GTC RANGE HIGHLIGHTS AND PRICES

SRI £22,335-£26,015

- OnStar
- Electronic Stability Programme (ESP)
- Driver's and front passenger's airbags
- Front seat side-impact airbags
- Full-size curtain airbags
- Active-safety front seat head restraints
- Daytime running lights
- 18-inch multi-spoke alloy wheels
- Tyre pressure monitoring system
- Air conditioning
- Digital radio
- CD/MP3 CD player with stereo radio
- Aux-in socket
- USB connection with iPod control
- Bluetooth® connectivity
- Electrically operated front windows
- Sports front seats
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection and digital high beam assist
- Electro-chromatic anti-dazzle rear-view mirror
- Front fog lights
- Multi-function trip computer
- Front centre armrest with storage facility
- Ambient lighting in doors
- Dark-tinted rear windows
- Cruise control
- Remote control central deadlocking
- Three-spoke leather-covered steering wheel
- Steering column adjustable for reach and rake
- Steering wheel mounted audio controls
- Illuminated vanity mirrors
- Driver's and front passenger's seat height adjuster
- 60/40 split-folding rear seat back
- Front seat back storage pockets
- Remote control alarm system

LIMITED EDITION £24,335-£28,015

Features over SRI

- 20-inch bi-colour alloy wheels
- Sports style front and rear bumper, body-colour front upper grille, side sills, and rear lower skirt
- Navi 650 satellite navigation system with 7-inch colour monitor
- Leather seat facings with Morrocana-trimmed side bolsters
- Driver's ergonomic sports front seat with extendable seat cushion
- Heated front seats
- VXR body-colour rear roof spoiler

Model 3-door hatchback

GTC FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Active-safety front seat head restraints • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Hydraulic brake fade assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency brake assist – Increases brakeforce applied in emergency braking situations • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

Additional feature

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Driving Assistance Pack • Forward collision alert • Lane departure warning • Traffic sign recognition • Following distance indicator • Intelligent light ranging ¹	○	○	633.33	760.00

SECURITY

Standard features • Remote control ultrasonic security alarm system • Driver's internal central locking switch • 'Key left in ignition' audible warning • Electronic theft protection for audio equipment • Remote control central deadlocking (doors, tailgate, fuel filler flap) • Electronic engine deadlock immobiliser • Visible Vehicle Identification Number (VIN) plate • Freewheeling door locks • Locking wheel nuts for alloy wheels

HEATING AND VENTILATION

Standard features • Air conditioning with air recirculation • Air blend heater with six-speed fan • Side window demist vents and adjustable face-level air vents • Interior pollen filter

Additional feature

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Dual-zone electronic climate control incorporating air conditioning with humidity sensor	○	○	337.50	405.00

○ = Optional at extra cost.

¹ = Requires Premium Forward Lighting Pack.

GTC FEATURES/OPTIONS

FACIA, INSTRUMENTS AND CONTROLS

Standard features • Cruise control • Rev counter • Multi-function display showing time, date, audio information and outside air temperature • Digital clock with automatic RDS time adjustment • Steering column adjustable for reach and rake • Electronic odometer and trip odometer • Instrument panel light dimmer • Parking brake-on/low brake fluid level and low fuel level warning lights • Service interval monitor • Seatbelt unfastened warning light (front seats only) • Translucent instruments with chrome edging

<i>Additional features</i>	<i>SRI</i>	<i>Limited Edition</i>	Price (£) exc. VAT	Total (£) inc. VAT
Three-spoke chrome-bezelled perforated leather-covered steering wheel	●	●		
Electric parking brake	○	○	195.83	235.00
Leather-covered gear knob (manual models only)	●	●		
Multi-function trip computer (instantaneous fuel consumption, average fuel consumption, range remaining, two trip odometers running concurrently, instantaneous speed, average speed)	●	●		

INTERIOR LIGHTING

Standard features • Fade up/fade down courtesy lights operated by door switches • Map reading lights integral with front courtesy light • Illuminated glovebox and luggage area

<i>Additional features</i>	<i>SRI</i>	<i>Limited Edition</i>	Price (£) exc. VAT	Total (£) inc. VAT
Ambient lighting in front doors	●	●		

SEATING AND UPHOLSTERY

Standard features • Driver's and front passenger's seats with height, reach and recline adjustment • 60/40 split-folding rear seat back • Storage pockets on front seat backs

<i>Additional features</i>	<i>SRI</i>	<i>Limited Edition</i>	Price (£) exc. VAT	Total (£) inc. VAT
Jet Black Imola cloth seat trim with Morrocana-trimmed side bolsters	●			
Morrello Red Imola cloth seat trim with Morrocana-trimmed side bolsters (not available with Flaming Yellow and Darkmoon Blue exterior colours)	N/C		No-cost option	
Leather Pack • Leather seat facings (front and outer rear seats) with Morrocana-trimmed side bolsters • Electrically heated front seats • Driver's ergonomic AGR* sports front seat • Driver's and front passenger's extendable seat cushions	○	●	883.33	1060.00
Sports front seats	●	●		

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option. * = AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

GTC FEATURES/OPTIONS

ADDITIONAL INTERIOR FEATURES

Standard features • 12-volt auxiliary power socket within front centre console • Twin sunvisors incorporating illuminated driver's and front passenger's vanity mirrors with covers • Chrome-effect internal door handles • Storage box on driver's side lower fascia • Front door pockets • Fully carpeted luggage area • Load restraint lashing eyes • Luggage compartment cover

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Additional features				
Jet black/Piano black-effect centre console and Jet black/Piano black door inserts	●	●		
Central storage facility with twin covered drinks holders	●	●		

MECHANICAL

Standard features • HiPerStrut (High Performance Strut) • Semi-independent rear suspension with Watt's link and gas-pressure dampers • Sports suspension • Power-assisted steering • Six-speed manual gearbox

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Additional feature				
FlexRide adaptive chassis control system with continuous damping control	○	○	666.67	800.00

EXTERIOR STYLING AND PROTECTION

Standard features • Body-colour door handles • Body-colour door mirrors • Black trim on door pillars • Chrome-effect front upper side window mouldings

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option. * = Voice control not available in conjunction with Navi 650.

All OnStar services and Wi-Fi services will cease to be available on 31st December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date.

⁴ = Luggage capacity will be reduced due to a raised luggage compartment floor. ⁵ = Includes 12 months of OnStar services from date of first registration and a 3 month/3 GB Wi-Fi free trial period (whichever comes first) effective from the date the customer accepts the nominated network operator Wi-Fi Ts&Cs. Destination download feature only operates on models fitted with optional Navi 650 or Navi 950 IntelliLink satellite navigation systems.

GTC FEATURES/OPTIONS

ONSTAR – YOUR PERSONAL ON BOARD ASSISTANT

Many car brands talk about innovation as soon as they improve their cup holders but this innovative system, now available on selected models**, is revolutionary: 24/7, 365 days a year, OnStar puts you in touch with a trained advisor, not a machine. With OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated 4G Wi-Fi Hotspot†. In the event of an accident, OnStar even automatically calls for help, for an incomparable feeling of safety.

** = The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.
† = 4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.vauxhall.co.uk/onstar for terms and conditions, details of availability, coverage and charges.

SATELLITE NAVIGATION

The optional Navi 650/950 satellite navigation systems offer dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident. In addition to route planning criteria such as

'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'.

Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The Navi 650 system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads for Western Europe. Additional country-specific maps with street level detail are available to download. Navi 950 IntelliLink covers street level mapping across Europe. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle.

You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

BLUETOOTH® MOBILE PHONE SYSTEM WITH VOICE ACTIVATION

Vauxhall's optional factory-fit dual-band Bluetooth® system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control for certain functions.

All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

USB CONNECTION

Fitted as standard, the USB connection is located alongside the aux-in within the centre console. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in only allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

INTELLILINK

The CD 600 and Navi 950 audio systems includes the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, slideshows, podcasts and more.

INFINITY® PREMIUM SOUND SYSTEM

For the ultimate in premium sound performance GTC can also be specified with the Infinity Sound System. Featuring a 7 x 45 Watt amplifier and Digital Sound Processor, the system comprises eight premium speakers, including one rear-mounted 8-inch subwoofer, two door-mounted and two rear mounted 6.5-inch wide band speakers, two 1-inch tweeters mounted in the A-pillar and a front-mounted 3.5-inch medium range unit. The unit is optional at extra cost on all models.

GTC SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

TRANSMISSION

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i Turbo (140PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes. The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

SUSPENSION

The HiPerStrut (High Performance Strut) front suspension improves grip and allows more power to be applied during cornering. The reduced kingpin angle means less camber loss, which allows the front tyres to retain more of their contact patch with the road during cornering, therefore delaying the onset of understeer. The shorter spindle length significantly reduces torque steer reactions and improves resistance to steering kickback through uneven bends.

Front: Independent. HiPerStrut sports suspension with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with Watt's link and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Electric parking brake
- Hill start assist

LUGGAGE CAPACITIES*

	litres (cu.ft.)
Rear seats up	380 (13.4)
Rear seats down	1165 (41.1)

Please note fitment of Infinity® Sound System reduces load volume by 38 litres due to a raised luggage compartment floor.

* = Measured using the ECIE method.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
 - 10.9m (35.7ft.)

FUEL TANK CAPACITY

All models: 56 litres (12.3 gallons)

1.6CDTi (136PS) Start/Stop ecoTEC	2010	1500 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

GTC COMPANY CAR DRIVER/FLEET INFORMATION

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit www.vauxhall-toolbox.co.uk or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

BENEFIT IN KIND COMPANY CAR TAXATION*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

GTC SRi 1.6CDTi (110PS) Start/Stop ecoTEC (CO ₂ emissions 111g/km)	
On-the-road RRP	£25200.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24940.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£25505.00
Car benefit charge	
2018-19 tax year (27%)	£6886.00
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1377.20
Higher Rate (40%) tax payer	£2754.40

* = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. ** = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Non-Diesel† 2018-19 tax year	Diesel†† 2018-19 tax year
Up to 50	13	17
51-75	16	20
76-94	19	23
95-99	20	24
100-104	21	25
105-109	22	26
110-114	23	27
115-119	24	28
120-124	25	29
125-129	26	30
130-134	27	31
135-139	28	32
140-144	29	33
145-149	30	34
150-154	31	35
155-159	32	36
160-164	33	37
165-169	34	37
170-174	35	37
175-179	36	37
180 and above	37	37

† = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). †† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

To calculate your own personal liability a car tax calculator is available at: <https://www.vauxhallfleet.co.uk/toolbox>

GTC ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£140.00
Band C	51 – 75g/km	£25.00	£105.00	£140.00
Band D	76 – 90g/km	£105.00	£125.00	£140.00
Band E	91 – 100g/km	£125.00	£145.00	£140.00
Band F	101 – 110g/km	£145.00	£165.00	£140.00
Band G	111 – 130g/km	£165.00	£205.00	£140.00
Band H	131 – 150g/km	£205.00	£515.00	£140.00
Band I	151 – 170g/km	£515.00	£830.00	£140.00
Band J	171 – 190g/km	£830.00	£1,240.00	£140.00
Band K	191 – 225g/km	£1,240.00	£1,760.00	£140.00
Band L	226 – 255g/km	£1,760.00	£2,070.00	£140.00
Band M	over 255g/km	£2,070.00	£2,070.00	£140.00

* = Correct at time of issue. ** = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Full AA cover
- Engine flush and fuel treatments

GTC FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Active-safety front seat head restraints • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Hydraulic brake fade assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency brake assist – Increases brakeforce applied in emergency braking situations • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Additional feature				
Driving Assistance Pack • Forward collision alert • Lane departure warning • Traffic sign recognition • Following distance indicator • Intelligent light ranging ¹	<input type="radio"/>	<input type="radio"/>	633.33	760.00

SECURITY

Standard features • Remote control ultrasonic security alarm system • Driver's internal central locking switch • 'Key left in ignition' audible warning • Electronic theft protection for audio equipment • Remote control central deadlocking (doors, tailgate, fuel filler flap) • Electronic engine deadlock immobiliser • Visible Vehicle Identification Number (VIN) plate • Freewheeling door locks • Locking wheel nuts for alloy wheels

HEATING AND VENTILATION

Standard features • Air conditioning with air recirculation • Air blend heater with six-speed fan • Side window demist vents and adjustable face-level air vents • Interior pollen filter

Destination download feature only operates on models fitted with optional Navi 650 or Navi 950 IntelliLink satellite navigation systems.

GTC FEATURES/OPTIONS

VAUXHALL ONSTAR – YOUR PERSONAL ON BOARD ASSISTANT

Many car brands talk about innovation as soon as they improve their cup holders but this innovative system, now available on selected models**, is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with a trained advisor, not a machine. With OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated 4G Wi-Fi Hotspot†. In the event of an accident, Vauxhall OnStar even automatically calls for help, for an incomparable feeling of safety.

** = The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.
† = 4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.vauxhall.co.uk/onstar for terms and conditions, details of availability, coverage and charges.

SATELLITE NAVIGATION

The optional Navi 650/950 satellite navigation systems offer dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident. In addition to route planning criteria such as

'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The Navi 650 system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads for Western Europe. Additional country-specific maps with street level detail are available to download. Navi 950 IntelliLink covers street level mapping across Europe. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

BLUETOOTH® MOBILE PHONE SYSTEM WITH VOICE ACTIVATION

Vauxhall's optional factory-fit dual-band Bluetooth® system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control for certain functions.

All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

USB CONNECTION

Fitted as standard, the USB connection is located alongside the aux-in within the centre console. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in only allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

INTELLILINK

The CD 600 and Navi 950 audio systems includes the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, slideshows, podcasts and more.

INFINITY® PREMIUM SOUND SYSTEM

For the ultimate in premium sound performance GTC can also be specified with the Infinity Sound System. Featuring a 7 x 45 Watt amplifier and Digital Sound Processor, the system comprises eight premium speakers, including one rear-mounted 8-inch subwoofer, two door-mounted and two rear mounted 6.5-inch wide band speakers, two 1-inch tweeters mounted in the A-pillar and a front-mounted 3.5-inch medium range unit. The unit is optional at extra cost on all models.

GTC SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

TRANSMISSION

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i Turbo (140PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes. The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a ‘neutral’ gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

SUSPENSION

The HiPerStrut (High Performance Strut) front suspension improves grip and allows more power to be applied during cornering. The reduced kingpin angle means less camber loss, which allows the front tyres to retain more of their contact patch with the road during cornering, therefore delaying the onset of understeer. The shorter spindle length significantly reduces torque steer reactions and improves resistance to steering kickback through uneven bends.

Front: Independent. HiPerStrut sports suspension with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with Watt’s link and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Electric parking brake
- Hill start assist

LUGGAGE CAPACITIES*

	litres (cu.ft.)
Rear seats up	380 (13.4)
Rear seats down	1165 (41.1)

Please note fitment of Infinity® Sound System reduces load volume by 38 litres due to a raised luggage compartment floor.

* = Measured using the ECIE method.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– 10.9m (35.7ft.)

FUEL TANK CAPACITY

All models: 56 litres (12.3 gallons)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i Turbo (120PS) Start/Stop	1960	1350 (700)
1.4i Turbo (140PS) Start/Stop	1960	1350 (700)
1.4i Turbo (140PS) automatic	1980	1350 (700)
1.6i Turbo (200PS) Start/Stop	1990	1500 (730)
1.6CDTi (110PS) Start/Stop ecoTEC	2005	1500 (730)
1.6CDTi (136PS) Start/Stop ecoTEC	2010	1500 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Please note:

Prices shown are a fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

GTC ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

	CO2 emissions (g/km)	First year rate	Standard rate
Band A	0	£0.00	£0.00
Band B	1-50	£10.00	£140.00
Band C	51-75	£25.00	£140.00
Band D	76-90	£100.00	£140.00
Band E	91-100	£120.00	£140.00
Band F	101-110	£140.00	£140.00

* = Correct at time of issue.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0117 908 6433**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
