates the clutch for faster and smoother gear changes plus increased economy through computer optimised gear changes.

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i Turbo (150PS) and 1.6CDTi (136PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

BRAKING AND STABILITY

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

1.6CDTi BiTurbo (160PS) Start/Stop	1910	1985	1700 (680)	1700 (700)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

BODY

Aerodynamic drag co-efficient:

Hatchback – Cd 0.285

Sports Tourer – Cd 0.278

ASTRA OFFERS IN DETAIL – TERMS AND CONDITIONS

Unless otherwise stated, all offers described are available on orders or registrations between 19 December 2017 – 18 December 2017. Offer prices quoted are correct at the time of publication (October 2017). Prices are subject to change. In line with Vauxhall's policy of price transparency, the offer price shown is an on-the-road price including VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (variable depending upon model) and the DVLA's new vehicle first registration fee of £55.00. Excludes fuel and insurance. Offers may not apply to Retailer stocks and are subject to availability. Restrictions may apply. Contact your Retailer for details. Vauxhall Motors Limited reserves the right to change, amend or withdraw these offers at any point in time.

FLEXIBLE FINANCE

Available on selected models only, at participating Retailers. Conditional sale. Finance subject to status. Terms and Conditions apply. Applicants must be 18+. Finance supplied by Vauxhall Finance, CF15 7YT. Vauxhall Deposit Contributions vary and exclude certain models and are only available when vehicle is financed through Vauxhall Finance. 24-48 month term. Offer will apply to private individuals, Vauxhall Partners and small businesses 1- 24 units (purchase only, excluding B2B supported units). All other customers are excluded. Refer to www.vauxhall.co.uk/offers or contact your local Vauxhall Retailer for details.

FLEXIBLE PCP

Offer subject to availability at participating Retailers only. Personal Contract Purchase. Finance subject to status. Terms and Conditions apply. Applicants must be 18+. Finance by Vauxhall Finance, CF15 7YT. 24-48 month term available. Vauxhall deposit contribution only available when vehicle financed through Vauxhall Finance. At the end of the agreement there are three options: i) Pay the optional final payment to own the vehicle, ii) Return the vehicle, or iii) Replace: Part Exchange the vehicle, where equity is available. UK-supplied vehicles only. Offer applies to private individuals, Vauxhall Partners and small businesses 1-24 units (purchase only excluding B2B supported units). All other customers are excluded.

PERSONAL CONTRACT HIRE

Personal contract hire offer on vehicles ordered by 18 December 2017, subject to availability and status. Age 18+ only. Figures based on a non-maintenance contract hire package. Excess miles over contracted mileage of 24,000 over 36 months charged at a maximum of 14 pence per mile. Excess charges also apply if you breach manufacturer servicing or maintenance guidelines or if the car exceeds BVRLA Fair Wear & Tear guidelines for its age/mileage when it is returned to Vauxhall Leasing. Package includes Road Fund Licence and Vauxhall Assistance. Guarantee/indemnity may be required. Prices and details are subject to change without notice. For full specification and Ts&Cs contact your local Retailer. **You will not own the car.** ALD Automotive Ltd., trading as Vauxhall Leasing, BS16 7LB. Authorised and regulated by the Financial Conduct Authority.

Please note not all offers apply to all models.

ASTRA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	0	£0.00	£0.00
Band B	1-50	£10.00	£140.00
Band C	51-75	£25.00	£140.00
Band D	76-90	£100.00	£140.00
Band E	91-100	£120.00	£140.00
Band F	101-110	£140.00	£140.00
Band G	111-130	£160.00	£140.00
Band H	131-150	£200.00	£140.00
Band I	151-170	£500.00	£140.00
Band J	171-190	£800.00	£140.00
Band K	191-225	£1200.00	£140.00
Band L	226-255	£1700.00	£140.00
Band M	over 255	£2000.00	£140.00

* = Correct at time of issue.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0117 908 6433**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling
