YOUR PERSONAL ON BOARD ASSISTANT.

Many car brands talk about innovation as soon as they improve their cup holders, but this one-of-a-kind system is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with an individual, not a machine.

Best of all, OnStar services are free of charge on ADAM ROCKS, ROCKS AIR and ROCKS S models for the first 12 months!

Motoring re-imagined.

WHAT ONSTAR

CAN DO FOR YOU.¹

SOS

AUTOMATIC CRASH RESPONSE.

We hope, this won't ever happen to you, but in the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor. The expert will be immediately connected to your car to assess the situation and, if needed, notify the emergency services, providing them with your exact GPS location.

WI-FI HOTSPOT².

Cyberspace now comes on wheels. Thanks to the extra powerful OnStar aerial, you have a stable and quick Internet connection. Your Vauxhall ADAM creates a mobile Wi-Fi Hotspot for up to seven devices.

SMARTPHONE APP.

Referring to Murphy's Law your car keys will be in the locked car at least once in a lifetime. No problem, just start the OnStar app and remotely lock/unlock your door with your smartphone. Or use the remote control to sound the horn and flash the lights. The app also checks the oil life by the touch of a button.

With Vauxhall OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated Wi-Fi Hotspot. In the event of an accident, Vauxhall OnStar even automatically calls for help¹.

What's more, this unique service doesn't stop at national borders. You can access it virtually anywhere in Europe².

STOLEN VEHICLE ASSISTANCE.

"Where is my...? NO WAY!??!!" A stolen car is a nightmare – but from now on you can call our Vauxhall OnStar advisors to track and recover it together with the police.

VEHICLE DIAGNOSTICS.

Hey ADAM, how are you doing today? You can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you prefer a newsletter, Vauxhall OnStar will automatically send you a monthly e-mail with this key data.

¹The OnStar services rely on wireless communication networks and satellite positioning systems.

²Some features may not be available in certain foreign countries.

Please check the comprehensive specifications and technical data available in the ADAM ROCKS price/specification guide PDF for an overview of any restrictions at www.vauxhall.co.uk under 'Request a brochure'.

HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on ADAM ROCKS, ROCKS AIR and ROCKS S models.

To get it:

1. Request OnStar when you order your new Vauxhall ADAM.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!
