Combo-e Life SE

VX_COM_e_31978.psd

SE

OTR from £29,610*

Infotainment:

- Multimedia system
 - 8-inch colour touchscreen
 - DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - Front and rear USB connection
- Six speakers
- Vauxhall Connect

Interior convenience/styling:

- 10-inch colour instrument display
- Height-adjustable driver's seat
- Air conditioning
- Steering wheel mounted audio controls
- 60/40 split-folding rear seat back
- Chrome-effect interior door handles
- Luggage compartment cover
- Chrome-effect instrument rings
- Leather-covered steering wheel
- Fold-flat front passenger seat with armrest
- Front-seat back pockets
- Two foldable tables with cupholders
- Electronic parking brake

Exterior convenience/styling:

- Nearside and offside sliding side-access door with opening windows
- Tailgate with opening heated rear window and wiper
- Body-colour front and rear bumpers
- Body-colour side protection mouldings
- Body-colour door handles and side-access door rail covers
- Body-colour door mirrors
- Front fog lights
- 16-inch alloy wheels
- Emergency tyre inflation kit

- Electrically adjustable/foldable/heated door mirrors
- Sight and Light Pack
 - Rain-sensitive windscreen wipers
 - High beam assist
- Electrically operated front and rear windows
- Dark-tinted rear windows
- Panoramic rear-view camera
- LED daytime running lights

Safety/security:

- Rear parking distance sensors
- Automatic emergency braking with pedestrian detection
- Electronic stability programme with traction control
- Anti-lock braking system
- Forward collision alert
- Emergency brake assist
- Lane departure warning with lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Speed sign recognition
- Six airbags
- Driver drowsiness system
- Tyre pressure monitoring system

SE 7-seat

OTR from £30,110*

7-seat models additionally feature:

- Two individual split-folding and removable third-row seats
- Sliding facility for third-row seats (XL models only)

*Price shown is after allowing for PiCG (Plug-in Car Grant).

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted as at 23 November 2021.

#The Combo-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Combo-e Life is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

New Combo-e Life is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Combo-e Life range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Two front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – to reduce speed even further the driver must brake themselves

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Automatic emergency braking.

ISOFIX child seat mountings.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering column

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system

Parking sensors

- Rear parking distance sensors

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Wipers

- Intermittent rear window wash/wipe
- Magic Wash System – Mounted in the front windscreen wipers, Combo-e Life models benefit from our innovative windscreen wash system, designed to more effectively distribute water and reduce wastage. Using nozzles located above the wiper blades, fluid is distributed as the wiper sweeps the windscreen. This avoids the ‘temporary blindness’ of more conventional bonnet mounted systems between fluid release and wiper sweeping, improving visibility

Features/Options

	Option code*	Electric model
Driver Assistance		SE
Panoramic rear-view camera		●
Intelligrip	PS4	£410
Sight and Light Pack – High beam assist/Rain-sensitive windscreen wipers		●

*Optional at extra cost including VAT.

Driver Information and Security

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

(see Specifications for further details)

- Speedometer

Driver information display

(centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range
- Average speed
- Driving time

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- ‘Key left in ignition’ audible warning
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Features/Option

Convenience

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver’s sun visor incorporating vanity mirror with cover
- Dipping rear-view mirror
- Steering wheel mounted audio controls
- Front and rear USB connection

Interior Storage

- Two facia-mounted drinks holders
- Two drinks holders in centre console
- Large open storage pocket behind infotainment screen
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Small open storage compartment behind gear knob
- Two front large and small door pockets
- Two rear door pockets
- Open storage compartment below glovebox
- Full-width overhead storage shelf with ambient lighting

Luggage Area

- Luggage compartment cover
- Illuminated load area
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts

Interior Lighting

- Central front courtesy light
- Central rear courtesy light
- Fade up/fade down

Front-seat back pockets		●

*Optional at extra cost including VAT.

