Grandland X's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO<sub>2</sub> (g/km) figures, valid 3 March 2020, are based on a configured vehicle as per pack code for UK with no options fitted.

\*Fuel consumption and CO<sub>2</sub> figures are determined according to the WLTP test cycle. CO<sub>2</sub> figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO<sub>2</sub> figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO<sub>2</sub> emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Vauxhall Motors Limited reserves the right to change, amend or withdraw sales allowances and/or amend pricing at any point in time in anticipation of any tariffs, duties taxes or other costs that Vauxhall Motors believes may increase its cost of importation and/or supply of vehicles after the 31st December 2020.

# SAFETY

**STANDARD FEATURES** – The following features are standard across the entire Grandland X range, including hybrid models.

## Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

## Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

## Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – these keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

## Braking

- Anti-lock Braking System (ABS)
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

## Tyre pressure

- Deflation detection system

## Child safety

- Deactivation switch for front passenger's front and side-impact airbags – permits the safe use of a child seat in the front passenger seat
- i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

## Stability

- Switchable Electronic Stability Programme (ESP)

## Additional ESP features

- Corner stability control
- Traction control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

## Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

## Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking.

# DRIVER ASSISTANCE

**STANDARD FEATURES** – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

**Cruise control with speed limiter and intelligent speed adaptation**

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

**Lane departure warning**

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

**Automatically tilting door mirrors**

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

**Speed sign recognition**

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

**Electric parking brake**

Centre console switch in lieu of handbrake lever.

**Steering**

- Speed-sensitive electric power-assisted steering

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

# DRIVER INFORMATION AND SECURITY

**STANDARD FEATURES** – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

## Driver Information

### Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
  - Indicates when to change gear for optimum fuel economy

### Driver information display (centrally located in instrument cluster)

- Displays trip computer data
- Total mileage
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

### Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

### Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

## Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel nuts
- Remote control central door locking
- Two folding keys with integral remote
- Luggage compartment cover

# CONVENIENCE

**STANDARD FEATURES** – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

## Interior convenience

- Front 12-volt electrical accessory socket
- 12-volt electrical accessory socket in luggage compartment
- Front and rear passenger assist handles
- Automatically dimming anti-dazzle rear-view mirror
- Interior courtesy lighting operated by door switches
- Ventilated glovebox with lid
- Front door pockets with 2.6-litre capacity
- Two drinks holders in centre console
- Rear door pockets with 1.8-litre capacity
- Covered storage compartment in centre console and in driver's armrest
- Luggage compartment foldable cover

## Heating and ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents
- Rear passenger compartment heating ducts
- Heated rear screen with timed cut-off

## Exterior convenience

- Sound-absorbing windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Heated rear window
- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off
- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

# DRIVER ASSISTANCE

**STANDARD FEATURES** – The following features are standard across the entire Grandland X Hybrid range. Specific features by model are outlined in the separate tabular information.

**Cruise control with speed limiter and intelligent speed adaptation**

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

**Front camera system**

A range of class-leading driver assistance and safety features are controlled by the front camera system.

**Automatic emergency braking**

The system warns you if approaching a vehicle too fast and automatically brakes as a fail-safe.

**Forward collision alert**

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

**Lane departure warning with lane assist**

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

**Automatically tilting door mirrors**

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

**Driver drowsiness system**

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

**Speed sign recognition**

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

**Electric parking brake**

Centre console switch in lieu of handbrake lever.

# DRIVER INFORMATION AND SECURITY

**STANDARD FEATURES** – The following features are standard across the entire Grandland X Hybrid range.

## Driver Information

### Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light

### Driver information display (centrally located in instrument cluster)

- 3D instrument cluster
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

### EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights

- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone. There are three options:
  - 6 mile range reserve
  - 12 mile range reserve
  - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs.
- Green: Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- Blue: Energy consumed by the vehicle directly by the battery (kWh/mile)
- Orange: Fuel consumption (mpg)

### Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

### Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

## Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel nuts
- Remote control central door locking
- Luggage compartment cover
- Keyless entry/engine start/stop

3D instrument cluster

Vehicle charge display

Keyless entry/engine start/stop

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

\*Correct at time of publication.

**Please note:** Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# SPECIFICATIONS

## Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

## Fuel tank capacity

- 53 litres (11.6 gallons)

## Adblue tank capacity

- 17 litres (3.7 gallons)

## Transmissions

Six-speed manual gearbox:  
Standard on all models.

Eight-speed automatic transmission:  
Available at extra cost on all models.

## Steering

- Speed-sensitive electric power-assisted steering

## Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

## Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

## All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

# SPECIFICATIONS\*

## Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

## Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- On Hybrid4 models AWD activates the engine and electric engine to provide AWD and improve grip on rough surfaces
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO<sub>2</sub> emissions and complete silence

## All-Wheel Drive Electrified Rear Axle

The Electrified Rear Axle is exclusive on the Hybrid4 AWD drivetrain and includes the following:

- Additional power of 80 kW and torque boost of 166 Nm for 10 seconds

- Contains an electric motor, inverter and reducer
- Rear axle cross member modified by an electrified multi-arm axle

## Fuel tank capacity

- 43 litres (9.4 gallons)

## Weights

Kerb weight: 1800kg

## Charging

- Grandland X Hybrid range comes fitted with a Mode 3, 7.4kW cable and a 3.7kW on-board charger as standard.
- A 7.4kW on-board charger can be purchased as an option for £500 inc VAT.

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket\*) would charge the vehicle in less than 8 hours.

Grandland X Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

VX\_GRA\_PHEV\_29853

On-board charger	Charge point		
	3.7kW AC (1 Phase)	7kW AC (1 Phase)	11kW AC (3 Phase)
<b>3.7kW (1 phase) - Standard</b>	3 ½ hours	3 ½ hours	3 ½ hours
<b>7.4kW (1 phase) - Optional</b>	3 ½ hours	1 ¾ hours	3 ½ hours

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

\*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

# DIMENSIONS AND CAPACITIES

All measurements in mm (inches) unless stated otherwise.

<sup>5</sup>Available with 7 pin, 13 pin and 12S electrics. Please consult your Vauxhall Retailer for details.

# COMPANY CAR DRIVER AND FLEET INFORMATION

## Benefit in kind company car taxation\*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%\*\* for Basic Rate, 40%\*\* for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

<b>Grandland X Business Edition Nav 1.5 (130PS) Turbo D (CO<sub>2</sub> emissions 137g/km)</b>	
On-the-road RRP	£26,160.00
Deduct: Vehicle Excise Duty	(£215.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25,890.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£26,490.00
Car benefit charge 2020-21 tax year (30%)	£7,947.00
Benefit in kind tax liability (2020-21 tax year)	
Basic Rate (20%) tax payer	£1,589.40
Higher Rate (40%) tax payer	£3,178.80

\*Lease note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

\*\*Excludes residents of Scotland.

### BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

### The BiK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

# FURTHER INFORMATION

## On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

**Please note:** Price protection does not apply to Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [www.vauxhall.co.uk/AccidentManagement](http://www.vauxhall.co.uk/AccidentManagement)

## Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [www.vauxhall.co.uk/offers-finance/business-leasing.html](http://www.vauxhall.co.uk/offers-finance/business-leasing.html)

## Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

## Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate		Standard rate	First year rate	
		Petrol <sup>#</sup>	Diesel <sup>†</sup>		Hybrid	Standard rate
A	0	£0	£0	£0	£0	£0
B	1-50	£10	£25	£145	£0	£135
C	51-75	£25	£110	£145	£15	£135
D	76-90	£110	£135	£145	£100	£135
E	91-100	£135	£155	£145	£125	£135
F	101-110	£155	£175	£145	£145	£135
G	111-130	£175	£215	£145	£165	£135
H	131-150	£215	£540	£145	£205	£135
I	151-170	£540	£870	£145	£530	£135
J	171-190	£870	£1,305	£145	£860	£135
K	191-225	£1,305	£1,850	£145	£1,295	£135
L	226-255	£1,850	£2,175	£145	£1,840	£135
M	Over 255	£2,175	£2,175	£145	£2,165	£135

\*Correct at time of issue.

<sup>#</sup>Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

<sup>†</sup>Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# FURTHER INFORMATION

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on the Grandland X Hybrid range the cover is extended\* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free\*\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.
