All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue in accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price shown is indicative and is subject to change. This change may result in an increase of the on the road price of the vehicle. You may be required to place a deposit when placing your order dependent on the agreement with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer. *Provisional data.

These vehicles, with the exception of Corsa-e, are covered by our Price Protection Guarantee. See 'Further Information' page for details.

[#]Zero % BiK applies to vehicles registered from 6 April 2020. Corsa-e registrations prior to this date will be 16% BiK.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £3,000.00 OLEV grant which has been deducted from the price of the vehicle (OLEV Grant not available in the Isle of Man). The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

*Please note, 11kW models are not due to become available until late 2020.

Corsa-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

SAFETY

STANDARD FEATURES – The following features are standard across the entire all-new Corsa range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself.

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back when pulling away on an incline.

Child Safety

- Deactivation switch for front passenger's airbag
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors
- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Tyre pressure

- Tyre pressure monitoring system.

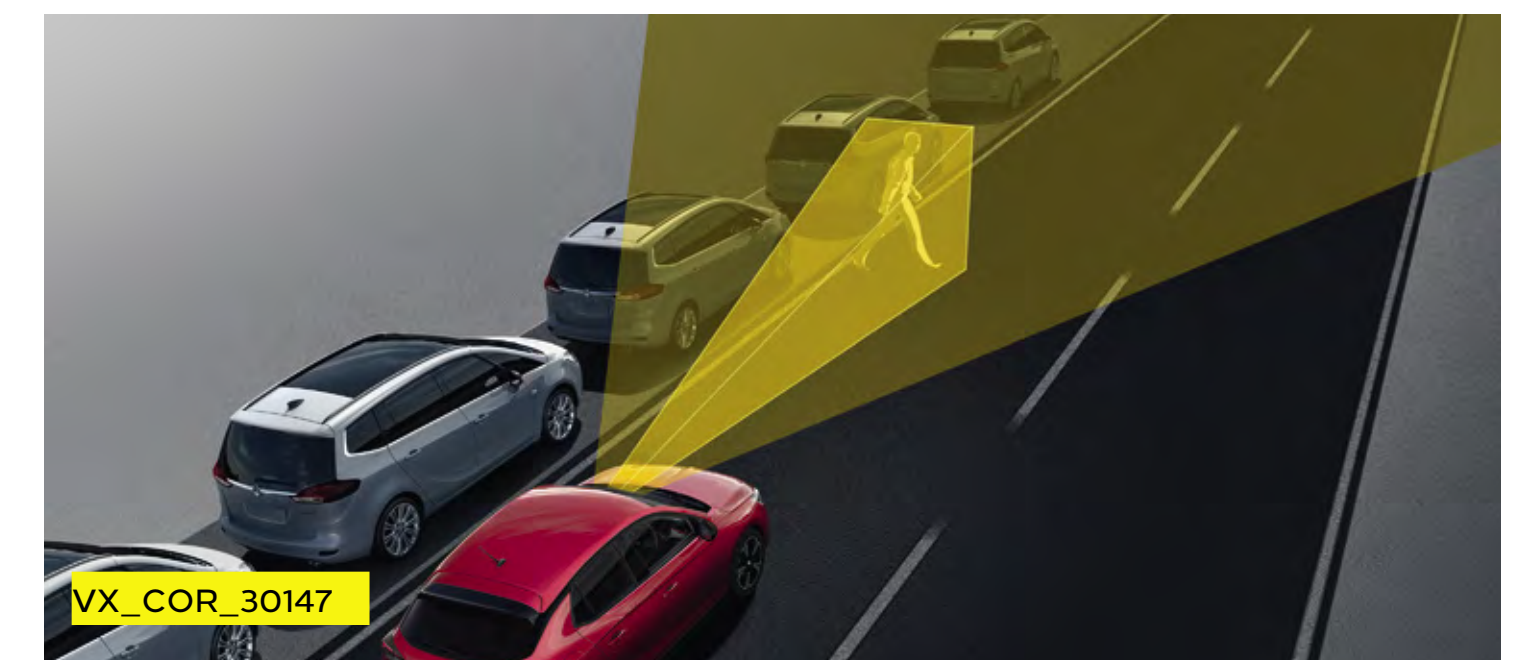

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

DRIVER ASSISTANCE

STANDARD FEATURES

The following features are standard across the entire all-new Corsa range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- Works in conjunction with the cruise control/speed limiter to help the driver adapt to the recognised speed limit

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES

The following features are standard across the entire all-new Corsa range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
 - indicates when to change gear for optimum fuel economy.

Driver information display

(centrally located in instrument cluster)

- Service-due indicator
- Deflation detection system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronic engine deadlock immobiliser
- Steering column lock
- Lockable fuel filler flap
- Remote control central door locking
- Two keys – One folding with integral remote

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication. [†]Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SPECIFICATIONS

Transmission

- Front-wheel drive
- Five-speed manual gearbox
 - Available on 1.2 (75PS) models.
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.5 (102PS) Turbo D models.
- Eight-speed automatic transmission
 - Available on 1.2 (100PS) Turbo models.

- 1.2 (100PS) Turbo 44 litres
- 1.5 (102PS) Turbo D 41 litres

Start/Stop technology

New Corsa's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

CORSA-E SPECIFICATIONS

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque.
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Corsa-e
CO ₂ emissions	0g/km
Maximum power kW/PS	100/136
Maximum torque Nm/lb. ft.	260/192
Acceleration 0-60mph (sec)	7.6
Maximum speed mph	93
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Initial service at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

CORSA-E SPECIFICATIONS*

Charging

Corsa-e comes fitted with a 7.4kW on-board charger as standard together with a Mode 3, 7.4kW cable.

There are also variants equipped with alternative 11kW on-board chargers. However, availability of these variants is strictly limited and deliveries are not expected until late-2020 at best.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Battery	On-board charger 7.4kW	On-board charger 11kW
Battery energy kWh	50	
EV Range (WLTP High)	209 miles	
Battery consumption (Combined low/high)	16.5–16.8kWh/100km	
Battery warranty	8 years/100,000 miles/70% capacity	
Time to charge		
Domestic Wallbox – Accelerated charger 7kW	7 h 30 min (0–100% battery capacity)	7 h 30 min (0–100% battery capacity)
Public Charging – Accelerated charger 22kW	5 h (15–80%)	3h 20 min (15–80%)
Rapid Charger 50kW**	45 min (15–80%) [†]	45 min (15–80%) [†]
Rapid Charger 100kW**	30 min (15–80%) [†]	30 min (15–80%) [†]

These figures were obtained after the battery had been fully charged. The Corsa-e is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures. The electric range shown was achieved using the new test procedure.

Figures are intended for comparability purposes only. The electric range you achieve under real life driving conditions will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare electric range and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

*Provisional data. **You can obtain 15-80% of the vehicle charge in 30 minutes from a 100kW rapid charging station. You can obtain 15-80% of the vehicle charge in 45 minutes from a 50kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. [†]The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature.

DIMENSIONS AND CAPACITIES

All measurements in mm (inches) unless stated otherwise.

LOADSPACE DIMENSIONS mm (in)	
Maximum length behind rear seats	885 (34.8)

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Corsa SE 1.5 (102PS) Turbo D Start/Stop (CO₂ emissions 85g/km)	
On-the-road RRP	£17,760.00
Deduct: Vehicle Excise Duty	(£130.00)
New vehicle first registration fee	(£55.00)
Effective list price	£17,575.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£18,140.00
Car benefit charge 2019–20 tax year (26%)	£4,717.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£943.40
Higher Rate (40%) tax payer	£1,886.80

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel† 2019–20 tax year	Diesel†† 2019–20 tax year
Up to 50	16	20
51–75	19	23
76–94	22	26
95–99	23	27
100–104	24	28
105–109	25	29
110–114	26	30
115–119	27	31
120–124	28	32
125–129	29	33
130–134	30	34
135–139	31	35
140–144	32	36
145–149	33	37
150–154	34	37
155–159	35	37
160–164	36	37
165–169	37	37
170–174	37	37
175–179	37	37
180 and above	37	37

†Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ††Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate	Standard rate
		Petrol [#]	Diesel [†]		Electric
A	0	£0	£0	£0	£0
B	1-50	£10	£25	£145	£0
C	51-75	£25	£110	£145	£0
D	76-90	£110	£130	£145	£0
E	91-100	£130	£150	£145	£0
F	101-110	£150	£170	£145	£0
G	111-130	£170	£210	£145	£0
H	131-150	£210	£530	£145	£0
I	151-170	£530	£855	£145	£0
J	171-190	£855	£1,280	£145	£0
K	191-225	£1,280	£1,815	£145	£0
L	226-255	£1,815	£2,135	£145	£0
M	over 255	£2,135	£2,135	£145	£0

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

New Astra's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
 - Full-size curtain airbags for driver and front and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
 - Anti-submarining ramps in all seats – Prevents occupants sliding underneath the lap belt during a collision.
-

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts
 - Three inertia-reel lap and diagonal rear seatbelts • Front seatbelts with crash locking tongues
 - Outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
 - Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
 - Front and rear 'seatbelt unfastened' audible warning and warning light
-

Child safety

- Deactivation switch for front passenger's airbag – Permits the safe use of a child seat in the front passenger seat.
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact.
 - Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell
 - Deformation zones front and rear • Burst-proof door locks and anti-jam door design
-

Pedestrian safety

- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Stability

- Electronic Stability Programme (ESP) – Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation
 - Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.
-

Braking

- Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional ESP features:

The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
 - Hazard warning lights • Fading brake support – Compensates for the effects of brake fade.
 - Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
 - Adaptive brake lights – Automatically warns other road users of heavy braking.
 - Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
-

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Cruise control with speed limiter

Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.

- Steering wheel mounted controls
-

Steering

- Speed sensitive electrically assisted power steering
-

Security features

- ‘Key left in ignition’ audible warning
 - Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels
 - Freewheeling door locks
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Central locking activation switch on facia
 - One folding key/one static key each with integral remote control function
-

Instrumentation

- Speedometer
 - Rev counter
 - Digital fuel gauge with low fuel level warning light
 - Digital water temperature gauge with warning light
 - Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.
-

Driver information display (centrally located in instrument cluster)

- Monochrome display (upgraded to colour on Elite Nav and Ultimate Nav models)
 - Displays trip computer data
 - Total mileage
 - Service-due indicator
 - Oil life
 - Tyre pressure monitoring system
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage
 - Vehicle range based on remaining fuel
 - Average speed
 - Average fuel economy
 - Instantaneous fuel economy
 - Driving time
-

Central facia display (format dependent on infotainment unit)

- Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Audio information
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Seating and comfort

- Reach and rake adjustable steering
 - Steering wheel mounted audio controls
 - Three person layout
 - Three height-adjustable and removable head restraints
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Heating and ventilation

- Four adjustable facia vents
 - Windscreen demist vents
 - Side window demist vents
 - Heated rear screen with timed cut-off
-

Convenience features

- Front 12-volt electrical accessory socket
 - Driver’s and front passengers sunvisors
 - Front passenger vanity mirror
 - Dipping rear-view mirror
-

Interior lighting

- Central front courtesy light
 - Central rear courtesy light
 - Fade up/fade down
-

Interior storage

- Fold out storage box on driver’s side lower facia
 - Glovebox with lid
 - Front door pockets
 - Two drinks holders in centre console
 - Rear door pockets
 - Storage compartment in centre console
-

Luggage area

- Luggage compartment cover (Hatchback only)
 - Luggage compartment retractable cover (Sports Tourer only)
 - Illuminated load area
 - Fully carpeted load area
 - Interior tailgate handle
 - Four load restraint lashing eyes
 - Twin gas-assisted tailgate struts
-

STANDARD FEATURES

ALL MODELS

Exterior lighting features

- LED daytime running lights
 - Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.
 - LED side repeat indicators
 - Lights-on audible warning – When keys are removed and driver door opened an audible warning sounds to alert the lights have been left on.
 - Manual headlight beam levelling – Use to adapt headlight range to the vehicle load to prevent dazzling.
 - High-level LED centre rear brake light • Rear fog light • Reversing light • Hazard warning lights
 - Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe • Intermittent rear window wash/wipe
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
 - Heated rear window • Solar heat-absorbing windscreen • Tinted windows
-

Body styling

- Chrome-effect headlight detail • Body-colour door handles • Body-colour door mirrors
 - Body-colour rear roof spoiler
-

DRIVER ASSISTANCE

	SE	Business Edition Nav	SRI	SRI VX-Line Nav	Elite Nav	Ultimate Nav	Price (£) exc. VAT	Price (£) inc. VAT
Front and rear parking distance sensors • Front and rear parking distance sensors • Audible warning • Distance warning graphic shown in driver information display	○	○	○	○	○		400.00	480.00
Parking Pack (includes front and rear parking distance sensors) Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road. Advanced park assist Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse and apply the brakes. The system works with both parallel and bay parking. • Ultrasonic side sensors with four-metre range • Ultrasonic front and rear parking sensors with a two-metre range • Fully automated steering • Detailed forward/reverse instructions are shown in the instrument cluster Side blind spot alert Side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror. • Ultrasonic side sensors with three-metre range • LED warning light in door mirrors • Audible warning is sounded if the indicators are used and the system has detected another vehicle • Electrically folding door mirrors Rear-view camera The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and one-metre grid lines shown as reference points						●		
Electric parking brake • Centre console switch in lieu of handbrake lever • Premium centre console featuring adjustable armrest					●	●		

● = Standard equipment. ○ = Optional at extra cost.

EXTERIOR LIGHTING

	SE	Business Edition Nav	SRI	SRI VX-Line Nav	Elite Nav	Ultimate Nav	Price (£) exc. VAT	Price (£) inc. VAT
LED headlights			●	●	●	●		
Standard lighting features • Automatic lighting control with tunnel detection			●	●	●	●		
IntelliLux LED Matrix headlights IntelliLux LED Matrix headlights work with the Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of eight individual LED lights. These lights replace the main beam function and supplement the dipped beam function. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions. The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated. Studies show that the enhanced roadside illumination of IntelliLux LED Matrix headlights give the driver an extra 1.5 seconds of reaction time at 50mph. • Dipped beam, main beam and dynamic lighting: 16 electronically controlled LED lights (eight per headlight) • Driving Assistance Pack One incorporating front camera system • Intelligent main beam control • Automatic headlight levelling • LED tail lights						●		
Every type of driving environment has been considered: • Urban light – With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function. • Highway light – The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers. • Country light – As speeds increase, so does the lighting’s performance. • Static Cornering light – At lower speeds corners and bends are illuminated to match steering inputs. • Parking light – When reversing, additional side-facing lights are activated in the headlights. • Energy saving mode – On Start/Stop models, the IntelliLux LED Matrix system goes into Energy saving mode when the engine is automatically stopped.								
LED tail lights: (standard with IntelliLux LED Matrix headlights)						●

New Astra's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

^{**}Correct at time of publication. † = Provisional data.

PERFORMANCE, FUEL ECONOMY AND EMISSIONS[†]

New Astra's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

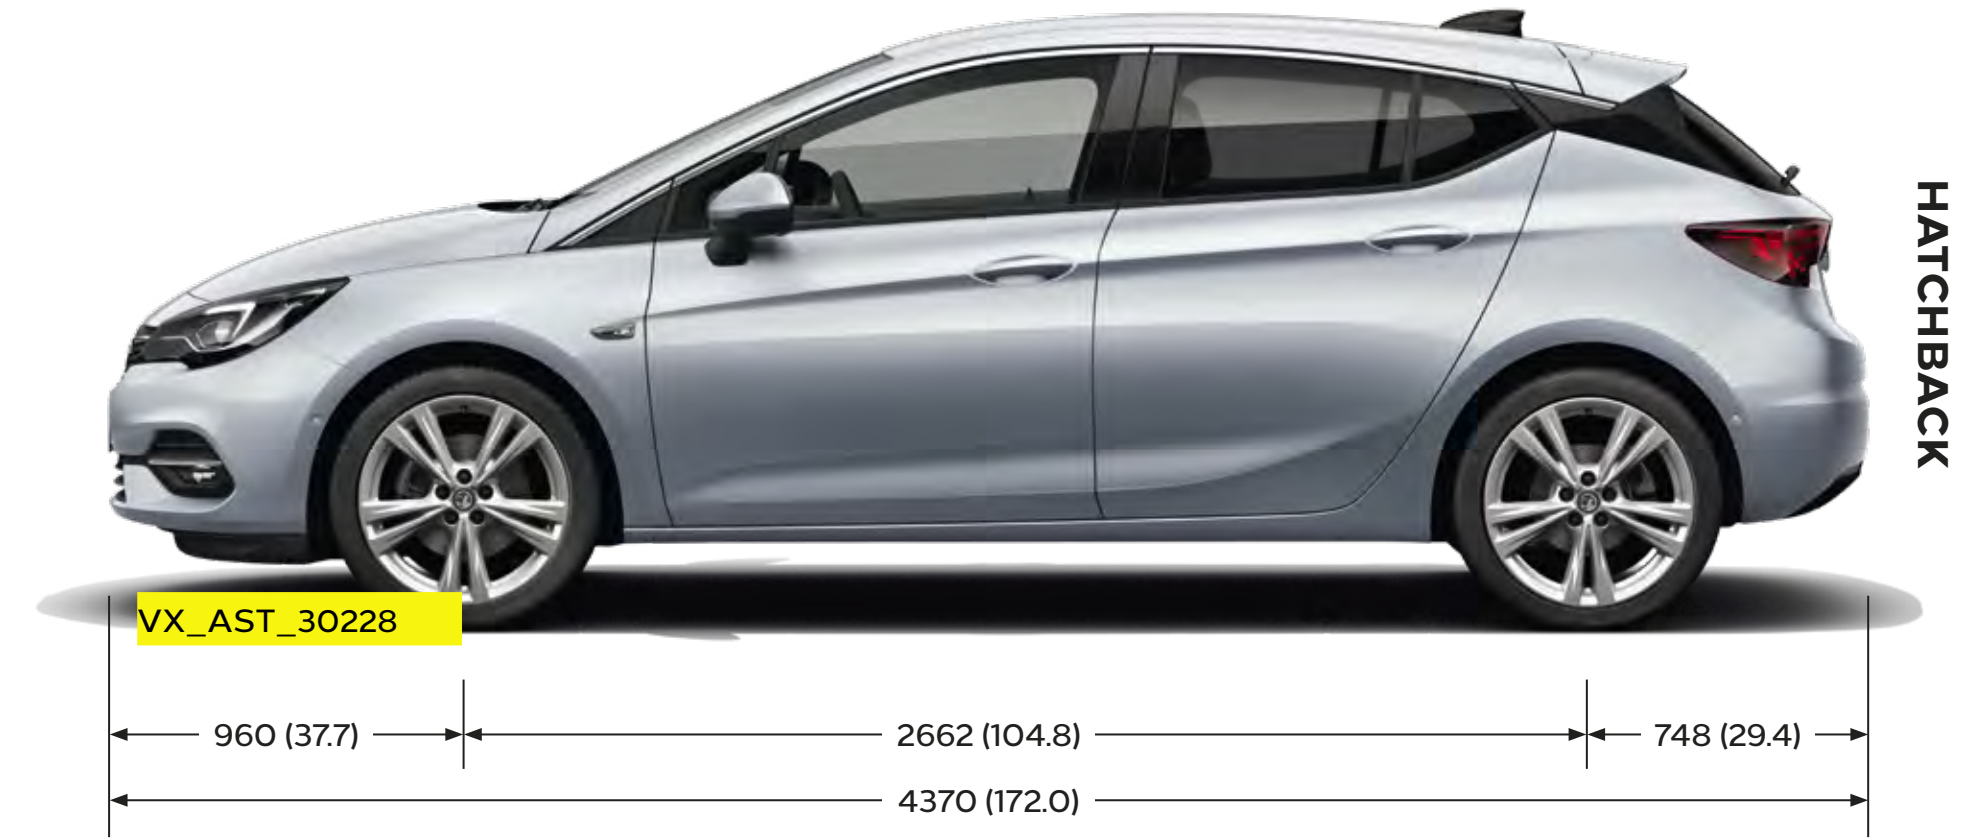

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

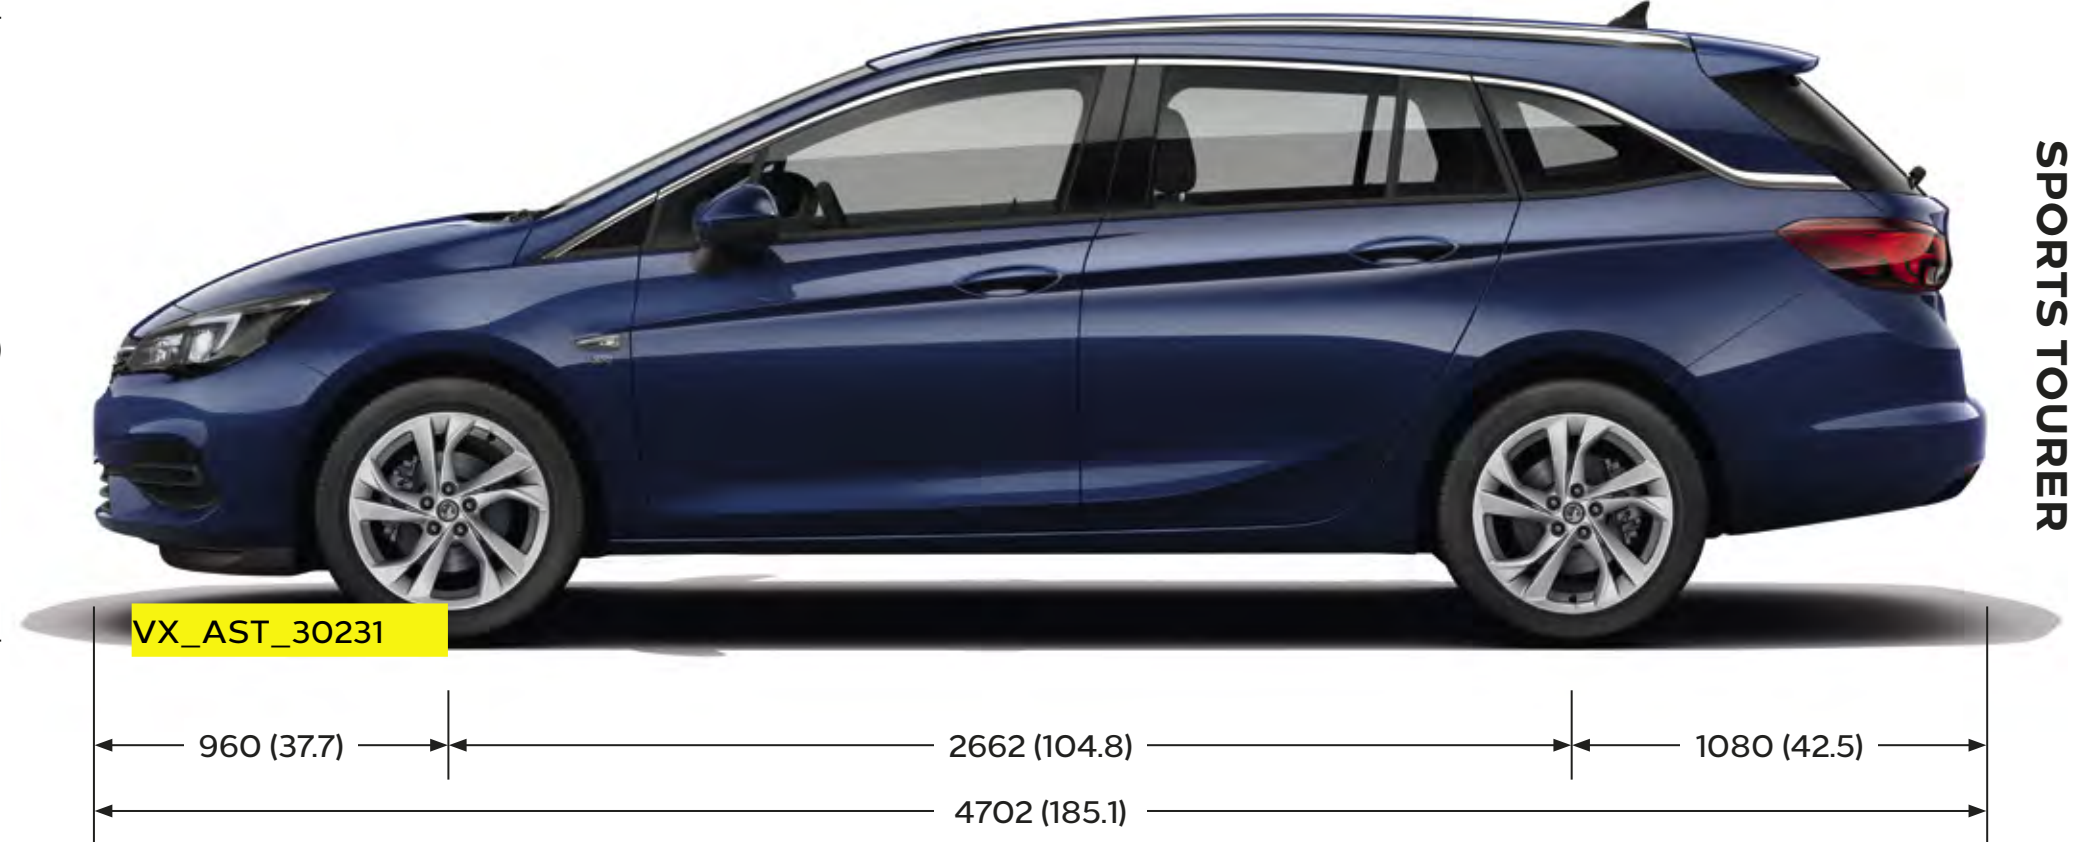

**Correct at time of publication. † = Provisional data.

DIMENSIONS

Loadspace Dimensions	Hatchback	Sports Tourer
Load floor length (rear seats folded)	1575 (62.0)	1705 (67.1)
Load floor length (behind rear seats)	828 (32.5)	1065 (41.9)
Load area width	1001 (39.4)	1050 (41.3)
Load area height	841 (33.1)	822 (32.3)
Tailgate aperture width (maximum)	1015 (39.9)	1032 (40.6)
Tailgate aperture height	600 (23.6)	747 (29.4)
Luggage Capacities* litres (cu.ft.)		
Rear seat up (under luggage compartment cover)	370 (13.0)	540 (19.0)
Rear seat down (measured to roof)	1210 (42.7)	1630 (57.5)

HATCHBACK

SPORTS TOURER

All measurements are in mm (inches) unless stated otherwise.

