<p>Cruise control with speed limiter and intelligent speed adaptation</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p>		●	●

<p>Automatic emergency braking with pedestrian detection</p> <p>The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – To reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 70mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p>		●	●

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo Life Design 1.5 (100PS) Turbo D S/S BlueInjection (CO₂ emissions 111g/km)

On-the-road RRP	£20,140.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
Effective list price	£19,880.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£20,445.00
Car benefit charge 2018-19 tax year (27%)	£5,520.00
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1,104.00
Higher Rate (40%) tax payer	£2,208.00

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. ††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.
