## FEATURES

### Infotainment:

- Multimedia Navi system
  - Fully integrated sat nav system
  - 7-inch colour touchscreen
  - AM/FM/DAB digital radio
  - Bluetooth® audio streaming
  - Bluetooth® mobile phone portal
  - Apple CarPlay™ / Android Auto™
  - USB audio connection
- Seven speakers (five front, two rear)

### Interior convenience / styling:

- Dual-zone electronic climate control
- Multi-function trip computer
- 16-way adjustable driver's seat
- Front centre armrest
- Storage pockets on front seat backs
- Cruise control with speed limiter
- Leather-covered steering wheel
- Steering wheel audio / phone / cruise controls
- Steering column adjustable for reach / rake
- Twin rear USB sockets
- Auto-dimming rear-view mirror

### Exterior convenience / styling:

- 17-inch five twin-spoke alloy wheels
- Chrome-effect upper window trim
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Electrically adjustable/heated door mirrors
- Front and rear parking sensors
- Silver-effect roof rails (Sports Tourer models)

### Safety / security:

- Driving Assistance Pack One
  - Front camera system
  - Forward collision alert with automatic city emergency braking
  - Following distance indicator
  - Lane departure warning with lane assist
  - Traffic sign recognition
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Hill start assist
- ISOFIX child seat mounting points, outer rear seats
- Tyre pressure monitoring system
- LED daytime running lights
- Security alarm system (Thatcham approved, T1)
- Electronic engine deadlock immobiliser

# INSIGNIA FEATURES / OPTIONS

## SAFETY

### Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

### Seating

- Height-adjustable front seat head restraints (excluding GSi Nav models) • Three height adjustable rear seat head restraints • Anti-submarining ramps in front seats – Prevents occupants sliding underneath the lap belt during a collision.

### Seatbelts

- Two front and three rear inertia-reel lap and diagonal seatbelts • Front and outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
- Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
- Front 'seatbelt unfastened' audible warning and warning light

### Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors

### Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact. • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

### Pedestrian safety

- Active bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian's head and underbonnet components.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

### Stability

#### Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

#### Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

### Braking

#### Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

#### Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. • Fading brake support – Compensates for the effects of brake fade • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
- Hazard warning lights

### Tyre pressure

- Tyre pressure monitoring system

## DRIVER ASSISTANCE

### Driving Assistance Pack Three (only available on Nav models and in conjunction with Power Seat Pack. Includes front and rear parking distance sensors)

Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road.

- Electrically foldable door mirrors with puddle lights

#### Advanced park assist:

Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse. The system works with both parallel and bay parking.

- Ultrasonic side sensors with four-metre range
- Ultrasonic front and rear parking sensors with a two-metre range
- Fully automated steering
- On automatic models, braking is automated
- Detailed forward/reverse instructions are shown in the instrument cluster or central facia display

- ✓ Finds suitable parking spaces
- ✓ Auto steers into the parking space for you

#### Lane change assist with side blind spot alert:

Lane change assist with side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror.

- Ultrasonic side sensors identify vehicles within three-metre range
- LED warning light in door mirrors, flashes when indicators are used
- Audible warning is sounded if the indicators are used and the system has detected another vehicle
- Radar sensors with 70-metre range identify traffic approaching quickly from behind

- ✓ Warns of vehicles in your blind spot

#### 360° panoramic camera:

The camera gives a clear view of the area all around your car and helps place the car perfectly, without needing to strain your neck.

- Activated when reverse gear selected, when switched on manually or when very close to an object ahead of or behind the vehicle
- Camera views appear in infotainment screen
- Overhead view displayed on the left side of the screen allows you to see clearly how close you are to obstacles in front of and behind you
- Right side of the screen displays front or rear view, depending on gear selected
- Rear bumper and grid lines shown as reference points

- ✓ See what's behind you on the central screen

#### Rear cross traffic alert:

As you reverse the car, this system detects vehicles approaching from the rear and side.

- Radar sensors with 20-metre range identify approaching vehicles
- Warning light in central facia display
- Audible warning on relevant side of car

<b>IntelliLux LED® Matrix headlights</b>									
<p>IntelliLux LED® Matrix headlights work with the standard Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of 16 individual LED lights. These lights replace both the dipped beam and main beam functions. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.</p> <p>The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated.</p> <p><b>Every type of driving environment has been considered:</b></p> <p><b>Urban light:</b> With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function.</p> <p><b>Highway light:</b> The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers whilst the left-side beam is lengthened.</p> <p><b>Country light:</b> As speeds increase, so does the lighting's performance, illuminating the nearside of the road.</p> <p><b>Static Cornering light:</b> At lower speeds corners and bends are illuminated to match steering inputs.</p> <p><b>Parking light:</b> When reversing, additional side-facing lights are activated in the headlights.</p> <p><b>Tourist mode:</b> The lighting pattern can be adjusted when travelling abroad.</p> <p><b>Energy saving mode:</b> The IntelliLux LED® Matrix system goes into energy saving mode when the engine is automatically stopped.</p> <ul style="list-style-type: none"> <li>• Dipped beam, main beam and dynamic lighting: 32 electronically controlled LED lights (16 per headlight)</li> <li>• Intelligent main beam control • Automatic headlight levelling</li> </ul>									
<ul style="list-style-type: none"> <li>✔ Smart headlights automatically adjust the shape of high beam</li> <li>✔ No need to switch between high and low beam</li> <li>✔ High beam is always glare free</li> </ul>

# INSIGNIA SPECIFICATIONS

## TRANSMISSION

### Six-speed manual gearbox

Petrol engines: 1.5 (140PS) Turbo, 1.5 (165PS) Turbo and 1.6 (200PS) Turbo models  
 Diesel engines: 1.6 (110/136PS) Turbo D and 2.0 (170PS) Turbo D models

### Automatic transmission with ActiveSelect®

Six-speed automatic transmission: Optional at extra cost on 1.5 (165PS) Turbo / 1.6 (200PS) Turbo / 1.6 (136PS) Turbo D models.

Eight-speed automatic transmission: Standard on 2.0 (210PS) BiTurbo D 4X4, optional at extra cost on 2.0 (170PS) Turbo D front-wheel drive models.

The latest generation automatic transmissions available on Insignia, incorporating Start/Stop technology, offer improved fuel economy and refinement over previous versions. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The eight-speed transmission includes a range of driver-selectable modes.

### Four-wheel drive system

Standard on Elite Nav 2.0 (210PS) BiTurbo D 4X4, GSi Nav and Country Tourer 4X4 models. The sophisticated four-wheel drive system replaces the conventional rear axle differential with two electronically controlled clutches which allows Insignia to take advantage of the latest torque vectoring technology. This ensures that torque is directed to the wheels with the greatest grip, thus improving handling in all conditions and traction in slippery conditions.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 60kg (75kg on Sports Tourer models, 90kg on 2.0 (170PS) Turbo D and 2.0 (210PS) BiTurbo 4x4 models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

## SUSPENSION

**Front:** Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

**Rear:** Lightweight multi-link (FWD - 4-link; 4X4 – 5-link) with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

• GSi Nav models feature an uprated sports chassis with lower ride height and specially tuned dampers

### FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour. GSi Nav models include a fourth, unique, Competition mode.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

## BODY

Aerodynamic drag co-efficient:  
Cd 0.26

## STEERING

- Speed-sensitive electric power-assisted steering
- Turning circle (kerb-to kerb):  
– 11.15m (36.6ft.)

## BRAKING AND STABILITY

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

### 1.5 (140PS/165PS) Turbo

# INSIGNIA COMPANY CAR DRIVER/FLEET INFORMATION

## DESIGN AND TECH LINE HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

## COMPANY CAR DRIVER FREE\* 3 DAY TEST DRIVE

Our free\* 3 Day Test Drive programme is open to all Company Car Drivers. It allows you to choose most models in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE\* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

\*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](#).

## BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

Insignia Tech Line Nav 1.6 (110PS) Turbo D ecoTEC Grand Sport (CO <sub>2</sub> emissions 116g/km)	
On-the-road RRP	£23400.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
<b>Effective list price</b>	<b>£23140.00</b>
Add: Optional two-coat metallic paint	
	£605.00

List price for tax purposes (P11D value)	£23745.00
--	-----------

<b>Car benefit charge</b>	
2018-19 tax year (28%)	£6649.00

<b>Benefit in kind tax liability (2018-19 tax year)</b>	
Basic Rate (20%) tax payer	£1329.80
Higher Rate (40%) tax payer	£2659.60

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †† = Excludes residents of Scotland.

### BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO <sub>2</sub> emissions in grams per kilometre	Percentage of car's price to be taxed	
	Non-Diesel† 2018-19 tax year	Diesel†† 2018-19 tax year
Up to 50	13	17
51-75	16	20
76-94	19	23
95-99	20	24
100-104	21	25
105-109	22	26
110-114	23	27
115-119	24	28
120-124	25	29
125-129	26	30
130-134	27	31
135-139	28	32
140-144	29	33
145-149	30	34
150-154	31	35
155-159	32	36
160-164	33	37
165-169	34	37
170-174	35	37
175-179	36	37
180 and above	37	37

† = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). †† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

Email: [vauxhallspecialvehicles@vauxhall.co.uk](mailto:vauxhallspecialvehicles@vauxhall.co.uk)

# INSIGNIA ADDITIONAL INFORMATION

## ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00\*.

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit [www.vauxhall.co.uk/leasing](http://www.vauxhall.co.uk/leasing)

## IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](http://vauxhall.co.uk/AccidentManagement)

## VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

## VEHICLE EXCISE DUTY\*

	CO <sub>2</sub> emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
<b>Band A</b>	0g/km	£0.00	£0.00	£0.00
<b>Band B</b>	1 – 50g/km	£10.00	£25.00	£140.00
<b>Band C</b>	51 – 75g/km	£25.00	£105.00	£140.00
<b>Band D</b>	76 – 90g/km	£105.00	£125.00	£140.00
<b>Band E</b>	91 – 100g/km	£125.00	£145.00	£140.00
<b>Band F</b>	101 – 110g/km	£145.00	£165.00	£140.00
<b>Band G</b>	111 – 130g/km	£165.00	£205.00	£140.00
<b>Band H</b>	131 – 150g/km	£205.00	£515.00	£140.00
<b>Band I</b>	151 – 170g/km	£515.00	£830.00	£140.00
<b>Band J</b>	171 – 190g/km	£830.00	£1,240.00	£140.00
<b>Band K</b>	191 – 225g/km	£1,240.00	£1,760.00	£140.00
<b>Band L</b>	226 – 255g/km	£1,760.00	£2,070.00	£140.00
<b>Band M</b>	over 255g/km	£2,070.00	£2,070.00	£140.00

\* = Correct at time of issue. \*\* = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# TRUST VAUXHALL

## CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free\* phone call away, 24 hours a day, 365 days a year!

\* = Mobile phone users will be charged at their standard tariff.

## PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

### Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

## VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits\*\*

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
