AT VAUXHALL, WE BELIEVE GREAT CARS ARE FOR EVERYONE.

We believe technology works best when it's not just smart but is also simple and intuitive. Where everyone can feel the instant excitement of electric; can keep themselves and their loved ones safer on the road; and can stay connected to the things that matter most, simply and easily. We call it Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Our latest Frontera Price and Spec guide outlines the Pure Technology features model by model. Together with all the essential information you need to compare Prices, Technical Information and Specification plus details of our commitment to offer the best in Customer Care.

We're delighted you're considering the purchase of a new Frontera and hope this guide will help you make the right choice.

DESIGN

FEATURES

PURESENSE

- Rear parking distance sensors
- Rear view camera
- Cruise control
- Automatic emergency braking
- Lane keep assist
- Driver drowsiness alert
- Speed Sign Recognition
- Forward collision alert
- Hill start assist
- Automatic lighting control
- Intelli-LED headlights
- High beam assist

PURECONNECT

- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 10-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Natural voice recognition
 - Wireless Apple CarPlay/Android Auto™
 - Front USB-C connection
- Wireless charging for mobile devices
- Vauxhall Connect

COMFORT AND CONVENIENCE

- Air conditioning
- Grey cloth seats with Fabric Riaz blue and Anthracite Melange
- Console strap storage
- Remote control security alarm system
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors

STYLING

- 16-inch black steel wheel
- Body colour roof
- Black wing mirrors
- Silver Griffin logo and black vizzor frame
- Body-colour front and rear bumpers
- Black grained skid plates

Design features

GS

FEATURES (OVER AND ABOVE DESIGN)

PURESENSE

- Front and rear parking distance sensors
- Blind spot alert

COMFORT AND CONVENIENCE

- Electronic climate control
- Leather effect steering wheel
- Intelli Seat (Marl Grey Melange with Black fabric insert), driver & passenger ergonomic seat (Driver 6 way & Co-Driver 4 way manual)
- Front and rear LED reading lights
- Electrochromic anti-dazzle rear-view mirror

STYLING

- 17-inch diamond cut “Groot” alloy wheels
- Black roof
- High gloss black wing mirrors
- Black Griffin logo
- Dark silver skid plates
- Dark-tinted rear windows
- LED tail lights

GS features

PRICES ELECTRIC

	LCDV CODE	PRICE (£)	VAT (£)	TOTAL (£)	ON-THE-ROAD RRP (£)	P11D PRICE (£)	FINANCIAL YEAR 2024/25 BIK 20% (£)	WLTP COMBINED CO ₂ (G/KM) [#] - LCDV CODE	EV RANGE UP TO (MILES)	INSURANCE GROUPS
ELECTRIC										
Design										
Electric Propulsion (113PS) auto	1GO3SULZFFTXA0B0	18,783.33	3,756.67	22,540.00	23,495.00	23,440.00	7.81	0	186	16A
GS										
Electric Propulsion (113PS) auto	1GO3SUPZFFTXA0B0	20,783.33	4,156.67	24,940.00	25,895.00	25,840.00	8.61	0	186	17A

Please note: The above LCDV codes are for England, Wales and Scotland. For Northern Ireland the 'TX' is replaced with 'TO'.

Frontera's petrol engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

[#]Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BIK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BIK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BIK) rates are monthly based on the standard paint price.

Electronic climate control		●
INTERIOR SEATING		
7 seat with 3rd row at rear		£550 (Hybrid only)

*Design styling pack not available with Arctic White, Crystal Silver or Effect Blue.

PUREENERGY ELECTRIC

SINGLE-SPEED ELECTRONIC DRIVE SELECTOR

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Comfort (for reduced regenerative braking)

DRIVE MODE SELECTOR

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

CHARGING

Frontera Electric is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard. Additional charging accessories are available at extra cost. For more details please consult your local Retailer.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or by using the infotainment system.

PUREENERGY ELECTRIC

DRIVETRAIN - ELECTRIC		
CO ₂ emissions	0g/km	
Maximum power	83kW Peak 53kW continuous	
Maximum torque	124.5Nm @5270rpm	
Acceleration 0-62 mph	12.1 secs	
Maximum speed	87 mph	
Transmission	Automatic electric drive with fixed gear ratio	
Kerb weight	1514 kg	
Service interval	Initially after 1 year/8,000 miles then 16,000 miles or two years	
BATTERY		44KWH
Battery capacity	44kWh	
AC on-board charger speed	11kW	
Energy consumption (Combined low/high)	18.3kWh/100km	
Battery warranty	8 years/100,000 miles/70% capacity	
CHARGING (SUPPLY)	SOCKET	CHARGE TIME (20-100%)
AC current - Domestic 3 pin socket (3.7kW)	Type 2	11h 55min
AC current - Home wallbox or public charger (7kW)	Type 2	5h 40min
AC current - Public charger (11kW)	Type 2	3h 50min
DC current - Rapid charger (100 kW)	CCS	26m (20-80%)
RANGE		
EV Range WLTP High	186 miles	
PURE ENERGY		
11kW 3-phase onboard charger	●	

The Frontera Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

PUREENERGY HYBRID

TRANSMISSIONS

Hybrid e-DCT auto

1.2-litre petrol engine paired with a new six-speed dual clutch automatic transmission and a 28hp electric motor.

Permanent magnet synchronous electric motor is integrated into the gearbox and produces peak power of 21kW (28hp) and maximum torque of 55Nm.

During deceleration from higher constant speeds, the petrol engine stops and the e-motor acts as a generator to recharge the hybrid system's 48v battery.

Under low torque requirements the e-motor allows short distances to be driven on electric power alone (e.g. when manoeuvring or under 18mph in city traffic). It also assists the petrol engine under acceleration, such as when driving from standstill.

DRIVE MODE SELECTOR

The driver can determine the driving styles by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency.

The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance.

STEERING

- Electrical power steering (EPS)

BRAKES

- Automatic emergency braking
- In crash braking
- Traction control
- Anti-lock braking system (ABS)
- Electronic stability programme (ESP)

FUEL TANK CAPACITY

- 44 litres

	FRONTERA ELECTRIC	FRONTERA HYBRID
EXTERIOR DIMENSIONS – MM (INCHES)		
Length	4385 (172.64)	4385 (172.64)
Width (without mirrors)	1795 (70.67)	1795 (70.67)
Height	1655 (65.16)	1655 (65.16)
Wheelbase	2670 (105.12)	2670 (105.12)
LUGGAGE CAPACITIES – LITRES (CU.FT.)		
Rear seats up (under luggage compartment cover)	460 (16.24)	460 (16.24)
Rear seats folded (to roof)	1600 (56.50)	1600 (56.50)
WEIGHTS AND TOWING DATA – KG		
Gross vehicle weight	2030	1830
Maximum towing weights. Trailer with brakes	N/A	1250

Please note: **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

*Towing weight achieved with Vauxhall tow hook only.

VX-OV24-BEVX-MY24A-RE-FT-DIA-IMAG-X-X-0324-IN-TOP-SRG.jpg

VAUXHALL CONNECT

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

SAFETY

The more you know, the safer your journey – that’s why our smart tech and connected services keep you constantly updated on what’s going on inside and outside your vehicle.

PEACE OF MIND

- Emergency call (SOS e-call)
- Breakdown call (b-call)

E-REMOTE CONTROL

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle’s cabin temperature before you get in.

CONVENIENCE

- E-remote control (Electric only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

LIVE NAVIGATION PLUS†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic update
- Parking prices and availability
- Weather forecast on your journey
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts
- Speedcam alerts

MAINTENANCE

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

For more information visit connect.vauxhall.co.uk

*Subject to subscription – after you have taken delivery of your vehicle, please subscribe on: connect.vauxhall.co.uk **via MyVauxhall App. †Standard on models with Satellite Navigation only. Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

Explore MyVauxhall

Ready to make life easier? Meet MyVauxhall – your one-stop shop for everything Vauxhall.

Plan journeys from the comfort of your armchair. View your next scheduled service, book a vehicle repair, access your handbook and much more!

Also if you drive an electric vehicle, you’ll love our e-Remote Control app feature. Use it to pre-condition your cabin temperature before journeys – and maximise your charge. Or pre-schedule charging times at night, and benefit from cheaper electricity.

Download MyVauxhall now!

COMPANY CAR DRIVER AND FLEET INFORMATION

BENEFIT IN KIND COMPANY CAR TAXATION*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

GENERIC EXAMPLE:

Electric vehicle: 0g/km CO₂

On-the-road RRP	£23,495.00
Deduct: Vehicle Excise Duty	-£0.00
New vehicle first registration fee	-£55.00
Effective list price	£23,440.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£24,095.00
Car benefit charge 2024-25 tax year (2%)	£468.80
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£93.76
Higher Rate (40%) tax payer	£187.52

* Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

** Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 - £14,732 Starter Rate 19%
- Over £14,732 - £25,688 Basic Rate 20%
- Over £25,688 - £43,662 Intermediate Rate 21%
- Over £43,662 - £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

To calculate your own personal liability, click the link [Vauxhall BiK Tool](#)

VEHICLE EXCISE DUTY†

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £410 is payable for five years after registration.

VED BAND	CO ₂ (G/KM)	FIRST YEAR RATE PETROL/DIESEL	FIRST YEAR RATE HYBRID/ELECTRIC

FURTHER INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free[†] phone call away, 24 hours a day, 365 days a year!

LEASYS

LEASYS UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile. Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, Leasys lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation. Leasys is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA). For further information, please contact your local Vauxhall Retailer or visit [leasys.com/uk](https://www.leasys.com/uk)

IN THE EVENT OF AN ACCIDENT

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](https://www.vauxhall.co.uk/AccidentManagement)

VAUXHALL FLEXCARE – SERVICE PLANS AND EXTENDED WARRANTY

Designed for your peace of mind. A collection of extended warranty and service plans to match the way you drive.

EXTENDED WARRANTY

An extended warranty for your Vauxhall offers you similar cover for material or manufacturing defects beyond the original warranty period on the vehicle. By choosing an official Vauxhall Extended Warranty, we guarantee that any repairs you need are carried out by Vauxhall trained technicians using genuine Vauxhall parts.

SERVICE PLANS

There's no need to worry about budgeting for your next service. Simply take out a Vauxhall Fixed Price Service Care Plan.
