All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

This vehicle is covered by our Price Protection Guarantee. See 'Further Information' page for details.

SAFETY

STANDARD FEATURES – The following features are standard across the entire Grandland X range, including hybrid models.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – these keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Anti-lock Braking System (ABS)
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – permits the safe use of a child seat in the front passenger seat
- i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Switchable Electronic Stability Programme (ESP)

Additional ESP features

- Corner stability control
- Traction control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking.

DRIVER ASSISTANCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter and intelligent speed adaptation

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Lane departure warning

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Automatically tilting door mirrors

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Electric parking brake

Centre console switch in lieu of handbrake lever.

Steering

- Speed-sensitive electric power-assisted steering

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
 - Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in instrument cluster)

- Displays trip computer data
- Total mileage
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel nuts
- Remote control central door locking
- Two folding keys with integral remote
- Luggage compartment cover

CONVENIENCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Interior convenience

- Front 12-volt electrical accessory socket
- 12-volt electrical accessory socket in luggage compartment
- Front and rear passenger assist handles
- Automatically dimming anti-dazzle rear-view mirror
- Interior courtesy lighting operated by door switches
- Ventilated glovebox with lid
- Front door pockets with 2.6-litre capacity
- Two drinks holders in centre console
- Rear door pockets with 1.8-litre capacity
- Covered storage compartment in centre console and in driver's armrest
- Luggage compartment foldable cover

Heating and ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents
- Rear passenger compartment heating ducts
- Heated rear screen with timed cut-off

Exterior convenience

- Sound-absorbing windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Heated rear window
- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off
- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

DRIVER ASSISTANCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Hybrid range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter and intelligent speed adaptation

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Automatic emergency braking

The system warns you if approaching a vehicle too fast and automatically brakes as a fail-safe.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Automatically tilting door mirrors

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Electric parking brake

Centre console switch in lieu of handbrake lever.

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES – The following features are standard across the entire Grandland X Hybrid range.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light

Driver information display (centrally located in instrument cluster)

- 3D instrument cluster
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights

- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone. There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs.
- Green: Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- Blue: Energy consumed by the vehicle directly by the battery (kWh/mile)
- Orange: Fuel consumption (mpg)

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information

PETROL ENGINE

	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	230Nm (169 lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d (6.3)
Service interval	16,000 miles or 1 year (whichever occurs sooner)

DIESEL ENGINE

	1.5 (130PS) Turbo D
Capacity	1499cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	300Nm (221 lb.ft.) @ 1750rpm
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger with intercooler. Common rail direct injection
Emission compliance	Euro 6d-TEMP (6.2). Diesel Particulate Filter
Service interval	20,000 miles or 1 year (whichever occurs sooner)

PETROL ENGINES**

	1.6 (225hp) Direct Injection Turbo/Electric FWD	1.6 (300hp) Direct Injection Turbo/Electric AWD
Maximum power	180hp (133kW) @ 6000rpm	200hp (147kW) @ 6000rpm
Combined power output	225hp (165kW)	300hp (221kW)
Maximum torque	300Nm (221 lb.ft.) @ 3000rpm	300Nm (221 lb.ft.) @ 3000rpm
Combined torque	360Nm (265lb.ft.)	520Nm (383lb.ft.)
Combined CO₂ emissions (NEDC)*	35g/km	34g/km
Combined fuel economy (WLTP)#	192 mpg (1.5 l/100km)	204 mpg (1.4 l/100km)
Maximum speed/electric only	140/84 mph	146/84 mph
0-60mph	8.6 secs	5.9 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d-TEMP	Euro 6d-TEMP

These figures were obtained using a combination of battery power and fuel. The Grandland X Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging.

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Provisional data.

ELECTRIC ENGINES**

	Electric motor FWD	Electric motor AWD
Maximum power – front axle	110hp (81.2kW) @ 2500rpm	110hp (81.2kW) @ 2500rpm

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended. **Correct at time of publication. [†]Hybrid4 models.

SPECIFICATIONS

Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

Adblue tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox:
Standard on all models.

Eight-speed automatic transmission:
Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.
Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter
Rear discs: 268mm diameter

SPECIFICATIONS*

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque convertor
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- On Hybrid4 models AWD activates the engine and electric engine to provide AWD and improve grip on rough surfaces
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

All-Wheel Drive Electrified Rear Axle

The Electrified Rear Axle is exclusive on the Hybrid4 AWD drivetrain and includes the following:

- Additional power of 80 kW and torque boost of 166 Nm for 10 seconds

- Contains an electric motor, inverter and reducer
- Rear axle cross member modified by an electrified multi-arm axle

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

Kerbweight: 1800kg

Charging

- Grandland X Hybrid range comes fitted with a Mode 3, 7.4kW cable and a 3.7kW on-board charger as standard.
- A 7.4kW on-board charger can be purchased as an option for £500 inc VAT.

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland X Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

VX_GRA_PHEV_29853

On-board charger	Charge point		
	3.7kW AC (1 Phase)	7kW AC (1 Phase)	11kW AC (3 Phase)
3.7kW (1 phase) - Standard	3 ½ hours	3 ½ hours	3 ½ hours
7.4kW (1 phase) - Optional	3 ½ hours	1 ¾ hours	3 ½ hours

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). ⁴Not available with Flex Floor option.

⁵Available with 7 pin, 13 pin and 12S electrics. Please consult your Vauxhall Retailer for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%[†] for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland X Business Edition Nav 1.5 (130PS) Turbo D (CO₂ emissions 101g/km)	
On-the-road RRP	£25,475.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25,250.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£25,820.00
Car benefit charge 2019–20 tax year (28%)	£7,230.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,446.00
Higher Rate (40%) tax payer	£2,892.00

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel ^{††} 2019–20 tax year	Diesel [‡] 2019–20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

^{††}Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). [‡]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate	First year rate Hybrid	Standard rate
		Petrol [#]	Diesel [†]			
A	0	£0	£0	£0	£0	£0
B	1-50	£10	£25	£145	£0	£135
C	51-75	£25	£110	£145	£15	£135
D	76-90	£110	£130	£145	£100	£135
E	91-100	£130	£150	£145	£120	£135
F	101-110	£150	£170	£145	£140	£135
G	111-130	£170	£210	£145	£160	£135
H	131-150	£210	£530	£145	£200	£135
I	151-170	£530	£855	£145	£520	£135
J	171-190	£855	£1,280	£145	£845	£135
K	191-225	£1,280	£1,815	£145	£1,270	£135
L	226-255	£1,815	£2,135	£145	£1,805	£135
M	over 255	£2,135	£2,135	£145	£2,125	£135

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling
