## How to use this brochure

This brochure showcases some of the highlights of Combo Cargo. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to the Combo Cargo Price and Specification Guide for all the latest details.

# Carries British business

We have a long and rich history building light commercial vehicles in Britain. With 90 years of experience that has helped shape the way we build our vans today; vehicles that are truly tried and tested, and have become iconic on British roads. And with the recent launch of an all-electric Vivaro, the bar's been set even higher.

Movano joins updated versions of both Combo Cargo and Vivaro to complete a range that's innovative, hardworking and totally in tune with the wants and needs of British businesses. With Movano variations for every kind of job, from Panel Vans and Doublecabs, to Chassis Cabs, Crew Cabs and Platform cabs for conversion to box vans, tippers, dropsides and many more specialist applications.

Even better, not only do we build more commercial vehicles than any other UK manufacturer (more than 62,000 vehicles built in the last year), we've won over 30 major awards since 2015, given by the toughest judges in the industry. Need we say more?

# Cometh the hour, cometh the van

Meet the Combo Cargo. Our compact panel van does the basics brilliantly and yet is packed with features lifting it way above the ordinary. Combo not only looks the business, it does the business. Hard-working, rugged and practical, its versatility is its biggest strength – designed to help you get the job done. There's a model that will work for you, whatever your trade.

A huge load volume, up to c1.0 tonne payload, smart safety tech and advanced connectivity make the Combo Cargo better than ever.

# Does a ton of work, just like you

Combo Cargo has everything you would ever want (and need) from your work van – a low loading height, plenty of room and brilliant accessibility. Not to mention generous load volume and convenient easy-to-fold seats. Your working day just got a whole lot easier.

- Up to c1.0 tonne max payload
- Up to 4.4cu.m load volume
- Takes two Euro pallets
- Up to 3.4m floor length

### Loads of length\*

Thanks to the folding nearside passenger seat and load-through hatch, longer items up to 3.4m, such as pipes and ladders, can be stowed without having to leave the rear door open.

### Fully folding passenger seat\*

After even more space? You can fold the nearside passenger seat up and out the way, giving you extra loadspace in the footwell.

### Dual front passenger seat\*

The FlexCargo Pack replaces the standard single seat with a multi-function fixed bench seat. The middle seat folds down to become a useful table, quickly transforming the cabin into your own mobile office.

\*Optional at extra cost on certain models as part of the FlexCargo Pack.

# Works hard, plays harder

Combo Cargo's interior is full of fantastic features making every trip cool, calm and convenient. The adjustable steering wheel and premium seats will keep you comfortable at all times – even Monday mornings.

- **Up to 15 storage compartments**
- **Bluetooth® connectivity standard**
- **DAB radio standard**
- **Smartphone projection available**
- **Sat Nav available**

VX\_COMV\_31684

The ultra-modern cabin has everything you need and you can opt for an 8-inch colour touchscreen\* for an even smarter experience. Combo Cargo also comes with an array of useful storage compartments (up to 15). Tidy.

- 1. Air conditioning\*:** Air-con keeps your cabin cool and you comfortable.
- 2. Smartphone projection\*\*:** Apple CarPlay or Android Auto™ projects your smartphone onto the 8-inch touchscreen putting communication at your fingertips.
- 3. Comfortable driving position:** Premium seats keep you comfy, even on long journeys.
- 4. Ergonomically designed controls:** Well-designed and well-placed controls make sure everything's right where you need it.

VX\_COMV\_29169

\*Optional at extra cost on certain models. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries. \*\*In-vehicle features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times.

# More than a few crew

For extra versatility, go for the Combo Crew van. You'll get five seats – two up-front and three in the second-row – giving you plenty of space for everything, and everyone.

- **Twin sliding side-access rear doors**
- **Can carry up to five crew**
- **60/40 split rear bench seat**

VX\_COMV\_29198

### 1. Room for a few more:

There's room for the driver and up to four crew, while the load is safely stowed behind a steel-framed mesh bulkhead.

### 2. Split-folding rear bench seat:

Short on space? You can fold down the rear bench and move the partition behind the front seats if you need to, increasing your loadspace back to a generous 4.0cu.m.

### 3. Easy access with twin sliding doors:

Twin sliding rear doors mean it's easy to get your hands on what you need, when you need it. While the flat loadspace makes it simple to fit everything in, safely.

### 4. Movable steel-framed mesh bulkhead:

The standard steel-framed mesh bulkhead fits behind the front seats or second-row seats to protect occupants from shifting loads.

VX\_COMV\_28894

# Tough enough to tackle anything

It's our award-winning Combo, but not as you know it. Say hello to the Combo Cargo 4x4. Rough terrain? Challenging weather conditions? It's got you covered. Offering up to 205mm of ground clearance, with stronger underbody protection and serious 4x4 capabilities at the flick of a switch. A unique conversion designed and engineered by traction experts Dangel. Is there anything it can't handle?

- **Eco 2WD mode – saves fuel and tyre wear**
- **Automatic 4WD mode –engages on-demand**
- **Optional rear diff lock and off-road tyres**
- **Specifically engineered by Dangel 4X4**

VX\_COMV\_31686

VX\_COMV\_29204

VX\_COMV\_31687

To help you select the Combo that's just right for your business, we've adopted a straightforward naming scheme. L stands for length: there are two versions available, L1 (short wheelbase) and L2 (long wheelbase).

- 1. Panel van (L1):** The Combo's loadspace starts at 3.3cu.m with an impressive payload of up to 1.0 tonne.
- 2. Panel van (L2):** The long wheelbase panel van includes all the convenient features of the Combo with even more loadspace – up to a whopping 4.4cu.m.
- 3. Crew van (L2):** The 5-seater Crew van's smart and practical design comes with a foldable second-row passenger bench and twin sliding side-access rear doors for maximum versatility. A movable steel-framed mesh bulkhead is also standard.
- 4. Glazing options:** A convenient glazed bulkhead can be added as an extra cost option. In addition, the standard, unglazed asymmetric rear doors are available glazed at extra cost.

You can check out the details by downloading the latest Price and Specification guide.

## The Combo lowdown

Just like your working day, Combo Cargo is full of variety. And so it should be. With a choice of wheelbases, body styles, and window options, it's easy to make it work for you.

# Your right hand van

Combo Cargo's packed with smart features that make it one of the safest vans on the road – pretty handy when you spend so much time in it. Options include a Safety Pack with innovative front camera system and an intelligent head-up display.

## Safety pack\*:

Innovative front camera system featuring:

- Forward collision alert **(1)**: Warns you when you are approaching another vehicle too quickly
- Automatic emergency braking: Slows down or stops your van if you get too close
- Lane-keep assist with lane departure warning: Keeps you in lane with a sound alert then a gentle nudge of your steering wheel
- Speed sign recognition **(2)**: Detects speed limits and displays them clearly on the instrument panel\*
- Driver drowsiness system: Alerts you if you show signs of tiredness, letting you know it's time to take a break

## Individual options include:

- Front and rear parking distance sensors
- Surround rear vision camera **(3)**: Sends a rear view image to display in the interior rear-view mirror, keeping the driver informed of the surrounding traffic situation
- Front fog lights
- Electrically adjustable / heated / power-folding door mirrors
- Head-up display\* **(4)** our smart head-up display projects important info (e.g. your speed) directly into your line of vision.

\*Optional at extra cost on certain models.

# Miles better engines

An impressive range of engine options feature excellent fuel consumption and help minimise CO<sub>2</sub> emissions. Punchy and efficient diesels or an award winning petrol engine – there's something to work for your mileage and payload.

VX\_COMV\_28884

VX\_COM\_28554

**Choice of three efficient turbo diesel engines:** From 75–130PS, all with fuel-efficient BlueInjection system, four cylinders and common rail fuel injection.

**Award winning 1.2 petrol engine:** Featuring Start/Stop technology, turbocharger and three cylinders with double overhead camshafts.

**Automatic Transmission:** The Combo 1.5 Turbo Diesel can also be equipped with a sophisticated 8-speed automatic transmission.

#Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Combo van range fuel consumption figures mpg (litres/100km): Urban: 44.8 (6.3) – 65.6 (4.3), Extra-urban: 55.2 (5.1) – 74.3 (3.8), Combined: 51.7 (5.5) – 70.6 (4.0). CO<sub>2</sub> emissions: 144 – 106g/km.

#Fuel consumption data and CO<sub>2</sub> emission data are determined using the Worldwide harmonized Light vehicles Test Procedure (WLTP), and the relevant values are translated back to allow the comparability into NEDC, according to regulations R (EC) No. 715/2007, R (EU) No. 2017/1153 and R (EU) No. 2017/1151. The values do not take into account in particular use and driving conditions, equipment or options and may vary depending on the format of tyres. For more information on official fuel consumption and CO<sub>2</sub> emission values, please read the guidelines at <http://vanfueldata.dft.gov.uk/>

# Go configure

Whoever you are and whatever your trade, there's a Combo Cargo to suit you perfectly. With two bodystyles, two GVWs plus the versatile Crew van and the Combo 4X4, there's a Combo to get the job done.

VX\_COMV\_31688

VX\_COMV\_29188

Every model is equipped to work just as hard as you do. Choose the trim and the configuration that works for you, select from a wide range of options and accessories, and rest assured your Combo won't let you down.

# You'll look the business

Combo helps you get the job done. And with four different colour options, you'll look good while you do it\*.

\*Please refer to the latest Combo Cargo Price and Specification Guide by clicking through to [vauxhall.co.uk/gocombo](https://www.vauxhall.co.uk/gocombo) for details of colour availability by model and price. Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour. As a result, they should be used as a guide only. Your Vauxhall Retailer has a comprehensive display of paint finishes.

# Pick your perfect combo

There's a whole host of options and option packs that make Combo Cargo work even harder.

## Load area:

- FlexCargo Pack **(1)**
- Plywood load floor covering
- Vinyl load floor covering **(2)**
- LED illuminated load area

## Construction Pack with IntelliGrip:

- Underride protection
- 215/65 R16 tyres
- Increased chassis height (+30mm)
- IntelliGrip comprises five modes to suit the driving conditions: ESP on, ESP off, snow, mud and sand. **(3)**

**Overload indicator (4):** Alerts or enables the driver to check if the vehicle's payload limit has been breached.

## Tow bar:

- Tow bar enables towing of up to 1500kg

# More choice, more you

For the perfect finishing touches, we've got a huge range of Genuine Vauxhall Accessories. Designed and manufactured to the same exacting standards as our vans, you're spoilt for choice.

**Rear window grilles:**  
Help prevent theft while retaining visibility. Can also help avoid incidental damage by shifting loads.

1

### 1. Plywood load lining panels

Protect from interior damage, scratches, dents and rust.

2

3

### 3. Roof rack systems

Choose from steel (illustrated) or lightweight aluminium.

# Looks good, does great

Smart? Check. Versatile? Check. Tough enough to take your business further? Double check. The Combo Van's got it all – and the awards to prove it.
