Choose Your Trim Level

Design

Inject a little excitement into your commute with the Design, including plenty of 'must have' features as standard.

GS Line

Step up to our sporty GS Line. It's kitted out with a whole host of features that make it fun to drive, and great to look at.

Also available as a Plug-in HYBRID-e model.

Ultimate

All you could ask for; our Ultimate model has it all.

Also available as a Plug-in HYBRID-e model.

All-new Astra Plug-in HYBRID-e Range Highlights

GS Line

Standard features include:

- 17-inch black alloy wheels
- Black Griffin logo and vizer frame
- Black lower window moulding
- Dark-tinted rear windows
- Black roof
- Black headliner
- Alloy-effect sports pedals
- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 10-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Natural voice recognition
 - Wireless Apple CarPlay/Android Auto™
 - 2 x front USB connections
- Six speakers
- Vauxhall Connect
- Keyless entry and start
- LED headlights and tail lights
- LED daytime running lights
- LED front fog lights
- High beam assist
- Interior ambient lighting
- Electronic parking brake
- Front and rear parking distance sensors
- Lane departure warning with lane keep assist
- Traffic sign recognition
- Driver drowsiness alert
- Forward collision alert (all speed)
- Automatic emergency braking with pedestrian detection
- Adaptive cruise control with intelligent speed adaption
- Eight airbags
- Remote control security alarm system
- Hill start assist
- ISOFIX child seat fixings on outer rear seats
- In-crash braking
- Intelli-Vision 360° panoramic parking camera
- Dual-zone electronic climate control
- Heated perforated flat-bottomed leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- 60/40 split-folding rear seat backs
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors with puddle light
- Soundproofed insulated windscreen
- Driver's ergonomic active seat (AGR approved*)
- Heated sports-style front seats
- Paddle shift
- Front centre armrest with cup holder
- Centre rear seat armrest and load-through facility
- Frameless automatic anti-dazzle rear-view mirror

Ultimate**

Features over GS Line models:

- 18-inch grey diamond-cut alloy wheels
- Sunroof
- Eight speakers
- Intelli-HUD
- Wireless charger for mobile devices
- IntelliLux adaptive LED® pixel headlights
- Lane change assist with side blind spot alert
- Lane positioning assist
- Rear cross traffic alert
- Semi automated lane change assist
- Curve speed adaption
- Advanced intelligent speed adaption
- Dual-zone electronic climate control with Intelli-Air (air quality sensor)
- Heated soundproofed insulated windscreen
- Heated ergonomic active sports-style front seats (AGR approved*)
- Alcantara interior seat trim

All-new Astra Range Highlights

Design

Standard features include:

- 16-inch silver alloy wheels
- Chrome-effect vizor frame
- Black lower window moulding
- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 10-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Natural voice recognition

All-new Astra Plug-in HYBRID-e Prices

	Pack Code	Fuel Type	Price (£)	VAT (£)	Total (£)	On-the-road RRP (£)	Financial Year 2021/22 BiK 20% (£)	WLTP Combined CO ₂ (g/km) [#] – pack code	Insurance groups
GS Line									
1.6 (180PS) Turbo/Electric	EF48 IL81	Petrol/Electric	26,204.17	5,240.83	31,445.00	32,200.00	37.50	24	tba
Ultimate									
1.6 (180PS) Turbo/Electric*	EH48 IL81	Petrol/Electric	28,800.00	5,760.00	34,560.00	35,315.00	41.13	27	tba

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

*Available from Summer 2022.

Safety and Lighting

Standard Safety Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information

For further details and terms and conditions see separate Vauxhall Connect page.

Seatbelts

- Outer rear seatbelt pretensioner system
- Front and outer rear seatbelt force limiters
- ‘Seatbelt unfastened’ audible warning and warning light

Airbags

- Driver’s and front passenger’s airbags
- Front seat side-impact airbags
- Full-size curtain airbags

Braking

- In-crash braking – The system brakes the vehicle automatically after a severe collision
- Hill start assist

Tyre pressure

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat)
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Automatic emergency braking with pedestrian detection

Front camera system

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

Front camera and radar system – Standard on Ultimate models only

Adds radar-based technology, enabling you to avoid or mitigate the impact of front-end collisions by detecting fixed and mobile objects, such as cycles and pedestrians. The system will even bring the vehicle to a complete standstill when driving under 30mph in traffic

*Cycles, motorcycles, animals and other objects are not detected.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking with pedestrian detection.

Standard Driver Assistance features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Cruise control with intelligent speed adaption

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe
- Rain sensitive windscreen wipers

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- When the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Electronic parking brake

Centre console switch in lieu of handbrake lever.

Parking distance sensors

- Front and rear parking distance sensors

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Adaptive cruise control.

Speed sign recognition.

Lane departure warning with lane keep assist.

Standard Lighting Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Exterior lighting

- LED headlights and tail lights
- LED front fog lights
- High beam assist
- LED daytime running lights
- Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions

- LED side repeat indicators
- Lights-on audible warning – When driver’s door is opened an audible warning sounds to alert the lights have been left on
- Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle
- Manual headlight levelling system

- IntelliLux adaptive LED® pixel headlights - Standard on Ultimate models only. With 84 segments per headlight (168 in total), the new IntelliLux adaptive LED® pixel light system offers vastly improved visibility that helps to make night time driving significantly safer. The system automatically adapts the headlights according to the type of road or driving conditions in both dipped and full beam modes. There are 11 variations to ensure the correct lighting pattern for driving in a city street or country lane, cornering, parking or negotiating a tight bend. There’s even a tourist mode for driving your car on European roads.

Standard Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Luggage Area

- Luggage compartment cover • Illuminated load area
- Fully carpeted load area • Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts

Interior Lighting

- Fade up/fade down front and rear courtesy lights
- Interior Light Pack – Interior ambient lighting
– Illuminated vanity mirrors – Rear reading spotlights

Door mirrors

- Twin electrically adjustable/heated door mirrors

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Heated rear window
- Soundproofed insulated windscreen
- Tinted windows

Security

- Remote control ultrasonic security alarm system
- ‘Key left in ignition’ audible warning
- Locking wheel bolts for alloy wheels

Remote control central deadlocking

- Operates on doors, tailgate and filler flap
- Central locking activation switch on driver’s door

Connectivity

Standard Features – The following features are standard across the entire All-new Astra range.

Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Digital infotainment display.

Pure Panel digital display.

Vauxhall Connect

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

Convenience

- E-remote control (Plug-in HYBRID-e only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Infotainment

Standard Features – The following features are standard across the entire All-new Astra range.

Onboard features

- Satellite navigation system with natural voice recognition*
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers
- Customizable screen adaption with enhanced profile management and driver recognition
- Heating, Ventilation and Air Conditioning (HVAC) user interface
- Over-the-air updates (e.g. for software)
- WiFi updates (e.g. content download)

Media connections

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- SMS read out and reply

Smartphone interface

- Apple CarPlay
- Android Auto™
- Wireless smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel mounted audio controls
- Shark fin aerial

Drive Smart

- Live navigation (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search, weather
- Trip and drive management
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

For further details and terms and conditions see separate Vauxhall Connect page.

Digital infotainment display.

Satellite Navigation display.

*All-new Astra features intuitive natural voice recognition to control key communication and cabin functions such as your choice of music, sat nav commands, phone connectivity and even interior climate control.

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Exterior Styling

Standard Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Plug-in HYBRID-e Specifications*

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **B button:** to switch to regenerative braking

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Weights

- Kerbweight FWD: 1678kg
- Maximum towing weight:
Braked trailer 1450kg (without brakes 750kg)

Charging

- All-new Astra Plug-in HYBRID-e range comes with a Mode 2 cable and a 3.7kW on-board charger as standard. Includes cable bag at no extra cost
- A 7.4kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket**) would charge the vehicle in less than 8 hours.

All-new Astra Plug-in HYBRID-e range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

Charging		
Supply	Socket	Charge Time (0-100%)
Domestic socket (1.8kW) (10A limit)	Mode 2	7h 05m
Domestic Wallbox – Accelerated charger 7.4kW	Mode 2	3h 55m
Public Charging – Accelerated charger 11kW	Mode 3	3h 25m
Public Charging – Accelerated charger 22kW	Mode 3	1h 40m

VX_AST_PHEV_32928

VX_AST_PHEV_32923

Preliminary data determined according to WLTP test procedure methodology. EU type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.
*Provisional data. **Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

Petrol Engine*

Petrol Engine	1.6 (180PS) Direct Injection Turbo/Electric
Maximum power	150PS (110kW) @ 6000rpm
Combined power	180PS (132kW) @ 6000rpm
Maximum torque	250Nm (184lb.ft.) @ 1750rpm
Combined torque	360Nm (265lb.ft.) @ 6000rpm
Combined CO ₂ emissions (WLTP)#	24–26g/km
Combined fuel economy (WLTP)#	201–256 mpg (1.4–1.1 l/100km)
Combined maximum speed	140mph
0–60mph	9.3 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Convenience

- E-remote control
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

For further details and terms and conditions see separate Vauxhall Connect page.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

These figures were obtained using a combination of battery power and fuel. The All-new Astra Plug-in HYBRID-e requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

*Provisional data. **Please note: The EAER, Equivalent All Electric Range, is for business tax calculations only and does not represent the actual range attainable by the vehicle.

Electric Motor*

Electric Motor	
Maximum power	150hp (111kW) @ 2500rpm
Maximum torque	320Nm (236lb.ft.) @ 500–2500rpm
Battery

Emission compliance	Euro 6d (6.3)
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Specifications

Transmission

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo models
Diesel engine: 1.5 (130PS) Turbo D model

8-speed automatic transmission

Available on the 1.2 (130PS) Turbo/1.5 (130PS) Turbo D, the 8-speed automatic transmission enables increased drive comfort and improved fuel economy. The automatic gear lever has been replaced by an ergonomic e-toggle in harmony with the interior design. The new e-toggle is standard for combustion engine and plug-in hybrid.

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **M button:** Manual shifting mode for combustion engines. The driver changes gears with the shift paddles on steering wheel

Braking and stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Steering

- Power-assisted steering
- Turning circle (wall-to-wall): – 10.51m (34.5ft.)

Fuel Tank Capacity

52 litres (11.4 gallons)

Start/Stop technology

All-new Astra's feature Start/Stop technology offering real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from - 2021/22 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (110PS) Turbo	124	10.5	49.5 (5.7)	51.3 (5.5)	123	125	£180	£155	28%
1.2 (130PS) Turbo	130	9.7	49.5 (5.7)	51.3 (5.5)	123	129	£180	£155	28%

1.5 (130PS) Turbo D	130	10.6	62.8 (4.4)	64.2 (4.5)	115	119	£180	£155	26%
1.5 (130PS) Turbo D auto	130	10.6	61.4 (4.6)	62.8 (4.5)	118	122	£180	£155	27%

Weights and Towing Data_{kg}**

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (110PS) Turbo	1820	1250 (660)
1.2 (130PS) Turbo	1840	1250 (660)
1.2 (130PS) Turbo auto	1880	1200 (680)
1.5 (130PS) Turbo D	1920	1550 (710)
1.5 (130PS) Turbo D auto	1940	1550 (710)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

VX_AST_33922

VX_AST_PHEV_32921

Loadspace Dimensions	Petrol/Diesel	Plug-in HYBRID-e
Load floor length (rear seats folded)	1589 (62.5)	1589 (62.5)
Load floor length (behind rear seats)	795 (31.3)	770 (30.3)
Load area width	1020 (40.2)	1020 (40.2)
Load area height	698 (27.5)	698 (27.5)
Tailgate aperture width (maximum)	1019 (40.1)	1019 (40.1)
Tailgate aperture height	526 (20.7)	526 (20.7)

Luggage Capacities* Litres (cu.ft.)	Petrol/Diesel	Plug-in HYBRID-e
Rear seat up (under luggage compartment cover)	367 (12.9)	305 (10.7)
Rear seat down (measured to roof)	1182 (41.7)	1122 (39.6)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

All-new Astra Design 1.5 (130PS) Turbo D (CO₂ emissions 114g/km[†])

On-the-road RRP	£24,875.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24,640.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£25,240.00
Car benefit charge 2021-22 tax year (27%)	£6,815.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,363.00
Higher Rate (40%) tax payer	£2,726.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

[†]Provisional data.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%
65–69	17%
70–74	18%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on the Grandland Plug-in HYBRID-e range the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer
