How to use this brochure

This brochure showcases some of the highlights of Grandland X. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to the [Grandland X Price and Specification Guide](#) for all the latest details.

LIFE JUST GOT A LITTLE MORE GRAND

Isn't it funny how a little extra ride height makes you feel so much... grander? All of a sudden, commutes feel cooler. Getaways get greater, and adventures are reinvented.

Its commanding driving position is far from the only thing that's a bit grand about Grandland X.

There's serious brains beneath the brawn, giving you powerful, on-the-go connectivity with the reassurance of smart safety technology.

Not to mention the introduction of Vauxhall's first ever plug in hybrid system, that switches effortlessly from pure electric to an electrified 300PS 4X4 driving experience, for high power and low emissions.

It's an electrifying new journey for Vauxhall, so let's get going...

VX_GRA_PHEV_29998

IT'S GOT THE POWER

Grandland X Hybrid4 gives you more than just another SUV. With Plug-in Hybrid technology it charges like a fully electric vehicle, with up to 300PS from the combined petrol-electric powertrain. It achieves all this while keeping your emissions low and costs down. If we're talking figures that's up to 204 mpg with CO₂ of only 34g/km.

COMBINED POWER

300PS

REDUCED CO₂*

34g/km

MORE MILES**

204 mpg

These figures were obtained using a combination of battery power and fuel. The Grandland X Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging.

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces.

**Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: vauxhall.co.uk/wltp

ECONOMICAL AND CUTTING-EDGE

Four driving modes

With its two different power sources and four driving modes, the Grandland X Hybrid gives you maximum flexibility. Switch easily between electric, hybrid, AWD and Sport, depending on your needs and the driving conditions. In pure electric mode, the car has a generous range of up to 35 miles. While in hybrid mode, the car automatically selects the most efficient method of propulsion. When travelling at low speeds within cities, for example, the system switches to electric mode for zero-emission driving.

Vauxhall Connect standard with integrated sat nav.

Continuing Vauxhall's reputation for class-leading on-board technology, the Grandland X Hybrid4 features the new Vauxhall Connect telematics service. This includes Live Navigation with real-time traffic information, as well as the ability to check key vehicle data via an app including a journey planner which indicates where you can re-charge along your route.

INNOVATIONS

1. Impressive 360° surround vision*

Grandland X not only has your back – but your front too. Our 360° panoramic camera alerts you to objects all around your car, making reversing out of a tight space super easy.

2. Premium Denon® sound system*

Because every great adventure needs a great soundtrack. Turn it up with our tailor-made sound system.

3. Advanced IntelliGrip*

Keep your cool and stay in control with IntelliGrip – our fully-electronic traction control that keeps you steady and stable on even the most difficult roads.

4. Bright LED headlights*

We told you it was clever. The Grandland X boasts an intelligent LED headlight system which shapes the beams according to your driving situation.

*Standard on certain models.

IT GETS YOU, SO GET IN

Grandland X will have you looking the part, and feeling it too. Confidently poised, it's ready to take you places. That energetic SUV design fuses lavish looks with practical versatility. With plenty of space for living, and all the smart tech you need to just get up and get on with life.

Because that's the way Grandland X goes – not just to look grand, but to make life feel that bit grander too.

YOU'RE INTO SOMETHING GOOD

So, if you're sitting comfortably, it's probably down to Grandland X's ergonomic active front seats*. With full lumbar support, extendable and tiltable cushions, each seat adjusts 16 different ways for the ideal back therapy.

The soft-touch facia and controls are ergonomically designed to keep your eyes on the road. The central IntelliLink touchscreen helps too, reducing clutter for a calmer, more luxurious cabin that takes you to a happy place. Now that's grand.

*Standard on certain models.

VX_GRA_30294

BRITISH WEATHER BEATEN

Frosty mornings, misty windows and days as cold as ice. Whatever the weather, life's a bit more grand inside Grandland X.

- 1. Panoramic roof*:** All the heating tech inside Grandland X helps you enjoy your journeys even more, and if you treat yourself to a panoramic roof you can love the sunlight streaming in too.
- 2. Heated windscreen*:** Starting with those icy windows, ThermaTec technology quickly unfreezes the Grandland X's windscreen, making frantic morning scraping a thing of the past.
- 3. Heated seats*:** With a nice clear view outside, settle inside with the warm welcome of heated front and outer rear seats.
- 4. Heated steering wheel*:** Windscreen – clear. Driver's seat – heated. How about a heated steering wheel to warm up those chilly hands on a cold morning?

*Standard on certain models.

MAKE A SMART MOVE

Driving, parking and getting around in busy towns and cities can be a challenge. Luckily, Grandland X has some moves that will make your day just that little bit less stressful. There's more info on the next page, but if you need all the detail just click on the button below.

1

1. Keyless entry and start*

For starters, getting in and out and on the road is easier with keyless entry and start, which gives you secure access to your car and its ignition without taking your keys out of your pocket.

VX_GRA_27682

2

2. Rear-view camera*

If you're parking in a confined space, check the 180° rear-view camera so you can reverse into a tight spot with ease. And, on the Ultimate Nav, the 360° panoramic camera allows for a high and wide angle view around your car so you can move with even more confidence.

VX_GRA_27730

3

3. Side blind spot alert

This is a real lifesaver. Standard on most models, it helps prevent collisions by ultrasonically detecting vehicles hidden either side of you. If a vehicle moves into your blind spot, a warning light illuminates in the appropriate door mirror, making you aware of any hazard.

VX_GRA_27735

4

4. Advanced park assist*

Trying to get into a tricky space? Just switch to advanced park assist. Then watch as Grandland X steers you in. Now that's a smart move.

VX_GRA_27733

*Optional at extra cost on certain models.

IT LOOKS OUT FOR YOU

It's nice to know you're being looked after – especially when you're busy travelling.

Based on Grandland X's front camera technology, intelligent safety assistance is built into most models, giving you a greater sense of security. It's a reassurance that makes all the difference to your journeys.

Automatic emergency braking*: No trouble ahead with automatic emergency braking. In busy traffic, it warns you if you approach a vehicle too fast, and automatically brakes for you as a fail-safe.

*Standard on certain models.

LED adaptive forward lighting*

Giving you greater visibility and safety at night, LED adaptive forward lighting headlights automatically optimise the beam shape in different driving situations, from town and country roads to motorways and adverse weather.

VX_GRA_27772

Lane departure warning

Keep on the straight and narrow with lane departure warning. If you drift out of your lane without signalling, the system alerts you with a sound, then a gentle nudge of your steering wheel.

VX_GRA_30300

Driver drowsiness system*

This potentially life saving safety feature monitors your driving time and behaviour to help prevent accidents if you seem tired.

VX_GRA_27724

*Standard on certain models.

For more detail on the Grandland X's safety systems, please click through to the Grandland X Price and Specification Guide, [vauxhall.co.uk/gograndlandx](https://www.vauxhall.co.uk/gograndlandx)

VX_GRA_27891

Touchscreen sat nav*

Keeping you on the right track, the Navi 5.0 IntelliLink system gives you an 8-inch colour touchscreen with fully integrated European navigation and route planning.

VX_GRA_27756

Premium sound system*

Pin-sharp sounds pump gloriously through the Denon® sound system, a premium Hi-Fi unit with eight speakers, bass subwoofer and 240watt amplifier – so you can really crank it up when the mood takes you.

VX_GRA_30506

Smartphone integration

Every Grandland X features Bluetooth® connectivity and USB connection**. You can also connect your smartphone using Apple CarPlay™ or Android Auto™ to project your phone onto the IntelliLink† display. Simple access to your phone, music and apps, complete with voice control.

VX_GRA_27307

Wireless charging dock*

Oh yes, and there's a handy wireless charging dock to keep your smartphone charged, hands-free and ready when you're on the go.

*Standard on certain models. **The majority of phones, MP3 players and tablets can be connected by either Bluetooth®, USB connection or aux-in. Please note you may need to change your connection method (i.e. from Bluetooth® to USB cable) if you want to access another function on your device. †Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple CarPlay™ is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc. also registered in the U.S. and other countries. For more detail on the Grandland X's infotainment systems, please click through to the Grandland X Price and Specification Guide, vauxhall.co.uk/gograndlandx

OPEN TO IDEAS

Space. Like time, it's something we can never have enough of.

Thing is, with a bit of clever thinking, there's always ways to make more. Grandland X starts off with a generous 514 litres* of rear storage, but with a simple flip of the rear seats, space expands to 1652 litres*. Perfect for storing extra kit, luggage and loads of all sizes.

Power tailgate**

Complementing Grandland X's keyless entry and start system**, a sensor-operated power tailgate gives you hands-free access when you're carrying and loading luggage. Just swipe your foot under the rear bumper to spring open the tailgate – grand.

*Capacities for Hybrid4 models are smaller. See Price and Specification Guide for more detail.
**Optional at extra cost on certain models.

Flexible space

Perfect for long loads, the seats feature a pass-through space* so you can safely store anything from ski gear to fishing tackle inside your car.

*Standard on certain models.

VX_GRA_27758

VX_GRA_27289

Split-folding rear seats

Make space work your way with seats that fold down flat in one easy hand movement. They've got a 60/40 split ratio too, so they adapt for all sorts of tasks.

GRIP THOSE CURVES

Who doesn't love the confidence of control? That feeling of knowing what you can do, and just being able to do it.

That's exactly what makes Grandland X gripping stuff on every stretch, turn and curve. It's engineered to be efficient too, with innovative plug-in hybrid technology that keeps your running costs low and your drive dynamic.

Fuel economy[#] and CO₂^{*} results for the Grandland X. Combined mpg (l/100km): 40.4 (7.0) – 54.3 (5.2). CO₂ emissions: 122 – 108g/km.

Results for the Grandland X Hybrid4. Combined mpg (l/100km): 204 (1.4). Combined electric energy consumption kWh/100km: 20.3 (WLTP). CO₂ emissions: 34g/km. These figures were obtained using a combination of battery power and fuel. The Grandland X Hybrid4 is a plug-in hybrid vehicle requiring mains electricity for charging.

[#]Fuel consumption figures are determined according to the WLTP test cycle. ^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

VX_GRA_30319

VX_GRA_27285

Gripping stuff

IntelliGrip traction control is an optional intelligent front-wheel drive system that gives you greater traction in different driving conditions by adjusting torque distribution and optimising the operation of the ESP system. There are five different modes; standard ESP operation switched on or off plus a mode for driving in snow, in muddy conditions or on sand. So wherever you might head off you can dial in the right level of grip.

VX_GRA_27771

Lean, mean and clean

A powerful range of super-efficient petrol and diesel turbo engines give you a choice of manual or automatic transmissions, all with our Start/Stop fuel saving system. All diesel engines feature BlueInjection, our next generation NOx emission control technology, using AdBlue® to reduce nitric oxide levels and improve emissions.

1. Hybrid4 technology

A powerful powertrain comprises a 1.6 litre turbocharged direct injection petrol engine and two electric motors, producing up to 300PS and 520Nm of torque combined. An electrified rear axle provides true AWD capabilities on-demand. While in electric mode, drive up to 35 miles with zero emissions.

2. Four driving modes

A sophisticated 8-speed electrified auto transmission operates four different driving modes: standard Hybrid mode, 4X4 for difficult conditions, Sport mode for a more dynamic drive, and Electric only for zero emissions.

3. Simple to charge, simple to save.

Charges just like a fully electric vehicle. An i-booster system recovers energy to partially recharge the battery whilst on the move. Fully charge in 3 hrs 30 mins* using the on-board 3.7kW charger or in only 1 hr 45 mins* with the optional 7.4kW version.

*When charging with a 7.4kW wallbox.

