Choose Your Trim Level

SE Edition

First in the line-up is the wonderfully well-equipped SE Edition.

Corsa-e SE Premium

Say hello to the new Corsa-e. It's 100% electric, 100% exciting.

VX_COR_32591

SRI Edition

For even more style, opt for SRI Edition. Sporty from the inside out. Relax in the sports style front seats and feel the power with the sport switch. Relax a little more with a host of premium features including heated seats and climate control.

Corsa-e SRI Premium

For even more style in your Corsa-e.

VX_COR_32592

Elite Edition

For even more features, designed to be the trim for 'comfort' and style opt for the Elite Edition.

Corsa-e Elite Premium

Step inside for a bigger touchscreen and more comfort with heated seats and steering wheel.

VX_COR_32615

Ultimate

Ultimate is the top of the range Corsa available, with top of the range equipment on the inside and out. It looks the business with all the exterior equipment including, dark-tinted rear windows and IntelliLux LED® Matrix Headlights.

VX_COR_32593

Corsa Range Highlights

SE Edition

Standard features include:

- Multimedia infotainment system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers
- LED headlights
- LED daytime running lights
- High beam assist
- 16-inch silver 8-spoke alloy wheels
- Air conditioning
- Cruise control with intelligent speed limiter
- Remote control central locking
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Lane departure warning with lane keep assist
- Speed sign recognition
- Flat-bottomed leather-covered steering wheel
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- 60/40 split-folding rear seats
- Electronic parking brake (auto models only)
- Paddle shift (auto models only)

SRI Edition

Features over SE Edition models:

- 7-inch digital instrument cluster
- Sports front and rear body styling
- Alloy-effect sports pedals
- Sport switch
- Heated sports-style front seats
- Heated steering wheel (excluding auto models)
- Electronic climate control
- Front centre armrest with storage
- Electronic parking brake (all models)
- LED tail lights
- LED front fog lights
- Chrome-effect exhaust tailpipe extension
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Rear parking distance sensors
- 17-inch diamond-cut bi-colour alloy wheels
- Remote control security alarm system
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Black headliner

Elite Edition

Features over SE Edition models:

- 7-inch digital instrument cluster
- Heated front seats
- Heated steering wheel (excluding auto models)
- Electronic climate control
- Electronic parking brake (all models)
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Front passenger's seat height adjuster
- Front centre armrest with storage
- Fabric/premium leather-effect seat trim
- Panoramic rear-view camera
- Front and rear parking distance sensors
- Electrically folding door mirrors
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Chrome-effect lower side window trim
- 17-inch diamond-cut bi-colour alloy wheels
- Remote control security alarm system
- LED front fog lights

Ultimate

Features over Elite Edition models:

- Multimedia Navi Pro infotainment system
 - Satellite Navigation
 - 10-inch colour touchscreen
 - 2D/3D street level mapping
 - European coverage
 - Points-of-interest search
- Alcantara seat trim
- Driver's seat with massage function
- IntelliLux LED® Matrix headlights with LED tail lights
- Adaptive cruise control
- Keyless entry and start
- Lane positioning assistant
- Black headliner
- Vauxhall Connect

Corsa-e Range Highlights

SE Premium

Standard features include:

- Multimedia Navi infotainment system
 - Satellite navigation
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers
- Electronic climate control
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Electric parking brake
- Rear parking distance sensors
- Keyless start
- 16-inch bi-colour alloy wheels
- High gloss black B-pillars
- Remote control security alarm system
- LED headlights with high beam assist
- Cruise control with intelligent speed limiter
- Trip computer
- Driver's seat height adjuster
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Lane departure warning with lane assist
- Speed sign recognition
- Flat-bottomed leather-covered steering wheel
- Driver drowsiness alert
- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Six airbags
- 60/40 split-folding rear seats
- Vauxhall Connect
- 7-inch digital instrument cluster
- Front centre armrest with storage

SRi Premium

Features over SE Premium models:

- Sports style front seats
- Black headliner
- Alloy-effect sports pedals
- LED tail lights
- LED front fog lights
- Black roof and A-pillars
- Dark tinted rear windows
- 17-inch bi-colour alloy wheels

Elite Premium

Features over SE Premium models:

- Multimedia Navi Pro infotainment system
 - 10-inch colour touchscreen
- IntelliLux LED® Matrix headlights with LED tail lights
- LED front fog lights
- Keyless entry and start
- 17-inch bi-colour alloy wheels
- Heated front seats
- Heated steering wheel
- Front passenger's seat height adjuster
- Fabric/premium leather-effect seat trim
- Panoramic rear-view camera
- Front and rear parking distance sensors
- Electrically folding door mirrors
- Black roof and A-pillars
- Dark-tinted rear windows
- Chrome-effect lower side window trim

Corsa SE Edition

VX_COR_32591

SE Edition OTR from £17,380

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- Air conditioning
- Flat-bottomed leather-covered steering wheel
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Driver's seat height adjuster
- 60/40 split-folding rear seats
- Electronic parking brake (auto models only)
- Paddle shift (auto models only)

Exterior convenience/styling:

- LED headlights
- LED daytime running lights
- High beam assist
- 16-inch silver 8-spoke alloy wheels
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors

Safety/security:

- Remote control central locking
- Lane departure warning with lane keep assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- Hill start assist
- ISOFIX child seat fixings on outer rear seats

Corsa SRi Edition

VX_COR_32592

SRi Edition OTR from £20,930

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- 7-inch digital instrument cluster
- Electronic climate control
- Heated (excluding auto models) flat-bottomed leather-covered steering wheel
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Sport switch
- Heated sports-style front seats
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Black headliner
- Alloy-effect sports pedals
- Paddle shift (auto models only)
- Electronic parking brake
- Front centre armrest with storage

Exterior convenience/styling:

- LED headlights and tail lights
- LED daytime running lights
- LED front fog lights
- High beam assist
- 17-inch diamond-cut gloss black 5-twinspoke alloy wheels
- Remote control central locking
- Electrically operated front and rear windows
- Chrome-effect exhaust tailpipe extension
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Rear parking distance sensors

Safety/security:

- Lane departure warning with lane assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- Remote control security alarm system
- ISOFIX child seat fixings on outer rear seats

Corsa Elite Edition

VX_COR_32615

Elite Edition OTR from £19,445

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- 7-inch digital instrument cluster
- Electronic climate control
- Flat-bottomed leather-covered steering wheel
- Heated front seats
- Heated steering wheel (excluding auto models)
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Driver's and front passenger's seat height adjuster
- Front centre armrest with storage
- Fabric/premium leather-effect seat trim
- Electronic parking brake
- Paddle shift (auto models only)

Exterior convenience/styling:

- LED headlights
- LED front fog lights
- High beam assist
- 17-inch diamond-cut bi-colour alloy wheels
- Panoramic rear-view camera
- Front and rear parking distance sensors
- Electrically adjustable/folding/heated door mirrors
- Electrically operated front and rear windows
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Chrome-effect lower side window trim

Safety/security:

- Lane departure warning with lane assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- Remote control security alarm system
- ISOFIX child seat fixings on outer rear seats

Corsa Ultimate

VX_COR_32593

Ultimate OTR from £26,065

Infotainment:

- Multimedia Navi Pro system
 - Satellite navigation
 - 10-inch colour touchscreen
 - 2D/3D street level mapping
 - European coverage
 - Points-of-interest search
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers • Vauxhall Connect

Interior convenience/styling:

- 7-inch digital instrument cluster
- Electronic climate control
- Black headliner
- Flat-bottomed leather-covered steering wheel
- Heated front seats
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Adaptive cruise control
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Alcantara seat trim
- Driver's seat with massage function
- Driver's and front passenger's seat height adjuster
- Front centre armrest with storage
- 60/40 split-folding rear seats
- Electronic parking brake
- Paddle shift (auto models only)

Exterior convenience/styling:

- IntelliLux LED® Matrix headlights with LED tail lights
- LED front fog lights
- High beam assist
- 17-inch diamond-cut bi-colour alloy wheels
- Panoramic rear-view camera
- Front and rear parking distance sensors

Corsa's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer.

Corsa-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Corsa range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back when pulling away on an incline

Child Safety

- Deactivation switch for front passenger's airbag
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors
- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