Convenience

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Heating and Ventilation

- Air recirculation facility
- Cabin particulate filter – Removes dust, airborne particles and pollen
- Four-speed fan
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents
- Rear heating duct

Exterior Convenience

Door mirrors

- Twin electrically adjustable/heated door mirrors

Windows

- Solar heat-absorbing windscreen
- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Tailgate with heated window and wash/wipe facility

Infotainment

Standard Features

Multimedia with 8-inch touchscreen (IO5) Standard on Combo-e Life SE models

Onboard features:

- AM/FM stereo radio • DAB Digital radio
- RDS with Traffic Programme • Four speakers

Media connections:

- Apple CarPlay • Android Auto™
- Smartphone projection
- USB connection

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access

Additional features:

- 8-inch colour touchscreen
- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Vauxhall Connect*

Standard on Combo-e Life SE models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

Multimedia Navi Pro with 8-inch touchscreen (IO6) Optional on Combo-e Life SE models at £460 inc. VAT

Features as Multimedia, with the addition of:

- Satellite navigation system

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee. Only available on models with satellite navigation.

Please note, Android smartphone projection illustrated on 8-inch colour touchscreen on Multimedia Navi Pro audio unit.

Interior Styling and Comfort

Combo-e Life SE

Steering wheel:

- Three-spoke flat-bottomed design
- Heated leather-covered
- Satin chrome-effect bezel

Seat trim:

- Mistral grey with fabric seat trim inserts

Front seating:

- Driver's seat (six-way adjustable):
 - Height - Reach - Backrest
 - Manual lumbar adjustment - Armrest
 - Under seat storage - Head restraint
- Passenger's Seat (four-way adjustable):
 - Reach - Backrest - Head restraint
 - Fold flat facility

Combo-e Life Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

VX_COM_e_31963.tif

Drivetrain	Combo-e Life	
CO ₂ emissions	0g/km	
Maximum power	100/136kW/PS	
Maximum torque	260/192Nm/lb. ft.	
Acceleration 0–62mph	11.7 sec	
Maximum speed	84mph	
Transmission	Automatic electric drive with fixed gear ratio	
Service interval	Every 25,000 miles or 2 years (whichever comes sooner) Initial inspection at 12,500 miles or 1 year (whichever comes sooner)	
Electric range	174 miles (WLTP preliminary)	
Weights kg	SE	SE XL
Gross vehicle weight	2366 – 2387	2376 – 2396

The Combo-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Combo-e Life Specifications*

Charging

Combo-e Life comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Combo-e Life models or with optional Navi Pro).

Charging		
Supply	Socket	Charge Time (0-100%)

		Fragrance cartridge (various)	£18				

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ²A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo-e Life SE (5-seat) 100kW (136PS) auto – 50kWh battery (CO₂ emissions 0g/km)	
On-the-road RRP	£31,110.00
Deduct: Vehicle Excise Duty	(£0.00)
New vehicle first registration fee	(£55.00)
Effective list price	£31,055.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£31,625.00
Car benefit charge 2021–22 tax year (1%)	£317.00
Benefit in kind tax liability (2021–22 tax year)	
Basic Rate (20%) tax payer	£63.40
Higher Rate (40%) tax payer	£126.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021–22 tax year
0	–	1%
1–50	130+	1%
1–50	70–129	4%
1–50	40–69	7%
1–50	30–39	11%
1–50	<30	13%

To calculate your own personal liability, search: **Vauxhall BiK**, or click the link below: [Vauxhall BiK Tool](#)

Email: vauxhallspecialvehicles@vauxhall.co.uk

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	Standard rate Electric
A	0	£0
B	1-50	£0
C	51-75	£0
D	76-90	£0
E	91-100	£0
F	101-110	£0
G	111-130	£0
H	131-150	£0
I	151-170	£0
J	171-190	£0
K	191-225	£0
L	226-255	£0
M	Over 255	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Combo-e life models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer
