VIVARO

VAUXHALL

British Brand since 1903

VIVARO. BUILT TO TAKE IT ALL.

With van production at the Luton plant exceeding one million units since 2001, the Vivaro has become more than just a firm British favourite! With bold styling, ultra-efficient engines and in-cab connectivity that turns the working environment into a mobile office – Vivaro is truly built to take it all.

COMPLETE THE PICTURE

We've only skimmed the surface in this brochure. If you'd like details of exactly what's available, you'll need a copy of our comprehensive Commercial Vehicle Price and Specification Guide. It contains everything you need to know about the entire Vivaro range and it's only a click away. Check out vauxhall.co.uk/govivaro

BUILT TO PERFORM.

Vivaro looks tough because it is tough.

It was designed to improve performance in every way. In Panel Van, Doublecab, Combi and Platform Cab variants. And remember, it's built in Britain to the toughest standards so it's robust enough to take everything you can throw at it – and in it.

Designed to perform with a tough new look

Engineered to last

Built in Britain to the highest standards

Vivaro

BUILT TO WORK HARDER.

Well-equipped with a host of convenience features, Vivaro is built to work harder with intelligent cab design and is loaded with clever but practical ideas that help get the job done.

Practical ideas for maximum ease of use

Innovative cab design creates a virtual mobile office

Enhanced storage features assist your daily working routine

BUILT FOR THE LONG HAUL.

The Vivaro interior, a great place to be, all day long.

A well-designed driving environment means you sit comfortably, with everything you need right at your fingertips. Then there's an infotainment system, which means you're well connected and have all your entertainment at hand. On top of all that, the Vivaro is great to drive too.

Enhanced cab design for total comfort and control

Great place to be, great to drive however long the journey

Stay in touch with high levels of infotainment and communication

BUILT TO BE MORE FLEXIBLE.

The efficient Vivaro doesn't only strike the perfect balance between performance and running costs. It also takes a more flexible approach to load carrying.

Combining a spacious cargo area volume and superb payload capacity with two wheelbase options, two roof heights and the availability of the FlexCargo bulkhead option, the Vivaro panel van can carry even challenging loads with ease.

FlexCargo bulkhead available for loads of up to 4150mm in length

Loadspace dimensions enable L1 models to hold 8ft x 4ft sheets

Payload capacity up to 1265kg*

*For an exact definition, please refer to the Glossary of Terms section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

ENGINES.

Delivering more power combined with lower emissions and impressive fuel economy whatever model you choose, Vivaro's smaller displacement – but no less efficient – Turbo and BiTurbo diesel engines deliver the perfect mix of day-to-day performance and competitive fuel consumption. At the same time, our latest ECO system technology – allied to our proven Start/Stop functionality – ensures operating costs are held firmly in check.

BiTurbo engines

- Frugal, sequential twin-turbo system
- Lag-free acceleration at any speed
- 1.6 BiTurbo 125PS/145PS available with Start/Stop technology

Quiet, clean and efficient diesel engines

- Variable-displacement oil pumps reduce fuel consumption
- Low-maintenance chain-driven camshafts
- Multi-point fuel injection for low emissions and high performance
- Optimised thermal management increases efficiency

VX_VIV_21588.tif

Award-winning technology

With its superb range of flexible and highly economical turbo-diesel engines, this is an altogether more cost-effective Vivaro panel van, with engines delivering up to 145PS and 340Nm, CO₂ emissions as low as 155g/km and impressive fuel economy of up to 47.0mpg (combined figure). Thanks to its award-winning engine 1.6 litre BiTurbo CDTi with sequential turbocharging and twin-cooler system.

Vivaro

PANEL VAN.

Versatility and flexibility in equal measure. Whatever you need, the Vivaro has it all.

Access and loadspace features include:

- Choice of two wheelbases and heights
- Easy-access, 1m-wide nearside sliding side-loading door
- Full-height steel bulkhead
- Unglazed rear doors (90/165° opening)
- Illuminated load area
- 12-volt electrical accessory socket in load area
- Side and rear doors take a Euro pallet with ease
- FlexCargo bulkhead extends loadspace length to up to 4150mm (standard on Sportive/Limited Edition models only)
- 2537mm or 2937mm standard load floor lengths
- Floor-mounted, load-securing eyes
- Loadspace volume up to 6.0cu.m (211.9cu.ft.) max. (H1) and 8.6cu.m (303.7cu.ft.) max. (H2)
- Payload capacity up to 1265kg* (H1) and 1185kg* (H2)
- Maximum load height 1387mm (H1) and 1898mm (H2).

*For an exact definition, please refer to the Glossary of Terms section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

Not all features and options are available on every model. Please refer to the equipment section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

VX_VIV_21895.tif

VX_VIV_21548.tif

1. Euro-pallet friendly. Specifically designed to carry Euro-pallets, Vivaro can accommodate up to three pallets, even on L1 models. Assisted by easy side access, the generous 1.2m width between the rear wheel arches also makes the van suitable for carrying wide loads such as 8ft. x 4ft. plywood sheets.

2. Flexible loadspace. Standard on Sportive/Limited Edition and optional on Panel Van models, the FlexCargo bulkhead allows loads of up to 4150mm in length to be accommodated with ease.

DOUBLECAB.

The Doublecab matches practical and comfortable crew transport to excellent loadspace and payload.

Access and loadspace features include:

- Choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Up to 4.0cu.m (141.3cu.ft.) max. loadspace volume
- High-strength ABS plastic bulkhead with window
- Half-height sidewall trim with storage pocket
- Three-passenger rear bench seat
- Bench seat with additional storage, armrests, ISOFIX child seat restraint system on outer seats and 12-volt electrical accessory socket (Sportive models only)
- Unglazed rear doors (90/165° opening)
- Glazed rear doors or glazed tailgate (optional)
- Heated rear window and wash/wipe (optional)
- Rear doors take a Euro pallet with ease
- 1340mm or 1740mm standard load floor lengths
- Additional loadspace under rear bulkhead extends loadspace length to up to 2423mm (L2 models)
- Floor-mounted load restraint lashing eyes
- Payload up to 1025kg*

*For an exact definition, please refer to the Glossary of Terms section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

Not all features and options are available on every model. Please refer to the equipment section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

1. Twin sliding side-access doors. The extra-wide door opening ensures easy passenger access while the individually-contoured rear bench seat accommodates up to three passengers in complete comfort with excellent leg room and raked rear seat backs.

2. and 3. Loads of loadspace. There's instant access to underseat storage in the passenger section, plus up to 4.0cu.m of usable loadspace.

PLATFORM CAB.

The Vivaro Platform Cab provides the perfect base for specialist conversions that require low floor and walk-through access from the cab.

Key features include:

- Maximum GVW of 3030kg
- Versatile long wheelbase of 3498mm
- Comprehensive comfort and safety equipment
- Optional extended-length wiring loom
- Payload up to 1474kg*

*For an exact definition, please refer to the Glossary of Terms section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

Vivaro

COMBI.

Combi is ideal for all kinds of day-to-day passenger transport, from staff and club members, to construction crews and taxi customers. Made for practical working days, it comes with plenty of space for kit, tools and luggage, with flexible, accessible seating so everyone's comfortable.

Combi standard features include:

- Nine-seat configuration with choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Three-passenger second and third-row bench seats
- 60/40 split-folding seat back for second-row bench seat
- Fold and tumble facility for third-row bench seat
- Removable second and third-row bench seats
- Inertia-reel lap and diagonal seatbelts for all seats
- Glazed tailgate with heated rear window and wash/wipe facility
- Rubber floor covering
- Half-height sidewall trim
- Load restraint lashing eyes for load area

Not all features and options are available on every model. Please refer to the equipment section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

1. Second-row split-folding rear seat. The easy-to-operate split-folding seat back allows convenient access for third-row passengers.

2. Nine-seater comfort. Combi offers comfortable seating for up to eight passengers.

3. and 4. Additional comfort. Optional rear air conditioning controls and a separate rear heater are also available for Combi.

COMBI+

When you need to arrive in style, the Combi+ adds a touch of elegance making it ideal for more formal settings and occasions where a smart impression is important – for example, private hire companies, hotel and airport shuttles, and corporate travel.

Standard features over and above include:

- Air conditioning for cab and saloon
- Chilled glovebox facility
- Auxiliary heater
- Selective door locking with two three-button keys and integral remote
- One-touch facility for electrically operated windows
- Cruise control with speed limiter
- Leather-covered steering wheel
- Dark-tinted rear glazing
- Front fog lights
- Body-colour bumper
- Twin sliding side-access doors with sliding windows
- Black Connect embossed cloth seat trim
- Dual front passengers' seat with underseat storage
- Full-height interior trim
- Full-diameter wheel trims

Not all features and options are available on every model. Please refer to the equipment section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

1. Interior comfort. For a more premium look and feel, Combi+ seats feature embossed cloth trim with fully-trimmed interior door panels and full height side wall trim.

2. Second sliding door. It's so much easier for people to access the second and third seat rows with a second sliding door – your passengers will thank you for it.

3. and 4. Air conditioning. Keep your passengers comfortable and reduce condensation with the Combi+'s air conditioning system.

BUILT TO WORK YOUR WAY.

Available in a choice of short and long wheelbase models, both the Combi and Combi+ models give you the perfect blend of passenger carrying and load carrying with superb comfort and storage options.

While the Combi offers excellent transportation for more utilitarian purposes (like work crews), the Combi+ adds upmarket comfort and wellness features, making it suitable for smarter, more formal transport duties.

1

2

1. Transport for up to eight passengers. With maximum versatility assured through a mix of foldable, removable seating configurations, Combi and Combi+ provide transport for up to eight passengers, making the Combi models ideal for carrying people at all kinds of work or play.

2. Rear seat combinations. With its tumble and fold or removable third-row seating, both Combi and Combi+ can accommodate a mix of passengers and luggage with ease.

3. Spaciously adaptable. Generously proportioned rear sliding doors make Combi and Combi+ easy to enter and exit, heightening the model's potential as a courtesy vehicle. And, with the second and third-row seats removed, the Combi can even double as a conventional panel van, if needed.

WELCOME TO YOUR OFFICE.

Vivaro's interior reflects Vauxhall's understanding of the challenges faced by van operators in their daily working lives. Comfort and control levels are optimised right across the cab, along with enhanced infotainment connectivity. Premium quality materials are used throughout for improved appearance, durability and owner appeal. Finally we've improved the interior ergonomics across the van, further enhancing the interface between driver and vehicle.

Fold-flat centre front passenger seat. The centre section of the fold-flat front passenger seat features a handy clipboard holder which can also be removed when necessary, leaving a handy, solid and flat surface. The unit also flips forward to create a lidded work surface, with hidden, secure storage for work paraphernalia – eg. maps, handbooks, general documentation – along with an additional drinks holder. The folding process takes just seconds. Standard on Sportive and Limited Edition, optional on standard Panel Van models.

VX_VIV_23368.tif

VX_VIV_21871.tif

VX_VIV_21540.tif

VX_VIV_21869.tif

1. Aux-in and USB. All Vivaro models feature aux-in and USB ports enabling drivers to connect their mobile devices and access a wide range of multi-media files.

2. The Vivaro facia features nine storage spaces, providing more than 24 litres of storage volume in total. Highlights include a large, usable glovebox, upper facia storage, three drinks holders and a handy driver's storage pocket.

3. The clipboard itself can be securely fastened in two positions, easily visible to either the driver or passenger. It's suitable for documents up to A4 in size, including contracts, invoices and general day-to-day paperwork.

4. Generous door pockets provide useful stowage space for maps, documents and other essential workday items.

OPTIONS.

Vivaro offers a range of options and option packs to suit every need. For more information please speak to your Vauxhall Commercial Vehicle retailer.

Safety and security

- Front passengers' airbag with deactivation switch

Interior

- Single front passenger's seat adjustable for height, reach and rake with armrest and lumbar adjustment
- Air conditioning with air recirculation facility (cab and rear passenger area), with auxiliary heater – Combi models

Exterior

- Front fog lights
- Rear parking distance sensors
- Rear parking distance sensors with rear-view camera
- Tow bar with 13-pin electrics (includes trailer stability programme). Does not suit trailers with LED lights*
- Dark-tinted rear windows

Load area

- Offside sliding side-access door
- Nearside and offside glazed sliding side-access doors
- Nearside and offside glazed sliding side-access doors with sliding windows

*For trailers with LED lights use Genuine Vauxhall Accessory tow bars which also include trailer stability programme.

Not all features and options are available on every model. Please refer to the equipment section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

VX_VIV_26267.tif

VX_VIV_23621.tif

VX_VIV_26189.tif

1. Sportive appearance package.

The Sportive can be specified with a complete body-colour package:

- Body-colour rear bumper insert
- Body-colour side mouldings and exterior mirror housings
- Body-colour rear light cluster surrounds
- Body-colour sliding door rail cover
- Chrome front grille highlights

2. and 3. Rear door options:

- Glazed rear doors, 90/165° opening
- Unglazed rear doors, 270° opening (L2 H1 models only)
- Glazed tailgate with wash/wipe facility (not available on H2 models) Glazed rear doors mandate glazed bulkhead.

4. Load area protection. A range of options are available to help protect loads and safeguard the interior:

- Resin-coated 9mm laminate plywood load floor covering
- Full-height lightweight 4.7mm plastic honeycomb load lining panels and wheel arch projection
- Resin-coated laminate plywood wheel arch protection.

VX_VIV_23369.tif

VX_VIV_21881.tif

5. Climate and Cruise Pack. Air conditioning with air recirculation (cab only), CD 18 BT USB, cruise control.

6. Optional rear-view camera. Provides clear rearward vision by displaying in the rear-view mirror.

7. Bulkheads. Vivaro can be specified with a full steel or glazed bulkhead.

ACCESSORIES.

Vauxhall accessories are all about choice – selecting your Vivaro then personalising it to suit the way you work.

There's a comprehensive range of Genuine Vauxhall Accessories all designed and manufactured to the same exacting standards as the van itself.

We've only shown a selection of what's available here; for the complete range please contact your local retailer for further information.

1. Roof carrier system. The base roof carrier system can be fitted with a steel roof rack complete with loading roller to help manoeuvre and secure goods on the roof easily and safely. A steel loading ladder and roof walkway are also available.

VX_VIV_26268.tif

2. Base carrier. The sure-fire way to fasten long or awkward loads to the roof. The base carrier works best with a roof rack, ladder clamp, loading bars and load stop.

3. Splash guards. The essential accessory designed to protect the lower bodywork against stone chips, grit and other road material.

4. Tow bars. Available in a choice of fixed or detachable, ball, jaw or pin design, Vivaro's tow bars are available for a trailer load of up to 2000kg.

5. Load area protection. Full-height plywood load lining and wheel arch protection help safeguard the loadspace area.

6. Interior roof rack. Utilises the normally unused space under the vehicle roof to enable the loading of bulky items safely inside the load area.

7. Load area entry guard. Covers and protects the rear bumper when loading and unloading.

EXTERIOR COLOURS.

Stylish hard-working vans deserve a striking paint scheme to match.
