Vauxhall Pure Technology

We believe technology works best when it works for everyone. When it's not just as smart as can be, but also as easy as can be. We call it Vauxhall Pure Technology. Now everyone can feel the instant excitement of electric. Everyone can keep themselves and their loved ones safe. And everyone can stay connected to the things that matter most, simply and easily. That's Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Vauxhall PureSense

Vauxhall PureSense gives you heightened awareness on the road, with smart driver assistance technology that makes every journey safer and more enjoyable. And the best bit? You don't have to do a thing. PureSense is always on, continually working away in the background, scanning the road ahead, keeping you safe and allowing you to just enjoy the drive.

Vauxhall PureConnect

We live in a connected world. Friends and relatives are only a button away. We play music on demand. Information is instant. At Vauxhall we've brought your connected world inside the car - we call it PureConnect. Easy to use and always on, PureConnect seamlessly connects you to the things that matter through the smooth, flowing Pure Panel display. And, just as intelligently, it connects you to your car's onboard tech, through touchscreen and voice control.

Vauxhall PureEnergy

At Vauxhall, we're on a mission to open up electric driving to everyone. To deliver instant, exhilarating performance with low emissions. To change the way we move, for the better. And with innovative plug-in Hybrid models available across the range, there's an electrified New Grandland that will fit seamlessly into your life. One that's more exciting than ever, while keeping costs as low as possible. Thanks to PureEnergy from Vauxhall.

Choose Your Trim Level

Design

Design is New Grandland's entry level trim which has a high level of specification as standard including the 7-inch colour touchscreen with smartphone projection, 17-inch alloy wheels, dual-zone climate control and more.

GS Line

The sporty GS Line provides an aggressive look with a black roof and door mirrors combined with 18-inch high gloss black alloy wheels, dark tinted rear windows and high gloss black exterior detailing.

Also available as a Plug-in Hybrid model.

Ultimate

Ultimate builds on the already impressive GS Line spec adding a 360° panoramic parking camera, Alcantara seats, high gloss black badging and more.

Also available as a Plug-in Hybrid model.

New Grandland Plug-in Hybrid Range Highlights

GS Line

Standard features include:

PureSense

- LED headlights, tail lights and daytime running lights
- High beam assist
- Automatic lighting control
- Electronic parking brake
- Lane departure warning with lane keep assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency braking
- Highway integration assist (auto only)
 - Lane positioning assistant
 - Adaptive cruise control
- Six airbags
- Hill start assist
- ISOFIX child seat fixings on front passenger seat and outer rear seats
- 180° rear-view parking camera

PureConnect

- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 12-inch digital instrument cluster
 - Satellite navigation
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - Front USB connection
- Six speakers
- Vauxhall Connect

Comfort and Convenience

- Dual-zone electronic climate control with pre-conditioning
- Heated flat-bottomed leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- 60/40 split-folding rear seat backs
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors
- Soundproofed insulated windscreen
- Driver's ergonomic active sports-style seat (AGR approved*)
- Front passenger's sports-style seat
- Driver's armrest
- Centre rear seat armrest with load through facility
- Frameless automatic anti-dazzle rear-view mirror with LED spotlight
- Remote control security alarm system

Styling

- 18-inch 5-twin spoke high gloss black alloy wheels
- Black roof with high gloss black roof rails
- High gloss black exterior detailing
- Dark-tinted rear windows

Ultimate

Features over GS Line models:

PureSense

- IntelliLux adaptive LED® pixel headlights
- LED front fog lights
- 360° panoramic parking camera
- Side blind spot alert
- Advanced park assist
- Front and rear parking distance sensors

PureConnect

- Wireless charger for mobile devices

Comfort and Convenience

- Storage pocket on front seat backs
- Ergonomic active heated sports-style front seats (AGR approved*)
- 12-volt accessory socket in luggage compartment
- 230-volt accessory socket in rear
- Power operated tailgate with foot sensor
- Alcantara interior seat trim
- Keyless entry and start

Styling

- 19-inch diamond-cut bi-colour alloy wheels
- Alloy-effect protective front and rear skid plates

New Grandland Range Highlights

Design

Standard features include:

PureSense

- LED headlights, tail lights and daytime running lights
- High beam assist
- Automatic lighting control

Effective 19 October 2022

New Grandland Model Year 2022A

New Grandland Plug-in Hybrid Prices

	LCDV Code	Fuel Type	Price (£)	VAT (£)	Total (£)	On-the-road RRP (£)	Financial Year 2022/23 BiK 20% (£)	WLTP Combined CO ₂ (g/km)* - LCDV Code	Insurance Groups
GS Line									
1.6 (225PS) Turbo/Electric auto	1GUOSYSNKATOAOFO	Petrol/Electric	30,583.33	6,116.67	36,700.00	37,455.00	74.80	31	21E
Ultimate									
1.6 (225PS) Turbo/Electric auto	1GUOSYVNKATOAOFO	Petrol/Electric	33,545.83	6,709.17	40,255.00	41,010.00	81.91	30	tba

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

*Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

PureSense

Standard Driver Assistance Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On models with Sat Nav, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Automatic emergency braking

Monitors the traffic situation in front of the vehicle to detect mobile and fixed cars. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Model Specific Features/Options

	Plug-in Hybrid models		Design	Electric models	
	GS Line	Ultimate		GS Line	Ultimate
Driver Assistance					
Night vision		£1,300*			£1,300*

360° panoramic parking camera		●			●
Front and rear parking distance sensors		●			●
Advanced park assist		●			●
Side blind spot alert		●			●
Highway integration assist (auto only) – Lane positioning assistant/ Adaptive cruise control	●	●			●
Forward collision alert	●	●			
6.6kW on-board charger (1 phase) – halves charging time when charging with a 7kW wallbox (see Plug-in Hybrid Specifications for further details)	£500*	£500*			

*Optional at extra cost including VAT.

PureConnect

Standard Features – The following features are standard across the entire New Grandland range.

Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
– 6 mile/12 mile range reserve/Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in digital instrument cluster)

- Total mileage • Service-due indicator
- Oil life • Tyre pressure monitoring system

Multi-function trip computer

(displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed • Average fuel economy
- Instantaneous fuel economy • Driving time

Digital central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

Convenience

- E-remote control (Plug-in Hybrid only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Standard Features

Multimedia with 7-inch touchscreen

Standard on Design models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)
- Six speakers

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – contacts/last calls/missed calls etc. are mirrored on IntelliLink's display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 10-inch touchscreen

Standard on GS Line and Ultimate models

Standard on GS Line and Ultimate Plug-in Hybrid models

Features as Multimedia, with the addition of:

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Additional features:

- Shark fin aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Comfort and Convenience

Standard Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- 60/40 split-folding rear seat backs
- Reach and rake-adjustable steering
- Steering wheel mounted audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Intermittent rear window wash/wipe
- Electronic parking brake with switch located in centre console

Interior Storage

- Front door pockets with 2.6-litre capacity
- Rear door pockets with 1.8-litre capacity
- Two drinks holders in centre console
- Covered storage compartment in centre console and in driver's armrest

Luggage area

- Luggage compartment foldable cover
- Illuminated luggage area
- Fully carpeted luggage area

Standard Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Heating and Ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Rear passenger compartment heating ducts

Exterior Convenience

- Soundproofed insulated windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Twin electrically adjustable/heated power door mirrors (wide-angle on driver’s side) with automatic timed cut-off

Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Luggage area cover

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Safety and Lighting

Standard Safety Features – The following features are standard across the entire New Grandland range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows ISOFIX child safety seats to be securely fixed into the car
- Child-proof locks on rear doors

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

VX_GRA_33144

Hill start assist.

VX_AST_23436

ISOFIX child seat mountings.

VX_GRA_32090

Plug-in Hybrid Specifications

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

- Kerbweight FWD: 1735kg
- Maximum towing weight FWD:
Braked trailer 1250kg (without brakes 600kg)

Charging

- Grandland Plug-in Hybrid range comes fitted with a type 2 charging cable and a 3.3kW on-board charger as standard. Includes cable bag at no extra cost
- A 6.6kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A type 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland Plug-in Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

VX_GRA_PHEV_33863

VX_GRA_32039

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	5h 45m
AC current – Home wallbox or public charger (3.6kW)	Type 2	3h 30m
AC current – Home wallbox or public charger (7kW)**	Type 2	1h 45m

Preliminary data determined according to WLTP test procedure methodology. EU type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit. **Requires optional 6.6kW on board charger.

Petrol Engine

Petrol Engine	1.6 (225PS) Direct Injection Turbo/Electric
Maximum power	180PS (133kW) @ 6000rpm
Combined power output	225PS (165kW)
Maximum torque	300Nm (221lb.ft.) @ 3000rpm
Combined torque	360Nm (265lb.ft.)
Combined CO ₂ emissions (WLTP)#	31g/km
Combined fuel economy (WLTP)#	201mpg (1.4l/100km)
Maximum speed/electric only	140/84mph
0-60mph	8.9 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d

Electric Motor

Electric Motor	
Maximum power	110PS (81.2kW) @ 2500rpm
Maximum torque	320Nm (236lb.ft.) @ 500-2500rpm

Battery	
Battery capacity	13.2kWh
AC on-board charger speed (standard)	3.3kW
Equivalent Electric-only Range - EAER (WLTP high)#	39 miles
Energy consumption (WLTP Combined)	15.4kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

These figures were obtained using a combination of battery power and fuel. The Grandland Plug-in Hybrid requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

Petrol Engine

	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	230Nm (169lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d (6.4)
Service interval	12,500 miles or 1 year (whichever occurs sooner)

Diesel Engine

	1.5 (130PS) Turbo D automatic
Capacity	1499cc
Maximum power	130PS (96kW) @ 3750rpm
Maximum torque	300Nm (221lb.ft.) @ 1750rpm
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger with intercooler. Common rail direct injection
Emission compliance	Euro 6d (6.4) Diesel Particulate Filter
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Specifications

Start/Stop technology

Grandland's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored.

If necessary, the engine will automatically be restarted.

Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

AdBlue[®] tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox

Standard on all models.

Eight-speed automatic transmission

Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.

Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Performance, Fuel Economy and Emissions

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km) [#]		CO ₂ emissions g/km [#]		Vehicle Excise Duty*		BiK rates from - 2022/23 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (130PS) Turbo	122	10.4	45.6 (6.2)	46.3 (6.1)	138	141	£230	£165	32%
1.2 (130PS) Turbo auto	121	10.3	42.8 (6.6)	44.1 (6.4)	145	149	£230	£165	33%

Weights and Towing Data^{kg}

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1930	1400 (600)
1.2 (130PS) Turbo auto	1955	1200 (600)
1.5 (130PS) Turbo D auto	2000	1300 (600)

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

⁵A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

Hybrid vehicle: 24g/km CO₂, up to 43 miles (electric-only range)

On-the-road RRP	£32,200.00
Deduct: Vehicle Excise Duty	-£10.00
New vehicle first registration fee	-£55.00
Effective list price	£32,135.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£32,735.00
Car benefit charge 2022-23 tax year (8%)	£2,619.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£523.80
Higher Rate (40%) tax payer	£1,047.60

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2022-23 tax year
Up to 50	14%
51 – 54	15%
55 – 59	16%
60 – 64	17%
65 – 69	18%
70 – 74	19%
75 – 79	20%
80 – 84	21%
85 – 89	22%
90 – 94	23%
95 – 99	24%
100 – 104	25%
105 – 109	26%
110 – 114	27%
115 – 119	28%
120 – 124	29%
125 – 129	30%
130 – 134	31%
135 – 139	32%
140 – 144	33%
145 – 149	34%
150 – 154	35%
155 – 159	36%
160 – 164	37%
165 – 169	37%
170+	37%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2022-23 tax year
0	-	2%
1 – 50	130+	2%
1 – 50	70 – 129	5%
1 – 50	40 – 69	8%
1 – 50	30 – 39	12%
1 – 50	<30	14%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Plug-in Hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Hybrid
A	0	£0	£0	£0
B	1 – 50	£10	£165	£0
C	51 – 75	£25	£165	£15
D	76 – 90	£120	£165	£110
E	91 – 100	£150	£165	£140
F	101 – 110	£170	£165	£160
G	111 – 130	£190	£165	£180
H	131 – 150	£230	£165	£220
I	151 – 170	£585	£165	£575
J	171 – 190	£945	£165	£935
K	191 – 225	£1,420	£165	£1,410
L	226 – 255	£2,015	£165	£2,005
M	Over 255	£2,365	£165	£2,355

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, for Plug-in Hybrid models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare
