CONTENTS

RANGE HIGHLIGHTS

Explore the VIVA range and find your perfect model.

MODELS

Find all the information you need about your chosen model.

PRICES

Find on-the-road recommended retail prices.

FEATURES/OPTIONS

Tailor your chosen model to suit your needs with everything from satellite navigation to parking sensors.

EXTERIOR COLOURS

Add some sparkle to your car with a metallic paint.

PERFORMANCE, FUEL ECONOMY AND EMISSIONS

Know how many miles you will get around town, the CO₂ figures and the 0–60 time.

DIMENSIONS

Ensure your car will fit in the garage and know how much luggage you can take for a long weekend away.

SPECIFICATIONS

Towing weights, engine details and other useful details you may need to know.

ACCESSORIES

Add some practical touches to your car with our range of quality accessories.

COMPANY CAR INFORMATION

Benefit in Kind company car tax, 3 day test drives and P11D.

FURTHER INFORMATION

Insurance groups, vehicle excise duty, our range of additional products and much more.

VIVA RANGE HIGHLIGHTS

SE

OTR from £10,485

Standard features include:

Safety:

- Anti-lock Braking System (ABS)
- Electronic Stability Programme (ESP)
- Six airbags
- ISOFIX child seat restraint system for outer rear seats
- Perimeter alarm system

Interior features:

- Power-assisted steering with City Mode
- Electrically operated front windows
- Electrically adjustable/heated door mirrors
- Multi-function trip computer
- Remote control central deadlocking
- Stereo radio and USB audio connection
- Bluetooth® connectivity
- Steering wheel mounted audio controls
- Tiltable steering column
- Driver's seat height adjuster
- 60/40 split-folding rear seat back and seat base

Exterior features:

- Daytime running lights
- Front fog lights
- Emergency tyre inflation kit
- 15-inch structure wheels

ROCKS

OTR from £12,245

Features over SE:

Interior features:

- Air conditioning

Exterior features:

- Raised ground clearance
- Anthracite rear bumper, side sills and wheel arch mouldings
- Chrome-effect side sills and front and rear bumper inserts
- Silver-effect roof rails
- 15-inch bi-colour alloy wheels

SAFETY CONTINUED

	SE	ROCKS	Price (£) exc. VAT	Price (£) inc. VAT
<p>Stability</p> <ul style="list-style-type: none"> • Electronic Stability Programme (ESP) – Works in conjunction with the vehicle’s electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability. <p>Additional ESP features:</p> <ul style="list-style-type: none"> • Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear. 	●	●		
<p>Braking</p> <ul style="list-style-type: none"> • Anti-lock Braking System (ABS) – Prevents the vehicle’s wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. <p>Additional braking features:</p> <p>The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.</p> <ul style="list-style-type: none"> • Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. • Fading brake support – Compensates for the effects of brake fade. • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking. • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline. 	●	●		
<p>Tyre pressure</p> <ul style="list-style-type: none"> • Tyre pressure monitoring system 	●	●

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

SPECIFICATIONS

Transmission

- Front-wheel drive
- Five-speed manual gearbox

Steering

- Speed-sensitive electric power-assisted system
- Switchable City Mode for additional assistance
- Energy-absorbing steering column
- Turning circle (kerb-to-kerb): 10.4m (34.1ft.)

Suspension

Front: Independent. MacPherson struts with gas-pressure dampers and linear-rate coil springs. Anti-roll bar.

Rear: Torsion beam with gas-pressure dampers and linear-rate coil springs.

Brakes

- Anti-lock Braking System (ABS) – Four-channel
- Electronic brakeforce distribution
- Electronic Stability Programme
- Switchable traction control
- Dual circuit, diagonally split, servo-assisted system
- Asbestos-free friction material
- Corrosion-protected brake pipes

All models

- Front ventilated discs: 236mm diameter
- Rear drums: 200mm diameter

Body

- Aerodynamic drag co-efficient: Cd 0.331

Fuel Tank Capacity

- 32 litres (7.0 gallons)

Electrics

- Battery: 50Ah
- Alternator: 80A

Weights kg

	Gross Vehicle Weight (GVW)
1.0i (73PS)	1353

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. Rocks models are the only VIVA models approved for carrying a roof load. The roof load should not exceed 50kg including the weight of the roof rack/carrier.

PETROL ENGINE

Engine	1.0i (73PS)
Capacity	999cc
Maximum power	73PS (54kW) @ 6500rpm
Maximum torque	95Nm (70 lb.ft.) @ 4500rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Naturally aspirated with Variable Valve Timing. Multi-point sequential electronic fuel injection
Emission compliance	Euro 6d-TEMP (6.2)
Service interval	20,000 miles or 1 year (whichever occurs sooner)

COMPANY CAR DRIVER AND FLEET INFORMATION

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Search Vauxhall Fleet Tools or click the link below:

[Vauxhall Fleet Tool Box](#)

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

VIVA SE 1.0i (73PS) (CO₂ emissions 117g/km)

On-the-road RRP	£10,485.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£10,260.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£10,825.00
Car benefit charge 2019-20 tax year (27%)	£2,923.00
Benefit in kind tax liability (2019-20 tax year)	
Basic Rate (20%) tax payer	£584.60
Higher Rate (40%) tax payer	£1,169.20

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. ††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

Call: 01582 409999 (8:30am-5:00pm)

Email: vauxhallspecialvehicles@vauxhall.co.uk

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		
		Petrol [#]	Diesel [†]	Standard rate
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply. Please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

*Mobile phone users will be charged at their standard tariff.

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians
- Plus on Gold plans:
 - Valet and courtesy car
 - Vauxhall Roadside Assistance
 - Engine flush and fuel treatments
 - Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670**††

**The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

ADAM FEATURES / OPTIONS

SAFETY

Driver/passenger airbags

- Driver's airbag • Front passenger's airbag • Front seat side-impact airbags
- Full-size curtain airbags for front and rear seat passengers

Seating

- Height-adjustable front seat head restraints • Outer rear seat head restraints
- Anti-submarining ramps in front seats – Helps prevent occupants sliding underneath the lap belt during a collision.

Seatbelts

- Height-adjustable front seatbelts • Four inertia-reel lap and diagonal seatbelts • Front seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement. • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact. • Front and rear 'seatbelt unfastened' warning light

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.

Driver/passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact. • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear

Pedestrian safety

- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control
- Straight line stability control

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

– The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking. • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline. • Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

	Performance (manufacturer's figures)			Fuel economy mpg (litres/100km)#		CO ₂ emissions	Vehicle Excise Duty**		Benefit in kind company car taxation rates – 2019/20 tax year
	Wheel size	Maximum speed	Acceleration 0-62mph	Combined Low	Combined High		First year rate	Standard rate	
Manual									
1.2i (70PS)	16/17	103	14.9	41.5 (6.8)	44.8 (6.3)	128	£170	£145	29%

= Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

** = Correct at time of publication.

ADAM SPECIFICATIONS

START/STOP TECHNOLOGY

The ADAM Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Cabin temperature is too high
- Driver's seatbelt unfastened or driver's door opened
- Bonnet is released or opened

TRANSMISSION

Five-speed manual gearbox:
Standard on all models

STEERING

- Speed-sensitive power-assisted steering

SUSPENSION

Front: Independent. MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

BRAKING AND STABILITY

- Electronic Stability Programme
 - Cornering brake control
 - Straight line stability control
 - Anti-lock Braking System (ABS)
 - Electronic brakeforce distribution
 - Emergency brake assist
 - Dual circuit, diagonally split braking system
- Front ventilated discs: 257mm diameter
Rear drums: 203mm diameter

FUEL TANK CAPACITY

- 38 litres (8.4 gallons)

GROSS VEHICLE WEIGHTS kg

1.2i (70PS)	1470
-------------	------

Gross vehicle weight is the total permissible weight of the vehicle including passengers and luggage. The maximum roof rack loading should not exceed 50kg.

ADAM COMPANY CAR DRIVER/FLEET INFORMATION

COMPANY CAR DRIVER FREE 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers. It allows you to choose most models in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Search Vauxhall Fleet Tools or click the link below:

[Vauxhall Fleet Tool Box](#)

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

ADAM JAM 1.2i (70PS)
(CO₂ emissions 128g/km)

On-the-road RRP	£13855.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£13630.00
Add: Optional two-coat metallic paint	
	£565.00

List price for tax purposes (P11D value)
£14195.00

Car benefit charge
2019-20 tax year (29%) £4117.00

Benefit in kind tax liability (2019-20 tax year)	
Basic Rate (20%) tax payer	£823.40
Higher Rate (40%) tax payer	£1646.80

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †† = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Non - Diesel† 2019-20 tax year	Diesel†† 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

† = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). †† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

ADAM ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£145.00
Band C	51 – 75g/km	£25.00	£110.00	£145.00
Band D	76 – 90g/km	£110.00	£130.00	£145.00
Band E	91 – 100g/km	£130.00	£150.00	£145.00
Band F	101 – 110g/km	£150.00	£170.00	£145.00
Band G	111 – 130g/km	£170.00	£210.00	£145.00
Band H	131 – 150g/km	£210.00	£530.00	£145.00

* = Correct at time of issue. ** = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on 0844 463 2670††

** = The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.
† = Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.
†† = Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

- Remote control central locking
- Electrically operated front windows
- Electrically adjustable/heated door mirrors
- Dark-tinted rear windows
- Sports suspension
- Front fog lights
- 17-inch black alloy wheels

Safety/security:

- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Hill start assist
- Seatbelt reminders for all seats
- ISOFIX child seat fixings on outer rear seats
- Tyre pressure monitoring system
- LED daytime running lights

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's dual-stage airbag • Front passenger's dual-stage airbag
 - Front seat side-impact airbags • Full-size curtain airbags
-

Seating

- Reach and rake adjustable steering • Height-adjustable front seat head restraints
 - Adjustable outer rear seat head restraints
 - Anti-submarining ramps in all seats – Helps prevent occupants sliding underneath the lap belt during a collision.
-

Seatbelts

- Height-adjustable front seatbelts • Three inertia-reel lap and diagonal rear seatbelts
 - Front seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
 - Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
 - Front and rear 'seatbelt unfastened' audible warning and warning light
-

Child safety

- Deactivation switch for front passenger's airbag – Permits the safe use of a child seat in the front passenger seat.
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column
 - Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact.
 - Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell
-

Pedestrian safety

- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Stability

- Electronic Stability Programme (ESP) – Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control
 - Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.
-

Braking

- Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional ESP features:

The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
 - Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
 - Adaptive brake lights – Automatically warns other road users of heavy braking
 - Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
 - Hazard warning lights
-

Tyre pressure

- Deflation detection system
-

Steering

- Speed-sensitive electric power-assisted steering
 - City mode button – Provides lighter steering at parking speeds.
-

Cruise control with speed limiter

Enables you to maintain a constant speed – making it ideal for economical motorway driving.

- The speed limiter function – Can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.
 - Steering wheel mounted controls
-

STANDARD FEATURES

ALL MODELS

Standard security features

- ‘Key left in ignition’ audible warning
 - Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels (where fitted)
 - Door-to-door illumination
-

Central locking

- Remote control
 - Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Central locking activation switch on facia
 - One folding key/one static key each with integral remote control function
-

Instrumentation

- Speedometer
 - Rev counter
 - Digital fuel gauge with low fuel level warning light
 - Digital water temperature gauge
 - Instrument panel light dimmer
 - Shift-up indication light – Indicates when to change gear for optimum fuel economy
-

Driver information display (centrally located in instrument cluster)

- Displays trip computer data
 - Total mileage
 - Service-due indicator
 - Oil life
 - Tyre pressure monitoring system
 - Headlight/brake light bulb failure warning
-

Central facia display (format dependent on infotainment unit)

- Audio information
 - Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Audio features

- Six speakers
 - Steering wheel mounted audio controls
-

Heating and ventilation

- Four adjustable facia vents
 - Windscreen demist vents
 - Side window demist vents
-

Rear seats

- Three-person layout
 - Adjustable backrest
 - Height-adjustable and removable outer head restraints
-

Convenience features

- Front 12-volt electrical accessory socket
 - Driver’s and front passengers sunvisors
 - Passenger’s vanity mirror
 - Dipping rear-view mirror
 - Driver’s and front passenger’s tiltable assist handles
 - Two rear tiltable passenger assist handles (five-door models only)
-

Interior lighting

- Central front courtesy light
 - Central rear courtesy light
 - Fade up/fade down
 - Front map reading lights
 - Rear reading light (five-door models only)
-

Interior storage

- Storage box on driver’s side lower facia
 - Glovebox with lid
 - Front door pockets
 - Drinks holder in centre console
 - Rear door pockets (five-door models only)
 - Rear bottle holders (three-door models only)
-

Luggage area

- Luggage compartment cover
 - Stowage facility for luggage compartment cover behind rear seats
 - Illuminated luggage area
 - Interior tailgate handles
 - Load restraint lashing eyes
 - Twin gas-assisted tailgate struts
-

Standard lighting features

- Halogen headlights
 - Welcome lighting
 - Lights-on audible warning
 - Electric headlight beam levelling
 - High-level LED centre rear brake light
 - Rear fog light
 - Reversing light
 - Hazard warning lights
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe
-

Body styling

- Body-colour door handles
-

Windows

- Heated windscreen
 - Tinted windows
 - Heated rear window
 - Electrically operated front windows with safety autoreverse and one-touch facility
-

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

Rear discs: 264mm diameter

Weights and Towing Data kg

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	3-door	5-door	3-door	5-door
1.4i (75PS) Active	1585	–	800 (550)	–
1.4i (75PS) (excluding Active models)	1600	1620	800 (550)	800 (550)
1.4i (90PS)	1600	1630	800 (550)	800 (550)
1.4i (90PS) automatic	1630	1660	800 (550)	800 (550)
1.4i Turbo (100PS)	1680	1710	1150 (580)	1150 (580)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINES

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Corsa SE Nav 1.4i Turbo (100PS) Start/Stop 5-door hatchback (CO₂ emissions 125g/km)

On-the-road RRP	£17,335.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£17,110.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£17,675.00
Car benefit charge 2019–20 tax year (29%)	£5,126.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,025.20
Higher Rate (40%) tax payer	£2,050.40

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2019-20 tax year	Diesel ^{‡‡} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline

All diesel models feature BlueInjection, see www.vauxhall.co.uk/adblue.

S/S = Start/Stop.

FEATURES

Infotainment:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay™/Android Auto™
 - USB audio connection
- Six speakers (four front, two rear)

Interior convenience/styling:

- Leather seat trim
- Electronic dual-zone climate control
- Heated leather-covered steering wheel
- Heated front/outer rear seats
- Sports-style front seats
- Four-way electrical lumbar adjustment
- Adjustable front armrest
- Multi-function trip computer
- Steering wheel audio/phone/cruise controls
- Electric parking brake
- Cruise control with speed limiter
- Two rear USB charging points

Exterior convenience/styling:

- 17-inch multi-spoke alloy wheels
- Chrome-effect upper window trim
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Automatic anti-dazzle rear-view mirror
- Front fog lights
- Remote control central locking
- Electrically operated front/rear windows
- Electrically adjustable/heated/folding door mirrors
- Silver-effect roof rails (Sports Tourer)

Safety/security:

- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Remote control alarm system
- Hill start assist
- ISOFIX child seat mounting points on outer rear seats
- Electronic engine deadlock immobiliser
- Tyre pressure monitoring system
- Door-to-door illumination
- LED daytime running lights

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
 - Full-size curtain airbags for driver and front and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
 - Anti-submarining ramps in all seats – Prevents occupants sliding underneath the lap belt during a collision.
-

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts
 - Three inertia-reel lap and diagonal rear seatbelts • Front seatbelts with crash locking tongues
 - Outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
 - Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
 - Front and rear 'seatbelt unfastened' audible warning and warning light
-

Child safety

- Deactivation switch for front passenger's airbag – Permits the safe use of a child seat in the front passenger seat.
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact.
 - Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell
 - Deformation zones front and rear • Burst-proof door locks and anti-jam door design
-

Pedestrian safety

- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Stability

- Electronic Stability Programme (ESP) – Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation
 - Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.
-

Braking

- Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional ESP features:

The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
 - Hazard warning lights • Fading brake support – Compensates for the effects of brake fade.
 - Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
 - Adaptive brake lights – Automatically warns other road users of heavy braking.
 - Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
-

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Cruise control with speed limiter

Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.

- Steering wheel mounted controls
-

Steering

- Speed sensitive electrically assisted power steering
-

Security features

- ‘Key left in ignition’ audible warning
 - Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels
 - Freewheeling door locks
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Central locking activation switch on facia
 - One folding key/one static key each with integral remote control function
-

Instrumentation

- Speedometer
 - Rev counter
 - Digital fuel gauge with low fuel level warning light
 - Digital water temperature gauge with warning light
 - Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.
-

Driver information display (centrally located in instrument cluster)

- Monochrome display (upgraded to colour on Elite Nav and Ultimate models)
 - Displays trip computer data
 - Total mileage
 - Service-due indicator
 - Oil life
 - Tyre pressure monitoring system
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage
 - Vehicle range based on remaining fuel
 - Average speed
 - Average fuel economy
 - Instantaneous fuel economy
 - Driving time
-

Central facia display (format dependent on infotainment unit)

- Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Audio information
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Seating and comfort

- Reach and rake adjustable steering
 - Steering wheel mounted audio controls
 - Three person layout
 - Three height-adjustable and removable head restraints
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Heating and ventilation

- Four adjustable facia vents
 - Windscreen demist vents
 - Side window demist vents
 - Heated rear screen with timed cut-off
-

Convenience features

- Front 12-volt electrical accessory socket
 - Driver’s and front passengers sunvisors
 - Front passenger vanity mirror
 - Dipping rear-view mirror
-

Interior lighting

- Central front courtesy light
 - Central rear courtesy light
 - Fade up/fade down
-

Interior storage

- Fold out storage box on driver’s side lower facia
 - Glovebox with lid
 - Front door pockets
 - Two drinks holders in centre console
 - Rear door pockets
 - Storage compartment in centre console
-

Luggage area

- Luggage compartment cover (Hatchback only)
 - Luggage compartment retractable cover (Sports Tourer only)
 - Illuminated load area
 - Fully carpeted load area
 - Interior tailgate handle
 - Four load restraint lashing eyes
 - Twin gas-assisted tailgate struts
-

STANDARD FEATURES

ALL MODELS

Exterior lighting features

- LED daytime running lights
 - Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.
 - Halogen projector headlights • LED side repeat indicators
 - Lights-on audible warning – When keys are removed and driver door opened an audible warning sounds to alert the lights have been left on.
 - Manual headlight beam levelling – Use to adapt headlight range to the vehicle load to prevent dazzling.
 - High-level LED centre rear brake light • Rear fog light • Reversing light • Hazard warning lights
 - Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe • Intermittent rear window wash/wipe
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
 - Heated rear window • Solar heat-absorbing windscreen • Tinted windows
-

Body styling

- Chrome-effect front grille bar • Chrome-effect headlight detail • Body-colour door handles
 - Body-colour door mirrors • Body-colour rear roof spoiler
-

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Design	Tech Line Nav	Griffin	SRI	SRI VX-Line	Elite Nav	Ultimate	Price (£) exc. VAT	Price (£) inc. VAT
Front and rear parking distance sensors • Front and rear parking distance sensors • Audible warning • Distance warning graphic shown in driver information display	○	○		○	○	○		400.00	480.00
Parking Pack (includes front and rear parking distance sensors) Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road. Advanced park assist Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse and apply the brakes. The system works with both parallel and bay parking. • Ultrasonic side sensors with four-metre range • Ultrasonic front and rear parking sensors with a two-metre range • Fully automated steering • Detailed forward/reverse instructions are shown in the instrument cluster Side blind spot alert Side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror. • Ultrasonic side sensors with three-metre range • LED warning light in door mirrors • Audible warning is sounded if the indicators are used and the system has detected another vehicle • Electrically folding door mirrors (fitted as standard on Elite Nav models) Rear-view camera The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and one-metre grid lines shown as reference points				○	○	○	●	625.00	750.00
Sport switch Enables the driver to change the steering feel and throttle response for a sportier driving style. • Facia mounted sport switch				●	●				
Electric parking brake • Centre console switch in lieu of handbrake lever • Premium centre console featuring adjustable armrest			●	○	○	●	●	195.83	235.00

● = Standard equipment. ○ = Optional at extra cost.

EXTERIOR LIGHTING

	Design	Tech Line Nav	Griffin	SRi	SRi VX-Line	Elite Nav	Ultimate	Price (£) exc. VAT	Price (£) inc. VAT
Standard lighting features <ul style="list-style-type: none"> • Automatic lighting control with tunnel detection 			●	●	●	●	●		
IntelliLux LED Matrix headlights <p>IntelliLux LED Matrix headlights work with the Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of eight individual LED lights. These lights replace the main beam function and supplement the dipped beam function. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.</p> <p>The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated. Studies show that the enhanced roadside illumination of IntelliLux LED Matrix headlights give the driver an extra 1.5 seconds of reaction time at 50mph.</p> <ul style="list-style-type: none"> • Dipped beam, main beam and dynamic lighting: 16 electronically controlled LED lights (eight per headlight) • Driving Assistance Pack One incorporating front camera system • Intelligent main beam control • Automatic headlight levelling • LED tail lights 				○	○		●	1,041.67	1,250.00
Every type of driving environment has been considered: <ul style="list-style-type: none"> • Urban light – With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function. • Highway light – The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers. • Country light – As speeds increase, so does the lighting’s performance. • Static Cornering light – At lower speeds corners and bends are illuminated to match steering inputs. • Parking light – When reversing, additional side-facing lights are activated in the headlights. • Energy saving mode – On Start/Stop models, the IntelliLux LED Matrix system goes into Energy saving mode when the engine is automatically stopped. 						○		1,520.83	1,825.00

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

SPORTS TOURER

All measurements are in mm (inches) unless stated otherwise.

*Measured using the ECIE method. When an optional spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

SPECIFICATIONS

Transmission

Five-speed manual gearbox:

Standard on: 1.0i Turbo (105PS)

Six-speed manual gearbox:

Petrol engines: 1.4i Turbo (125/150PS) models

Diesel engines: 1.6CDTi (110/136PS) models

Six-speed automatic transmission with

ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i Turbo (150PS) and 1.6CDTi (136PS) models.

On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a ‘neutral’ gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

1.0i Turbo (105PS) ecoTEC

Front ventilated discs: 276mm diameter

Rear discs: 264mm diameter

1.4i Turbo (125/150PS)

Front ventilated discs: 276mm diameter

Rear discs: 264mm diameter

1.6CDTi (110PS) ecoTEC

Front ventilated discs: 276mm diameter

Rear discs: 264mm diameter

1.6CDTi (110/136PS)

Front ventilated discs: 300mm diameter

Rear discs: 264mm diameter

Steering

- Power-assisted steering
- Turning circle (wall-to-wall): – 11.05m (36.2ft.)