*Measured using the ECIE method. When an optional spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

SPECIFICATIONS

Transmission

Six-speed manual gearbox:

Petrol engines: 1.2 (110/130/145PS) Turbo models

Diesel engines: 1.5 (105/122PS) Turbo D models

Stepless automatic transmission:

The stepless automatic transmission is designed to offer seamless smooth and efficient switching that maximizes fuel economy. The LuK chain along with the Long Travel Torque Converter Damper improve the overall fuel economy, optimize the minimum turbine speed and offer improved isolation. The stepless automatic transmission is available on the 1.4 (145PS) Turbo.

9-Speed Automatic

Available on the new 1.5 (122PS) Turbo D, the new, first in segment 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered with reducing the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Body

Aerodynamic drag co-efficient:

Hatchback – Cd 0.26

Sports Tourer – Cd 0.25

Fuel Tank Capacity

48 litres (10.5 gallons)

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

All models:

Front ventilated discs: 276mm diameter

Rear discs: 264mm diameter

Steering

- Power-assisted steering
- Turning circle (wall-to-wall): – 11.05m (36.2ft.)

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

Weights and Towing Data kg

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	Hatchback	Sports Tourer	Hatchback	Sports Tourer
1.2 (110PS) Turbo	1805	1870	1220 (620)	1100 (660)
1.2 (130PS) Turbo	1805	1870	1350 (620)	1250 (660)
1.2 (145PS) Turbo	1805	1870	1350 (620)	1250 (660)
1.4 (145PS) Turbo stepless auto	1845	1910	N/A	N/A
1.5 (105PS) Turbo D	1880	1945	1300 (660)	1300 (680)
1.5 (122PS) Turbo D	1880	1945	1450 (660)	1450 (680)
1.5 (122PS) Turbo D 9-speed auto	1920	1980	1350 (660)	1250 (680)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Fixed tow bar ⁹ (Sports Tourer)	£768
Detachable tow bar	from £715

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Only for use with PowerFlex Bar. ⁴Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). ⁵On Hatchback – for vehicles with spare wheel. For vehicles without spare wheel, load compartment storage tray required to use cargo liner. ⁶For vehicles without spare wheel. ⁷Not available with certain exterior styling products. ⁸Different tyres and locking wheel bolts/nuts may be required at extra cost. Price excludes new tyres and locking wheel bolts/nuts, includes static wheel balancing. ⁹Available with 13-pin electrics. Sports Tourer only. Please consult your Vauxhall Retailers for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

SE and Business Edition Nav High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our SE and Business Edition Nav models are seriously fit for Fleet.

SE models all feature very low P11D values, generous standard specification, including Sat Nav on SE Nav models, and a choice of high tech engines for great fuel economy and low emissions.

For even more standard specification, step up to our Business Edition Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With SE and Business Edition Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%[†] for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Astra Business Edition Nav 1.5 (105PS) Turbo D 5-door hatchback (CO₂ emissions 91g/km)

On-the-road RRP	£20,605.00
Deduct: Vehicle Excise Duty	(£130.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20,420.00
Add: Optional two-coat metallic paint	£575.00
List price for tax purposes (P11D value)	£20,995.00
Car benefit charge 2019–20 tax year (22%)	£4,619.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£923.80
Higher Rate (40%) tax payer	£1,847.60

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

[†]Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel ^{††} 2019-20 tax year	Diesel [†] 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

^{††}Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). [†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services[†]
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer^{††}
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

NEW INSIGNIA RANGE HIGHLIGHTS

SE NAV

Standard features include:

- Multimedia Navi infotainment system
 - Fully integrated sat nav system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay™/Android Auto™
 - Twin front USB sockets and aux in
- Seven speakers (five front, two rear)
- Ergonomic active driver's seat (AGR-approved*)
- Dual zone electronic climate control
- Multi-function trip computer
- Cruise control with intelligent speed limiter
- Front and rear parking sensors
- Leather-covered steering wheel
- Front centre armrest
- Steering wheel audio/phone/cruise controls
- Steering column adjustable for reach/rake
- LED headlights and tail lights
- LED daytime running lights
- 17-inch silver, five twin-spoke alloy wheels
- Storage pockets on front seat backs
- Electrically operated front/rear windows
- Electrically adjustable/heated door mirrors
- 60/40 split-folding rear seat back
- Automatic emergency braking with pedestrian detection
- Forward collision alert
- Following distance indicator
- Lane departure warning with lane assist
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags • Hill start assist
- ISOFIX child seat mounting points, outer rear seats
- Tyre pressure monitoring system
- Remote control central locking
- Security alarm system
- Rain-sensitive windscreen wipers
- Auto-dimming rear-view mirror
- Automatic lighting control with tunnel detection
- High beam assist • Front fog lights
- Traffic sign recognition
- 3.5-inch monochrome information display

SRI NAV

Features over SE Nav models:

- Illuminated vanity mirrors
- LED ambient lighting
- Rear spoiler
- Gloss black lower side window trim
- Chrome-effect upper window trim
- Premium leather-effect side bolsters

SRI VX-LINE NAV

Features over SRI Nav models:

- Multimedia Navi Pro infotainment system
 - 8-inch colour touchscreen
 - On-board voice control
- IntelliLux LED® Pixel headlights with anti-glare high beam
- Leather seat facings
- Dark-tinted rear windows
- 20-inch bi-colour high gloss black, five twin-spoke alloy wheels
- Keyless entry and start
- Twin rear USB sockets
- FlexFold 40/20/40 split-folding rear seat back with one-touch release
- Wireless charger
- Sports-style front and rear bumpers
- Jet black headlining
- Alloy sports pedals
- VX-Line, heated, flat bottomed leather steering wheel
- 8-inch colour information display
- Shark fin aerial
- Ergonomic active front seats (AGR-approved*)
- Heated front seats
- Driver's seat massage functions

ULTIMATE NAV

Features over SE Nav models:

- Multimedia Navi Pro infotainment system
 - 8-inch colour touchscreen
 - On-board voice control
- IntelliLux LED® Pixel headlights with anti-glare high beam
- Heated front and outer rear seats
- Illuminated vanity mirrors
- LED ambient lighting
- Gloss black lower side window trim
- Chrome-effect upper window trim
- Door sill covers
- FlexFold 40/20/40 split-folding rear seat back with one-touch release
- 18-inch bi-colour high gloss black, multi-spoke alloy wheels
- Keyless entry and start
- Dark-tinted rear windows
- Electrically foldable door mirrors
- Jet black headlining
- Alloy sports pedals
- Heated, flat bottomed leather steering wheel
- 8-inch colour information display
- Shark fin aerial
- Electrically foldable door mirrors
- Ergonomic active front seats (AGR-approved*)
- Heated windscreen

GSi

Features over Ultimate Nav:

- Premium ergonomic active front seats (AGR-approved*)
- Driver's and front passenger's seat massage functions
- 20-inch bi-colour technical grey, multi-spoke diamond-cut alloy wheels
- Four-wheel drive
- Red brake calipers
- GS-Line Exterior Styling Pack
 - Sports-style front and rear bumpers
 - Side sills
 - Dual visible stainless steel exhaust tailpipes
- Leather seat facings
- Two additional rear side airbags
- FlexRide adaptive chassis
- Paddle shift
- GSi rear spoiler

Please note: GSi models do not feature front fog lights or heated windscreen.

SE NAV

VX_INS_30927

SE NAV

OTR from £23,330

Infotainment:

WLTP Combined CO₂ (g/km) figures, valid @ 3 March 2020, are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. *Available late August 2020. **Available late June 2020.

SAFETY

STANDARD FEATURES – The following features are standard across the entire Insignia range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable front head restraints (excluding GSi models)
- Three height-adjustable rear seat head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Braking

- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.

Tyre pressure

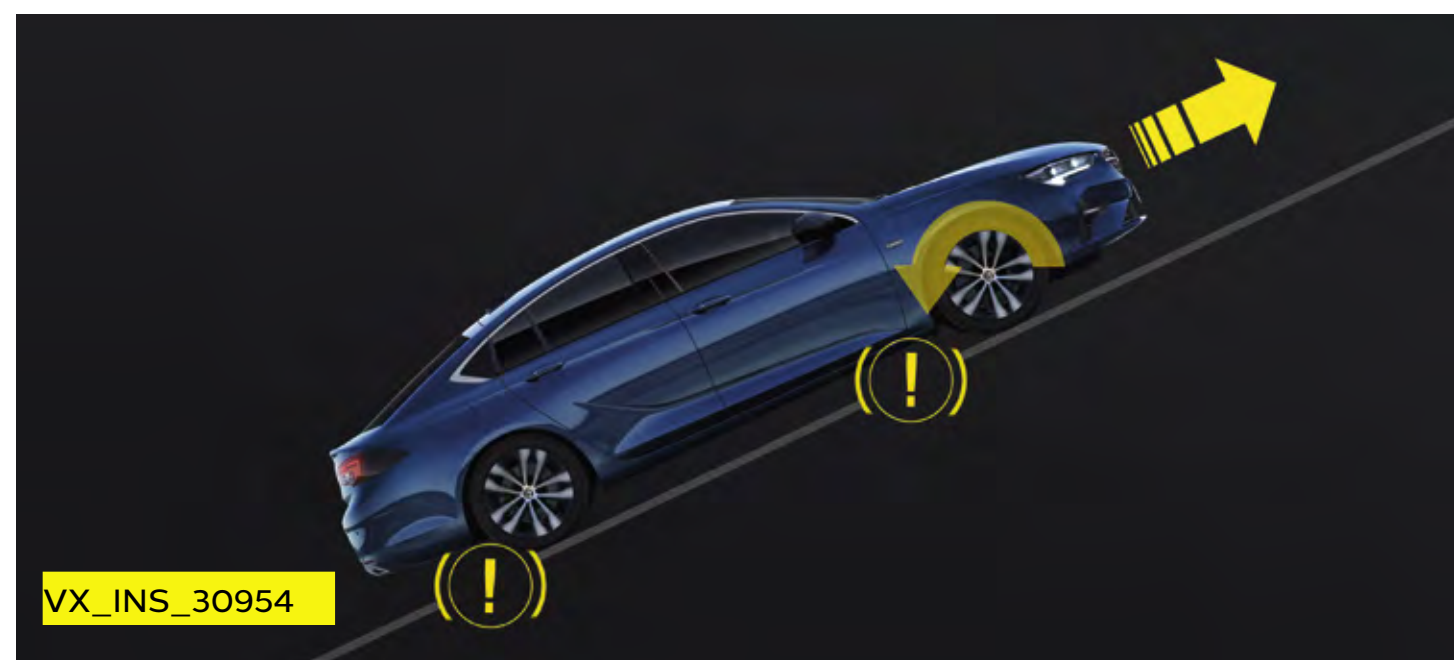

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors

Pedestrian safety

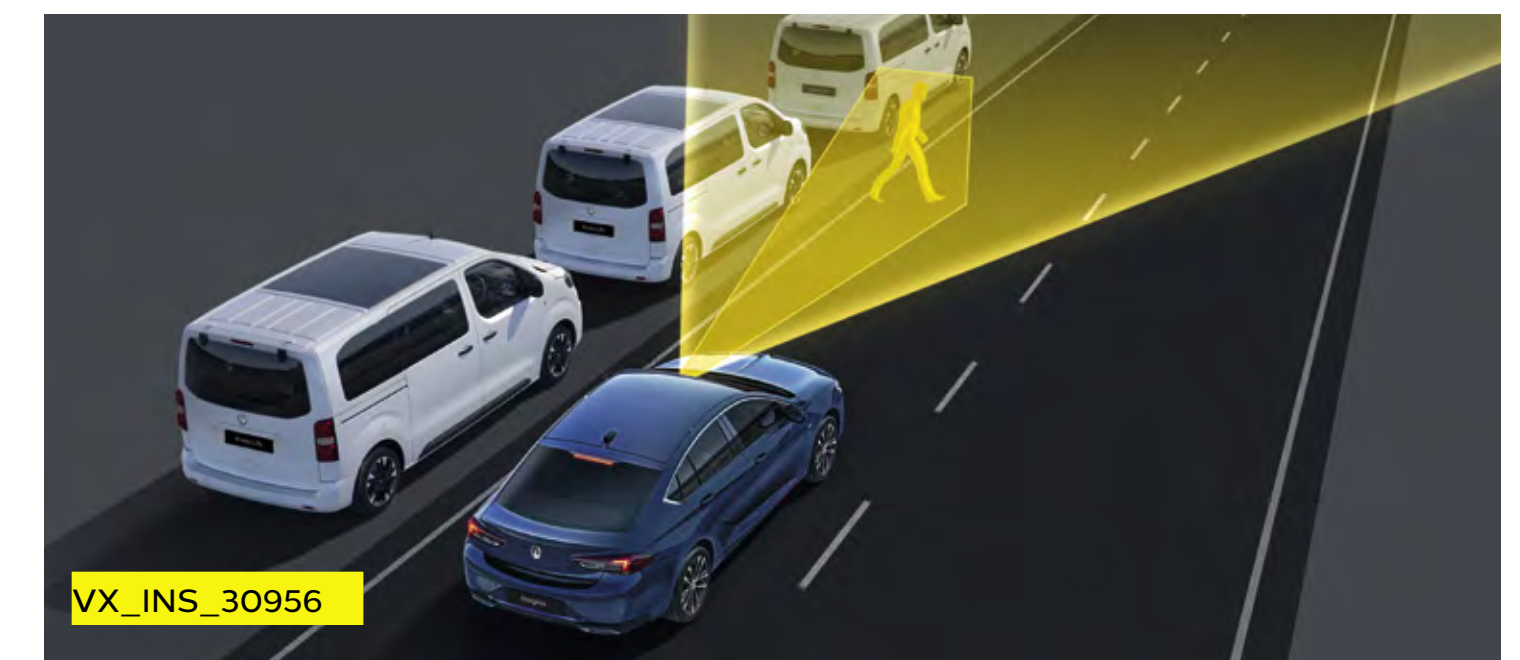

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian's head and underbonnet components.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking.

DRIVER ASSISTANCE

STANDARD FEATURES – The following features are standard across the entire Insignia range. Specific features by Model are outlined in the separate tabular information

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

Calculates the distance of vehicles ahead and pedestrians and warns the driver in case of a possible collision. The driver can choose the preferred distance.

- Visual warnings – Red LEDs projected onto windscreen and visual warning shown in the instrument cluster.
- Audible warning

Parking sensors

- Front and rear parking distance sensors

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Automatic emergency braking with pedestrian detection

Uses either the camera or radar to detect foreign objects and pedestrians and slows down or brakes the vehicle.

Helps prevent fatal collisions at lower speeds and lets drivers drive with greater reassurance.

Traffic sign recognition

Uses the front camera to detect all types of road signs.

- Informs and reminds drivers of current speed limits, conditions and laws
- Displays country-specific signs for Europe

Following distance indicator

Indicates how many seconds you are behind the vehicle in front – Helping you maintain a safe distance.

- Timings are shown in the driver information display
- Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver

Electric parking brake

- Centre console switch in lieu of handbrake lever
- Premium centre console featuring adjustable armrest

Steering

- Dual pinion electrical power steering

Wipers

- Rain-sensitive windscreen wipers

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

MODEL SPECIFIC FEATURE/OPTIONS

	SE Nav	SRi Nav	SRi VX-Line Nav	Ultimate Nav	GSi
Intermittent rear window wash/wipe	No-cost option	No-cost option	No-cost option	No-cost option	No-cost option
Innovation Pack – Automatic cruise control with collision imminent braking/Head-up display				£2000	£2000
FlexRide – Enables the driver to choose from three distinct driving modes: Normal (default setting), Sport or Tour. Only available on 2.0 (200PS) Turbo and 2.0 (230PS) Turbo petrol engines.			●	●	●

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES – The following features are standard across the entire Insignia range. Specific features by Model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.

Driver information display (centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver's door

Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
- Ultrasonic interior sensors
- Tilt sensor
- Independent power supply
- Thatcham approved (T1)

CONVENIENCE

STANDARD FEATURES – The following features are standard across the entire Insignia range. Specific features by Model are outlined in the separate tabular information.

Interior convenience

- Front 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors with vanity mirrors
- Dipping rear-view mirror
- Reach and rake-adjustable steering
- Steering wheel audio/phone/cruise controls
- Automatically dimming anti-dazzle rear-view mirror

Heating and ventilation

- Dual zone electronic climate control
- Four adjustable facia vents
- Windscreen and side window demist vents

Interior storage

- Illuminated glovebox with lid
- Front door pockets with 1.5-litre bottle holder
- Two drinks holders in centre console
- Rear door pockets with 1-litre bottle holder
- Front centre adjustable armrest with 4-litre storage capacity (2.8 litres on SRi VX-Line Nav models)

Luggage area

- Luggage compartment cover
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts
- Storage tray in spare wheel well

Interior lighting

- Central front and rear courtesy lights
- Illuminated load area
- Twin rear reading lights
- Twin front reading lights with illuminated switches

Exterior Convenience

Door mirrors

- Twin electrically adjustable/heated door mirrors
- Manually folding door mirrors (Electrically foldable on Ultimate Nav/GSi)

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Heated rear window
- Solar heat-absorbing windscreen
- Tinted windows

EXTERIOR LIGHTING

STANDARD FEATURES – The following features are standard across the entire Insignia range. Specific features by Model are outlined in the separate tabular information.

Exterior lighting

- LED daytime running lights
- LED tail lights
- LED side repeat indicators
- Automatic lighting control with tunnel detection: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.
- Lights-on audible warning: When driver's door is opened an audible warning sounds to alert the lights have been left on.
- Manual headlight beam levelling: Use to adapt headlight range to the vehicle load to prevent dazzling.
- High beam assist
- LED brake lights
- High-level LED centre rear brake light
- Rear fog light
- Reversing light
- Hazard warning lights
- Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
- Welcome lighting: Headlights and tail lights illuminate when the vehicle is unlocked.

*Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Provisional data. **Correct at time of publication. †Available late August 2020. ††Available late June 2020.

WEIGHTS AND TOWING DATA ^{kg}

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.4 (145PS) Turbo*	tba	1500 (tba)
1.4 (145PS) Turbo stepless auto*	tba	tba (tba)
2.0 (200PS) Turbo	tba	2000 (tba)
2.0 (230PS) Turbo 4X4	tba	2000 (tba)
1.5 (122PS) Turbo D	tba	1500 (tba)
1.5 (122PS) Turbo D auto*	tba	1500 (tba)
2.0 (174PS) Turbo D**	tba	1950 (tba)
2.0 (174PS) Turbo D auto**	tba	1650 (tba)

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

*Available late August 2020. **Available late June 2020.

SPECIFICATIONS

Transmission

Six-speed manual gearbox

Petrol engines: 1.4 (145PS) Turbo

Diesel engines: 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D

Stepless automatic transmission

The stepless automatic transmission is designed to offer seamless smooth and efficient switching that maximizes fuel economy. The LuK chain along with the Long Travel Torque Converter Damper improve the overall fuel economy, optimize the minimum turbine speed and offer improved isolation. The stepless automatic transmission is available on the 1.4 (145PS) Turbo.

Eight-speed Automatic transmission

Available on 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D.

Nine-speed Automatic transmission

Available on 2.0 (200PS) Turbo and 2.0 (230PS) Turbo. The new 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered to help reduce the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight multi-link (FWD – 4-link; 4X4 – 5-link) with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

- GSi models feature an updated sports chassis with lower ride height and specially tuned dampers

GSi transmission/suspension

Performance Twinster® AWD system

The GKN Performance Twinster® AWD distributes torque across the axles using a twin clutch system for a dynamic yet safe and easy-to-manage driving experience. The GKN Performance Twinster® features:

- Lightweight compact design
- Up to a 100% of the available torque can be sent to rear wheels or distributed across all four wheels according to the situation
- Electronically controlled, hydraulically actuated wet clutches
- AWD system that monitors vehicle inputs from sensors 100 times per second

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of four distinct driving modes – Normal (default setting), Sport, Tour and Competition mode.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Steering

- Dual pinion electrical power steering

Fuel Tank Capacity

62 litres (13.6 gallons)

Adblue Tank Capacity

15 litres (3.3 gallons)

Performance AWD system.

DIMENSIONS AND CAPACITIES

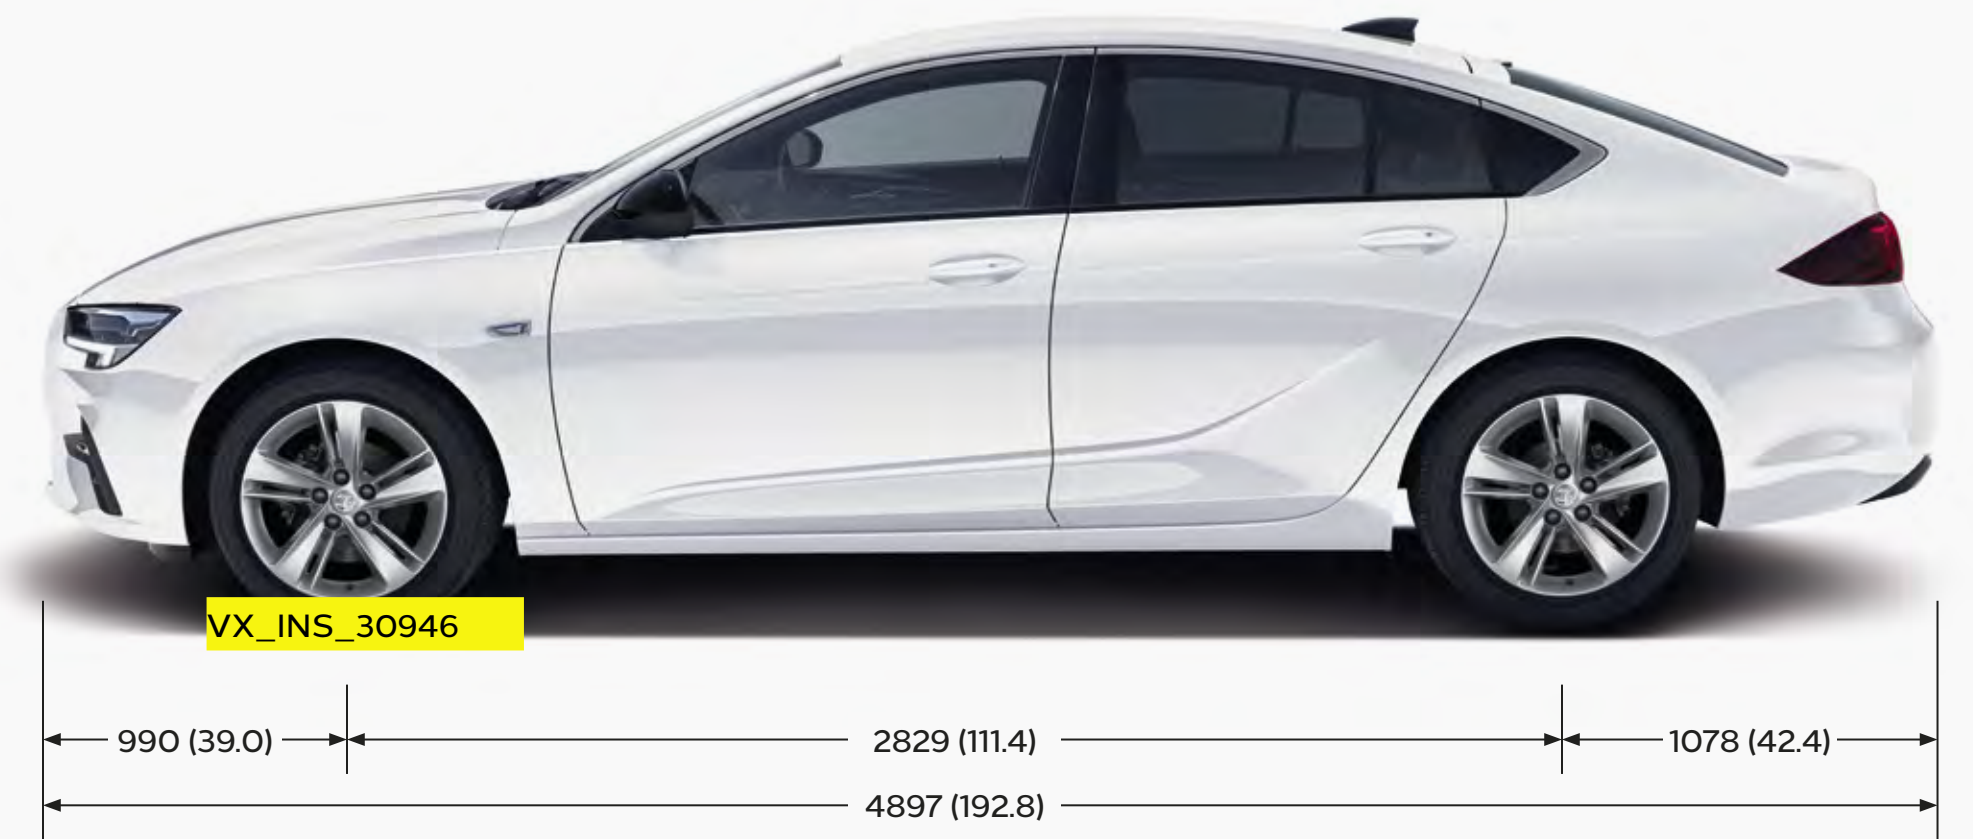

All measurements in mm (inches) unless stated otherwise.

LOADSPACE DIMENSIONS mm (in)	
Load floor length (rear seats folded)	1940 (76.4)
Load floor length (behind rear seats)	1133 (44.6)
Load area width	1030 (40.5)
Load area height	722 (28.4)
Tailgate aperture height	557 (21.9)

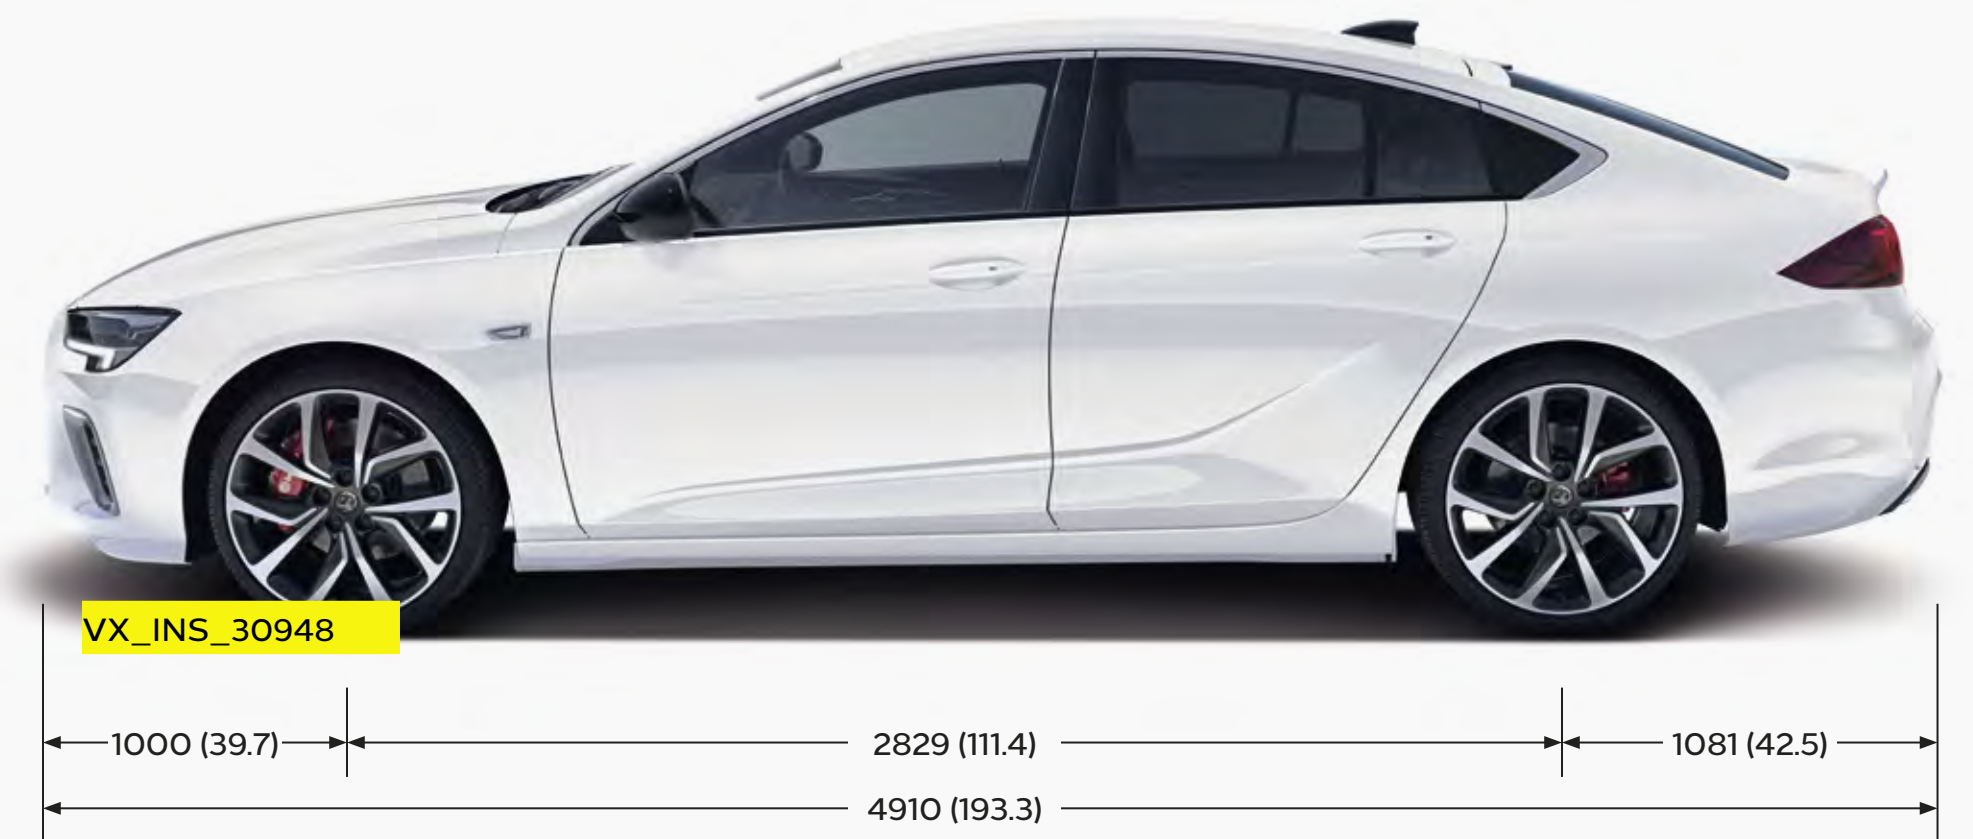

LUGGAGE CAPACITIES Litres (cu.ft.)	
Rear seat up (under luggage compartment cover)	490 (17.3)
Rear seat down (measured to roof)	1450 (51.1)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

18-inch High Gloss Black	£1,329
--------------------------	--------

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer. ²Without transponder. ³Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL).

⁴Different tyres and locking wheel bolts/nuts may be required at extra cost. Price excludes new tyres and locking wheel bolts/nuts, includes static wheel balancing.

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%† for Basic Rate, 40%† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Insignia Grand Sport SE Nav 1.5 (122PS) Turbo D (CO₂ emissions 121g/km)	
On-the-road RRP	£23,790.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£23,565.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£24,165.00
Car benefit charge 2020–21 tax year (27%)	£6,525.00
Benefit in kind tax liability (2020–21 tax year)	
Basic Rate (20%) tax payer	£1,305.00
Higher Rate (40%) tax payer	£2,610.00

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

†Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

FEATURES

Infotainment:

- R4.0 IntelliLink system
 - Smartphone projection, Apple CarPlay™ and Android Auto™
 - 7-inch colour touchscreen
 - AM/FM/digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - USB connection with iPod control

Interior convenience/styling:

- Dual-zone electronic climate control
- Cruise control with speed limiter
- Multi-function trip computer
- Leather-covered steering wheel
- Steering column adjustable for reach and rake
- Steering wheel mounted audio controls
- Auto anti-dazzle rear-view mirror
- 60/40 split-folding rear seat
- Ambient LED lighting

Exterior convenience/styling:

- 17-inch diamond-cut Technical Grey alloy wheels
- Alloy-effect protective front and rear skid plates
- Side-protection mouldings
- Front fog lights
- Auto lighting/windscreen wipers

- Electrically adjustable/heated door mirrors
- Electrically operated front and rear windows
- Dark-tinted rear windows
- Chrome-effect side window trim

Safety/security:

- Switchable electronic stability programme
- Anti-lock braking system • Six airbags
- Front camera system
 - Lane departure warning
 - Speed sign recognition
- Traction control/hill start assist
- Tyre pressure monitoring system
- Remote control central locking/alarm system
- Rear parking distance sensors
- Emergency tyre inflation kit in lieu of spare wheel
- LED headlights

ELITE NAV MODELS ADDITIONALLY FEATURE

Infotainment:

- Navi 5.0 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen
 - Voice control
 - Second USB charging connection
- Vauxhall Connect

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue
In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance.
Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's and front passenger's airbags with active-vent technology – Adapts the airbag pressure based on the position of the seat, reducing it the closer the seat is to the fascia.
 - Front seat side-impact airbags
 - Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints • Height-adjustable outer rear seat head restraints
 - Anti-submarining ramps in front seats
-

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
 - Dual seatbelt pretensioners on front seats – These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia.
 - Pretensioners on outer rear seatbelt retractors • Load limiters on front and outer rear seatbelt retractors
 - Smart seatbelt reminder for front and rear seats – Warning lights and audible warning.
-

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat.
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column • Side-impact protection beams
 - Reinforced passenger safety cell • Deformation zones front and rear
-

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Braking and stability

- Switchable Electronic Stability Programme (ESP) • Anti-lock Braking System (ABS)
 - Corner stability control • Traction control • Hill start assist
 - Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking.
 - Hydraulic brake assist • Hydraulic brake boost • Electronic brakeforce distribution
-

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Steering

- Speed-sensitive power-assisted steering
 - Reach and rake adjustable steering
-

Cruise control with speed limiter and intelligent speed adaptation

Cruise control feature – enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function – can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.

- Steering wheel mounted controls
-

Front camera system

A range of driver assistance and safety features are controlled by the front camera system.

Lane departure warning: If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Speed sign recognition: Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different road signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
 - On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed
-

Security features

- Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels
 - Luggage area cover
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Driver's internal central locking activation switch
-

Instrumentation

- Speedometer
 - Rev counter
 - Fuel gauge with low fuel level warning light
 - Water temperature gauge with warning light
 - Shift-up indication light – Indicates when to change gear for optimum fuel economy
-

Driver information display (centrally located in instrument cluster)

- Displays trip computer data
 - Total mileage
 - Service-due indicator
 - Tyre pressure monitoring system
 - Monochrome display (non-Nav models)
 - 3.5-inch colour information display
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage
 - Vehicle range based on remaining fuel
 - Average speed
 - Average fuel economy
 - Instantaneous fuel economy
-

Central facia display (format dependent on infotainment unit)

- Audio information
 - Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Audio features

- Six speakers (four front, two rear)
 - Steering wheel mounted audio controls
-

Rear seating

- Three-person layout
 - 60/40 split-folding rear seat
 - Height-adjustable and removable outer seat head restraints
-

Additional heating and ventilation features

- Four adjustable facia vents
 - Windscreen demist vents
 - Side window demist vents
 - Heated rear screen with timed cut-off
-

Convenience features

- Front 12-volt electrical accessory socket
 - Front and rear passenger assist handles
-

STANDARD FEATURES

ALL MODELS

Interior lighting

- Courtesy lighting operated by door switches
 - Rear courtesy light
-

Interior storage

- Glovebox with lid
 - Front door pockets with 1.5-litre bottle holder
 - Two drinks holders in centre console
 - Rear door pockets with 0.5-litre bottle holder
 - Open storage compartment in centre console
-

Luggage area

- Luggage compartment foldable cover
 - Illuminated luggage area
 - Fully carpeted luggage area
-

Exterior lighting features

- LED daytime running lights
 - LED headlights
 - Automatic lighting control
 - Lights-on audible warning
 - Manual headlight beam levelling
 - High-level LED centre rear brake light
 - Rear fog light
 - Reversing light
 - Hazard warning lights
 - Door-to-door illumination
 - Welcome lighting
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe
-

Door mirrors

- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off
 - Manually foldable door mirrors
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch facility
 - Heated rear window
 - Solar heat-absorbing windscreen
 - Tinted windows
-

Body styling

- Side-protection mouldings
 - Chrome-effect front grille bar
 - Body-colour door handles
 - Rear spoiler
-

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Griffin	SRI Nav	Business Edition Nav	Elite/ Elite Nav	Price (£) exc. VAT	Price (£) inc. VAT
<p>Safety Pack</p> <p>Driver drowsiness system The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p> <p>Forward collision alert The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.</p> <p>Automatic emergency braking with pedestrian detection The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 50mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.</p>			○	○	416.67	500.00
<p>Rear-view Camera Pack (available on non-Nav models only)</p> <p>Rear-view camera The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and grid lines shown as reference points</p> <p>Front and rear parking distance sensors An audible warning alerts you to obstacles in front of and behind you. A series of beeps are sounded as you approach the obstacle, increasing in frequency as the distance closes.</p>				○	279.17	335.00

○ = Optional at extra cost.

