-

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats • Dual seatbelt pretensioners on front seats – *These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia* • Pretensioners on outer rear seatbelt retractors • Load limiters on front and outer rear seatbelt retractors • Smart seatbelt reminder for front and rear seats – *Warning lights and audible warning*
-

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – *Permits the safe use of a child seat in the front passenger seat* • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – *Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install* • Child-proof locks on rear doors
-

Driver / passenger safety

- Energy-absorbing steering column • Side-impact protection beams • Reinforced passenger safety cell
 - Deformation zones front and rear
-

Pedestrian safety

- Collapsible windscreen wiper system – *Designed to reduce pedestrian head injuries*
 - Upper and lower bumper design – *Reduces upper and lower leg injuries*
-

Braking and stability

- Switchable Electronic Stability Programme (ESP) • Anti-lock Braking System (ABS) • Corner stability control • Traction control • Hill start assist • Engine drag torque control – *Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking*
 - Hydraulic brake assist • Hydraulic brake boost • Electronic brakeforce distribution
-

Tyre pressure

- Deflation detection system
-

	SE / SE Nav	Tech Line Nav	Elite / Elite Nav	Ultimate	Price (£) exc. VAT	Total (£) inc. VAT
DRIVER ASSISTANCE						
Steering • Speed-sensitive power-assisted steering	●	●	●	●		
Cruise control with speed limiter and intelligent speed adaptation <i>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with traffic sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</i> • Steering wheel mounted controls	●	●	●	●		
Parking sensors • Rear parking distance sensors • Audible warning • Front and rear parking distance sensors • Audible warning		●	●	●		
	○				375.00	450.00
 Easier parking		○	○	○	145.83	175.00
Front camera system <i>A range of class-leading driver assistance and safety features are controlled by the front camera system.</i>						
Lane departure warning: <i>If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.</i> • Warning light in instrument cluster • Audible warning • Facia on/off switch	●	●	●	●		
 Keeps you in lane						
Traffic sign recognition: <i>Detects and then displays speed limits, reducing uncertainty and the risk of speeding.</i> • Recognises different road signs, including temporary speed restrictions • Displays reminder in the instrument cluster • On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed	●	●	●	●		
 Always know the speed limit						
Safety Pack Driver drowsiness system: <i>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</i> Forward collision alert: <i>The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.</i> Automatic emergency braking with pedestrian detection: <i>The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 50mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</i>	○	○	○	●	416.67	500.00

CROSSLAND X SPECIFICATIONS

START/STOP TECHNOLOGY

Crossland X's Start/Stop system, fitted as standard to all models except 1.2 (81PS), offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

FUEL TANK CAPACITY

- 45 litres (9.9 gallons)

ADBLUE TANK CAPACITY

- 17 litres (3.7 gallons)

TRANSMISSIONS

Five-speed manual gearbox:

Petrol engines: 1.2 (81PS) / 1.2 (110PS) Turbo ecoTEC models
 Diesel engines: 1.6 (99PS) Turbo D ecoTEC models

Six-speed manual gearbox:

Petrol engines: 1.2 (130PS) Turbo models
 Diesel engines: 1.6 (120PS) Turbo D models

Six-speed automatic transmission with Active Select function:

Available at extra cost on 1.2 (110PS) Turbo models. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

STEERING

- Speed-sensitive electric power-assisted steering
- Turning circle (wall-to-wall): 11.21m (36.7ft)

SUSPENSION

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.2 (81PS)	1690	650 (560)
1.2 (110PS) Turbo Start/Stop ecoTEC	1770	840 (600)
1.2 (110PS) Turbo Start/Stop auto	1805	840 (600)
1.2 (130PS) Turbo Start/Stop	1790	840 (620)
1.6 (99PS) Turbo D Start/Stop ecoTEC	1820	840 (620)
1.6 (120PS) Turbo D Start/Stop	1840	870 (640)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 60kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 50kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

BRAKING AND STABILITY

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Engine drag torque control
- Hydraulic brake assist
- Hydraulic brake boost
- Electronic brakeforce distribution

1.2 (81PS) / 1.6 (99PS) Turbo D models

Front ventilated discs: 266mm diameter
 Rear discs: 249mm diameter

1.2 (110PS) Turbo ecoTEC / 1.2 (130PS) Turbo / 1.6 (120PS) Turbo D models

Front ventilated discs: 283mm diameter
 Rear discs: 249mm diameter

BODY

- Aerodynamic drag co-efficient: Cd 0.31

CROSSLAND X COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification with a choice of high tech ecoTEC engines for great fuel economy and low emissions including the 1.6CDTi (from 88g/km and 85.6mpg combined).

For even more standard specification, step up to our Tech Line range again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection and digital radio.

With Design and Tech Line you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Cascada, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive
www.vauxhall3dtd.co.uk
 or call 0330 587 8221**

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Cascada, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Crossland X Tech Line Nav 1.6 (99PS) Turbo D Start/Stop ecoTEC (CO₂ emissions 93g/km)

On-the-road RRP £18810.00

Deduct: Vehicle Excise Duty (£120.00)

New vehicle first registration fee (£55.00)

Effective list price £18635.00

Add: Optional two-coat metallic paint £565.00

List price for tax purposes (P11D value) £19200.00

Car benefit charge

2017-18 tax year (20%) £3840.00

Benefit in kind tax liability (2017-18 tax year)

Basic Rate (20%) tax payer £768.00

Higher Rate (40%) tax payer £1536.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2017-18 tax year	Diesel 2017-18 tax year
up to 50	9	12
51-75	13	16
76-94	17	20
95-99	18	21
100-104	19	22
105-109	20	23

CROSSLAND X ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	0	£0.00	£0.00
Band B	1-50	£10.00	£140.00
Band C	51-75	£25.00	£140.00
Band D	76-90	£100.00	£140.00
Band E	91-100	£120.00	£140.00
Band F	101-110	£140.00	£140.00
Band G	111-130	£160.00	£140.00
Band H	131-150	£200.00	£140.00
Band I	151-170	£500.00	£140.00
Band J	171-190	£800.00	£140.00
Band K	191-225	£1200.00	£140.00
Band L	226-255	£1700.00	£140.00
Band M	over 255	£2000.00	£140.00

* = Correct at time of issue.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VAUXHALL SERVICE PLAN

Vauxhall retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk