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

Body

Aerodynamic drag co-efficient:

Hatchback – Cd 0.285

Sports Tourer – Cd 0.278

Fuel Tank Capacity

48 litres (10.5 gallons)

Weights and Towing Data kg

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	Hatchback	Sports Tourer	Hatchback	Sports Tourer
1.0i Turbo (105PS) Start/Stop ecoTEC	1780	1850	1220 (610)	1150 (620)
1.4i Turbo (125PS) Start/Stop	1810	1885	1450 (620)	1403 (640)
1.4i Turbo (150PS)	1820	1890	1550 (620)	1500 (640)
1.4i Turbo (150PS) Start/Stop	1810	1885	1450 (620)	1403 (640)
1.4i Turbo (150PS) Start/Stop automatic	1845	1915	1420 (620)	1420 (640)
1.6CDTi (110PS) Start/Stop ecoTEC	1850	1930	1400 (650)	1400 (670)
1.6CDTi (136PS) Start/Stop	1875	1950	1650 (650)	1500 (680)
1.6CDTi (136PS) Start/Stop automatic	1900	1975	1700 (650)	1500 (680)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINES

Thule Touring 700 (430 litre/2320 x 700 x 420mm)	£384
Tow bar carrier system	
Fixed tow bar ⁹	£544
Detachable tow bar	from £715

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. ²Without transponder. ³Only for use with PowerFlex Bar. ⁴Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). ⁵On Hatchback – for vehicles with spare wheel. For vehicles without spare wheel, load compartment storage tray required to use cargo liner. ⁶For vehicles without spare wheel. ⁷Not available with certain exterior styling products. ⁸Different tyres and locking wheel bolts/nuts may be required at extra cost. Price excludes new tyres and locking wheel bolts/nuts, includes static wheel balancing. ⁹Available with 13-pin electrics. Sports Tourer only. Please consult your Vauxhall Retailers for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Astra Tech Line Nav 1.6CDTi (110PS) Start/Stop ecoTEC 5-door hatchback (CO₂ emissions 107g/km)	
On-the-road RRP	£21,075.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20,850.00
Add: Optional two-coat metallic paint	£575.00
List price for tax purposes (P11D value)	£21,425.00
Car benefit charge 2019–20 tax year (29%)	£6,213.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,242.60
Higher Rate (40%) tax payer	£2,485.20

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [#] 2019-20 tax year	Diesel ^{##} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

†Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ††Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums

FEATURES

Infotainment:

- Multimedia Navi Pro system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay™/Android Auto™
 - USB audio connection

- Seven speakers (five front, two rear)
- Bose® premium sound system (2.0 (210PS) BiTurbo D 4X4 models only)

Interior convenience/styling:

- Leather seat facings
- Dual-zone electronic climate control
- Leather-covered steering wheel
- Heated front seats
- 16-way adjustable driver's seat
- Multi-function trip computer
- Cruise control with speed limiter
- Front centre armrest
- Steering wheel audio/phone/cruise controls
- 8-inch colour information display
- Twin rear USB sockets

Exterior convenience/styling:

- 17-inch alloy wheels (1.6 diesel manual models)

- 18-inch alloy wheels (excluding 1.6 diesel manual, 1.6 (200PS) Turbo and 2.0 (210PS) BiTurbo D 4X4 models)
- 20-inch alloy wheels (1.6 (200PS) Turbo and 2.0 (210PS) BiTurbo D 4X4 models)
- IntelliLux LED® matrix headlights
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Front fog lights
- Dark-tinted rear windows
- Front and rear parking sensors
- Silver-effect roof rails (Sports Tourer models)

Safety/security:

- Driving Assistance Pack One
 - Front camera system
 - Forward collision alert with automatic city emergency braking
 - Following distance indicator
 - Lane departure warning with lane assist
 - Traffic sign recognition
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Hill start assist
- ISOFIX child seat mounting points, outer rear seats
- Tyre pressure monitoring system
- Security alarm system (Thatcham approved, T1)

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
 - Full-size curtain airbags for driver and front and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints (excluding GSi Nav models)
 - Three height adjustable rear seat head restraints
 - Anti-submarining ramps in front seats – Prevents occupants sliding underneath the lap belt during a collision.
-

Seatbelts

- Two front and three rear inertia-reel lap and diagonal seatbelts
 - Front and outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
 - Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
 - Front 'seatbelt unfastened' audible warning and warning light
-

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column
 - Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact.
 - Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell
 - Deformation zones front and rear • Burst-proof door locks and anti-jam door design
-

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian's head and underbonnet components.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Stability

- Electronic Stability Programme (ESP) – Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation
 - Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.
-

Braking

- Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional ESP features:

The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
 - Fading brake support – Compensates for the effects of brake fade • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
 - Adaptive brake lights – Automatically warns other road users of heavy braking.
 - Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
 - Hazard warning lights
-

Tyre pressure

- Tyre pressure monitoring system
-

STANDARD FEATURES

ALL MODELS

Electric parking brake

- Centre console switch in lieu of handbrake lever
 - Premium centre console featuring adjustable armrest
-

Steering

- Speed-sensitive electrically assisted power steering
-

Cruise control with speed limiter

Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.

- Steering wheel mounted controls
-

Standard security features

- Keyless start with engine start/stop button
 - Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels
 - Freewheeling door locks
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Central locking activation switch on driver's door
-

Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
 - Ultrasonic interior sensors
 - Tilt sensor
 - Independent power supply
 - Thatcham approved (T1)
-

Instrumentation

- Speedometer
 - Rev counter
 - Digital fuel gauge with low fuel level warning light
 - Digital water temperature gauge with warning light
 - Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.
-

Driver information display (centrally located in instrument cluster)

- Trip computer data
 - Total mileage
 - Service-due indicator
 - Oil life
 - Tyre pressure monitoring system
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage
 - Vehicle range based on remaining fuel
 - Average speed
 - Average fuel economy
 - Instantaneous fuel economy
 - Driving time
-

Central fascia display (format dependent on infotainment unit)

- Audio information
 - Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Seating and comfort

- Reach and rake adjustable steering
 - Steering wheel mounted audio controls
-

Rear seating

- Three person layout
 - Three height-adjustable and removable head restraints
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Heating and ventilation

- Four adjustable fascia vents
 - Windscreen demist vents
 - Side window demist vents
-

Convenience features

- Front 12-volt electrical accessory socket
 - Driver's and front passengers sunvisors
 - Driver's and front passenger's vanity mirrors
 - Dipping rear-view mirror
-

Interior lighting

- Central front courtesy light
 - Central rear courtesy light
 - Fade up/fade down
 - Twin front reading lights with illuminated switches
 - Twin rear reading lights
 - Ambient LED fascia/centre console downlighter
-

Interior storage

- Illuminated glovebox with lid
 - Front door pockets with 1.5-litre bottle holder
 - Two drinks holders in centre console
 - Rear door pockets with 1-litre bottle holder
 - Front centre adjustable armrest with 4-litre storage capacity (2.8 litres if optional wireless charger is ordered)
-

Luggage area

- Luggage compartment cover (Grand Sport models)
 - Luggage compartment retractable cover (Sports Tourer/Country Tourer models)
 - Illuminated load area
 - Fully carpeted load area
 - Interior tailgate handle
 - Four load restraint lashing eyes
 - Twin gas-assisted tailgate struts
 - Storage tray in spare wheel well
-

STANDARD FEATURES

ALL MODELS

Exterior lighting features

- LED daytime running lights • LED tail lights
 - Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.
 - LED side repeat indicators
 - Lights-on audible warning: When driver's door is opened an audible warning sounds to alert the lights have been left on.
 - Manual headlight beam levelling: Use to adapt headlight range to the vehicle load to prevent dazzling.
 - LED brake lights • High-level LED centre rear brake light • Rear fog light • Reversing light
 - Hazard warning lights
 - Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
 - Welcome lighting: Headlights and tail lights illuminate when the vehicle is unlocked.
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe (Sports Tourer/Country Tourer models)
-

Door mirrors

- Twin electrically adjustable/heated door mirrors • Manually folding door mirrors
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
 - Heated rear window • Solar heat-absorbing windscreen • Tinted windows
-

Body styling

- Chrome-effect front grille bar • Body-colour door mirrors
 - Chrome-effect upper window trim (excluding Design Grand Sport models)
 - Body-colour door handles
-

EXTERIOR LIGHTING CONTINUED

	Design/ Design Nav	SRi/ SRi Nav	SRi VX-Line Nav	Tech Line Nav	Elite Nav	GSi Nav	Country Tourer	Price (£) exc. VAT	Price (£) inc. VAT
<p>IntelliLux LED® Matrix headlights</p> <p>IntelliLux LED® Matrix headlights work with the standard Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of 16 individual LED lights. These lights replace both the dipped beam and main beam functions. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.</p> <p>The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated.</p> <hr/> <p>Every type of driving environment has been considered:</p> <ul style="list-style-type: none"> • Urban light – With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function. • Highway light – The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers whilst the left-side beam is lengthened. • Country light – As speeds increase, so does the lighting’s performance, illuminating the nearside of the road. • Static Cornering light – At lower speeds corners and bends are illuminated to match steering inputs. • Parking light – When reversing, additional side-facing lights are activated in the headlights. • Tourist mode – The lighting pattern can be adjusted when travelling abroad. • Energy saving mode – The IntelliLux LED® Matrix system goes into energy saving mode when the engine is automatically stopped. • Dipped beam, main beam and dynamic lighting: 32 electronically controlled LED lights (16 per headlight) • Intelligent main beam control • Automatic headlight levelling 		○	○	○	●	●	○	1,079.17	1,295.00

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. **The maximum roof rack loading** should not exceed 100kg on all models. **The maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 60kg (75kg on Sports Tourer models, 90kg on 2.0 (170PS) Turbo D and 2.0 (210PS) BiTurbo 4x4 models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SPECIFICATIONS

Transmission

Six-speed manual gearbox

Petrol engines: 1.5 (140PS) Turbo, 1.5 (165PS)

Turbo and 1.6 (200PS) Turbo models

Diesel engines: 1.6 (110/136PS) Turbo D and

2.0 (170PS) Turbo D models

Automatic transmission with ActiveSelect®

Six-speed automatic transmission: Optional at extra cost on 1.5 (165PS) Turbo/1.6 (200PS) Turbo/1.6 (136PS) Turbo D models.

Eight-speed automatic transmission: Standard on 2.0 (210PS) BiTurbo D 4X4, optional at extra cost on 2.0 (170PS) Turbo D front-wheel drive models.

The latest generation automatic transmissions available on Insignia, incorporating Start/Stop technology, offer improved fuel economy and refinement over previous versions. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The eight-speed transmission includes a range of driver-selectable modes.

Four-wheel drive system

Standard on Elite Nav 2.0 (210PS) BiTurbo D 4X4, GSi Nav and Country Tourer 4X4 models. The sophisticated four-wheel drive system replaces the conventional rear axle differential with two electronically controlled clutches which allows Insignia to take advantage of the latest torque vectoring technology. This ensures that torque is directed to the wheels with the greatest grip, thus improving handling in all conditions and traction in slippery conditions.

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Front ventilated discs: 345mm diameter

Rear ventilated discs: 315mm diameter

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight multi-link (FWD - 4-link; 4X4 - 5-link) with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

- GSi Nav models feature an updated sports chassis with lower ride height and specially tuned dampers

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour. GSi Nav models include a fourth, unique, Competition mode.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

Body

Aerodynamic drag co-efficient:

Cd 0.26

Steering

- Speed-sensitive electric power-assisted steering
- Turning circle (kerb-to kerb):
– 11.15m (36.6ft.)

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Insignia Tech Line Nav 1.6 (110PS) Turbo D ecoTEC Grand Sport (CO ₂ emissions 116g/km)	
On-the-road RRP	£23,405.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£23,140.00
Add: Optional two-coat metallic paint	£605.00
List price for tax purposes (P11D value)	£23,745.00
Car benefit charge 2019-20 tax year (31%)	£7,361.00
Benefit in kind tax liability (2019-20 tax year)	
Basic Rate (20%) tax payer	£1,472.20
Higher Rate (40%) tax payer	£2,944.40

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [#] 2019-20 tax year	Diesel ^{##} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

†Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ††Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670**††

For more product information

For further information on the Vauxhall range or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

*Mobile phone users will be charged at their standard tariff.

**The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's and front passenger's airbags with active-vent technology – Adapts the airbag pressure based on the position of the seat, reducing it the closer the seat is to the fascia.
 - Front seat side-impact airbags
 - Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers
-

Seating

- Height-adjustable front seat head restraints • Height-adjustable outer rear seat head restraints
 - Anti-submarining ramps in front seats
-

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
 - Dual seatbelt pretensioners on front seats – These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia.
 - Pretensioners on outer rear seatbelt retractors • Load limiters on front and outer rear seatbelt retractors
 - Smart seatbelt reminder for front and rear seats – Warning lights and audible warning.
-

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat.
 - ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column • Side-impact protection beams
 - Reinforced passenger safety cell • Deformation zones front and rear
-

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries.
 - Upper and lower bumper design – Reduces upper and lower leg injuries.
-

Braking and stability

- Switchable Electronic Stability Programme (ESP) • Anti-lock Braking System (ABS)
 - Corner stability control • Traction control • Hill start assist
 - Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking.
 - Hydraulic brake assist • Hydraulic brake boost • Electronic brakeforce distribution
-

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Steering

- Speed-sensitive power-assisted steering
 - Reach and rake adjustable steering
-

Cruise control with speed limiter and intelligent speed adaptation

Cruise control feature – enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function – can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.

- Steering wheel mounted controls
-

Front camera system

A range of driver assistance and safety features are controlled by the front camera system.

Lane departure warning: If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Traffic speed sign recognition: Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different road signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
 - On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed
-

Security features

- Electronically protected audio equipment
 - Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN)
 - Locking wheel bolts for alloy wheels
 - Luggage area cover
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
 - Deadlocking
 - Driver's internal central locking activation switch
-

Instrumentation

- Speedometer
 - Rev counter
 - Fuel gauge with low fuel level warning light
 - Water temperature gauge with warning light
 - Shift-up indication light – Indicates when to change gear for optimum fuel economy
-

Driver information display (centrally located in instrument cluster)

- Displays trip computer data
 - Total mileage
 - Service-due indicator
 - Tyre pressure monitoring system
 - Monochrome display (non-Nav models)
 - 3.5-inch colour information display
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage
 - Vehicle range based on remaining fuel
 - Average speed
 - Average fuel economy
 - Instantaneous fuel economy
-

Central facia display (format dependent on infotainment unit)

- Audio information
 - Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Audio features

- Six speakers (four front, two rear)
 - Steering wheel mounted audio controls
-

Rear seating

- Three-person layout
 - 60/40 split-folding rear seat
 - Height-adjustable and removable outer seat head restraints
-

Additional heating and ventilation features

- Four adjustable facia vents
 - Windscreen demist vents
 - Side window demist vents
 - Heated rear screen with timed cut-off
-

Convenience features

- Front 12-volt electrical accessory socket
 - Front and rear passenger assist handles
 - Driver's and front passenger's illuminated vanity mirrors with flip-up cover
 - Automatically dimming anti-dazzle rear-view mirror
-

STANDARD FEATURES

ALL MODELS

Interior lighting

- Courtesy lighting operated by door switches
 - Rear courtesy light with reading lights
-

Interior storage

- Glovebox with lid
 - Front door pockets with 1.5-litre bottle holder
 - Two drinks holders in centre console
 - Rear door pockets with 0.5-litre bottle holder
 - Open storage compartment in centre console
-

Luggage area

- Luggage compartment foldable cover
 - Illuminated luggage area
 - Fully carpeted luggage area
-

Exterior lighting features

- Front fog lights
 - LED headlights
 - Automatic lighting control with tunnel detection
 - Lights-on audible warning
 - Manual headlight beam levelling
 - High-level LED centre rear brake light
 - Rear fog light
 - Reversing light
 - Hazard warning lights
 - Door-to-door illumination
 - Welcome lighting
-

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe
 - Rain-sensitive windscreen wipers
-

Door mirrors

- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off
 - Manually foldable door mirrors
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch facility
 - Heated rear window
 - Solar heat-absorbing windscreen
 - Tinted windows
-

Body styling

- Side-protection mouldings
 - Chrome-effect front grille bar
 - Body-colour door handles
 - Rear spoiler
-

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Business Edition Nav	Elite/Elite Nav	Price (£) exc. VAT	Price (£) inc. VAT
<p>Safety Pack</p> <p>Driver drowsiness system The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p> <p>Forward collision alert The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.</p> <p>Automatic emergency braking with pedestrian detection The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 50mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p>	○	○	416.67	500.00
<p>Rear-view Camera Pack (available on non-Nav models only)</p> <p>Rear-view camera The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and grid lines shown as reference points</p> <p>Front and rear parking distance sensors An audible warning alerts you to obstacles in front of and behind you. A series of beeps are sounded as you approach the obstacle, increasing in frequency as the distance closes.</p>		○	279.17	335.00

● = Standard equipment. ○ = Optional at extra cost.

