

# New Movano Preview

# The New Vauxhall Movano.

New Movano is a Big, Strong and Versatile Commercial Vehicle. With an extensive range of models (including panel vans and chassis cabs) that give you more of what you need from a working vehicle. Four load lengths. Three roof heights. Larger load volumes. Gross Vehicle Weights (GVWs) up to 4.5 tonnes, Gross Combination Weights (GCWs) up to 7.5 tonnes. Plus a choice of front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive variants.

Add to this more powerful, more efficient engines. A vastly improved cabin environment with plenty of useful storage, plus a host of innovative features that can really make a difference when you're out on the road. In short, there's 'No Job Too Big' for New Movano.

*The vehicles illustrated may not necessarily represent the final correct UK specification and not all of the features described are available on every model.*

## **GVW up to 4.5 tonnes. 3 roof heights. 4 vehicle lengths.**

With GVWs up to 4.5 tonnes, New Movano gets the job done. And with panel vans available in a range of heights and load lengths plus chassis cab, crew cab and platform cab models\*, choice is never going to be an issue. Load volumes are up to 15.8cu.m. Load lengths are up to 4.3 metres and with wider 1270mm sliding side doors, a Euro pallet can be loaded more easily than ever before. Whilst a massive array of options mean you can specify a vehicle that's precisely tailored to your requirements.

*\*Chassis cab, crew cab and platform cab models available Summer 2010.*

MOVANO

## **Front-wheel drive AND rear-wheel drive. Up to 3 tonnes towing capacity.**

We recognise that the heavy van operator faces a variety of challenges. That's why New Movano offers three different drivetrains and four GVWs. Front-wheel drive with a lower loading height and low kerb weights to maximise payload. Rear-wheel drive for improved towing capability or twin rear-wheel drive for improved traction and higher GVWs. Front-wheel and rear-wheel drive chassis cab models\* provide a platform for a wide range of specialist conversions. Power's not a problem either. New Euro 5 compliant 2.3CDTI 16v diesel engines in three power outputs – 100PS, 125PS or 150PS – see to that.

*\*Available Summer 2010.*

## Comfort. Round the clock.

New Movano raises the bar on cabin design, creating a practical, well equipped driver environment. It's one workspace you won't mind spending time in.

There's plenty of storage space to keep your valuables out of site – and all the stuff that builds up during the course of a working day! Comfort is a real priority too, with a height-adjustable steering wheel, height-adjustable driver's seat and electrically operated/heated door mirrors. Air conditioning and satellite navigation are just a couple of the features available from an extensive options list allowing you to make New Movano as well equipped as you want it to be.

Safety, of course, is a key issue. Standard features include ABS, a driver's airbag, all-round disc brakes with a brake pad wear indicator and a full steel bulkhead. Better still, ESP with traction control is available on all models\*.

*\*Standard on RWD, optional on FWD.*

## Model identification

A new naming convention has been adopted to distinguish between the increased variety of New Movano models available.

For example: 'L3 H2 R3500 HD 2.3CDTI 125' communicates the following information:

### L = Load length

Four lengths will be available L1-L4

### Layout

F = Front-wheel drive R = Rear-wheel drive

### HD = Heavy duty

Used when twin rear wheel axle is fitted

**L3 H2 R 3500 HD 2.3CDTI 125**

### H = Height

Three roof heights will be available H1-H3

### Gross Vehicle Weight (GVW)

Four GVWs are available  
– 2800 / 3300 / 3500 / 4500

2.3CDTI 100 = 100PS engine  
2.3CDTI 125 = 125PS engine  
2.3CDTI 150 = 150PS engine

# Trust Vauxhall

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company car and van taxation and finance. For further information please call **0870 010 0651**.

## Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new vehicle warranty. It covers most mechanical and electrical components. Terms and conditions apply, for further details please contact your local Vauxhall Commercial Vehicle retailer.

## Business Lease

Business Lease, from GMAC, offers the versatility of a purchase-based finance plan, while making the most efficient use of tax and cash-flow benefits for VAT-registered business users. It's available for all Vauxhall Commercial Vehicles up to 12 months old and offers highly flexible term lengths, variable deposits and a choice of payment profiles. Ask your retailer for full details.

## Business First

Available to business users only, Business First enables you to drive a new vehicle without a large, initial financial outlay. You pay to use the vehicle, not to own it. The vehicle is provided over a predetermined period, and when that period comes to an end the vehicle is returned. Ask your retailer for full details.

## Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. There are over 200 light commercial vehicle and 120 heavy commercial vehicle retailers nationwide.

## In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

## Premier Service Centres

Our Premier Service Centres feature a guaranteed same day repair service (provided the parts are in stock) and an appointment-free service for diagnosis and repairs taking less than 90 minutes. All repairs are carried out within 24 hours of the diagnosis.