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

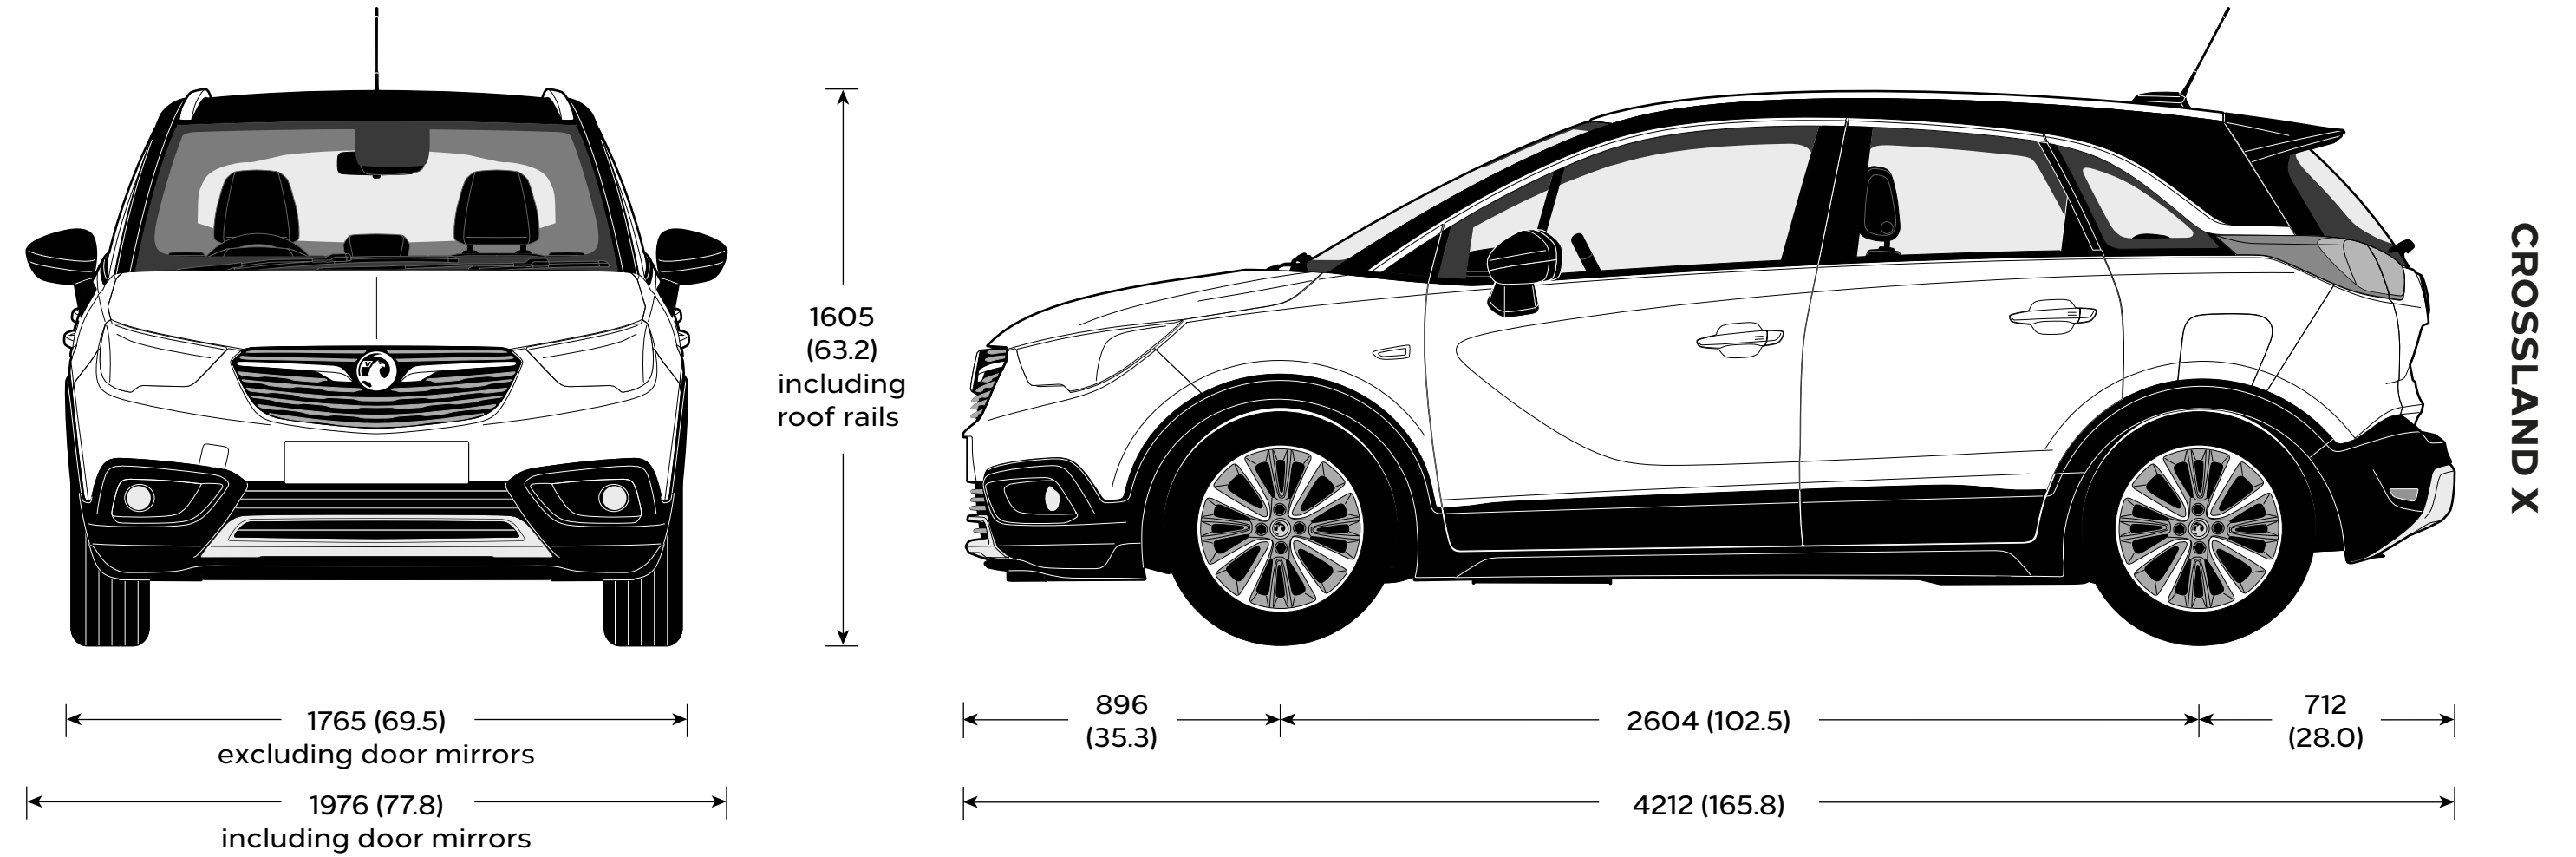

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

DIMENSIONS

Loadspace Dimensions

Maximum length (behind rear seats)	793 (31.2)
Maximum length (rear seats folded)	1483 (58.4)
Maximum width	1000 (39.4)
Width between wheel arches	947 (37.3)
Maximum height	894 (35.2)
Luggage Capacities* litres (cu.ft.)	
Rear seats up (under luggage compartment cover)	410 (14.5)
Rear seats up with optional sliding rear seats in forward-most position	520 (18.4)
Rear seats folded (to upper edge of front seat back)	810 (28.6)
Rear seats folded (to roof)	1255 (44.3)

All measurements are in mm (inches) unless stated otherwise.

*Measured using the ECIE method.

SPECIFICATIONS

Transmission

Five-speed manual gearbox:

Petrol engines: 1.2 (83PS)

Six-speed manual gearbox:

Petrol engines: 1.2 (110/130PS) Turbo models

Diesel engines: 1.5 (102PS) Turbo D models

Six-speed automatic transmission:

Petrol engines: 1.2 (130PS) Turbo models

Diesel engines: 1.5 (120PS) Turbo D models

Steering

- Speed-sensitive electric power-assisted steering
- Turning circle (wall-to-wall): 11.21m (36.7ft)

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Engine drag torque control
- Hydraulic brake assist
- Hydraulic brake boost
- Electronic brakeforce distribution

1.2 (81PS)/1.5 (102PS) Turbo D models

Front ventilated discs: 266mm diameter

Rear discs: 249mm diameter

1.2 (110PS) Turbo/1.2 (130PS) Turbo

Front ventilated discs: 283mm diameter

Rear discs: 249mm diameter

Fuel tank capacity

- 45 litres (9.9 gallons)

Adblue tank capacity

- 14.8 litres (3.2 gallons)

Body

- Aerodynamic drag co-efficient: Cd 0.31

Start/Stop technology

Crossland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so.

To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (83PS)	1690	650 (560)
1.2 (110PS) Turbo	1770	840 (600)
1.2 (110PS) Turbo auto	1805	840 (600)
1.2 (130PS) Turbo	1790	840 (620)
1.2 (130PS) Turbo auto	1835	840 (600)
1.5 (102PS) Turbo D	1820	840 (620)
1.5 (120PS) Turbo D auto	1855	870 (650)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINES

Engine	1.2 (83PS) with Start/Stop	1.2 (110PS) Turbo with Start/Stop	1.2 (130PS) Turbo with Start/Stop

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Can only be fitted in conjunction with rear sensors. ⁴Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL).

⁵For vehicles without spare wheel. ⁶Available with 7 pin, 13 pin and 12S electrics. Please consult your Vauxhall Retailer for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

Business Edition Nav High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Business Edition Nav models are seriously fit for Fleet.

Business Edition Nav models all feature low P11D values and a choice of high tech engines for great fuel economy and low emissions.

With impressive levels of standard kit including Sat Nav, dual-zone electronic climate control, rear parking distance sensors, alarm and digital radio the Business Edition Nav delivers on both low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Crossland X Business Edition Nav 1.5 (102PS) Turbo D (CO₂ emissions 106g/km)

On-the-road RRP	£20,715.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20,490.00
Add: Optional two-coat metallic paint	£575.00
List price for tax purposes (P11D value)	£21,065.00
Car benefit charge 2019–20 tax year (29%)	£6,109.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,221.80
Higher Rate (40%) tax payer	£2,443.60

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2019–20 tax year	Diesel ^{‡‡} 2019–20 tax year
Up to 50	16	20
51–75	19	23
76–94	22	26
95–99	23	27
100–104	24	28
105–109	25	29
110–114	26	30
115–119	27	31
120–124	28	32
125–129	29	33
130–134	30	34
135–139	31	35
140–144	32	36
145–149	33	37
150–154	34	37
155–159	35	37
160–164	36	37
165–169	37	37
170–174	37	37
175–179	37	37
180 and above	37	37

[‡]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ^{‡‡}Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services†
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer††
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

This vehicle is covered by our Price Protection Guarantee. See 'Further Information' page for details.

SAFETY

STANDARD FEATURES – The following features are standard across the entire Grandland X range, including hybrid models.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – these keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Anti-lock Braking System (ABS)
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – permits the safe use of a child seat in the front passenger seat
- i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Switchable Electronic Stability Programme (ESP)

Additional ESP features

- Corner stability control
- Traction control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking.

DRIVER ASSISTANCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter and intelligent speed adaptation

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Lane departure warning

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Automatically tilting door mirrors

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Electric parking brake

Centre console switch in lieu of handbrake lever.

Steering

- Speed-sensitive electric power-assisted steering

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
 - Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in instrument cluster)

- Displays trip computer data
- Total mileage
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel nuts
- Remote control central door locking
- Two folding keys with integral remote
- Luggage compartment cover

CONVENIENCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Petrol/Diesel range. Specific features by model are outlined in the separate tabular information.

Interior convenience

- Front 12-volt electrical accessory socket
- 12-volt electrical accessory socket in luggage compartment
- Front and rear passenger assist handles
- Automatically dimming anti-dazzle rear-view mirror
- Interior courtesy lighting operated by door switches
- Ventilated glovebox with lid
- Front door pockets with 2.6-litre capacity
- Two drinks holders in centre console
- Rear door pockets with 1.8-litre capacity
- Covered storage compartment in centre console and in driver's armrest
- Luggage compartment foldable cover

Heating and ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents
- Rear passenger compartment heating ducts
- Heated rear screen with timed cut-off

Exterior convenience

- Sound-absorbing windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Heated rear window
- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off
- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

DRIVER ASSISTANCE

STANDARD FEATURES – The following features are standard across the entire Grandland X Hybrid range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter and intelligent speed adaptation

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Automatic emergency braking

The system warns you if approaching a vehicle too fast and automatically brakes as a fail-safe.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Automatically tilting door mirrors

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Electric parking brake

Centre console switch in lieu of handbrake lever.

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES – The following features are standard across the entire Grandland X Hybrid range.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light

Driver information display (centrally located in instrument cluster)

- 3D instrument cluster
- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights

- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone. There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs.
- Green: Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- Blue: Energy consumed by the vehicle directly by the battery (kWh/mile)
- Orange: Fuel consumption (mpg)

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d-TEMP	Euro 6d-TEMP

These figures were obtained using a combination of battery power and fuel. The Grandland X Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging.

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Provisional data.

ELECTRIC ENGINES**

	Electric motor FWD	Electric motor AWD

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended. **Correct at time of publication. [†]Hybrid4 models.

SPECIFICATIONS

Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the fascia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

Adblue tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox:
Standard on all models.

Eight-speed automatic transmission:
Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.
Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter
Rear discs: 268mm diameter

SPECIFICATIONS*

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque convertor
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- On Hybrid4 models AWD activates the engine and electric engine to provide AWD and improve grip on rough surfaces
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

All-Wheel Drive Electrified Rear Axle

The Electrified Rear Axle is exclusive on the Hybrid4 AWD drivetrain and includes the following:

- Additional power of 80 kW and torque boost of 166 Nm for 10 seconds

- Contains an electric motor, inverter and reducer
- Rear axle cross member modified by an electrified multi-arm axle

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

Kerbweight: 1800kg

Charging

- Grandland X Hybrid range comes fitted with a Mode 3, 7.4kW cable and a 3.7kW on-board charger as standard.
- A 7.4kW on-board charger can be purchased as an option for £500 inc VAT.