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

Rear discs: 249mm diameter

1.2 (110PS) Turbo/1.2 (130PS) Turbo

Front ventilated discs: 283mm diameter

Rear discs: 249mm diameter

Fuel tank capacity

- 45 litres (9.9 gallons)

Adblue tank capacity

- 14.8 litres (3.2 gallons)

Body

- Aerodynamic drag co-efficient: Cd 0.31

Start/Stop technology

Crossland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (83PS)	1690	650 (560)
1.2 (110PS) Turbo	1770	840 (600)
1.2 (110PS) Turbo auto	1805	840 (600)
1.2 (130PS) Turbo	1790	840 (620)
1.2 (130PS) Turbo auto	tbc	tbc
1.5 (102PS) Turbo D	1820	840 (620)
1.5 (120PS) Turbo D auto	1855	870 (650)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Business Edition Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech engines for great fuel economy and low emissions.

For even more standard specification, step up to our Business Edition Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Business Edition Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Crossland X Business Edition Nav 1.5 (102PS) Turbo D (CO₂ emissions 107g/km)

On-the-road RRP	£20,315.00
Deduct: Vehicle Excise Duty	(£170.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20,090.00
Add: Optional two-coat metallic paint	£575.00
List price for tax purposes (P11D value)	£20,665.00
Car benefit charge 2019–20 tax year (29%)	£5,993.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,198.60
Higher Rate (40%) tax payer	£2,397.20

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2019-20 tax year	Diesel ^{‡‡} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

[‡]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ^{‡‡}Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Please note: On-the-road recommended retail prices (RRP) include VAT at 20%, number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

Colours and model variants for Griffin special edition subject to availability. Please check with your Vauxhall Retailer.

FEATURES

Infotainment:

- Navi 900 IntelliLink system
 - Fully integrated European satellite navigation system
 - Smartphone projection, Apple CarPlay™ and Android Auto™
 - 8-inch colour touchscreen
 - AM/FM/digital radio
 - Bluetooth® mobile streaming
 - Bluetooth® mobile phone portal
 - USB connection with iPod control
 - Aux-in socket

Interior convenience / styling:

- Premium leather-effect / fabric seat trim
- Dual-zone electronic climate control
- Cruise control with speed limiter
- Multi-function trip computer
- Heated leather-covered steering wheel
- Ergonomic active front seats
- Heated front seats
- Auto anti-dazzle rear-view mirror
- Steering column adjustable for reach and rake
- Steering wheel mounted audio controls
- 60/40 split flip and fold rear seat
- Front driver's armrest
- Front and rear floor mats (front Griffin-branded)

Exterior convenience / styling:

- Rain-sensitive windscreen wipers
- High beam assist
- Front fog lights
- Electrically adjustable/heated door mirrors
- Electrically operated front and rear windows
- Remote control central locking
- Alloy-effect protective front skid plate
- Silver-effect roof rails
- Stainless steel exhaust tailpipe
- Chrome-effect side window trim
- Brilliant, metallic or premium paint – available at no additional cost
- 18-inch 10-spoke alloy wheels – Griffin models
- 19-inch 5-twinspoke alloy wheels – Griffin Plus models

Safety / security:

- Switchable electronic stability programme
- Anti-lock braking system
- Traction control
- Hill start assist
- Tyre pressure monitoring system
- Six airbags
- Remote control alarm system
- Emergency tyre inflation kit in lieu of spare wheel
- LED daytime running lights

19-inch wheel standard on Plus models.

MOKKA X FEATURES / OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Height-adjustable outer rear seat head restraints

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front body-lock diagonal seatbelt pretensioner system – *Tightens the seatbelt during the early stages of a frontal impact, limiting forward movement.* • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – *Reduces potential upper body injuries during a frontal impact.* • Front and rear 'seatbelt unfastened' warning light

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – *Permits the safe use of a child seat in the front passenger seat.* • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – *Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.*

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – *Reduces potential injury to the driver's legs and feet during a severe frontal impact.* • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Collapsible windscreen wiper system – *Designed to reduce pedestrian head injuries.*
- Upper and lower bumper design – *Reduces upper and lower leg injuries.*

Stability

Switchable Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Cornering brake control • Straight line stability control
- Descent control system (4X4 models only) • Rollover mitigation
- Traction control

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – *When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.* • Electronic brakeforce distribution – *Automatically apportions the optimum braking force to each wheel.* • Adaptive brake lights – *Automatically warns other road users of heavy braking.* • Hill start assist – *Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.* • Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

Front fog lights	●	●	●	●		
Premium LED Adaptive Forward Lighting (AFL) – Only available with Sight and Light Pack on Design and Active models. Six LED elements light the road 30% brighter than halogen, allowing you to see hazards sooner and giving you more time to react. The AFL system uses data such as vehicle speed, steering angle and when the indicators are used to determine the most suitable lighting. <ul style="list-style-type: none"> • Enhanced colour driver information display • Intelligent main beam control • Automatic headlight levelling • LED tail lights Every type of driving environment has been considered: Urban light: With street lighting and speeds below 35mph, the system automatically enhances the dipped beam function. Country light: As speeds increase, so does the lighting's performance. Dynamic curve light: At speeds between 25mph and 45mph, and above a set steering angle, extra light is projected onto the relevant side of the road to give you a better view. Static cornering light: At lower speeds, when you indicate and turn the steering above a certain angle, corners and bends are illuminated to match steering inputs. Parking light: When reversing, additional side-facing lights are activated in the headlights. Energy saving mode: On Start/Stop models, the system deactivates the static cornering light function when Start/Stop mode is active. Tourist mode: If you're driving on the continent, switch to Tourist mode and your lights will dip automatically for oncoming traffic. High beam: Powerful down-the-road illumination on top of the LED low beam. Full-on lighting for maximum visibility.	○	○	○		966.67	1160.00

S/S = Start/Stop. FWD = Front-wheel drive.

= Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

** = Correct at time of publication.

MOKKA X SPECIFICATIONS

TRANSMISSIONS

Six-speed manual gearbox:

All models

Six-speed automatic transmission with Active Select function:

Available at extra cost on 1.4i (140PS) front-wheel drive models. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Intelligent 4X4

Electronically controlled four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Speed-sensitive power-assisted steering
- Turning circle (wall-to-wall): 11.50m (37.7ft)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Torsion beam with coil springs and gas-pressure dampers.

BRAKING AND STABILITY

- Switchable Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Traction control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Electronic brakeforce distribution
- Adaptive brake lights
- Hazard warning lights

All models

Front ventilated discs: 300mm diameter

Rear discs: 268mm diameter

BODY

- Aerodynamic drag co-efficient: Cd 0.35

FUEL TANK CAPACITY

- 53 litres (11.7 gallons)

ADBLUE TANK CAPACITY

- 9.6 litres (2.1 gallons)

MOKKA X SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i Turbo (140PS) ecoTEC FWD	1828	1200 (500)
1.4i Turbo (140PS) FWD automatic	1843	1200 (500)
1.4i Turbo (140PS) 4X4	1879	1200 (500)
1.6CDTi (136PS) ecoTEC FWD manual	1883	1500 (500)

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

LOADSPACE DIMENSIONS millimetres (inches)

Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

MOKKA X COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE NAV HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers. It allows you to choose most models in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](#).