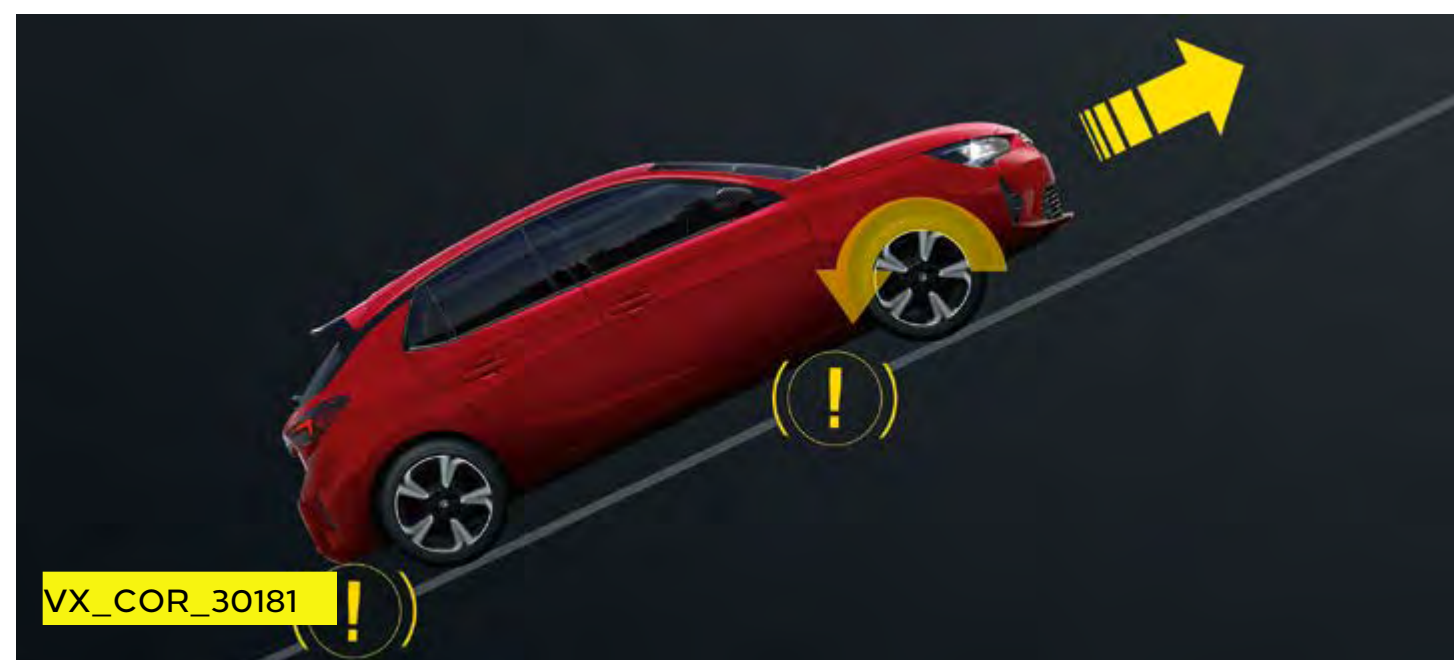

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

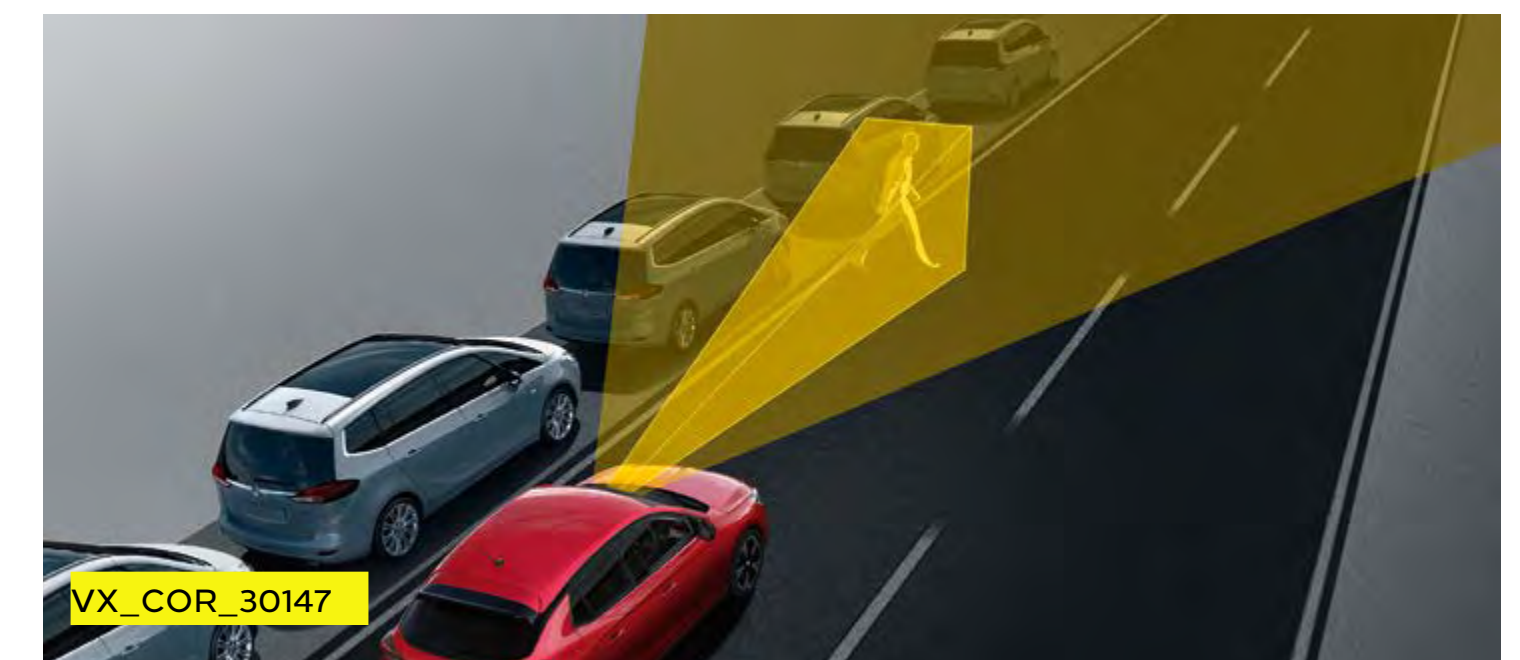

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- Works in conjunction with the cruise control/speed limiter to help the driver adapt to the recognised speed limit

Driver Information and Security

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
– indicates when to change gear for optimum fuel economy

Driver information display (centrally located in instrument cluster)

- Service-due indicator
- Deflation detection system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit
(see infotainment for details)

Security

- Electronic engine deadlock immobiliser
- Steering column lock
- Lockable fuel filler flap
- Remote control central door locking

Convenience

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors incorporating vanity mirrors with covers
- Illuminated glovebox with lid
- Interior courtesy light and front map reading lights
- Luggage compartment lighting
- Two-litre open door pockets

Heating and Ventilation

- Cabin particulate filter – removes dust, airborne particles and pollen
- Four-speed fan with illuminated controls
- Four adjustable facia vents
- Windscreen and side window demist vents

Exterior Convenience

- Solar heat-absorbing windscreen
- Two-speed windscreen wipers with variable intermittent wipe
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Glazed tailgate with heated window and wash/wipe facility
- Twin electrically adjustable/heated door mirrors
- Remote control central door locking

Infotainment

Standard Features

Multimedia

Standard on SE Edition, SRi Edition and Elite Edition models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets
- Six speakers
- 20 watts per channel output

Media connections:

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

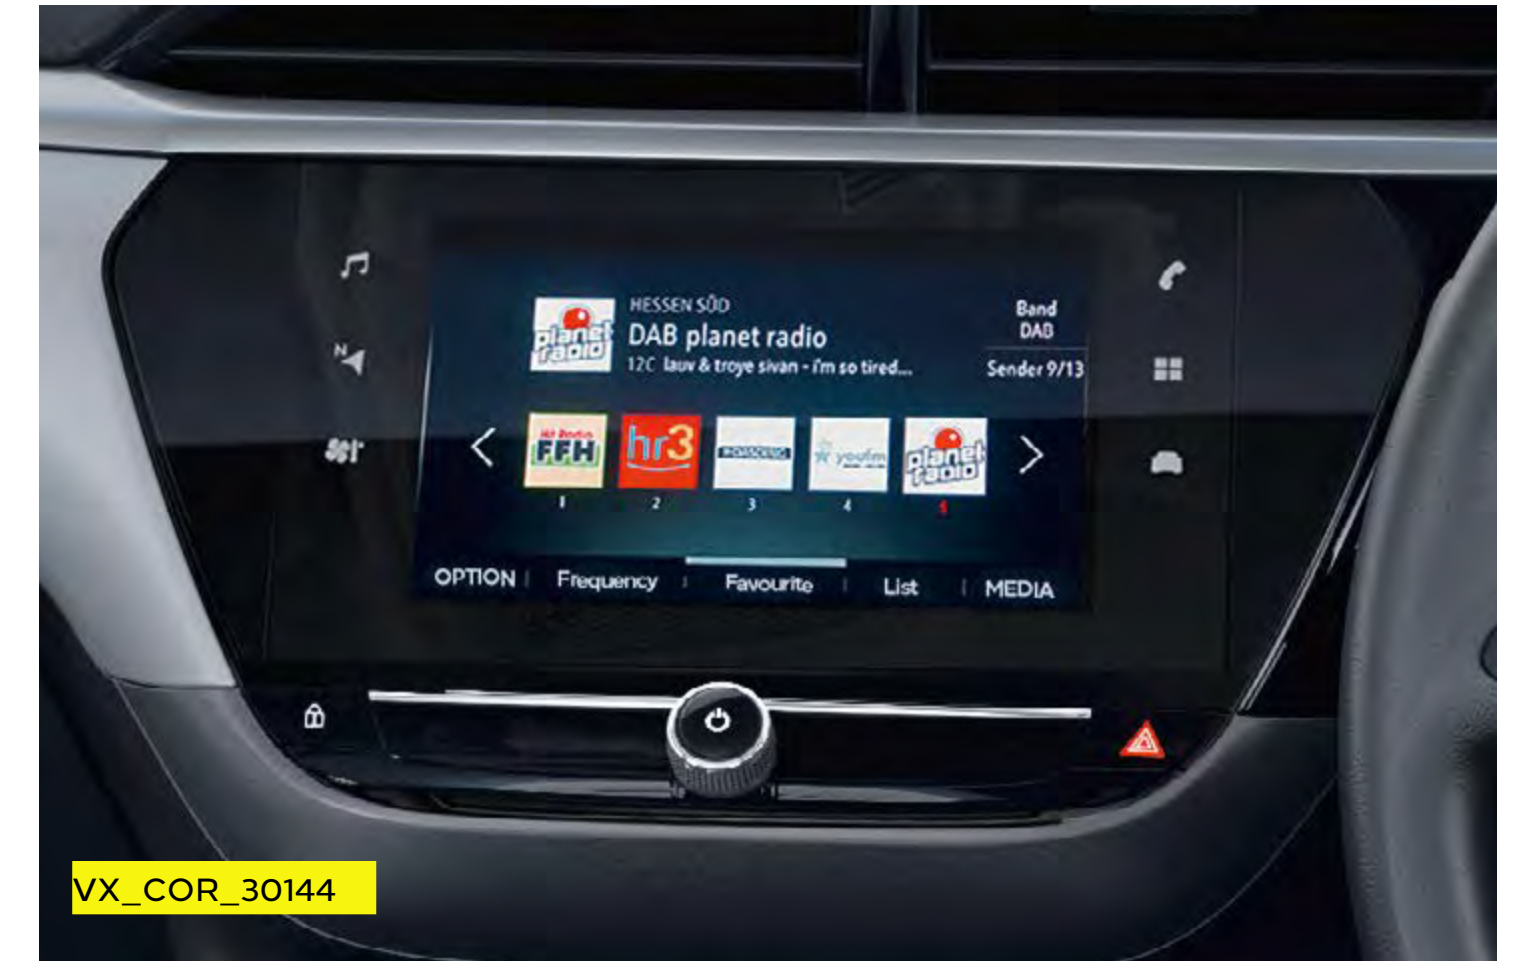

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback.

Additional features:

- Steering wheel-mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen.

Infotainment

Nav Model Features

Multimedia Navi with 7-inch touchscreen

Optional on SE Edition, SRi Edition and Elite Edition models at £500 including VAT

Standard on Corsa-e SE Premium and SRi Premium models

Features as Multimedia, with the addition of navigation features:

Onboard features:

- 7-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Vauxhall Connect*

Standard on Ultimate models

Standard on Corsa-e SE Premium, SRi Premium and Ultimate models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Multimedia Navi Pro with 10-inch touchscreen

Standard on Ultimate models

Standard on Corsa-e Elite Premium models

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Interior Styling and Comfort

SE Edition

Steering wheel:

- Three-spoke design
- Flat-bottomed
- Leather-covered
- Satin chrome-effect bezel

Facia and door trim:

- Mistral facia
- Jet Black door panels
- Chrome-effect interior door handles

Seat trim:

- Fresez Marvel Black fabric seat trim inserts
- Mistral fabric side bolsters and surrounds

Seating:

- Comfort front seats
- Driver's seat (six-way adjustable):
 - Height (up/down)
 - Reach (fore/aft)
 - Backrest (upright/recline)
- Front passenger's seat (four-way adjustable):

1.2 (130PS) Turbo automatic	1650	1200 (580)

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

- Front-wheel drive
- Five-speed manual gearbox
 - Available on 1.2 (75PS) models.
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.5 (102PS) Turbo D models.
- Eight-speed automatic transmission
 - Available on 1.2 (100PS) Turbo /1.2 (130PS) Turbo models.

Steering

- Speed-sensitive power-assisted steering

Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

- 1.2 (100PS) Turbo/1.2 (130PS) Turbo 44 litres
- 1.5 (102PS) Turbo D 41 litres

Start/Stop technology

Corsa's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Corsa-e Specifications

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

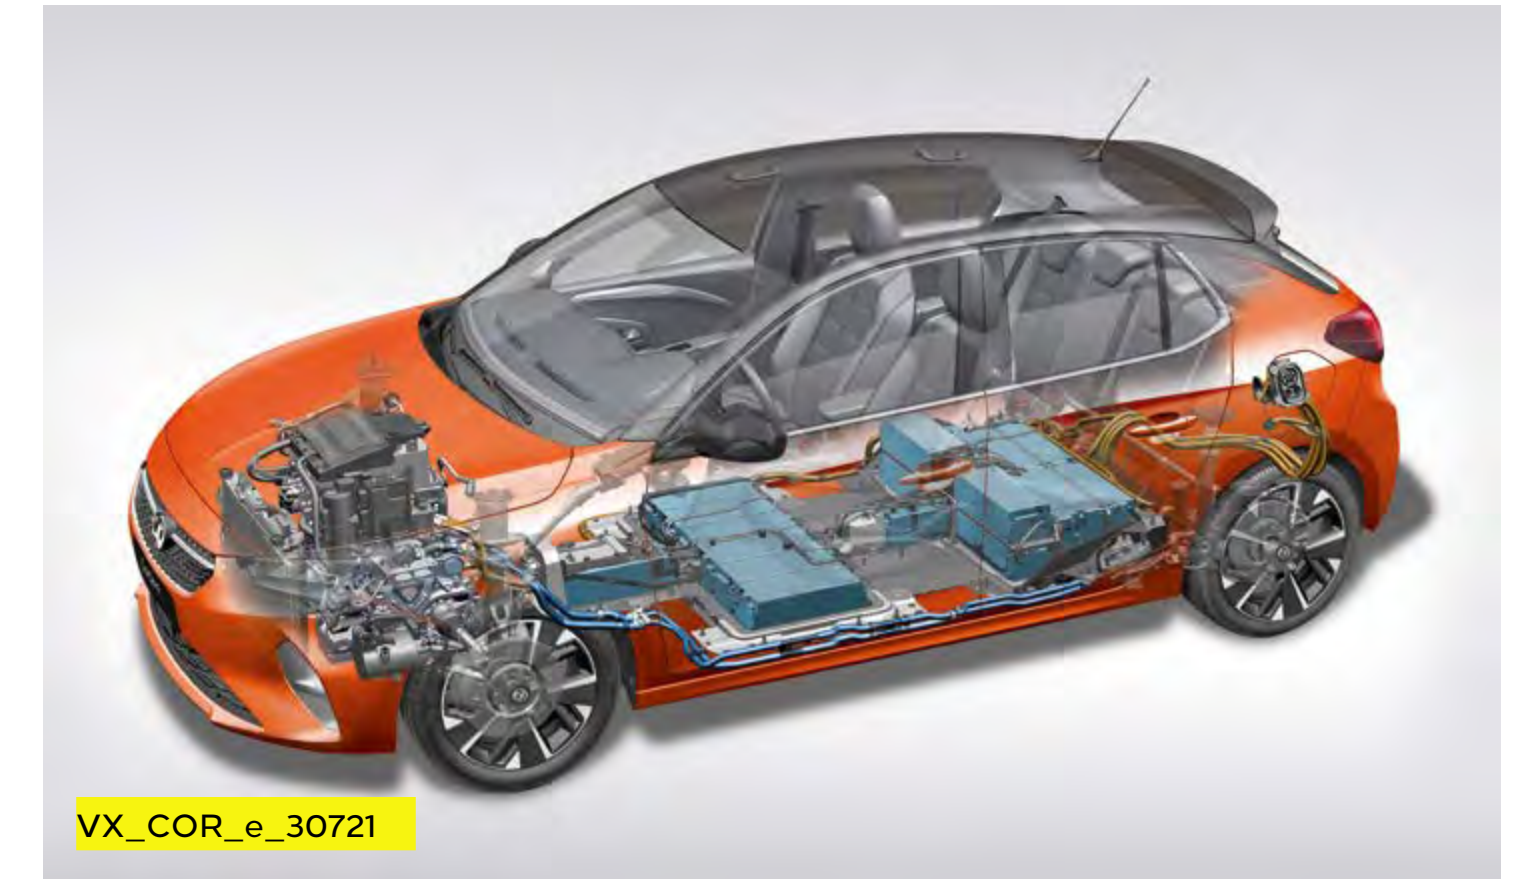

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Corsa-e
CO ₂ emissions	0g/km
Maximum power	100/136kW/PS
Maximum torque	260/192Nm/lb. ft.
Acceleration 0-60mph	7.6 sec
Maximum speed	93mph
Transmission	Automatic electric drive with fixed gear ratio
Kerbweight	1530kg
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

VX_COR_e_30722

Corsa-e Specifications

Charging

Corsa-e is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard as shown below. Additional charging accessories are available at extra cost, see Accessories page for more details or consult your local Retailer.

	11kW on-board charger
Mode 3, 3-phase 22kW cable	Standard
Mode 2, emergency charging cable	Optional accessory £584

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Corsa-e) or by using the Multimedia Navi Pro infotainment system (standard on Elite Premium).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current - Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current - Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current - Public charger (11kW)*	Type 2	5h
DC current - Rapid charger (100kW)	CCS	30m (0-80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed (standard)	11kW
EV range (WLTP high)**	222 miles
Energy consumption (Combined low/high)	16.5-16.8kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

The Corsa-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

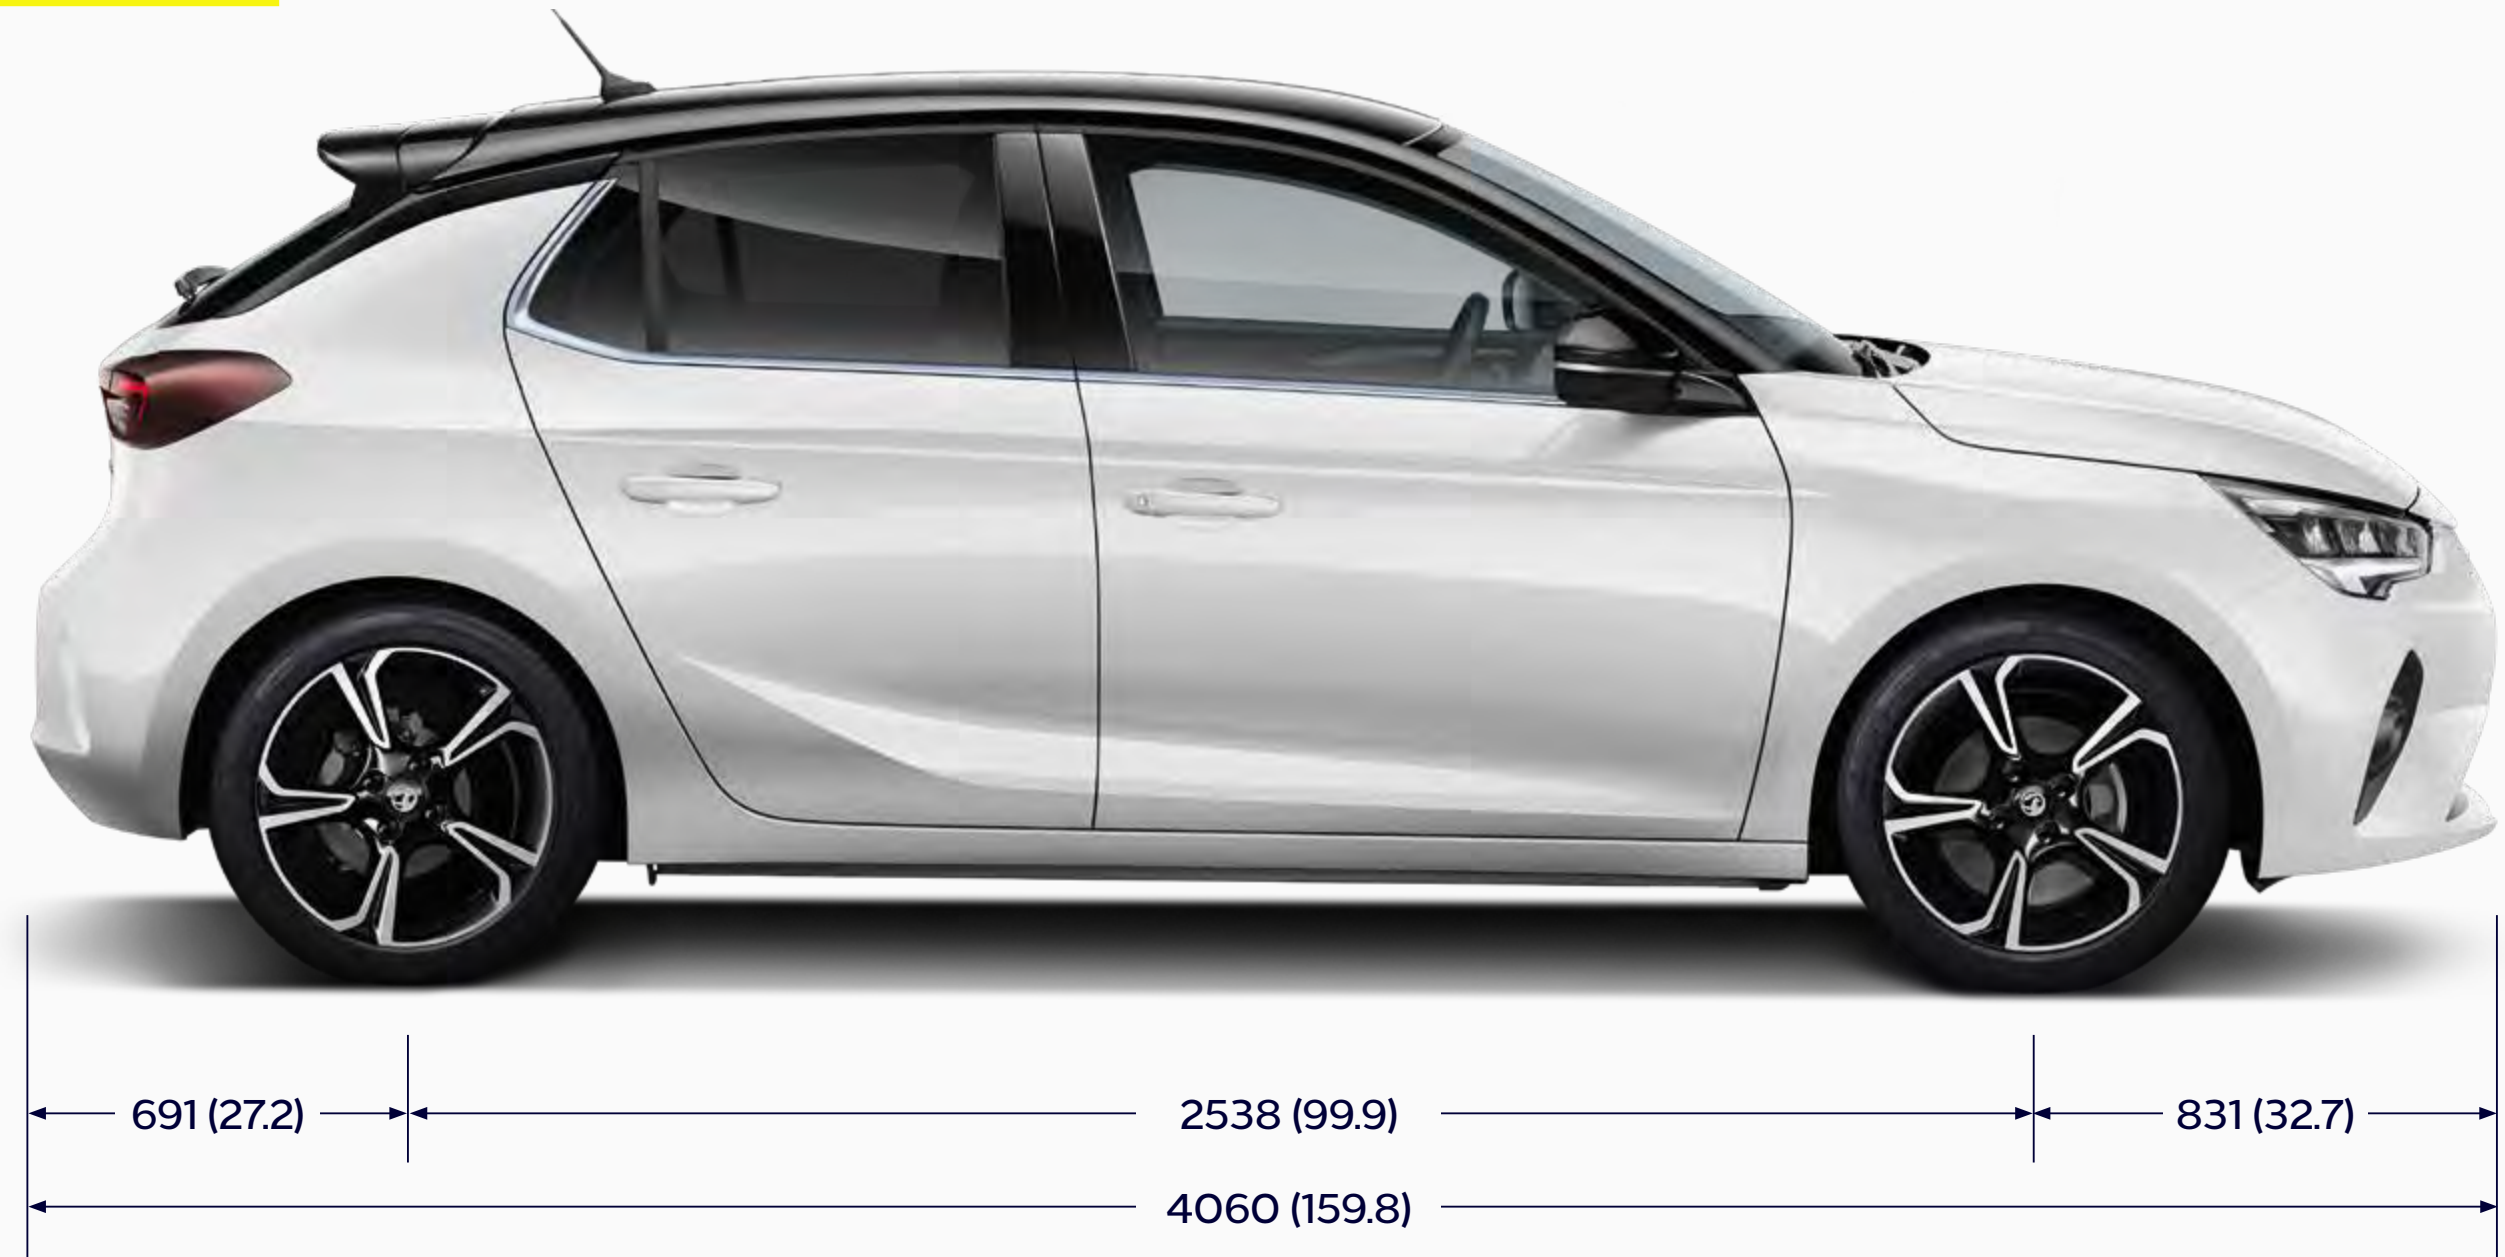

*Requires optional 11kW on board charger. **WLTP preliminary.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ³Available on petrol and diesel models only. ⁴Not compatible with SRi models.

⁵Not available in Gloss Black. ⁶Not available in Carbon fibre-effect. ⁷Only available with 17-inch diamond-cut bi-colour alloy wheels. ⁸Available in red and blue only.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Corsa SE Edition 1.5 (102PS) Turbo D Start/Stop (CO₂ emissions 105g/km)

On-the-road RRP	£19,370.00
Deduct: Vehicle Excise Duty	(£160.00)
New vehicle first registration fee	(£55.00)
Effective list price	£19,155.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£19,755.00
Car benefit charge 2021-22 tax year (25%)	£4,939.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£987.80
Higher Rate (40%) tax payer	£1,975.60

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Corsa-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

1.6 (180PS) Turbo/Electric*	EH48 IL81	Petrol/Electric	28,800.00	5,760.00	34,560.00	35,315.00	41.13	27	tba

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

*Available from Summer 2022.

*Available from Summer 2022.

Safety and Lighting

Standard Safety Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information

For further details and terms and conditions see separate Vauxhall Connect page.

Seatbelts

- Outer rear seatbelt pretensioner system
- Front and outer rear seatbelt force limiters
- ‘Seatbelt unfastened’ audible warning and warning light

Airbags

- Driver’s and front passenger’s airbags
- Front seat side-impact airbags
- Full-size curtain airbags

Braking

- In-crash braking – The system brakes the vehicle automatically after a severe collision
- Hill start assist

Tyre pressure

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat)
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Automatic emergency braking with pedestrian detection

Front camera system

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

Front camera and radar system – Standard on Ultimate models only

Adds radar-based technology, enabling you to avoid or mitigate the impact of front-end collisions by detecting fixed and mobile objects, such as cycles and pedestrians. The system will even bring the vehicle to a complete standstill when driving under 30mph in traffic

*Cycles, motorcycles, animals and other objects are not detected.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking with pedestrian detection.

Standard Driver Assistance features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Cruise control with intelligent speed adaption

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe
- Rain sensitive windscreen wipers

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- When the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Electronic parking brake

Centre console switch in lieu of handbrake lever.

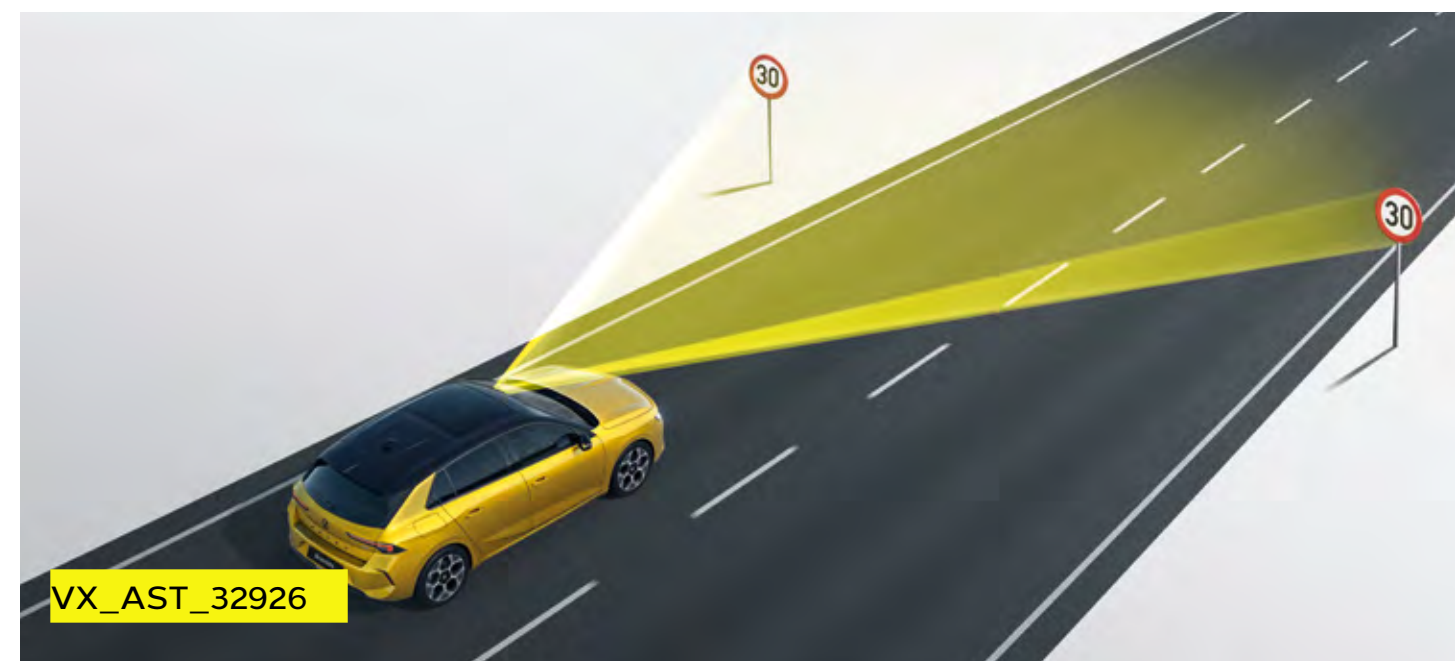

Parking distance sensors

- Front and rear parking distance sensors

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Adaptive cruise control.

Speed sign recognition.

Lane departure warning with lane keep assist.

Standard Lighting Features – The following features are standard across the entire All-new Astra range. Specific features by model are outlined in the separate tabular information.

Exterior lighting

- LED headlights and tail lights
- LED front fog lights
- High beam assist
- LED daytime running lights
- Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions

- LED side repeat indicators
- Lights-on audible warning – When driver’s door is opened an audible warning sounds to alert the lights have been left on
- Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle
- Manual headlight levelling system

- IntelliLux adaptive LED® pixel headlights - Standard on Ultimate models only. With 84 segments per headlight (168 in total), the new IntelliLux adaptive LED® pixel light system offers vastly improved visibility that helps to make night time driving significantly safer. The system automatically adapts the headlights according to the type of road or driving conditions in both dipped and full beam modes. There are 11 variations to ensure the correct lighting pattern for driving in a city street or country lane, cornering, parking or negotiating a tight bend. There’s even a tourist mode for driving your car on European roads.

Connectivity

Standard Features – The following features are standard across the entire All-new Astra range.

Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Digital infotainment display.

Pure Panel digital display.

Vauxhall Connect

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

Convenience

- E-remote control (Plug-in HYBRID-e only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Infotainment

Standard Features – The following features are standard across the entire All-new Astra range.

Onboard features

- Satellite navigation system with natural voice recognition*
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers
- Customizable screen adaption with enhanced profile management and driver recognition
- Heating, Ventilation and Air Conditioning (HVAC) user interface
- Over-the-air updates (e.g. for software)
- WiFi updates (e.g. content download)

Media connections

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- SMS read out and reply

Smartphone interface

- Apple CarPlay
- Android Auto™
- Wireless smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel mounted audio controls
- Shark fin aerial

Drive Smart

- Live navigation (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search, weather
- Trip and drive management
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

For further details and terms and conditions see separate Vauxhall Connect page.

Plug-in HYBRID-e Specifications*

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **B button:** to switch to regenerative braking

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Weights

- Kerbweight FWD: 1678kg
- Maximum towing weight:
Braked trailer 1450kg (without brakes 750kg)

Charging

- All-new Astra Plug-in HYBRID-e range comes with a Mode 2 cable and a 3.7kW on-board charger as standard. Includes cable bag at no extra cost
- A 7.4kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket**) would charge the vehicle in less than 8 hours.

All-new Astra Plug-in HYBRID-e range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

Charging		
Supply	Socket	Charge Time (0-100%)
Domestic socket (1.8kW) (10A limit)	Mode 2	7h 05m
Domestic Wallbox – Accelerated charger 7.4kW	Mode 2	3h 55m
Public Charging – Accelerated charger 11kW	Mode 3	3h 25m
Public Charging – Accelerated charger 22kW	Mode 3	1h 40m

VX_AST_PHEV_32928

VX_AST_PHEV_32923

Preliminary data determined according to WLTP test procedure methodology. EU type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.
*Provisional data. **Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

Petrol Engine*

Petrol Engine	1.6 (180PS) Direct Injection Turbo/Electric
Maximum power	150PS (110kW) @ 6000rpm
Combined power	180PS (132kW) @ 6000rpm
Maximum torque	250Nm (184lb.ft.) @ 1750rpm
Combined torque	360Nm (265lb.ft.) @ 6000rpm
Combined CO ₂ emissions (WLTP)#	24–26g/km
Combined fuel economy (WLTP)#	201–256 mpg (1.4–1.1 l/100km)
Combined maximum speed	140mph
0–60mph	9.3 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Convenience

- E-remote control
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

For further details and terms and conditions see separate Vauxhall Connect page.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

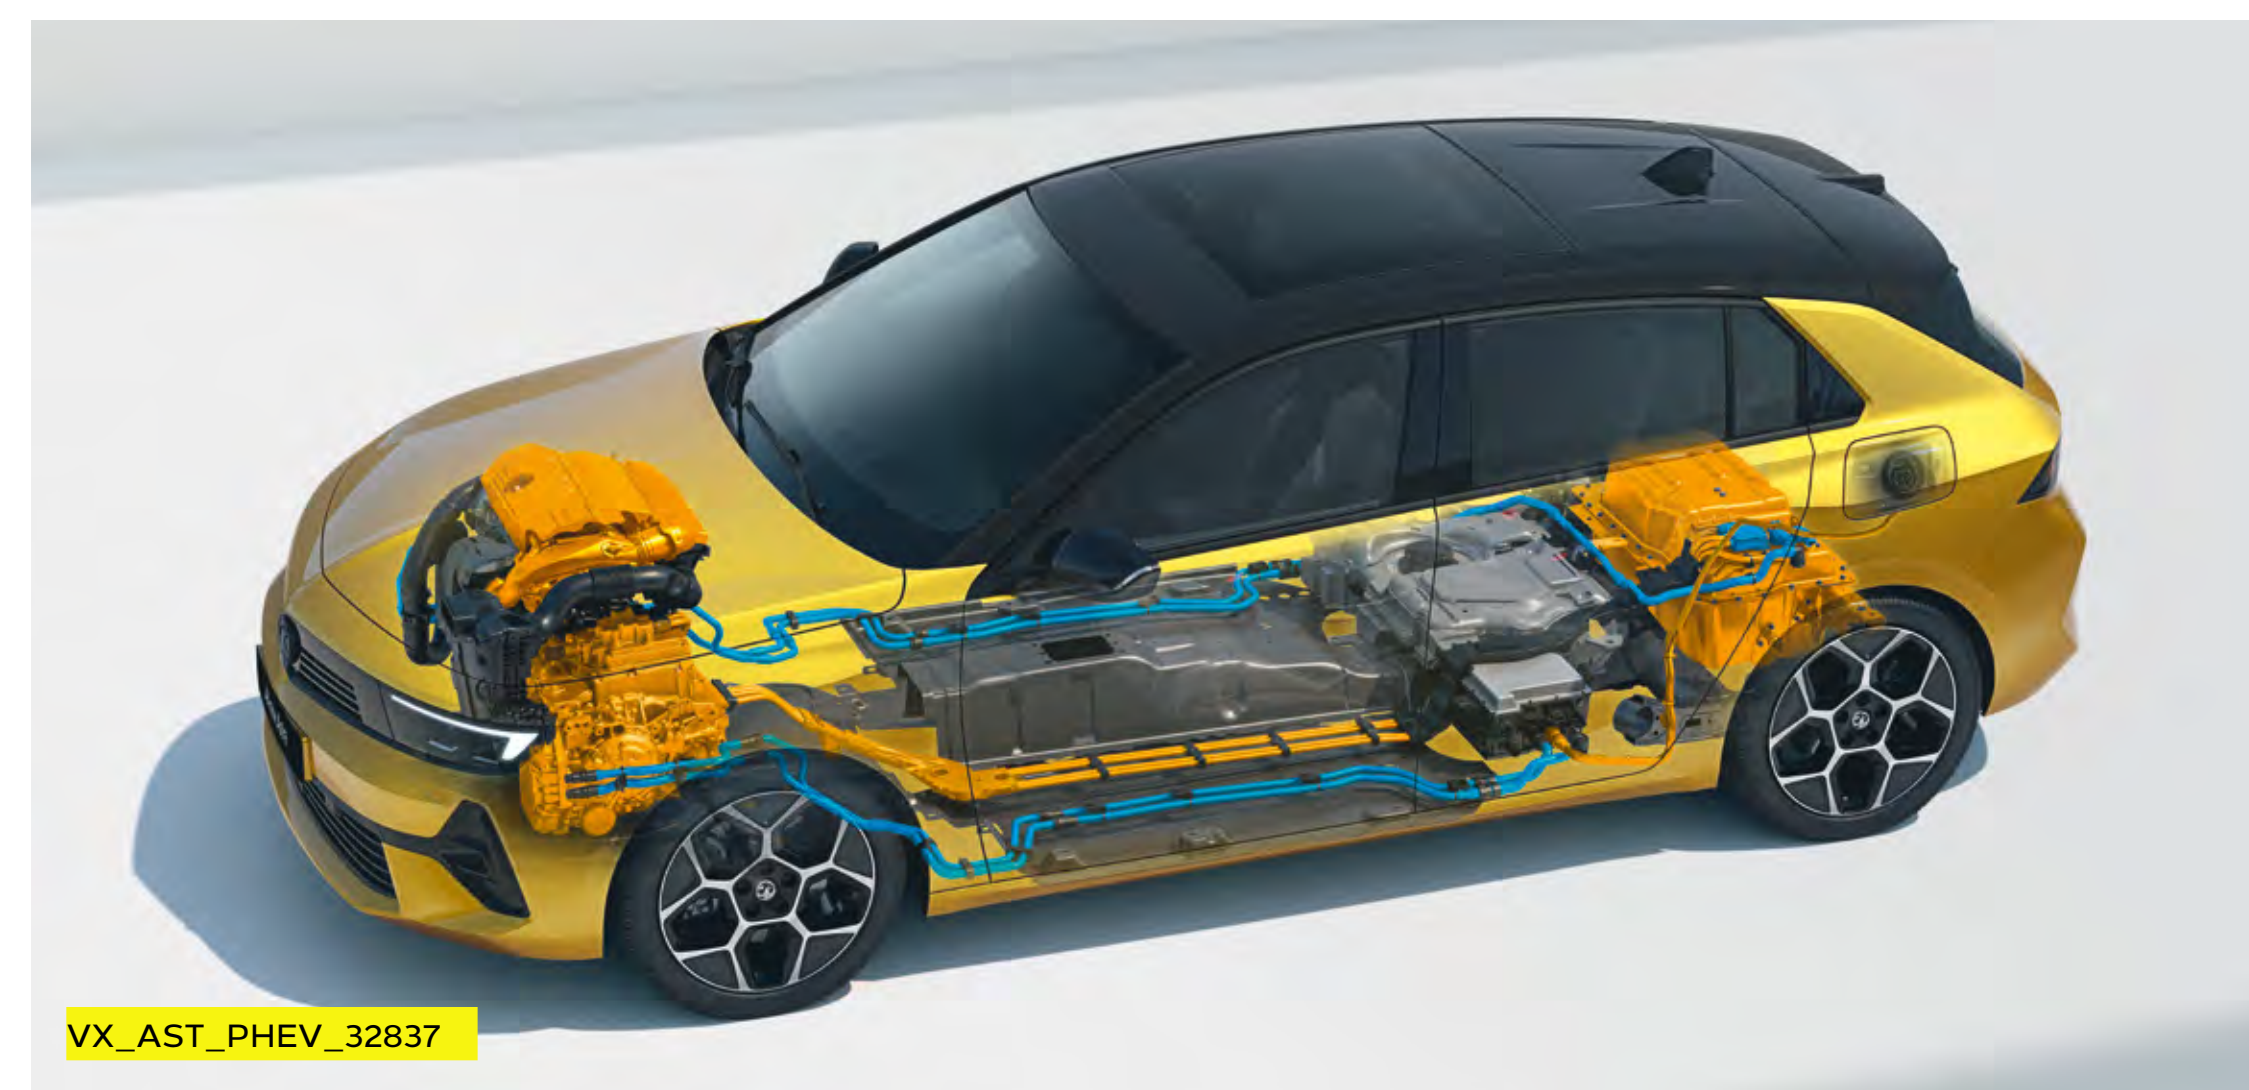

These figures were obtained using a combination of battery power and fuel. The All-new Astra Plug-in HYBRID-e requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

*Provisional data. **Please note: The EAER, Equivalent All Electric Range, is for business tax calculations only and does not represent the actual range attainable by the vehicle.

Electric Motor*

Electric Motor	
Maximum power	150hp (111kW) @ 2500rpm
Maximum torque	320Nm (236lb.ft.) @ 500–2500rpm
Battery	
Battery capacity	12.4kWh
AC on-board charger speed (standard)	3.3kW
All Electric Range – AER (WLTP high)#	35 miles
Equivalent All Electric Range – EAER (WLTP high)#	up to 42 miles**
Energy consumption (Combined low/high)	16kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

Specifications

Transmission

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo models
Diesel engine: 1.5 (130PS) Turbo D model

8-speed automatic transmission

Available on the 1.2 (130PS) Turbo/1.5 (130PS) Turbo D, the 8-speed automatic transmission enables increased drive comfort and improved fuel economy. The automatic gear lever has been replaced by an ergonomic e-toggle in harmony with the interior design. The new e-toggle is standard for combustion engine and plug-in hybrid.

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **M button:** Manual shifting mode for combustion engines. The driver changes gears with the shift paddles on steering wheel

Braking and stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Steering

- Power-assisted steering
- Turning circle (wall-to-wall): – 10.51m (34.5ft.)

Fuel Tank Capacity

52 litres (11.4 gallons)

Start/Stop technology

All-new Astra's feature Start/Stop technology offering real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from - 2021/22 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (110PS) Turbo	124	10.5	49.5 (5.7)	51.3 (5.5)	123	125	£180	£155	28%
1.2 (130PS) Turbo	130	9.7	49.5 (5.7)	51.3 (5.5)	123	129	£180	£155	28%
1.2 (130PS) Turbo auto	130	9.7	48.7 (5.8)	50.4 (5.6)	127	130	£180	£155	29%
1.5 (130PS) Turbo D	130	10.6	62.8 (4.4)	64.2 (4.5)	115	119	£180	£155	26%
1.5 (130PS) Turbo D auto	130	10.6	61.4 (4.6)	62.8 (4.5)	118	122	£180	£155	27%

Weights and Towing Data_{kg}**

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (110PS) Turbo	1820	1250 (660)
1.2 (130PS) Turbo	1840	1250 (660)
1.2 (130PS) Turbo auto	1880	1200 (680)
1.5 (130PS) Turbo D	1920	1550 (710)
1.5 (130PS) Turbo D auto	1940	1550 (710)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data.

Please note: **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

VX_AST_33922

VX_AST_PHEV_32921

Loadspace Dimensions	Petrol/Diesel	Plug-in HYBRID-e
Load floor length (rear seats folded)	1589 (62.5)	1589 (62.5)
Load floor length (behind rear seats)	795 (31.3)	770 (30.3)
Load area width	1020 (40.2)	1020 (40.2)
Load area height	698 (27.5)	698 (27.5)
Tailgate aperture width (maximum)	1019 (40.1)	1019 (40.1)
Tailgate aperture height	526 (20.7)	526 (20.7)

Luggage Capacities* Litres (cu.ft.)	Petrol/Diesel	Plug-in HYBRID-e
Rear seat up (under luggage compartment cover)	367 (12.9)	305 (10.7)
Rear seat down (measured to roof)	1182 (41.7)	1122 (39.6)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

All-new Astra Design 1.5 (130PS) Turbo D (CO₂ emissions 114g/km[†])

On-the-road RRP	£24,875.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24,640.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£25,240.00
Car benefit charge 2021-22 tax year (27%)	£6,815.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,363.00
Higher Rate (40%) tax payer	£2,726.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

[†]Provisional data.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%
65–69	17%
70–74	18%
75–79	19%
80–84	20%
85–89	21%
90–94	22%
95–99	23%
100–104	24%
105–109	25%
110–114	26%
115–119	27%
120–124	28%
125–129	29%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on the Grandland Plug-in HYBRID-e range the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Elite Nav Premium

Upgrade to the Elite Nav Premium for more comfort and more style, inside and out.

VX_AST_31900

Astra Range Highlights

Business Edition Nav

Standard features include:

- Multimedia Navi system
 - Satellite navigation
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB audio connection
- 3.5-inch information monochrome display
- 16-inch five twin-spoke alloy wheels
- Six speakers • Air conditioning
- Multi-function trip computer
- Cruise control with speed limiter
- Steering wheel audio/phone/cruise controls
- Steering column adjustable for reach/rake
- Electrically operated front/rear windows
- Remote control central locking
- Electrically adjustable/heated door mirrors
- Electronic Stability Programme (ESP)
- ISOFIX child seat mounting points on outer rear seats
- Six airbags • Hill start assist
- Electronic engine deadlock immobiliser
- Black roof rails (Sports Tourer only)
- 60/40 split-folding rear seat back
- Front centre armrest
- Door-to-door illumination
- Leather-covered steering wheel
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Interior ambient lighting
- Rear reading spotlights

SRI Nav

Features over Business Edition Nav models:

- 17-inch five twin-spoke alloy wheels
- LED headlights
- Remote control ultrasonic security alarm system
- Automatic emergency braking
- Forward collision alert
- Following distance indicator
- Lane departure warning with lane assist
- Driver's ergonomic active sports-style seat (AGR approved*)
- Electronic parking brake
- Soundproofed insulated windscreen
- Front fog lights
- Automatic anti-dazzle rear-view mirror
- Dual-zone electronic climate control
- Humidity sensor
- Silver-effect roof rails (Sports Tourer only)

Griffin Edition

Features over SRI Nav models:

- 18-inch bi-colour, ten twin-spoke alloy wheels
- Dark-tinted rear windows
- Black roof
- Front and rear parking distance sensors
- Heated front seats
- Heated leather-covered steering wheel
- Rear floor heating ducts
- Griffin badge
- Front and rear floor mats (front Griffin-branded)
- Chrome-effect upper window surround

Elite Nav Premium

Features over SRI Nav models:

- Multimedia Navi Pro system
 - 8-inch colour touchscreen
- 8-inch colour digital instrument display
- Front and rear parking distance sensors
- Rear floor heating ducts
- Shark fin aerial
- Rear view camera, digital
- Keyless entry and start
- Heated front seats
- Heated leather-covered steering wheel
- Twin rear USB sockets
- Ergonomic active sports-style front seats (AGR-approved*)
- Perforated leather seat trim inserts
- Driver's seat with Wellness Functions
- Chrome-effect upper window surround

Please note: Elite Nav Premium models do not feature front fog lights.

Astra Business Edition Nav

VX_AST_31166

Business Edition Nav

OTR from
£20,235

Infotainment:

- Multimedia Navi system
 - Satellite navigation
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB audio connection
- Six speakers

Interior convenience/styling:

- 3.5-inch monochrome information display
- Air conditioning
- Multi-function trip computer
- Cruise control with speed limiter
- Door-to-door illumination
- Steering wheel audio/phone/cruise controls
- Steering column adjustable for reach/rake
- 60/40 split-folding rear seat back
- Front centre armrest
- Leather-covered steering wheel
- Interior Light Pack
 - Interior ambient lighting
 - Illuminated vanity mirrors
 - Rear reading spotlights

Exterior convenience/styling:

- 16-inch five twin-spoke alloy wheels
- Electrically operated front/rear windows
- Electrically adjustable/heated door mirrors
- Black roof rails (Sports Tourer)
- Sight and Light Pack
 - Rain sensitive windscreen wipers
 - Automatic lighting control with tunnel detection

Safety/security:

- Electronic engine deadlock immobiliser
- Tyre pressure monitoring system
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Hill start assist
- ISOFIX child seat mounting points, outer rear seats
- LED daytime running lights
- Remote control central locking

Astra SRi Nav

VX_AST_31902

SRi Nav OTR from £22,290

Infotainment:

- Multimedia Navi system
 - Satellite navigation
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB audio connection
- Six speakers

Astra's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Safety

Standard Features – The following features are standard across the entire Astra range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable front head restraints
- Three height-adjustable rear seat head restraints
- Anti-submarining ramps in all seats

Seatbelts

- Front inertia-reel lap and diagonal seatbelts
- Three inertia-reel lap and diagonal rear seatbelts
- Front seatbelts with crash locking tongues
- Outer rear seatbelt pretensioner system
- Front and outer rear seatbelt force limiters
- 'Seatbelt unfastened' audible warning and warning light

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Braking

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.

- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline
- Adaptive brake lights – Automatically warns other road users of heavy braking

Tyre pressure

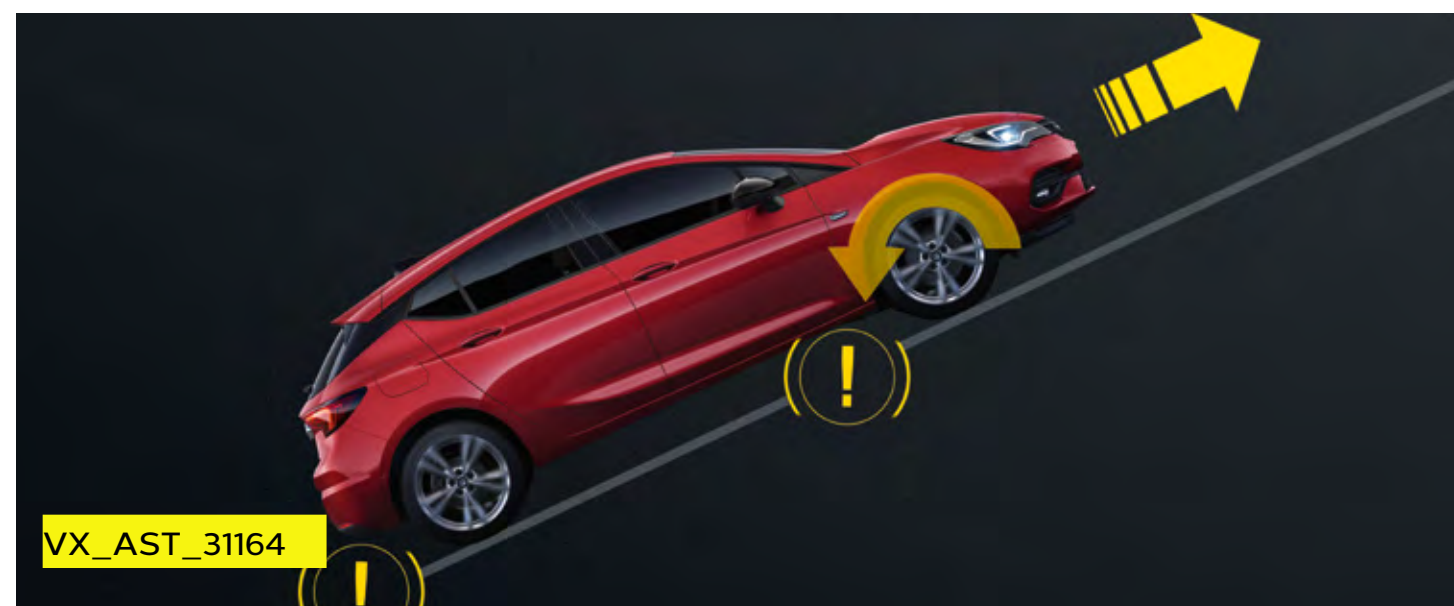

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking (see next page as part of Driving Assistance Pack).

Driver Assistance

Standard Features – The following features are standard across the entire Astra range.
Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe
- Rain sensitive windscreen wipers

Driver Information and Security

Standard Features – The following features are standard across the entire Astra range.
Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- ‘Key left in ignition’ audible warning
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Infotainment

Standard Features

Multimedia Navi with 7-inch touchscreen

Standard on Business Edition Nav, SRi Nav and Griffin Edition models

Onboard features:

- 7-inch colour touchscreen
- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- SMS read out and reply

Smartphone interface

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. [#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication.

Weights and Towing Data^{kg}

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	Hatchback	Sports Tourer	Hatchback	Sports Tourer
1.2 (110PS) Turbo	1805	-	1220 (620)	-
1.2 (130PS) Turbo	1805	1870	1350 (620)	1250 (660)
1.2 (145PS) Turbo	1805	1870	1350 (620)	1250 (660)
1.5 (105PS) Turbo D	1880	-	1300 (660)	-
1.5 (122PS) Turbo D	1880	1945	1450 (660)	1450 (680)
1.5 (122PS) Turbo D 9-speed auto	1920	1980	1350 (660)	1250 (680)

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Specifications

Transmission

Six-speed manual gearbox

Petrol engines: 1.2 (110/130/145PS) Turbo models
Diesel engines: 1.5 (105/122PS) Turbo D models

9-speed automatic transmission

Available on the 1.5 (122PS) Turbo D, the 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered with reducing the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Body

Aerodynamic drag co-efficient:
Hatchback – Cd 0.26
Sports Tourer – Cd 0.25

Fuel Tank Capacity

48 litres (10.5 gallons)

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

All models

Front ventilated discs: 276mm diameter
Rear discs: 264mm diameter

Steering

- Power-assisted steering
- Turning circle (wall-to-wall): – 11.05m (36.2ft.)

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	Hatchback	Sports Tourer
Load floor length (rear seats folded)	1575 (62.0)	1705 (67.1)
Load floor length (behind rear seats)	828 (32.5)	1065 (41.9)
Load area width	1001 (39.4)	1050 (41.3)
Load area height	841 (33.1)	822 (32.3)
Tailgate aperture width (maximum)	1015 (39.9)	1032 (40.6)
Tailgate aperture height	600 (23.6)	747 (29.4)

Luggage Capacities Litres (cu.ft.)	Hatchback	Sports Tourer
Rear seat up (under luggage compartment cover)	370 (13.0)	540 (19.0)
Rear seat down (measured to roof)	1210 (42.7)	1630 (57.5)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

¹Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ²For vehicles with spare wheel. For vehicles without spare wheel, load compartment storage tray required to use cargo liner. ³Not compatible with spare wheel. ⁴Available with 13-pin electrics.

⁵Different tyres and locking wheel bolts/nuts may be required at extra cost. Price excludes new tyres and locking wheel bolts/nuts, includes static wheel balancing.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your free* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Astra Business Edition Nav 1.5 (105PS) Turbo D 5-door hatchback (CO₂ emissions 113g/km)

On-the-road RRP	£21,435.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£21,200.00
Add: Optional two-coat metallic paint	£550.00
List price for tax purposes (P11D value)	£21,750.00
Car benefit charge 2021-22 tax year (26%)	£5,655.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,131.00
Higher Rate (40%) tax payer	£2,262.00

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1-50	£10	£155

M	Over 255	£2,245	£155

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services†
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer††
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Insignia's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Safety

Standard Features – The following features are standard across the entire Insignia range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable front head restraints
- Three height-adjustable rear seat head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Braking

- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

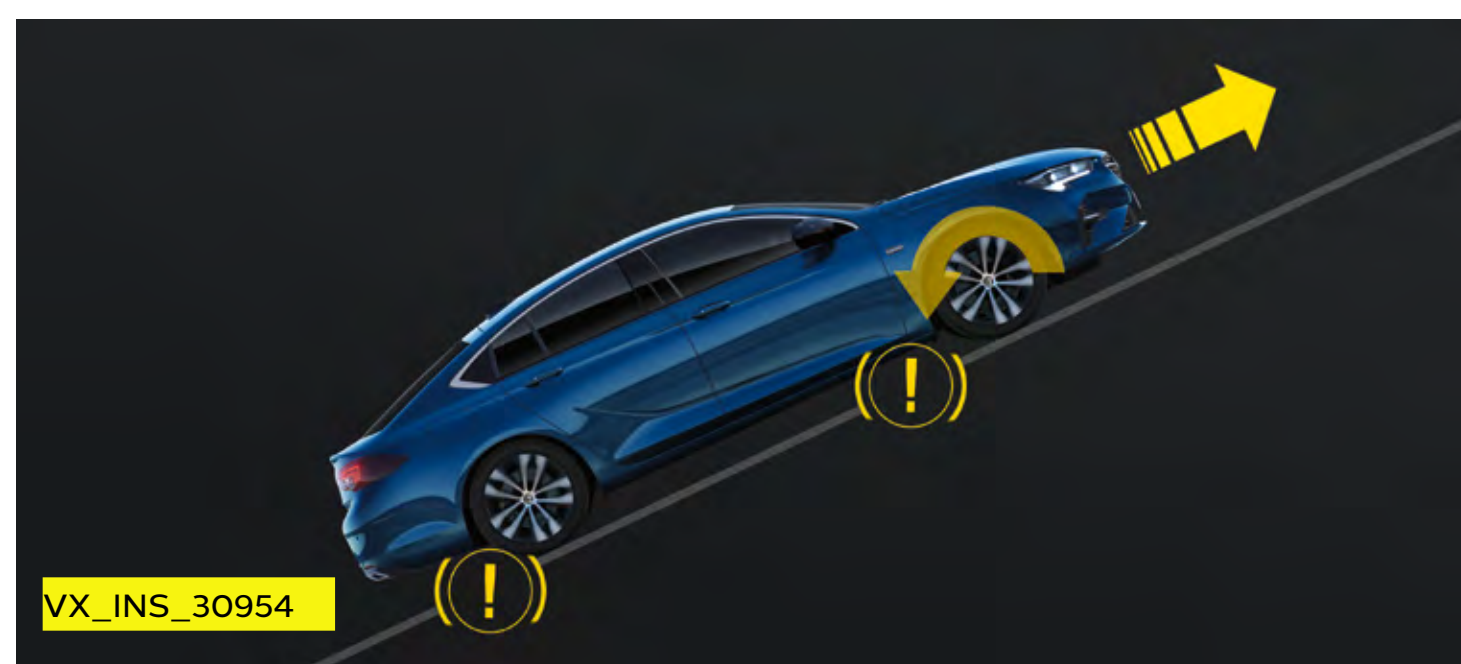

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian's head and underbonnet components
- Upper and lower bumper design – Reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire Insignia range.
Specific features by model are outlined in the separate tabular information.

Cruise control with intelligent speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert (low speed)

Calculates the distance of vehicles ahead and pedestrians and warns the driver in case of a possible collision. The driver can choose the preferred distance.

- Visual warnings – Red LEDs projected onto windscreen and visual warning shown in the instrument cluster
- Audible warning

Parking sensors

- Front and rear parking distance sensors

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Automatic emergency braking with pedestrian detection

Uses either the camera or radar to detect foreign objects and pedestrians and slows down or brakes the vehicle.

Helps prevent fatal collisions at lower speeds and lets drivers drive with greater reassurance.

Speed sign recognition

Uses the front camera to detect all types of road signs.

- Informs and reminds drivers of current speed limits, conditions and laws
- Displays country-specific signs for Europe

Following distance indicator

Indicates how many seconds you are behind the vehicle in front – Helping you maintain a safe distance.

- Timings are shown in the driver information display
- Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver

Electronic parking brake

- Centre console switch in lieu of handbrake lever
- Premium centre console featuring adjustable armrest

Steering

- Dual pinion electrical power steering

Wipers

- Rain-sensitive windscreen wipers
- Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Driver Information and Security

Standard Features – The following features are standard across the entire Insignia range.
Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

- 8-inch digital instrument cluster
- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver's door

Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
- Ultrasonic interior sensors
- Tilt sensor
- Independent power supply
- Thatcham approved (T1)

Model Specific Feature

Security		
Keyless entry and start		●

Convenience

Standard Features – The following features are standard across the entire Insignia range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors with vanity mirrors
- Reach and rake-adjustable steering
- Steering wheel audio/phone/cruise controls
- Automatically dimming anti-dazzle rear-view mirror

Heating and Ventilation

- Dual-zone electronic climate control
- Four adjustable facia vents
- Windscreen and side window demist vents
- Heated leather-covered steering wheel

Interior Storage

- Illuminated glovebox with lid
- Front door pockets with 1.5-litre bottle holder
- Two drinks holders in centre console
- Rear door pockets with 1-litre bottle holder
- Front centre adjustable armrest with 4-litre storage capacity (2.8 litres on SRi Premium models)

Luggage Area

- Luggage compartment cover
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts
- Storage tray in spare wheel well

Interior Lighting

- Central front and rear courtesy lights
- Illuminated load area
- Twin rear reading lights
- Twin front reading lights with illuminated switches
- Ambient LED lighting

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Braked towing weight is applicable to vehicles fitted with optional Factory-fit tow bar. †Braked towing weight is applicable to vehicles fitted with a Retailer-fit Accessory tow bar.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

Six-speed manual gearbox

Diesel engines: 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D

Eight-speed Automatic transmission

Available on 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D.

Nine-speed Automatic transmission

Available on 2.0 (200PS) Turbo. The new 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered to help reduce the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight 4-link with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of four distinct driving modes – Normal (default setting), Sport, Tour and Competition mode.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance.
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort.
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes.