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland X Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

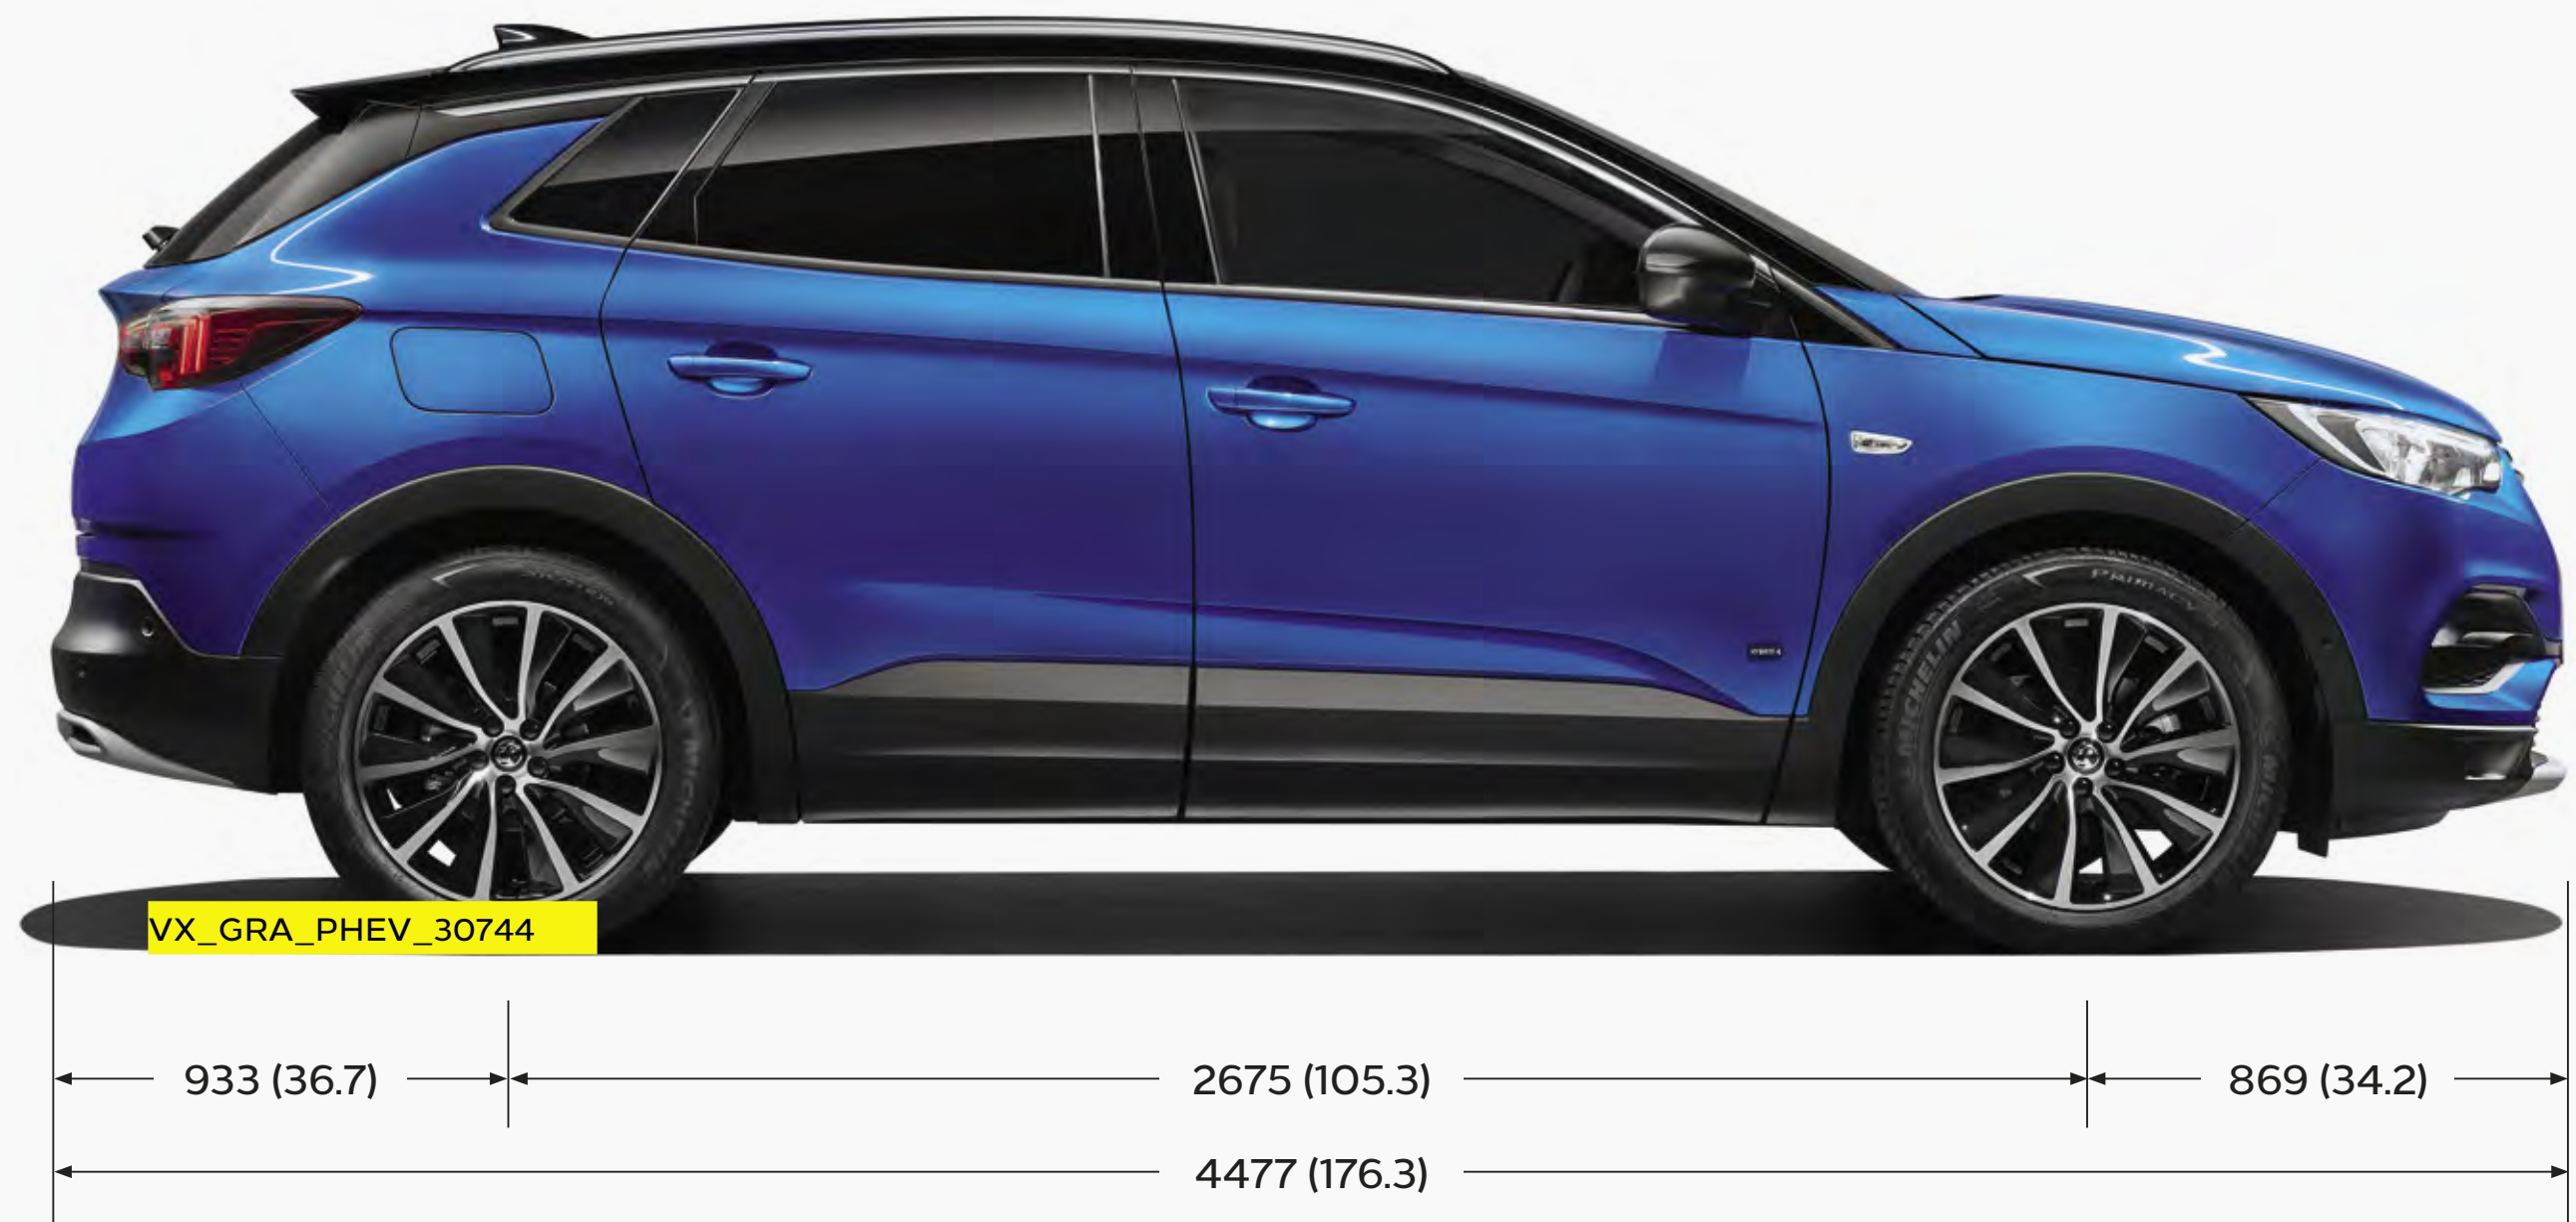

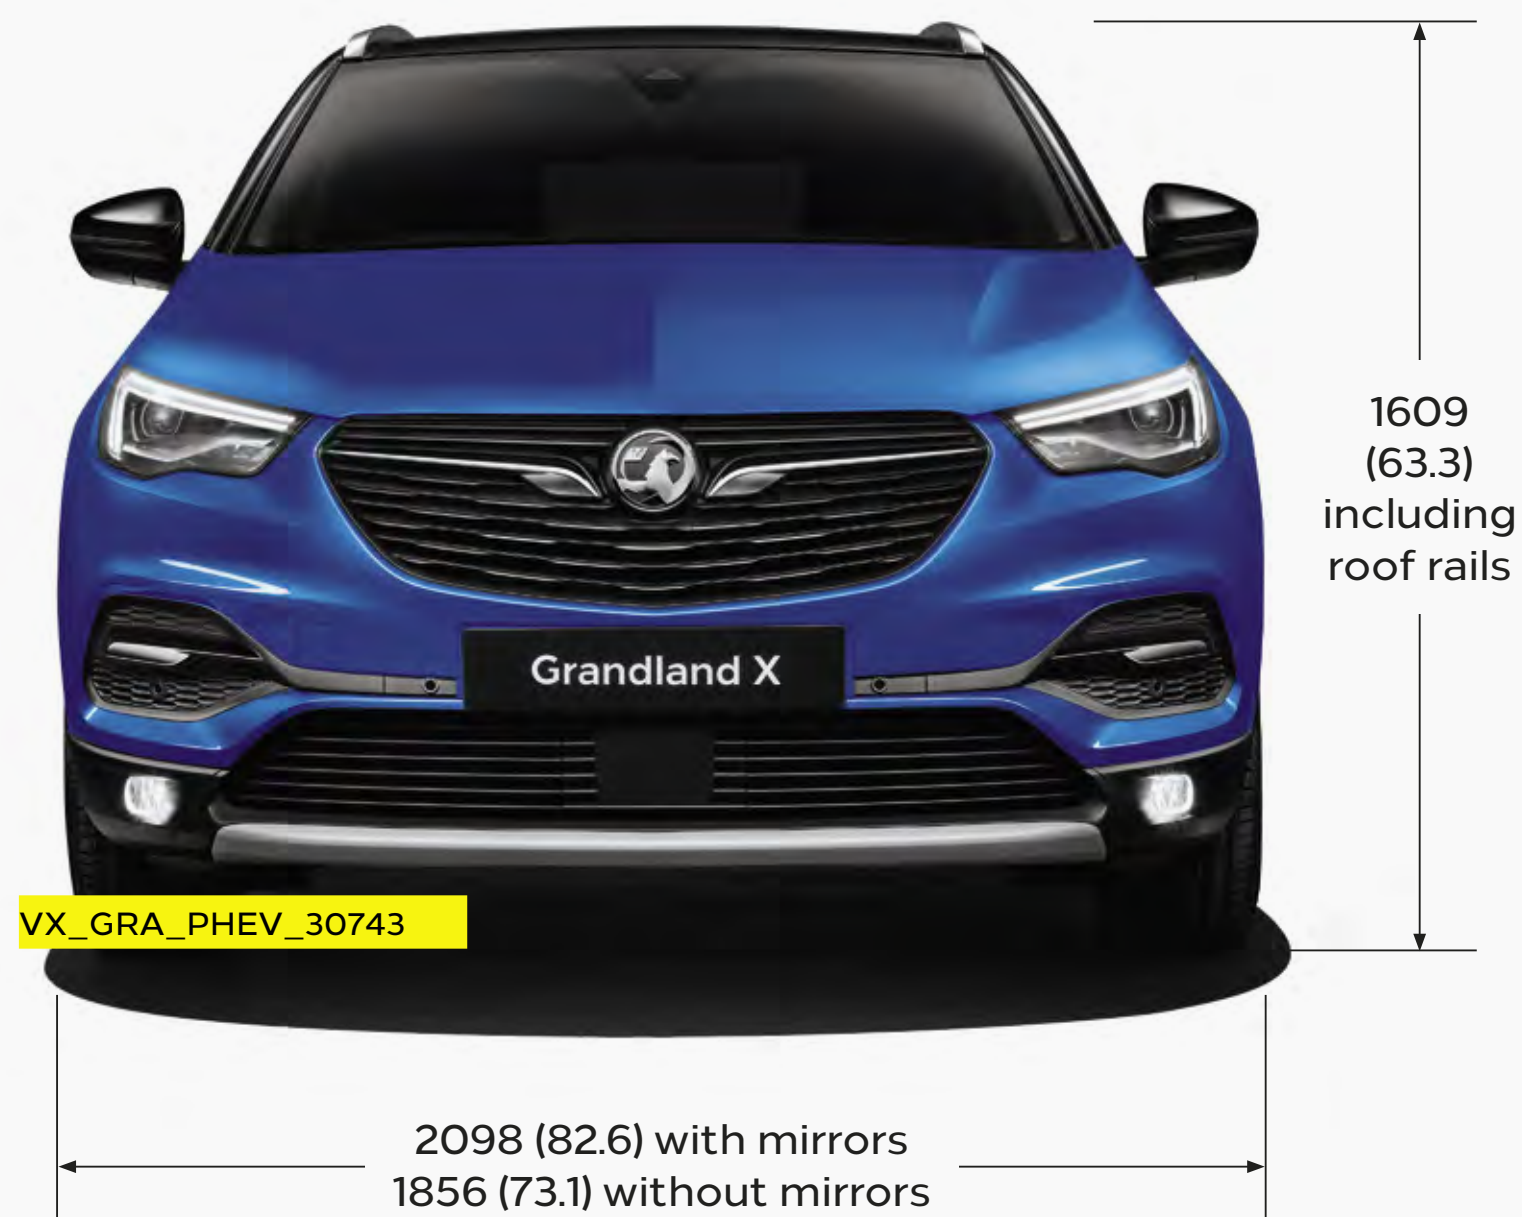

On-board charger	Charge point		
	3.7kW AC (1 Phase)	7kW AC (1 Phase)	11kW AC (3 Phase)
3.7kW (1 phase) – Standard	3 ½ hours	3 ½ hours	3 ½ hours
7.4kW (1 phase) – Optional	3 ½ hours	1 ¾ hours	3 ½ hours

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

DIMENSIONS AND CAPACITIES All measurements in mm (inches) unless stated otherwise.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). ⁴Not available with Flex Floor option.

⁵Available with 7 pin, 13 pin and 12S electrics. Please consult your Vauxhall Retailer for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%† for Basic Rate, 40%† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland X Business Edition Nav 1.5 (130PS) Turbo D (CO₂ emissions 101g/km)	
On-the-road RRP	£25,475.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25,250.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£25,820.00
Car benefit charge 2019–20 tax year (28%)	£7,230.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,446.00
Higher Rate (40%) tax payer	£2,892.00

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel†† 2019–20 tax year	Diesel‡ 2019–20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

††Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ‡Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate	First year rate Hybrid	Standard rate
		Petrol [#]	Diesel [†]			
A	0	£0	£0	£0	£0	£0

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

FEATURES/OPTIONS

SAFETY

	Option code	Design	Energy	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver/passenger airbags • Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags • Full-size curtain airbags for driver and front and outer rear seat passengers		●	●	●		
Seatbelts • Lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact. • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision. • 'Seatbelt unfastened' audible warning and warning light.		●	●	●		
Child safety • Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors		●	●	●		
Driver/passenger safety • Energy-absorbing steering column • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear		●	●	●		
Braking and stability • Electronic stability programme • Anti-lock braking system • Corner stability control • Traction control • Hill start assist • Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking. • Emergency brake assist • Electronic brakeforce distribution		●	●	●		
Tyre pressure • Deflation detection system		●	●	●		

● = Standard equipment.

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Option code	Design	Energy	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<p>Cruise control with speed limiter and intelligent speed adaptation</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p>		●	●	●		
<p>Front camera system</p> <p>A range of class-leading driver assistance and safety features are controlled by the front camera system.</p>						
<p>Lane keep assist with lane departure warning</p> <p>If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.</p> <ul style="list-style-type: none"> • Warning light in instrument cluster • Audible warning • Facia on/off switch 		●	●	●		
<p>Speed sign recognition</p> <p>Detects and then displays speed limits, reducing uncertainty and the risk of speeding.</p> <ul style="list-style-type: none"> • Recognises different speed signs, including temporary speed restrictions • Displays reminder in the instrument cluster 						
<p>Driver drowsiness system</p> <p>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p>		●	●	●

DRIVER ASSISTANCE CONTINUED

	Option code	Design	Energy	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<p>Automatic emergency braking with pedestrian detection</p> <p>The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – To reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 70mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p>		●	●	●

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

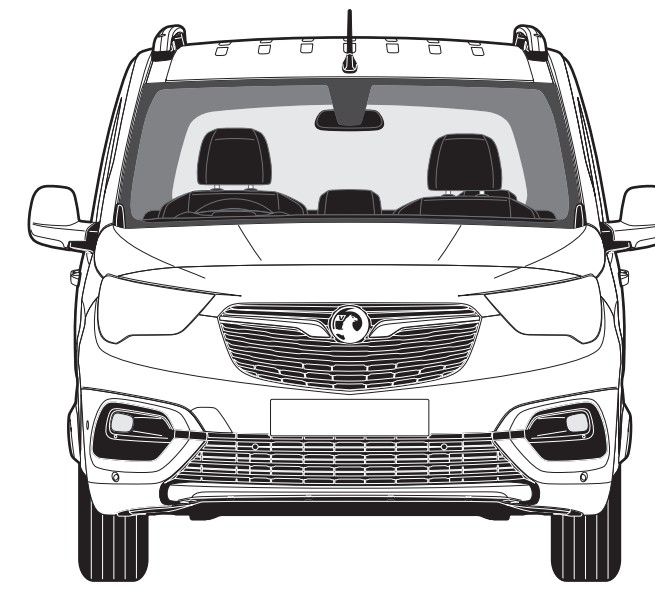

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

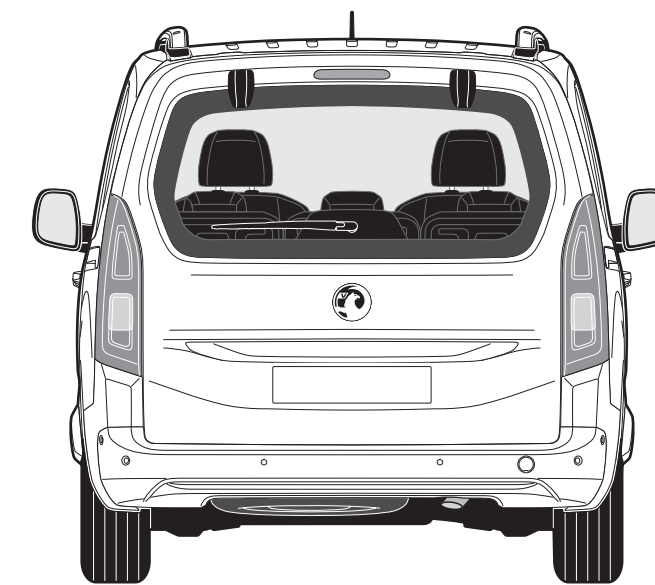

S/S = Start/Stop **Correct at time of publication. †Available on Energy/Elite models only.

SPECIFICATIONS

Transmission

Five-speed manual gearbox:
1.5 (100PS) Turbo D models.

Six-speed manual gearbox:
1.2 (110PS) Turbo/1.5 (130PS) Turbo D models.

Eight-speed automatic transmission:
1.2 (130PS) Turbo/1.5 (130PS) Turbo D models.

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

Fuel tank capacity

61 Litres (13.4 gallons) – Petrol models.
50 Litres (10.9 gallons) – Diesel models.

AdBlue tank capacity
17 Litres (3.7 gallons).

Steering

Turning circle (kerb-to-kerb) –
11.0m (36 ft) Life models,
11.8m (38.7 ft) Life XL models.

1.5 (130PS) Turbo D automatic (7-seat)	2320	1100 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINES

Engine	1.2 (110PS) Turbo Start/Stop	1.2 (130PS) Turbo Start/Stop
Capacity	1199cc	1199cc

³Without transponder.

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo Life Design 1.5 (100PS) Turbo D S/S BlueInjection (CO₂ emissions 107g/km)

On-the-road RRP	£21,340.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£21,115.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£21,680.00
Car benefit charge 2019–20 tax year (29%)	£6,288.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,257.60
Higher Rate (40%) tax payer	£2,515.20

