All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's and front passenger's airbags
 - Front seat side-impact airbags
 - Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints
 - Height-adjustable rear seat head restraints
 - Anti-submarining ramps in front seats
-

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
 - Dual seatbelt pretensioners on front seats – These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
 - Pretensioners on outer rear seatbelt retractors
 - Load limiters on outer rear seatbelt retractors
 - Smart seatbelt reminder for front and rear seats – Warning lights and audible warning
-

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat.
 - i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – Allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column
 - Side-impact protection beam
 - Reinforced passenger safety cell
 - Deformation zones front and rear
-

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries
 - Upper and lower bumper design – Reduces upper and lower leg injuries
-

Braking and stability

- Switchable Electronic Stability Programme (ESP)
 - Anti-lock Braking System (ABS)
 - Corner stability control
 - Traction control
 - Hill start assist
 - Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking.
 - Hydraulic brake assist
 - Electronic brakeforce distribution.
-

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Electric parking brake

- Centre console switch in lieu of handbrake lever
-

Steering

- Speed-sensitive electric power-assisted steering
-

Speed sign recognition

- Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
 - Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
 - On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed
-

Security features

- Remote control security alarm system (operates in conjunction with central locking)
 - Electronically protected audio equipment • Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN) • Locking wheel nuts
 - Luggage compartment cover
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap • Deadlocking
 - Driver's internal central locking activation switch
-

Instrumentation

- Speedometer • Rev counter • Fuel gauge with low fuel level warning light
 - Water temperature gauge with warning light
 - Shift-up indication light (manual models only) – Indicates when to change gear for optimum fuel economy
-

Driver information display (centrally located in instrument cluster)

- Displays trip computer data • Total mileage • Service-due indicator
 - Deflation detection system • 3.5-inch colour information display
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage • Vehicle range based on remaining fuel • Average speed
 - Average fuel economy • Instantaneous fuel economy
-

Central facia display (format dependent on infotainment unit)

- Audio information • Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Seating and comfort

- Reach and rake adjustable steering • Steering wheel mounted audio controls • Three-person layout
 - 60/40 split-folding rear seat • Height-adjustable and removable head restraints
 - Centre rear seat head restraint
-

Electronic climate control incorporating air conditioning

- Dual-zone control – Allowing different temperature settings for driver and front passenger.
 - Advanced predictive logic control system using a sun sensor
 - Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
 - Automatic air direction and fan speed with manual override • Illuminated controls
-

Additional heating and ventilation features

- Four adjustable facia vents • Windscreen demist vents • Side window demist vents
 - Rear passenger compartment heating ducts • Heated rear screen with timed cut-off
-

Convenience features

- Front 12-volt electrical accessory socket • 12-volt electrical accessory socket in luggage compartment
 - Front and rear passenger assist handles • 220-volt power outlet behind front seats
 - Automatically dimming anti-dazzle rear-view mirror • Driver's centre armrest
-

STANDARD FEATURES

ALL MODELS

Interior lighting

- Courtesy lighting operated by door switches
-

Interior storage

- Ventilated glovebox with lid
 - Front door pockets with 2.6-litre capacity
 - Two drinks holders in centre console (one if optional All Road Pack is specified)
 - Rear door pockets with 1.8-litre capacity
 - Covered storage compartment in centre console and in driver's armrest
-

Luggage area

- Luggage compartment foldable cover
 - Fully carpeted luggage area
-

Exterior lighting features

- LED daytime running lights
 - Automatic lighting control
 - Lights-on audible warning
 - LED tail lights
 - High-level centre rear brake light
 - Rear fog light
 - Reversing light
 - Hazard warning lights
 - Door-to-door illumination
 - Welcome lighting
-

Front fog lights

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe
 - Rain-sensitive windscreen wipers
-

Door mirrors

- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off – Mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch facility
 - Heated rear window
-

Sight and Light Pack

- Automatic lighting control
 - High beam assist
 - Rain-sensitive windscreen wipers
 - Automatically dimming anti-dazzle rear-view mirror
-

Body styling

- Side-protection mouldings
 - Chrome-effect front grille bar
 - Body-colour door mirrors
 - Body-colour door handles
 - Rear spoiler
-

Windows

- Sound-absorbing windscreen
 - Tinted windows
-

DRIVER ASSISTANCE

	SE	Design Line	Tech Line Nav	Sport Nav	Elite Nav	Ultimate	Price (£) exc. VAT	Price (£) inc. VAT
<p>Cruise control with speed limiter and intelligent speed adaption</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p> <ul style="list-style-type: none"> • Steering wheel mounted controls 	●	●	●	●	●			
<p>Automatic cruise control with speed limiter and intelligent speed adaption (only available on diesel automatic models)</p>			○	○	○	●	333.33	400.00
<p>All Road Pack</p> <hr/> <p>For those drivers who regularly take their vehicle off road, this pack helps the driver cope with whatever conditions they encounter</p> <hr/> <ul style="list-style-type: none"> • IntelliGrip: A choice of five selectable modes to suit the driving conditions: ESP on, ESP off, snow, mud, sand • 18-inch five-spoke alloy wheels with 225/55 tyres 	○						416.67	500.00
		○	○	○			166.67	200.00
					○	○	41.67	50.00
<p>Lane departure warning</p> <p>If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.</p> <ul style="list-style-type: none"> • Warning light in instrument cluster • Audible warning • Facia on/off switch 	●	●						
<p>Side blind spot alert</p> <p>Side blind spot alert helps prevent potential collisions with other vehicles ‘hidden’ in the vehicle’s side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror.</p> <ul style="list-style-type: none"> • Ultrasonic side sensors with three-metre range • Warning light in door mirrors • Operates at speeds between 7mph and 70mph (where permitted) 			●	●	●	●

DRIVER ASSISTANCE

	SE	Design Line	Tech Line Nav	Sport Nav	Elite Nav	Ultimate	Price (£) exc. VAT	Price (£) inc. VAT
<p>Safety Pack</p> <p>The front camera and radar systems combine to enhance the driver assistance and safety features.</p> <p>Driver drowsiness system The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p> <p>Forward collision alert with automatic emergency braking and pedestrian detection The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 31mph – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 70mph; fixed target: from 3 to 50mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p> <p>Lane departure warning with lane assist When lane departure warning identifies an imminent lane departure without driver input, lane assist applies gentle steering corrections to keep the vehicle within its lane. The system operates from 40mph.</p>			●	●	●	●		
<p>Parking sensors • Rear parking distance sensors • Audible warning</p>	●							
<p>Park and Go Pack One</p> <p>An audible warning alerts you to obstacles in front of and behind you. A series of beeps are sounded as you approach the obstacle, increasing in frequency as the distance closes.</p> <p>• Front and rear parking distance sensors • Audible warning • Electrically foldable door mirrors with puddle light</p>	○	●	●	●	●		229.17	275.00

EXTERIOR LIGHTING

Standard lighting features Halogen headlights with manual beam levelling and high beam assist.	●	●	●	●	●			
Premium LED Adaptive Forward Lighting Pack LED elements light the road brighter than halogen, allowing you to see hazards sooner and giving you more time to react. The system uses data such as vehicle speed, steering angle and when the indicators are used to determine the most suitable lighting. <ul style="list-style-type: none"> Urban light – With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function. At speeds below 18mph the projector units swivel 8° outwards for improved visibility. Motorway light – At higher speeds, and with a low level of steering inputs, the light range is increased. Country light – At speeds between 34mph and 70mph the lighting is increased ahead and to the sides of the road. Static cornering light – At lower speeds, when you indicate and turn the steering above a certain angle, corners and bends are illuminated to match steering inputs. Dynamic curve light – The projector units swivel in the direction of travel based on steering angle and vehicle speed. Adverse weather light – The projector units swivel outwards to increase illumination of the side of the road and road signs, and to reduce the dazzling of oncoming traffic. Intelligent main beam control – Powerful down-the-road illumination on top of the LED low beam. Automatically switches between low beam and full beam based on traffic conditions. Automatic headlight levelling 	○	○	○	○	○	●	929.17	1,115.00

All diesel models feature BlueInjection, see www.vauxhall.co.uk/adblue.

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

GRANDLAND X

All measurements are in mm (inches) unless stated otherwise.

*Measured using the ECIE method.

SPECIFICATIONS

Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

Adblue tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox:

Standard on all models except Ultimate.

Six-speed automatic transmission with

Active Select function:

Available at extra cost on all models except Ultimate. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Eight-speed automatic transmission:

Standard on Ultimate models.

Available at extra cost on all other models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo Start/Stop	1900	1400 (685)
1.2 (130PS) Turbo Start/Stop auto	2000	1300 (696)
1.5 (130PS) Turbo D Start/Stop	2000	1500 (715)
1.5 (130PS) Turbo D Start/Stop 6-speed auto	2000	1300 (727)
2.0 (177PS) Turbo D Start/Stop auto	2090	2000 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINE

Engine	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). ⁴Not available with Flex Floor option.

⁵Available with 7 pin, 13 pin and 12S electrics. Please consult your Vauxhall Retailer for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland X Tech Line Nav 1.5 (130PS) Turbo D Start/Stop (CO₂ emissions 113g/km)

On-the-road RRP	£25,125.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24,860.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£25,430.00
Car benefit charge 2019–20 tax year (30%)	£7,629.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£ 1,525.80
Higher Rate (40%) tax payer	£3,051.60

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [#] 2019-20 tax year	Diesel ^{##} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145

I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of publication.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670**††

For more product information

For further information on the Vauxhall range or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

*Mobile phone users will be charged at their standard tariff.

**The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.
