Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a 48hr test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

Sureguard protection

Sureguard Assistance offers the benefits of Vauxhall Assistance for three years from first registration, while Sureguard Warranty also provides a parts and labour warranty for high-mileage or long-term owners. For details contact your local Vauxhall retailer or call **0870 752 7020**.

Specialist Mobility advice

Motability accredited Vauxhall retailers can provide special mobility help and advice. Blue badge holders are entitled to very favourable discounts on new vehicles. Contact your local Motability accredited Vauxhall retailer or **Freefone 0800 731 5267**.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at one of around 400 Vauxhall retailers. To find your nearest retailer call **0845 600 1500**.

In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. Call **0800 010 304** for a free driver's pack.

Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0870 024 0240** or visit our website at www.vauxhall.co.uk

For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please **Lo-call 0845 600 1500**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

- Save up to £2000* on a new Vauxhall with The GM Card
- 100 Rebate Points worth £100 when you use The GM Card for the first time
- Rebate Point saving is on top of any discount or offer negotiated with the Retailer
- Earn 3 Rebate Points (£3) for every £100 you spend

Typical 14.9% APR variable

To apply call **0845 746 2777** or visit www.gmcard.co.uk.

For a copy of this brochure in large print, Braille or on audio tape, please call **0845 600 1500**, or via our textphone service on **18001 08456 785 785**.

The GM Platinum Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Platinum Card, PO Box 3615, Birmingham B3 2RJ. The typical APR quoted is the rate for new customers. *Rebate Points are earned on purchases using The GM Platinum Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Vauxhall/Saab by accumulating Rebate Points under the Rebate Points Programme. Vauxhall Motors Ltd is solely responsible for the operation of the Rebate Points Programme, which is subject to the Rebate Points Programme Rules. You can redeem up to 2500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall/Saab vehicle model lines and unlimited Partner Points. Rebate Points and unlimited Partner Points are redeemable as discounts on a new Vauxhall/Saab vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and Vauxhall Motors Ltd. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor; Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. **Member HSBC Group** HFC Bank Limited is not a member of the same group of companies as Vauxhall Motors Ltd, Saab GB Limited or GMAC (UK) plc. Vauxhall Motors Ltd, Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT. Registered in England number 135767 - CN6/0987.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (January 2007). The invoice price, including delivery to retailer, factory-fitted options, accessories fitted by retailer and number plates, is subject to VAT. The right is reserved to alter specifications and prices, and withdraw products from sale, without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity; please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. Please note that Vauxhall retailers are not the agents of Vauxhall Motors Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. EXPLORE...

...your enthusiasm for creativity.

Bold lines, flowing curves and perfect proportions – Antara has the most expressive style in town. Compact, sophisticated and elegant, yet tough, dynamic and ready for an active life – with imposing alloy wheels, roof rails and protective skid plates. Be inspired by your new Antara – wherever your drive takes you.

EXPLORE ...

... your passion for the finer things in life.

The Antara interior is full of light and space, with high quality trim, premium finishes and incredible levels of equipment. Leather trim, electronic climate control, MP3 playback, sat nav and heated front seats are all available. And a high driving position gives you confidence, control and a great view of the road ahead.

Change up for driving excitement.

Developed with the driver in mind, the Antara features sports suspension that together with a unique combination of intelligent four-wheel drive and electronic chassis safety systems gives an unrivalled drive. The high-tech petrol and diesel engine choices provide strong performance – on and off the road.

Intelligent four-wheel drive. Few of us need permanent four-wheel drive, so the electronically controlled Antara system switches automatically between two- and four-wheel drive as conditions demand. In normal driving, power goes to the front wheels only, saving fuel at the same time. And when conditions turn difficult or slippery, four-wheel drive is automatically engaged, switching the drive as required to the front and rear wheels for optimum traction.

Intelligent ABS. The Antara Anti-lock Braking System (ABS) is supported by Hydraulic Brake Assist (HBA), Electronic Brakeforce Distribution (EBD) and Cornering Brake Control (CBC), making the car even easier to control and stop in emergency cornering and braking conditions.

Electronic Stability Programme (ESP). Every Antara benefits from a unique interaction between switchable ESP, Traction Control (TC) and Descent Control System (DCS), all working together with the intelligent four-wheel drive to deliver high degrees of driving satisfaction, comfort and active safety. If a wet roundabout or muddy corner catches you out, ESP applies corrective braking to help you regain control. TC helps maintain traction under acceleration. While DCS enhances driver control on slippery slopes by maintaining a constant incline descent speed, pre-selected via the accelerator pedal.

5-speed manual or automatic. Both Antara engine choices come with a five-speed manual gearbox as standard. Rare for this class, a five-speed automatic transmission is also available (at extra cost) on the 2.0CDTi diesel.

Performance

	Transmission	Maximum speed (mph)	Acceleration 0-62mph (secs)
2.4i 16v (140PS)	manual	108	11.9
2.0CDTi 16v (150PS)	manual	111	10.3
2.0CDTi 16v (150PS)	automatic	110	12.1

Fuel economy and emissions

	Transmission	Fuel economy mpg (litres/100km)				CO ₂ (g/km)
		Urban driving	Extra-urban driving	Combined figure		
2.4i 16v	manual	21.2 (13.3)	38.7 (7.3)	29.4 (9.6)	229	
2.0CDTi 16v	manual	31.7 (8.9)	41.5 (6.8)	37.7 (7.5)	198	
2.0CDTi 16v	automatic	24.6 (11.5)	41.5 (6.8)	32.8 (8.6)	238	

All figures quoted relate to the EU base model with standard equipment. The fuel consumption calculation based on guideline 1999/100/EC takes into consideration vehicle weight when empty as specified by the guideline. Additional equipment may lead to slightly higher results than the stated consumption and CO₂ figures. In addition, it may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time.

2.4i 16v petrol. The Antara E 140PS petrol engine is both responsive and responsible, combined with high torque (220Nm max.) for effortless flexibility. This new Vauxhall engine has balancer shafts to ensure smooth power delivery through the five gears.

2.0CDTi 16v diesel. Delivering 150PS and 320Nm of low end torque, the Antara diesel choice features the latest common rail technology, combined with variable turbo geometry, for superior performance and economy. A maintenance-free filter reduces particle emissions by over 90%.

Safety features. Antara protects you in so many ways. Front, side and full-size curtain airbags are standard, along with active-safety front seat head restraints. The outer rear seats have ISOFIX child restraint fixings. And the adaptive brake lights flash when the ABS is activated.

Parking distance sensors. This clever Vauxhall system helps safeguard your car when parking. Sensors in the Antara SE bumpers provide an audible warning when they sense an object behind – or in front of – the vehicle making it altogether easier to park.

Security features. Remote control central deadlocking and an electronic engine deadlock immobiliser are standard on every Antara. So is our clever door-to-door illumination feature, which keeps the dipped headlights and rear lights on for 30 seconds to light your way as you leave the car.

Satellite navigation. Standard on Antara SE so you need never get lost in traffic again. The DVD 100 stereo radio/six-disc CD autochanger has MP3 CD capability, sat nav with a colour monitor and fully integrated mobile phone connectivity with voice activation and Bluetooth® wireless technology.*

*See Vauxhall Car and Accessory Price Guide for details of compatible mobile phones.

Leather trim. Now you're talking luxury. Antara SE models feature stylish leather seat and door trim, in Charcoal or Saddle Brown to suit your choice of exterior colour. It's complemented by high gloss wood-effect décor trim on the facia and door tops, adding to the upmarket feel.

Sensing features. The Antara driver environment is packed with clever ideas helping you concentrate on the road ahead. Activate the rain-sensitive wipers and they'll switch themselves on automatically when it rains. Automatic lighting control does the same for the headlights when it starts to get dark.

Seating position. You don't just sit high up in Antara. You relax in total comfort, thanks to driver's seat height, tilt and lumbar adjustment, plus a reach and rake adjustable steering column. S and SE models feature heated front seat cushions and backs – with three separate heat settings.

Cruise control. Standard on Antara S and SE, the easy-to-use cruise control system allows you to maintain a steady speed without keeping your foot on the throttle. So it's more comfortable on long journeys and easier to keep to speed limits too.

Quality audio. Standard on S and E the CD 30 MP3 stereo radio/CD player not only plays MP3 tracks from CD, but direct from your own MP3 player via the 'auxiliary-in' connection on the head unit. Every Antara has seven audio speakers and steering wheel mounted audio controls.

Air-conditioning. Standard on Antara E, air-conditioning makes for a fresher interior atmosphere all year round. S and SE models move up to Electronic Climate Control (ECC) enabling you to maintain the interior temperature to within a single degree.

Take it easy in style and comfort.

You're going to love the Antara interior. Not just for its premium blend of comfort and convenience with contemporary style, easy accessibility and good use of space. But also for the comprehensive range of innovative features designed to help you and your passengers feel at home. Sit back and enjoy the ride.

◀ ▲ **FlexOrganiser.**® Antara is pre-fitted with mounting points for our innovative accessory FlexOrganiser® system – side rails with sliding hooks and specially devised storage nets and pockets. With all your belongings safe in predefined compartments, it's the smart, versatile way to manage your load area.

▲ **Roof rails.** Antara's stylish silver-effect integral roof rails don't just look good. They're the perfect starting point for the Vauxhall roof rack system. Attach the accessory base carrier and it's ready for a wide range of lockable travel boxes and other specialist fittings for skis and more.

▲ **Spacious load area.** Open the tailgate. Enjoy the space. An incredible 1420 litres of loadspace to be exact – with the rear seats folded forward. Even with all five seats in use, and the luggage compartment cover in place, a 912mm long floor length translates to as much as 370 litres of loadspace – easily enough for several large suitcases. If you need room for longer luggage, the rear seat back is 60/40 split-folding, so you can carry what you need and still have room for rear seat passengers.

▶ **Flex-Fix.**® Available from Autumn 2007, the revolutionary Flex-Fix® rear carrier system* incorporates an integrated carrier for two bikes, so you don't need a separate roof or rear carrier. Most of the time Flex-Fix® stays hidden, but when the need arises, you simply extend it, attach the extra rear lights, fix your bikes to the carrier and off you go.

*Requires an additional number plate at extra cost.

Exterior dimensions mm (inches)		
Overall length	4575	(180.1)
Wheelbase	2707	(106.6)
Overall height (including roof rails)	1704	(67.1)
Overall width (including door mirrors)	2085	(82.1)
Overall width (excluding door mirrors)	1850	(72.8)
Ground clearance	200	(7.9)
Wading depth	450	(17.7)

Loadspace dimensions mm (inches)		
Maximum length (behind rear seats)	912	(35.9)
Maximum length (rear seats folded)	1740	(68.5)
Maximum width	1320	(52.0)
Width between wheel arches	967	(38.1)
Loading height	828	(32.6)

▶ **Practical storage.** Antara has plenty of clever storage space. In the front you'll find door pockets, drinks holders, a sunglasses storage pocket, passenger seat undertray and storage in the front centre armrest. There are drinks holders and front seat back storage nets for rear passengers too.

Luggage capacities litres (cu.ft.)	
Behind rear seats**	370 (13.1)
Rear seats folded	865 (30.5)
Rear seats folded (to roof)	1420 (50.1)

** = under luggage compartment cover

As versatile as you want to be.

Maximum flexibility inside – numerous possibilities outside. Antara is built to take you places, not just in style, but with serious practicality and plenty of space for five adults and their luggage. Clever use of interior space, coupled with some equally smart feature innovations ensure that the Antara load area is not just capacious, but hugely versatile.