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [#] 2019-20 tax year	Diesel ^{##} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

†Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ††Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

S/S = Start/Stop.

Please note: All New Vivaro models include BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

FEATURES/OPTIONS

SEATING

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver's and front passenger's seat • Reach • Backrest recline • Padded head restraint • Foldable backrest for front passenger's seat		●			
Dual front passengers' seat with underseat storage • Fixed position bench seat and backrest • Height-adjustable front padded head restraints	AGE	N/C		No-cost option	
Power driver's seat • Height • Reach • Backrest recline • Lumbar adjustment • Driver's seat armrest • Padded head restraint • Massage functions • Driver's seat memory function, including door mirrors			●		
Single front passenger's seat • Reach • Backrest recline • Padded head restraint • Folding backrest • Passenger's seat armrest • Massage functions • Driver's seat memory function, including door mirrors			●		

REAR SEATING

Second and third-row seating • Second-row three-passenger fixed bench seat	AN1	○		666.67	800.00
• Second-row three-passenger foldable 60/40 split bench seat • Third-row three-passenger fixed bench seat	AWL/ATJ	○		1,333.33	1,600.00
• Second-row three-passenger foldable 60/40 split bench seat			●		
• Third-row three-passenger foldable 60/40 split individually sliding bench /single seat	AWM		N/C	No-cost option	
• Two second-row individual swivelling seats	AW2		○	666.67	800.00
Foldable table on rails – Only in conjunction with AWM and AW2	TRD		○	412.50	495.00
Seat trim • Curitiba Tritone Grey fabric		●			
• Carla black vinyl	TAVP	○		tbc	tbc
• Carla black leather			●		

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option.

FEATURES/OPTIONS

SAFETY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver Safety Pack <ul style="list-style-type: none"> • Semi-adaptive cruise control • Forward collision alert with automatic emergency braking and pedestrian detection • 3.5-inch colour information display 	B26		○	375.00	450.00
Airbag Driver and front passengers airbag: • Driver and front passenger's airbag with deactivation switch • Driver and front passengers' curtain and side-impact airbags		●			
Driver and front passenger's airbags: • Driver and front passenger's airbag with deactivation switch • Driver and passenger's side-impact airbags • Full-length curtain airbags (first-, second- and third-row seating)			●		
Stability Electronic Stability Programme-plus (ESP-plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●		
Tyre pressure • Tyre pressure monitoring system		●	●		
Braking Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●		

● = Standard equipment. ○ = Optional at extra cost.

FEATURES/OPTIONS

SECURITY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Features • Electronic engine deadlock immobiliser • Steering column lock • Lockable fuel filler cap • Anti-theft spare wheel cradle		●	●		
Remote control door locking • Remote control door locking • Two keys with integral remote • Door deadlocks • Selective door locking		●	●		
Keyless open and start • Keyless open and start			●		
Security alarm system • System monitors doors, tailgate, bonnet and the passenger compartment	PS6	○	●	175.00	210.00

● = Standard equipment. ○ = Optional at extra cost.

Tyre rating according to EU Regulation 1222/2009

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

SPECIFICATIONS

Transmission

Six-speed manual gearbox:

- Front-wheel drive • Transverse engine/gearbox

Eight-speed automatic transmission:

- Front-wheel drive • Transverse engine/gearbox

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovative solution that is both elegant and intuitive.

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.

Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

Brakes

Front ventilated disc brakes:

- 304mm x 28mm

Rear disc brakes:

- 290mm x 12mm

Fuel tank capacity

- 70 litres (15.4 gallons)

Adblue® tank capacity

- 22.5 litres (4.95 gallons)

Start/stop technology

New Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes
LIFE EDITION M (MEDIUM) EURO 6D TEMP (6.2)		
1.5 (100PS) Turbo D S/S	2830	1400
LIFE ELITE M (MEDIUM) EURO 6D TEMP (6.2)		
2.0 (150PS) Turbo D S/S	3100	1900
2.0 (180PS) Turbo D S/S automatic	3100	1800

2.0 (150PS) Turbo D S/S	3100	1900
2.0 (180PS) Turbo D S/S automatic	3100	1800

S/S = Start/Stop.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 170kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

DIMENSIONS

Loadspace Dimensions millimetres (inches)	M (MEDIUM)	L (LONG)
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)
Maximum load length – Behind front seats	2413 (95.0)	2763 (108.8)

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO₂ emissions 128g/km)

On-the-road RRP	£30,595.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£30,330.00
Add: Optional two-coat metallic paint	£545.00
List price for tax purposes (P11D value)	£30,875.00
Car benefit charge 2019–20 tax year (33%)	£10,189.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£2,037.80
Higher Rate (40%) tax payer	£4,075.60

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [†] 2019-20 tax year	Diesel ^{††} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

†Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ††Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
