

MERIVA

2016 Models Edition 1

WELCOME TO A LIFETIME OF FORWARD THINKING

VX_BPS_18771

1903 – Forward thinking has been in our nature from the very start. The 6HP, our first ever car, had two forward gears. And no reverse.

VX_BPS_18772

1922 – The Silver Arrow OE 30-98 was capable of speeds of over 100mph, this model was built for shipping magnate Sir Leonard Ropner to race at Brooklands.

VX_BPS_18773

1937 – The Vauxhall '10' H-type, the first British car to have integral construction.

VX_BPS_18774

1957 – The PA Cresta introduced Americana styling to the UK.

VX_BPS_18775

1984 – The MkII Astra introduced class-leading aerodynamic styling that still looks good today. The Formula Vauxhall Lotus ran a modified version of the Astra GTE's 2.0i 16v engine.

VX_BPS_18776

1971 – The formation of Dealer Team Vauxhall (DTV). The track car was the precursor to our enormous success in touring car racing.

VX_BPS_18777

1999 – The Zafira introduced the revolutionary Flex7® seating system inventing the seven-seat compact MPV.

VX_BPS_18780

VX_BPS_18779

1990 – The Calibra was the world's most aerodynamic production car.

VX_BPS_18778

1989 – The Lotus Carlton was the world's fastest production four-door saloon.

2012 – The 'RAK e'. A radical looking electric concept car for the future. Our forward thinking continues.

2012 – Ampera. The first ever Extended-Range Electric Vehicle (E-REV) that redefined electric vehicle innovation leading to it being voted European Car Of The Year 2012.

VX_BPS_18781

VX_BPS_18782

2015 – Introduction of Vauxhall OnStar. Your personal onboard assistant.

Scan this QR code with your smartphone for more information on the last 110 years of Vauxhall innovation. Don't forget to download a QR reader from your app store first.

The world was a very different place in 1903 when Vauxhall made its first car. We steered with tillers, not wheels. Six horsepower was considered pretty nippy. And King Edward's face was still on the stamps. But for us, one important thing hasn't changed: we started out with a philosophy of Forward Thinking and, over 110 years later, it still motivates everything we do. Who knows what innovations the next 110 years will bring?

VX_MER_23601

COMFORT MEETS STYLE MEETS CONVENIENCE

When it comes to comfort, convenience, quality and style the Meriva just gets it all right. FlexDoors® make access so easy. FlexSpace® and FlexRail® systems mean you can completely re-arrange the interior in a couple of clicks. And the high driving position and luxury seating for five make it a relaxing place to be for everyone. On the outside, the Meriva doesn't disappoint. From the imposing front grille to its modern rear styling Meriva is sure to get noticed. So you get a car that's as good to look at for passers by as it is for you to drive.

This brochure covers Meriva Life, Exclusiv, Tech Line and SE models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. We may also offer alternative Meriva models such as Special Editions. So for all current model or equipment details visit the Vauxhall website: www.vauxhall.co.uk

VX_MER_23389

SPACE TO LIVE

Inside the Meriva is a great place to be. Up front the driver's seat holds you comfortably in a high sitting position as you take in a better view of the road ahead and the ergonomically designed fascia layout. And in the back there's ingenious solutions to sort out those everyday family transport dilemmas.

Every Meriva includes FlexSpace® as standard, a simple way to go from five seats to four, three or two instantly to meet your needs. Then we added FlexFloor®, our two-position, adjustable luggage compartment floor that can be lowered to give you more load height and volume. And then there's FlexRail®, a versatile, modular, multi-level storage system situated between the front seats with spaces and connectivity for MP3 players and mobile phones.

So whatever life throws your way, you can relax knowing that your Meriva has all the comfort and the flexibility to handle it with ease.

GENIUS OR JUST COMMON SENSE

We made the Meriva a car that's not just easier to live with – it makes life easier. We added rear-hinged FlexDoors[®], that open far wider than normal, to make it easier to get in and out of the back seat and safer for everyone at the roadside. Then we gave the Meriva our Flex-Fix[®] bike carrier. A fully integrated, optional rear carrier system that can safely carry two bikes but completely folds away into the rear bumper when you don't need it. Now that makes sense to us.

STAY CONNECTED ON THE MOVE

The infotainment system in the Meriva is there to help.

Not get in the way or take over. And it's so easy to use, whether it's the standard radio and CD player with aux-in or any of the other options available.

All models feature USB connection for your MP3 player or phone with control via the steering wheel controls and Bluetooth® connectivity so you can make calls hands-free.

And there's even sat nav with the option of IntelliLink technology that lets you make calls and stream audio using Bluetooth® from portable devices via a big 7-inch colour screen.

Whichever you choose, all this tech doesn't just work, it works the way you want it to.

PERFORMANCE MEANS ECONOMY TOO

It may be perfect for family life but the Meriva is great to drive too. With confident balance and lively, efficient multi-valve petrol, turbo-powered and ultra-efficient diesel engines that are all as good at saving fuel as they are at performing on the road. Add to that lower CO₂ emissions – as low as 99g/km with the new 1.6CDTi 110PS – and savings on Vehicle Excise Duty and you have a range of engines designed to save you money without having to compromise in any way.

Meriva SE

WALL STREET CAFE

PROTECT WHAT'S IMPORTANT

We've done everything possible to protect you, your Meriva and other road users. That's why we offer a series of sophisticated safety features and options.

There's Adaptive Forward Lighting to make cornering at night safer, front and rear parking distance sensors for those tight parking situations, active-safety front seat head restraints to minimise the risk of whiplash and up to six airbags.

And with the family in mind, all Meriva models feature ISOFIX mountings on the outer rear seats for the safer installation of child seats.

The Meriva doesn't just feel safer than ever. It is.

VX_MER_21040

POWER WITH A SENSE OF RESPONSIBILITY

Compromise is a thing of the past with our range of engines. They manage to combine comparatively low fuel consumption and emissions with brisk performance so you can have it all. The Meriva engine line-up consists of three 1.4 litre petrol engines and three diesels that are not only designed to be fuel efficient with low CO₂ emissions but surprisingly quiet out on the road too.

FUEL ECONOMY AND EMISSIONS

Engines	CO ₂ emissions (g/km) [#]	Fuel economy combined (mpg) [#]	VED band (2015/16)*		Benefit-in-Kind rate (2015/16 tax year)**
			First Year	Standard	
Petrol					
1.4i 100PS	140	47.1	£130	£130	23%
1.4i 120PS Turbo	139	47.9	£130	£130	22%
1.4i 140PS Turbo	149	44.8	£145	£145	24%
1.4i 120PS Turbo automatic	166	39.8	£295	£205	28%
Diesel					
1.6CDTi 95PS Start/Stop ecoFLEX	105	70.6	£0	£20	19%
1.6CDTi 110PS Start/Stop ecoFLEX	99	74.3	£0	£0	17%
1.6CDTi 136PS Start/Stop ecoFLEX	116	64.2	£0	£30	21%

[#]Official Government Test Environmental Data. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

*Correct at time of publication.

**Taxation information for guidance only. Please take professional advice on your own tax position.

All Meriva petrol engines feature Variable Valve Timing technology for high fuel economy and performance. A 100PS engine is matched with two turbocharged versions – a 120PS model and a range topping 140PS variant. Meriva's three Euro 6 compliant 1.6CDTi 'Whisper Diesel' ecoFLEX engines – a 95PS, 110PS and a powerful 136PS variant with 320Nm of torque – are also turbocharged, adding fuel-injection and common rail diesel

technology which cuts emissions, reduces noise and lowers fuel consumption. All of the diesel models feature Start/Stop technology as standard. Saving even more fuel by automatically stopping the engine when you come to a standstill and restarting when you want to move off.

CONNECTS WITH YOUR LIFE

You don't need a degree in technology to get the most out of the Meriva's infotainment options. Whether you're syncing a smartphone, finding the quickest way to a new place or just listening to music on an MP3 player, it's easy.

The choice is yours. Every Meriva comes with a CD player, stereo radio with aux-in and USB for your MP3 player and Bluetooth® connectivity. If you need just that little bit more technology you can upgrade to our new Navi 650 sat nav unit or Navi 950 IntelliLink system (right) for voice controlled navigation, phone calls and music tracks. It's all designed to make your life easier.

Our optional Navi 650 infotainment system features the very latest sat nav with 7-inch colour screen, it lets you make calls and stream audio from your smartphone, tablet or other portable device using Bluetooth® and gives you fast access to map data and points of interest to keep you informed on the move. Optional at extra cost* on all models.

1. Or there's our **Navi 950 IntelliLink** that features voice commands for navigation and phone calls. Optional at extra cost on SE models.

2. 3. Then there's **Aux-in, USB and Bluetooth®**. You can either hook up an MP3 player, smartphone or USB stick to listen to music or downloaded podcasts. Connecting via the USB also means you can control your device via the steering wheel and audio display. All models now also feature Bluetooth® as standard, which allows you to make calls safely on the move.

Upgrade to **digital radio** for digital quality sound and a more diverse range of stations that are easier to find by name. Optional at extra cost on all models.

*The Navi 650 system on Tech Line models can be ordered as an extra-cost option or a no-cost option in lieu of front and rear parking distance sensors, electrically heated front seats and electrically heated steering wheel.

VX_MER_20880

YOUR PERSONAL ON BOARD ASSISTANT

Many car brands talk about innovation as soon as they improve their cup holders, but this one-of-a-kind system is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with an individual, not a machine.

With Vauxhall OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated Wi-Fi Hotspot. In the event of an accident, Vauxhall OnStar even automatically calls for help¹.

Best of all, OnStar services are free of charge on Meriva SE models* for the first 12 months!

What's more, this unique service doesn't stop at national borders. You can access it virtually anywhere in Europe².

Motoring re-imagined.

WHAT ONSTAR CAN DO FOR YOU¹

SOS

Automatic Crash Response.

We hope, this won't ever happen to you, but in the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor. The expert will be immediately connected to your car to assess the situation and, if needed, notify the emergency services, providing them with your exact GPS location.

Wi-Fi Hotspot².

Cyberspace now comes on wheels. Thanks to the extra powerful OnStar aerial, you have a stable and quick Internet connection. Your Vauxhall Meriva creates a mobile Wi-Fi Hotspot for up to seven devices.

Smartphone App.

Referring to Murphy's Law your car keys will be in the locked car at least once in a lifetime. No problem, just start the OnStar app and remotely lock/unlock your door with your smartphone. Or use the remote control to sound the horn and flash the lights. The app also checks the oil life by the touch of a button.

Stolen Vehicle Assistance.

"Where is my...? NO WAY!??!!" A stolen car is a nightmare – but from now on you can call our Vauxhall OnStar advisors to track and recover it together with the police.

Vehicle Diagnostics.

Hey Meriva, how are you doing today? You can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you prefer a newsletter, Vauxhall OnStar will automatically send you a monthly e-mail with this key data.

Destination Download.

Hungry? Thirsty? Need to find your way? Just Press the Service Button and our advisors will provide you with the information and locations you need. No need to waste time searching: OnStar automatically downloads the location to your Vauxhall's navigation system².

YOUR PRIVACY. YOUR CALL

One person alone decides what Vauxhall OnStar can and cannot do: YOU.

- Once you've registered and activated OnStar, you can access every OnStar Service. To ensure security, several services will ask for your PIN. For example, Remote Door Lock/Unlock or Stolen Vehicle Assistance.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies³ can OnStar override this.

OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

Privacy Policy – General Motors UK Ltd, General Motors Holdings LLC (Michigan, USA) and OnStar Europe Ltd may process your data for marketing, market research, tracking sales data and to contact you. On request, you can stop the processing of your personal data for marketing at any time.

Your personal details may be shared within the General Motors Group and suppliers, retailers and agents for the above purposes – we will not share your personal details with third parties for their independent use. The data may be transferred outside the European Economic Area ('EEA'). All steps reasonably necessary will be taken to ensure that your data is treated securely and in accordance with applicable laws. Please read our privacy policy – www.vauxhall.co.uk/privacy for more detail.

¹Optional on all other Meriva models. ²The Vauxhall OnStar Services rely on wireless communication networks and satellite positioning systems. ³Some features may not be available in certain foreign countries. Please check the comprehensive specifications and technical data available in the Meriva price/specification guide PDF for an overview of any restrictions at www.vauxhall.co.uk under 'Request a brochure'.

³In events such as a crash or if your vehicle is stolen.

HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on Meriva SE and is available as an extra cost option on all other models.

To get it:

1. Request OnStar when you order your new Vauxhall Meriva.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar Services. This will be subject to a fee.

To find out more, visit www.vauxhall.co.uk/onstar

HOW MY VAUXHALL SERVICES DO MORE FOR YOU

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Dealer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services. Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall is ready to go!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from Apple iTunes App Store.

SAFER ALL OVER

Like every new Vauxhall, the Meriva comes with advanced safety features. From the high-strength steel rigid passenger cell, to active headrests that help prevent whiplash in the event of a rear impact. We've got you, and your passengers, covered.

5-star reassurance. The Vauxhall Meriva was awarded the best possible rating by the Euro NCAP body for its safety performance.

1. Passenger protection. The Meriva's passive safety systems include a high-strength steel rigid passenger cell and a full complement of airbags. Just in case. All models feature twin front airbags and side impact airbags with Exclusiv, Tech Line and SE models adding curtain airbags too.

2. Active-safety front seat head restraints. Another important safety feature. Designed to minimise one of the most common injuries that can occur even in a low impact rear collision, whiplash. Standard on Exclusiv, Tech Line and SE models. Optional on Life models as part of the Protection Pack.

3. Front and rear parking distance sensors. These sensors accurately tell you how close you are to cars in front or behind whilst parking by giving you an audible signal that increases the closer you get to an obstacle. Standard on Tech Line, optional on all other models.

4. Adaptive Forward Lighting. This option, available on Exclusiv, Tech Line and SE models as part of the Light Pack, makes cornering at night safer with dynamic curve light that actually angles your headlights into the bend you're entering. While the static cornering light throws light up to 90° to the left or right so you can see better at low speed corners and junctions.

Electronic Stability Programme (ESP-plus). Every Meriva features the latest ESP-plus with Traction Control reducing the tendency to oversteer or understeer almost unnoticeably.

Anti-lock Braking System. The advanced Anti-lock Braking System (ABS) combines with other chassis safety features to improve stability and steering behaviour in a range of emergency situations.

DESIGNED TO TAKE THE STRAIN

We designed the Meriva to be easy on you. From the easy-access FlexDoors®, Flex-Fix® slide-out bicycle carrier system or FlexSpace® versatile seating system. In fact, its all-round ergonomic concept was the first to receive certification from Germany's prestigious AGR* organisation, in recognition of its capacity to reduce the strain on your back. And that's a world first.

Ergonomic sports front seats. The perfect choice for long-distance drivers. Optional on Exclusiv and SE models, the front seat adjusts to suit your posture by letting you fine tune the lumbar adjustment and extend the seat cushion, giving your upper body and legs greater support where it's needed most. The seat has also won the coveted AGR* seal of approval for helping to prevent the back pain and tension suffered by some car occupants.

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

1. Easy-access FlexDoors®. The rear hinges on our FlexDoors® mean you can open the doors much wider than normal, making it easier to get in and out of the back seats, or to help other people do the same. Even placing a bag in the back is simpler – and safer – than with ordinary doors.

2. We've got your back. Everything about the Meriva is designed to take the strain away from your back by reducing muscle loads and twisting angles which, together, are a main cause of back strain.

*Bicycle size restrictions apply. Please contact your local Vauxhall Retailer for further information.

3. Flex-Fix® integrated bike carrier.* This practical bike carrier slides out of the rear bumper, making it simple to mount up to two bikes on the car, screwdriver-free. When you don't need it anymore, it slides back into the bumper. Optional at extra cost on Exclusiv and SE models.

4. Versatile FlexSpace® seating. Our FlexSpace® system lets you switch quickly and simply from three rear seats to two, or one, or none at all – without ever removing a seat.

IT ALL SITS TOGETHER COMFORTABLY

There's no one thing that makes the Meriva so comfortable and easy to live with. It's a combination of features and technologies large and small. Whether it's air conditioning or the electric parking brake, for instance, we wanted to make every journey you take a pleasure and for you and your passengers to get there feeling refreshed, no matter how long the journey.

VX_MER_23399

VX_MER_20878

1. Panoramic glass roof. Big, bright and beautiful, this sunroof (standard on SE models) stretches right over both rows of seats so everyone can see out. But if you need a little less light, there's the electrically powered sunshade too.

2. FlexRail® interior storage. You can keep your belongings secure in place, out of sight and easy to reach with this modular storage system located between the two front seats. Exclusiv models feature the rails complete with a practical sliding tray/cup holder. SE models feature the rails, sliding tray/cup holder and the sliding centre storage system.

Air conditioning. Need help staying cool on hot summer days? No problem with Meriva. Air con is standard across the range.

3. Electronic climate control. We added dual-zone settings for the driver and front passenger so you can set a different temperature for each side of the car. Optional at extra cost on Exclusiv and SE models.

4. Heated steering wheel. No more freezing cold steering wheels in winter with this easy-to-grip leather-stitched version. Standard on Tech Line models. Optional as part of the Winter Pack on Exclusiv and SE models.

5. Electric parking brake. A push-button handbrake is really easy to use, and it frees up space between the seats for more FlexRail® storage. Standard on all models.

LIFE

Standard features include:

- Electronic Stability Programme-plus
 - Anti-lock Braking System
 - FlexFloor®
 - FlexSpace® flexible rear seats
 - Twin front airbags
 - Front seat side-impact airbags
- Air conditioning

INTERIOR TRIMS

Everything inside the Meriva is in the right place. But not just to work well. It's all been put together to look great too.

SKYLINE/ATLANTIS CLOTH TRIM

Jet Black Skyline fabric seat inserts. Jet Black Atlantis fabric bolsters. Standard on Life/Exclusiv models.

ASTOR CLOTH/MORROCANA TRIM

Dark Galvanised Astor fabric seat inserts. Jet Black Morrocana bolsters. Standard on Tech Line/SE models.

ASTOR LEATHER TRIM

Jet Black Astor Leather seat inserts. Jet Black leather bolsters. Optional on SE models.

Due to the limitations of the printing process, the trims reproduced may vary slightly from the actual trim material. As a result, they should be used as a guide only.

ACCESSORIES

The Meriva is the family car of choice. And we know that every family is different so there's a long list of accessories to choose from. They're all there so you can fine-tune your Meriva to fit your way of life. Maybe you have children, like to mountain bike, have dogs or all of those. Whatever you need, make sure it's a Genuine Vauxhall Accessory so we can guarantee it works as well as the rest of your car. See the whole range at Vauxhall.co.uk/accessories

VXR Styling Pack. Inspired by our racing heritage, the VXR Styling Pack includes body-colour side sills, rear lower skirt and rear roof spoiler. For extra storage space you can add an aerodynamic Thule roof box. It doesn't get more sporty and practical.

Vehicle illustrated features accessory base carrier, Thule Pacific hard roof box and VXR Styling Pack. In addition, Light Pack, 17-inch alloy wheels and two-coat metallic paint are optional at extra cost.

1.-3. FlexConnect. A universal carrier system that attaches to the base of either of the front seat head restraints enabling a variety of comfort and convenience attachments to be installed.

Folding picnic table. A folding table with integrated cup holder. Conveniently stows flat when not in use.

iPad holder. Securely holds an iPad2 or iPad Mini for easy viewing.

Clothes hanger. Helps keep your jacket crease free.

4. Floor mats. A range of hard-wearing floor mats is available to protect your interior and are easy to take out and clean.

5. The DUO ISOFIX baby seat caters for babies from 9-18kg and can be attached using the ISOFIX child seat restraint fittings, standard on the outer rear seats of all Meriva models.

6. Semi-rigid cargo liner. Keep the boot clean and tidy with this semi-rigid moulded plastic liner that you can easily remove for cleaning. The non-skid surface stops the load from sliding around and there's even a lip to limit damage should liquids spill.

Performance, fuel economy, emissions and VED rates

Model	Wheel size (inches)	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#			CO ₂ emissions (g/km)#	Vehicle Excise Duty*	
		Maximum speed (mph)	Acceleration 0-62mph (secs)	Urban driving	Extra-urban driving	Combined figure		First year rate	Standard rate

= Official Government Test Environmental Data. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

Tyre rating

Tyre size	Fuel efficiency group	Wet grip performance	External noise	
			Measured (dB)	Group
205/55 R 16	B-E	B-E	68-72	
225/45 R 17	C-E	B	68-72	
225/40 R 18	E	B	71	

Tyre rating according to EU Regulation 1222/2009

Fuel tank capacity

All models: 54 litres (11.9 gallons)

If you wish to view more comprehensive specifications and technical data this is available online. To download/request a Price and Specification guide or Brochure, please visit www.vauxhall.co.uk/brochure

Smarter driving tips

- **Drive at an appropriate speed:** Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** Under inflated tyres increase CO₂ emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

Weights and towing data kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i 100PS	1905	700 (670)
1.4i 120PS Turbo	1930	1150 (680)
1.4i 120PS Turbo automatic	1995	1300 (720)
1.4i 140PS Turbo	1965	1300 (680)
1.6CDTi 95PS Start/Stop ecoFLEX	2040	1050 (730)
1.6CDTi 110PS Start/Stop ecoFLEX	2040	1050 (730)
1.6CDTi 136PS Start/Stop ecoFLEX	2040	1150 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Trust Vauxhall

Company Car Driver 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car. Our tax efficient Tech Line models have been specifically developed for Company Car Drivers, see pages 34-35 for more details.

To book your free* test drive just log on to www.vauxhall3dtd.co.uk or call **0870 240 4848****

Fleet Customer Services

Our dedicated support services for fleet decision makers include factory demonstrators and information on whole life costs, company car taxation and finance.

For further information please call **0870 010 0651**.

E10 Fuel

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (September 2015). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors UK Limited.