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka X Design Nav 1.6CDTi (136PS) Start/Stop ecoTEC BlueInjection FWD (CO ₂ emissions 127g/km)	
On-the-road RRP	£22325.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£22060.00
Add: Optional two-coat metallic paint	£575.00

List price for tax purposes (P11D value)	£22635.00
--	-----------

Car benefit charge	
2019-20 tax year (33%)	£7470.00
Benefit in kind tax liability (2019-20 tax year)	
Basic Rate (20%) tax payer	£1494.00
Higher Rate (40%) tax payer	£2988.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †† = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed

MOKKA X ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£145.00
Band C	51 – 75g/km	£25.00	£110.00	£145.00
Band D	76 – 90g/km	£110.00	£130.00	£145.00
Band E	91 – 100g/km	£130.00	£150.00	£145.00
Band F	101 – 110g/km	£150.00	£170.00	£145.00
Band G	111 – 130g/km	£170.00	£210.00	£145.00
Band H	131 – 150g/km	£210.00	£530.00	£145.00
Band I	151 – 170g/km	£530.00	£855.00	£145.00
Band J	171 – 190g/km	£855.00	£1,280.00	£145.00
Band K	191 – 225g/km	£1,280.00	£1,815.00	£145.00
Band L	226 – 255g/km	£1,815.00	£2,135.00	£145.00
Band M	over 255g/km	£2,135.00	£2,135.00	£145.00

* = Correct at time of issue. ** = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on 0844 463 2670††

** = The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.
† = Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.
†† = Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

STANDARD FEATURES

ALL MODELS

Driver/passenger airbags

- Driver's and front passenger's airbags
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – Warning lights and audible warning

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat.
 - i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – Allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
 - Child-proof locks on rear doors
-

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking.
- Hydraulic brake assist
- Electronic brakeforce distribution.

Tyre pressure

- Deflation detection system
-

STANDARD FEATURES

ALL MODELS

Electric parking brake

- Centre console switch in lieu of handbrake lever
-

Steering

- Speed-sensitive electric power-assisted steering
-

Speed sign recognition

- Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
 - Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
 - On Nav models, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed
-

Security features

- Remote control security alarm system (operates in conjunction with central locking)
 - Electronically protected audio equipment • Engine deadlock immobiliser
 - Visible Vehicle Identification Number (VIN) • Locking wheel nuts
 - Luggage compartment cover
-

Remote control central locking

- Operates on doors, tailgate and fuel filler flap • Deadlocking
 - Driver's internal central locking activation switch
-

Instrumentation

- Speedometer • Rev counter • Fuel gauge with low fuel level warning light
 - Water temperature gauge with warning light
 - Shift-up indication light (manual models only) – Indicates when to change gear for optimum fuel economy
-

Driver information display (centrally located in instrument cluster)

- Displays trip computer data • Total mileage • Service-due indicator
 - Deflation detection system • 3.5-inch colour information display
-

Multi-function trip computer (displayed on driver information display)

- Trip mileage • Vehicle range based on remaining fuel • Average speed
 - Average fuel economy • Instantaneous fuel economy
-

Central facia display (format dependent on infotainment unit)

- Audio information • Digital clock with automatic RDS time adjustment
 - Outside air temperature with ice warning function
 - Additional features dependent on infotainment unit (see infotainment for details)
-

Seating and comfort

- Reach and rake adjustable steering • Steering wheel mounted audio controls • Three-person layout
 - 60/40 split-folding rear seat • Height-adjustable and removable head restraints
 - Centre rear seat head restraint
-

Electronic climate control incorporating air conditioning

- Dual-zone control – Allowing different temperature settings for driver and front passenger.
 - Advanced predictive logic control system using a sun sensor
 - Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
 - Automatic air direction and fan speed with manual override • Illuminated controls
-

Additional heating and ventilation features

- Four adjustable facia vents • Windscreen demist vents • Side window demist vents
 - Rear passenger compartment heating ducts • Heated rear screen with timed cut-off
-

Interior convenience features

- Front 12-volt electrical accessory socket • 12-volt electrical accessory socket in luggage compartment
 - Front and rear passenger assist handles • Automatically dimming anti-dazzle rear-view mirror
 - Driver's centre armrest
-

STANDARD FEATURES

ALL MODELS

Interior lighting

- Courtesy lighting operated by door switches
-

Interior storage

- Ventilated glovebox with lid
 - Front door pockets with 2.6-litre capacity
 - Two drinks holders in centre console (one if optional All Road Pack is specified)
 - Rear door pockets with 1.8-litre capacity
 - Covered storage compartment in centre console and in driver's armrest
-

Luggage area

- Luggage compartment foldable cover
 - Fully carpeted luggage area
-

Exterior lighting features

- LED daytime running lights
 - Automatic lighting control
 - Lights-on audible warning
 - LED tail lights
 - High-level centre rear brake light
 - Rear fog light
 - Reversing light
 - Hazard warning lights
 - Door-to-door illumination
 - Welcome lighting
-

Front fog lights

Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
 - Intermittent rear window wash/wipe
 - Rain-sensitive windscreen wipers
-

Door mirrors

- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off – Mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car
-

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch facility
 - Heated rear window
-

Sight and Light Pack

- Automatic lighting control
 - High beam assist
 - Rain-sensitive windscreen wipers
 - Automatically dimming anti-dazzle rear-view mirror
-

Body styling

- Side-protection mouldings
 - Chrome-effect front grille bar
 - Body-colour door mirrors
 - Body-colour door handles
 - Rear spoiler
-

Windows

- Sound-absorbing windscreen
 - Tinted windows
-

DRIVER ASSISTANCE

	SE	Business Edition Nav	SRi Nav	Elite Nav	Ultimate Nav	Price (£) exc. VAT	Price (£) inc. VAT
<p>Cruise control with speed limiter and intelligent speed adaption</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p> <ul style="list-style-type: none"> • Steering wheel mounted controls 	●	●	●	●			
<p>Automatic cruise control with speed limiter and intelligent speed adaption</p>					●		
<p>All Road Pack</p> <hr/> <p>For those drivers who regularly take their vehicle off road, this pack helps the driver cope with whatever conditions they encounter</p> <hr/> <ul style="list-style-type: none"> • IntelliGrip: A choice of five selectable modes to suit the driving conditions: ESP on, ESP off, snow, mud, sand • 18-inch five-spoke alloy wheels with 225/55 tyres 	○					416.67	500.00
		○	○			166.67	200.00

<p>Safety Pack</p> <p>The front camera and radar systems combine to enhance the driver assistance and safety features.</p> <p>Driver drowsiness system</p> <p>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p> <p>Forward collision alert with automatic emergency braking and pedestrian detection</p> <p>The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 31mph – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 70mph; fixed target: from 3 to 50mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p> <p>Lane departure warning with lane assist</p> <p>When lane departure warning identifies an imminent lane departure without driver input, lane assist applies gentle steering corrections to keep the vehicle within its lane. The system operates from 40mph.</p>							
<p>Parking sensors</p> <p>• Rear parking distance sensors • Audible warning</p>	●

All diesel models feature BlueInjection, see www.vauxhall.co.uk/adblue.

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

GRANDLAND X

All measurements are in mm (inches) unless stated otherwise.

*Measured using the ECIE method.

SPECIFICATIONS

Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

Adblue tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox:

Standard on all models except Ultimate.

Six-speed automatic transmission with

Active Select function:

Available at extra cost on all models except Ultimate. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Eight-speed automatic transmission:

Available at extra cost on all models except Ultimate.

Standard on Ultimate models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.

Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1900	1400 (685)
1.2 (130PS) Turbo auto	2000	1300 (696)
1.5 (130PS) Turbo D	2000	1500 (715)
1.5 (130PS) Turbo D 8-speed auto	2000	1300 (727)
2.0 (177PS) Turbo D auto	2090	2000 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINE

Engine	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	230Nm (169 lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d (6.3)
Service interval	16,000 miles or 1 year (whichever occurs sooner)

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland X Business Edition Nav 1.5 (130PS) Turbo D (CO₂ emissions 113g/km)

On-the-road RRP	£25,410.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25,145.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£25,715.00
Car benefit charge 2019–20 tax year (30%)	£7,715.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£ 1,543.00
Higher Rate (40%) tax payer	£3,086.00

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2019-20 tax year	Diesel ^{‡‡} 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of publication.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

*Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

FEATURES/OPTIONS

SAFETY

	Option code	Design	Energy	Price (£) exc. VAT	Price (£) inc. VAT
Driver/passenger airbags • Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags • Full-size curtain airbags for driver and front and outer rear seat passengers		●	●		
Seatbelts • Lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • 'Seatbelt unfastened' audible warning and warning light.		●	●		
Child safety • Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors		●	●		
Driver/passenger safety • Energy-absorbing steering column • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear		●	●		
Braking and stability • Electronic stability programme • Anti-lock braking system • Corner stability control • Traction control • Hill start assist • Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking. • Emergency brake assist • Electronic brakeforce distribution		●	●		
Tyre pressure • Deflation detection system		●	●		

● = Standard equipment.

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Option code	Design	Energy	Price (£) exc. VAT	Price (£) inc. VAT
<p>Mechanical parking brake</p> <ul style="list-style-type: none"> Floor-mounted handbrake lever 		●	●		
<p>Cruise control with speed limiter and intelligent speed adaptation</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p>		●	●		
<p>Front camera system</p> <p>A range of class-leading driver assistance and safety features are controlled by the front camera system.</p>					
<p>Lane keep assist with lane departure warning</p> <p>If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.</p> <ul style="list-style-type: none"> Warning light in instrument cluster Audible warning Facia on/off switch 		●	●		
<p>Speed sign recognition</p> <p>Detects and then displays speed limits, reducing uncertainty and the risk of speeding.</p> <ul style="list-style-type: none"> Recognises different speed signs, including temporary speed restrictions Displays reminder in the instrument cluster 					
<p>Driver drowsiness system</p> <p>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p>		●	●		
<p>Forward collision alert</p> <p>The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.</p>		●	●		

● = Standard equipment.

DRIVER ASSISTANCE CONTINUED

	Option code	Design	Energy	Price (£) exc. VAT	Price (£) inc. VAT
<p>Automatic emergency braking with pedestrian detection</p> <p>The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – To reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 70mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p>		●	●

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

†Available on Energy models only.

SPECIFICATIONS

Transmission

Five-speed manual gearbox:
1.5 (100PS) Turbo D models.

Six-speed manual gearbox:
1.2 (110PS) Turbo/1.5 (130PS) Turbo D models.

Eight-speed automatic transmission:
1.5 (130PS) Turbo D models.

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

Fuel tank capacity

61 Litres (13.4 gallons) – Petrol models.
50 Litres (10.9 gallons) – Diesel models.

AdBlue tank capacity
17 Litres (3.7 gallons).

Steering

Turning circle (kerb-to-kerb) –
11.0m (36 ft) Life models,
11.8m (38.7 ft) Life XL models.

Weights and Towing Data kg

1.5 (100PS) Turbo D	2115	1250 (600)
1.5 (100PS) Turbo D (7-seat)	2310	1250 (600)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

PETROL ENGINE

Engine	1.2 (110PS) Turbo Start/Stop
Capacity	1199cc
Maximum power	110PS (81kW) @ 5500rpm
Maximum torque	205Nm (151 lb.ft.) @ 1750rpm

³Without transponder.

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo Life Design 1.5 (100PS) Turbo D S/S BlueInjection (CO₂ emissions 111g/km)

On-the-road RRP	£20,665.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£20,400.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£20,965.00
Car benefit charge 2019-20 tax year (30%)	£6,290.00
Benefit in kind tax liability (2019-20 tax year)	
Basic Rate (20%) tax payer	£1,258.00
Higher Rate (40%) tax payer	£2,516.00

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500-£14,549 Starter Rate 19%
- Over £14,549-£24,994 Basic Rate 20%
- Over £24,994-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [#] 2019-20 tax year	Diesel ^{##} 2019-20 tax year
Up to 50	16	20

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits**

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670**††

For more product information

For further information on the Vauxhall range or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

*Mobile phone users will be charged at their standard tariff.

**The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

S/S = Start/Stop.

Please note: All New Vivaro models include BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

FEATURES/OPTIONS

SAFETY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver Safety Pack <ul style="list-style-type: none"> • Cruise control with intelligent speed adaptation • Forward collision alert with automatic emergency braking and pedestrian detection • 3.5-inch colour information display 	B26		○	375.00	450.00
Airbag Driver and front passengers airbag: <ul style="list-style-type: none"> • Driver and front passenger's airbag with deactivation switch • Driver and front passengers' curtain and side-impact airbags 		●			
Driver and front passenger's airbags: <ul style="list-style-type: none"> • Driver and front passenger's airbag with deactivation switch • Driver and passenger's side-impact airbags • Full-length curtain airbags (first-, second- and third-row seating) 			●		
Stability Electronic Stability Programme-plus (ESP-plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●		
Tyre pressure <ul style="list-style-type: none"> • Tyre pressure monitoring system 		●	●		
Braking Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●		

● = Standard equipment. ○ = Optional at extra cost.

FEATURES/OPTIONS

SECURITY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT

215/60 R 17	Summer IntelliGrip	C	A	72	
215/60 R 17	All season	E	B	71	

Tyre rating according to EU Regulation 1222/2009

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication.

SPECIFICATIONS

Transmission

Six-speed manual gearbox:

- Front-wheel drive • Transverse engine/gearbox

Eight-speed automatic transmission:

- Front-wheel drive • Transverse engine/gearbox

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive.

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.

Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

Brakes

Front ventilated disc brakes:

- 304mm x 28mm

Rear disc brakes:

- 290mm x 12mm

Fuel tank capacity

- 70 litres (15.4 gallons)

Adblue® tank capacity

- 22.5 litres (4.95 gallons)

Start/stop technology

New Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes
LIFE EDITION M (MEDIUM) EURO 6D TEMP (6.2)		
1.5 (100PS) Turbo D S/S	2830	1400
LIFE ELITE M (MEDIUM) EURO 6D TEMP (6.2)

2.0 (150PS) Turbo D S/S	3100	1900
2.0 (180PS) Turbo D S/S automatic	3100	1800

S/S = Start/Stop.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 170kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

DIMENSIONS

Loadspace Dimensions millimetres (inches)	M (MEDIUM)	L (LONG)
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO₂ emissions 128g/km)	
On-the-road RRP	£29,605.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£29,340.00
Add: Optional two-coat metallic paint	£545.00
List price for tax purposes (P11D value)	£29,885.00
Car benefit charge 2019–20 tax year (33%)	£9,862.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,972.40
Higher Rate (40%) tax payer	£3,944.80

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2019–20 tax year	Diesel ^{‡‡} 2019–20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

[‡]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). ^{‡‡}Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

Conversions

Vauxhall's integration within the PSA Group has brought significant benefits, and this is especially true of light commercial vehicles. PSA Group is Europe's largest manufacturer of light commercial vehicles and has a definitive strategy in place to further strengthen this position.

One aspect of this strategy is the new conversion portal for all PSA Group brands. This significantly improves the transparency and response of all communication with body-builders, and converters:

www.converters-and-groupe-psa.com

This website contains complete technical guidelines necessary to convert Vauxhall commercial vehicles – New Combo (K9), New Vivaro (K0) and Movano (X62). All vital and fundamental information is now located in one place:

- Conversion Guidelines
- Technical Data
- 3D CAD (coming)
- WLTP guidance
- Body shell ordering

Additionally there is a new Q&A service for technical questions, and the new conversion approval process will also be managed through this portal.

Any converter of Vauxhall product should create an account on this portal including those using IVA as approval process. In fact WLTP will make this necessary.

The Vauxhall data repository (on VX website) has now been closed, and any visitors are referred to the new site.

For more product information

For further information on the Vauxhall range or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

*Mobile phone users will be charged at their standard tariff.

**The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.