4. Simple to use

A menu of easy to understand information displays in either the infotainment display or the instrument cluster. This includes energy usage and range, charging information and driving modes.

GRANDLAND X CHOICES

What are you chasing? Something smart, seriously sporty, or totally top-of-the-range? It's up to you.

We've got you a range of fantastic models to choose from, each one brimming with all the clever features and premium touches you'd expect and more. So you won't just have a higher ride. You'll have a heightened sense of well-being too.

Take your pick – and let the adventure begin.

[SEE THE RANGE](#)

LET'S GO BOLDER

What's the colour that makes you feel that little bit grander inside? It's different for everyone. Could be a pristine white or perhaps something moodier. Or maybe the seduction of a premium or tri-coat finish*. Whichever you fancy, there's plenty of ways to stand out that little bit more.

Black on top

Oh yes, on top of all this you can match your body colour with a jet black roof* (with black door mirrors) for even more dynamism.

*Optional at extra cost on certain models.

Your Vauxhall Retailer has a comprehensive display of paint samples.

GIVE YOUR DRIVE A LITTLE EXTRA

Having just the right little extra makes a big difference to your journeys. We've only shown a small selection here and on the next page but click the button below to see the full range online.

- 1. Treat your feet:** Your car floor stays protected and comfortable with a set of four high-quality mats, available in durable black velour or toughened, anti-slip rubber, they're styled with the Grandland X logo.
- 2. Clean getaway:** Keep your paintwork pristine with front and rear splash guards designed for superior protection against mud and water splashes and stone chips. Available in classic black with an easy clean finish.
- 3. Screen time:** Keep your rear seat passengers entertained with this FlexConnect tablet holder that securely adjusts for every viewing angle. Other FlexConnect attachments are available for holding shopping bags, jackets and drinks.
- 4. Nice footwork:** Add an even more stylish and sporty look to your Grandland X's interior with the racing glitz of alloy pedal covers, available for either manual or automatic transmissions.

[SEE ALL ACCESSORIES](#)

Furry good idea: If you have a four-legged friend, a fitted dog guard is the perfect way to separate the passenger and luggage compartments to keep your furry pal happy and safe (and your rear seats tidy!).

Big up your adventures

Aerodynamic Thule® roof boxes, available in a range of stylish finishes complement Grandland X's shape. There's a range of sizes, which use a Power-Click quick mounting and safety locking system, increasing your load capacity by up to 520 litres for even grander escapes.

Tidy travels

Drive smart with a Grandland X cargo liner. Available as a velour carpet load liner (illustrated left) or a custom moulded tray with a raised lip to keep loads and spills contained, both are designed to keep your boot floor clean, tidy and protected.

GET MORE WITH MYVAUXHALL

MyVauxhall is your one-stop shop for everything Vauxhall. From service history, owners' manuals, online service booking, to product updates, MyVauxhall is your digital passport to the world of Vauxhall.

- **Manage your Vauxhall** – Book a service online with your chosen Retailer
- **Exclusive offers** – Access Vauxhall Rewards and great personalised offers
- **Owner documents and tutorials** – Access to your vehicle's owners' manual, infotainment tutorials and 'how to' videos

How to get MyVauxhall

Registering for MyVauxhall is simple:

1. When you order your Grandland X, your Retailer will help you pre-register for MyVauxhall.
2. We'll send you an e-mail invitation to activate your MyVauxhall account and complete your registration.
3. MyVauxhall is ready to go – use it through any web browser, or the MyVauxhall app on your mobile device, available to download from Google Play or Apple App Store.

LET'S GO GRAND

Riding high, in the zone and effortlessly in control. Life's a little bit larger in the new Grandland X. You can drive more safely than ever, see more of the road ahead, and enjoy every journey in comfort with the reassurance of smart connectivity.

Available with intelligent safety assistance, Adaptive Forward Lighting LED headlights and ergonomic active front seats (to name just a few goodies), Grandland X Hybrid4 takes you to grander places.

So go on and get into a drive that's more efficient and more exciting than ever.