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Braking and stability

- Dual pinion electrical power steering

Fuel Tank Capacity

62 litres (13.6 gallons)

AdBlue® Tank Capacity

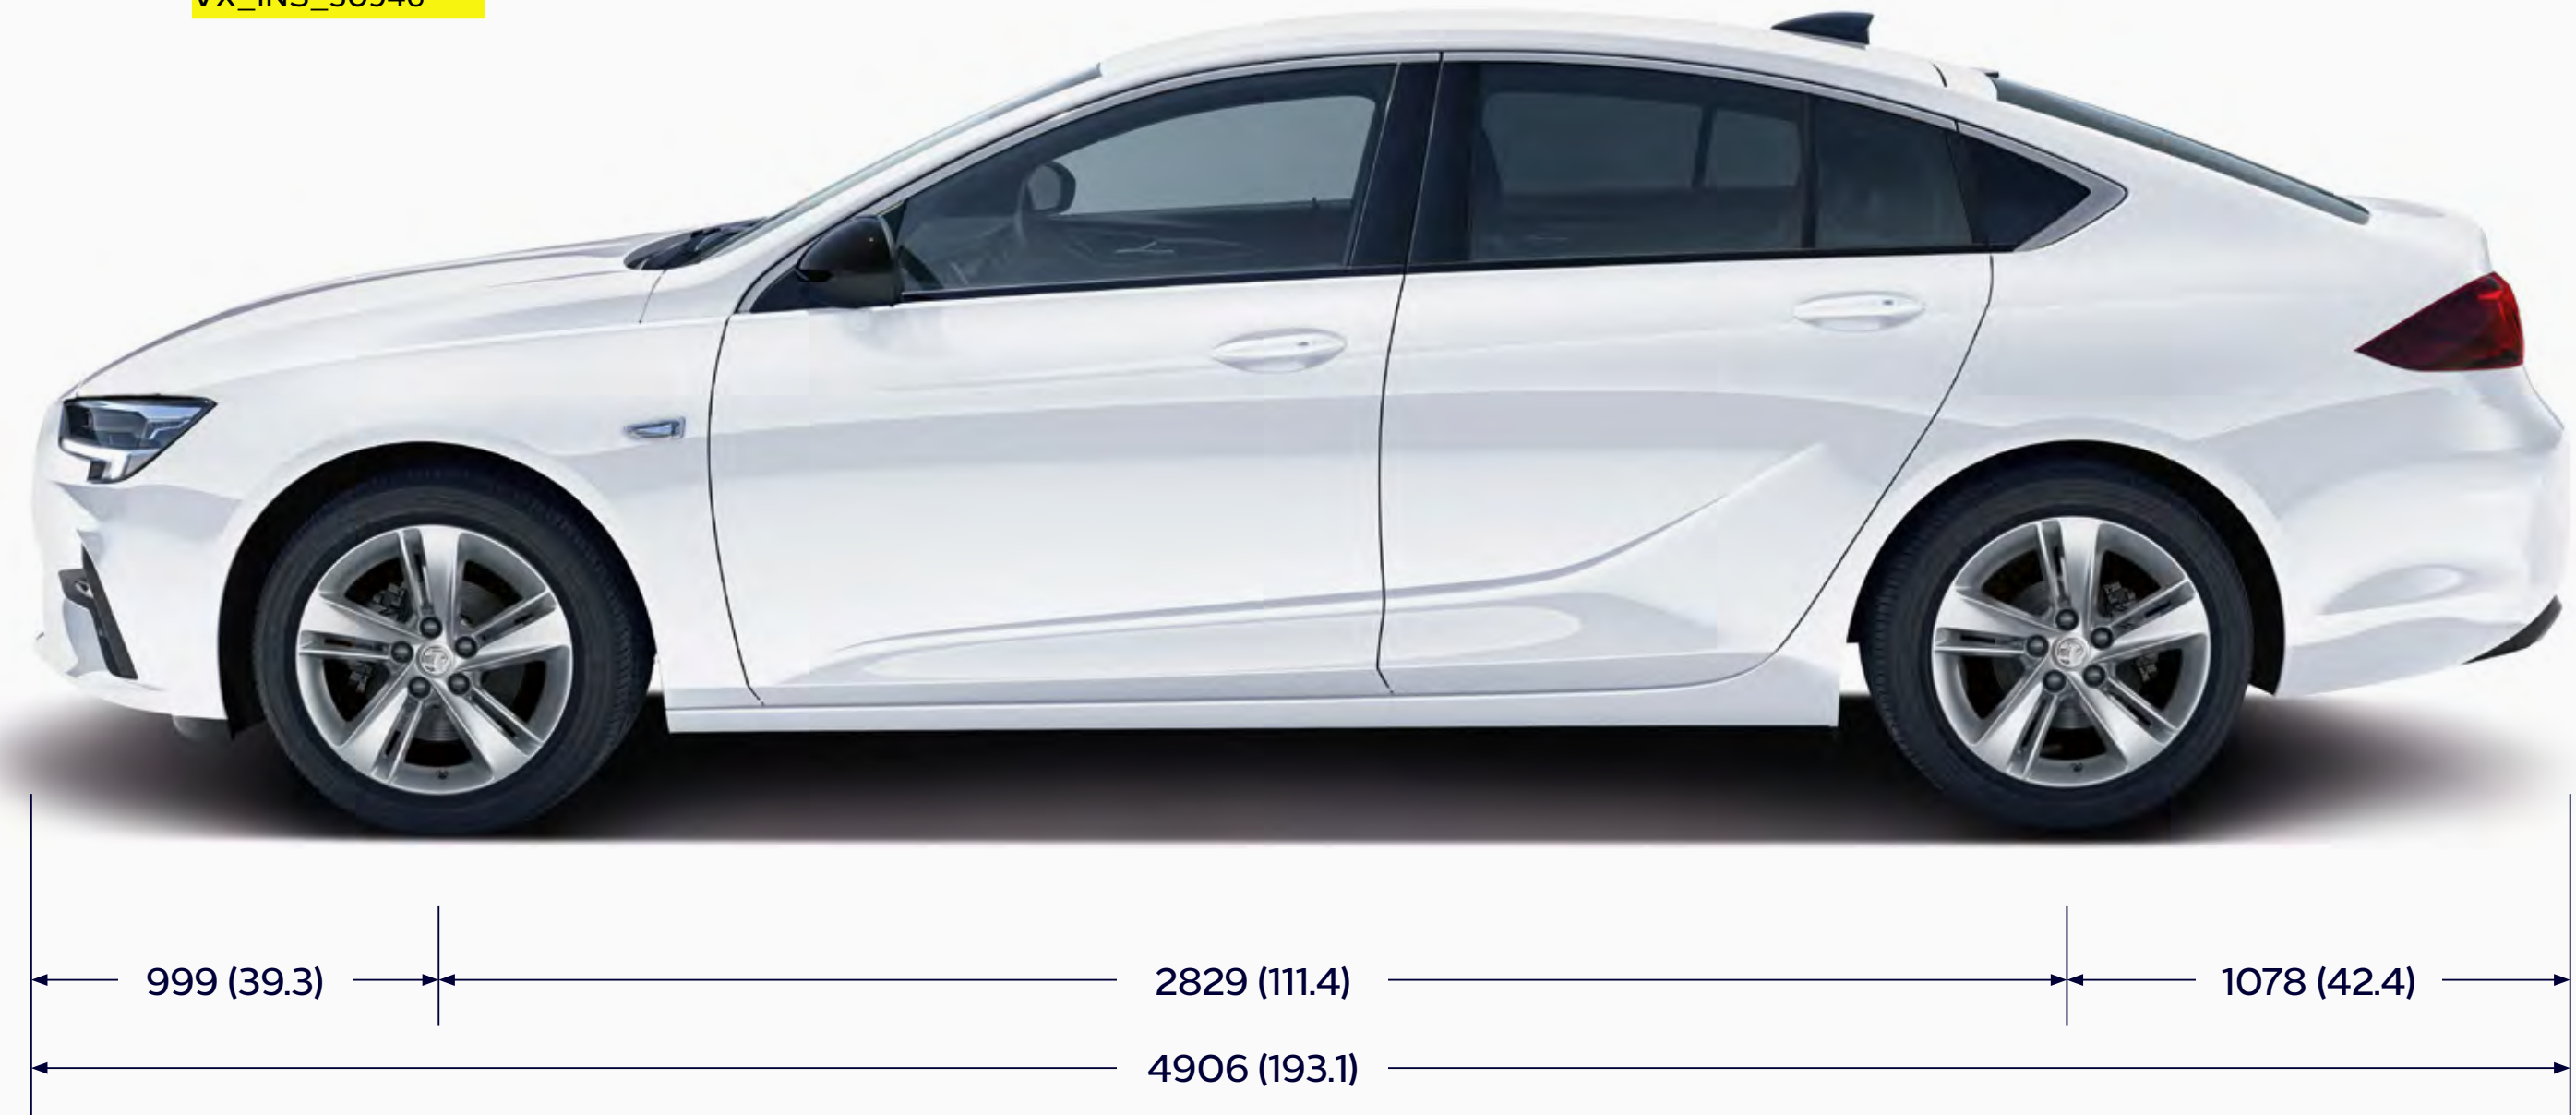

15 litres (3.3 gallons)

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

VX_INS_30945

VX_INS_30946

Loadspace Dimensions	
Load floor length (rear seats folded)	1937 (76.3)
Load floor length (behind rear seats)	1133 (44.6)
Load area width	1030 (40.5)
Load area height	722 (28.4)
Tailgate aperture height	557 (21.9)

Luggage Capacities* Litres (cu.ft.)	
Rear seat up (under luggage compartment cover)	490 (17.3)
Rear seat down (measured to roof)	1450 (51.1)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

Please note: Images are for illustrative purposes only and are not representative of vehicle specifications.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your free* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%^{**} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Insignia SE Edition 1.5 (122PS) Turbo D (CO₂ emissions 122g/km[‡])	
On-the-road RRP	£26,770.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£26,535.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,135.00
Car benefit charge 2021-22 tax year (28%)	£7,598.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,519.60
Higher Rate (40%) tax payer	£3,039.20

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

[†]Excludes residents of Scotland.

[‡]Provisional data.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1-50	£10	£155
C	51-75	£25	£155
D	76-90	£115	£155
E	91-100	£140	£155
F	101-110	£160	£155
G	111-130	£180	£155
H	131-150	£220	£155
I	151-170	£555	£155
J	171-190	£895	£155
K	191-225	£1,345	£155
L	226-255	£1,910	£155
M	Over 255	£2,245	£155

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service.
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services†
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer††
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Choose Your Trim Level

SE Edition

First in the line-up is the wonderfully well-equipped SE Edition.

Mokka-e SE Premium

Mokka-e's entry level trim which is highly equipped as standard.

SRI Premium

This sporty number in the range comes with stylish red accents and is loaded with even more tech.

Mokka-e SRI Premium

Stylish, sporty and 100% electric in more ways than one.

Elite Edition

Both Elite models come with sat nav as standard, with Elite Premium giving you even more styling and technology features.

Mokka-e Elite Premium

e-mobility with more than a hint of style and technology thrown in.

Ultimate

All you could ask for; our Ultimate model has it all.

Mokka-e Ultimate

All you could ask for and all-electric; the Ultimate model is top-of-the range.

All-new Mokka Range Highlights

SE Edition

Standard features include:

- Multimedia infotainment system
 - 7-inch colour touchscreen
 - DAB digital radio
 - Bluetooth®
 - Front USB connection
- Six speakers
- 7-inch digital instrument cluster
- 16-inch silver alloy wheels
- Body coloured front/rear skid plates
- Black painted rear spoiler
- Chrome-effect upper window moulding
- Air conditioning
- Driver drowsiness alert
- Forward collision alert (low speed)
- Automatic emergency city braking
- Speed sign recognition
- Cruise control with speed limiter
- Lane departure warning with lane keep assist
- Flat bottomed leather-covered steering wheel
- Steering column adjustable for reach and rake
- Steering wheel mounted audio controls
- Tyre pressure monitoring system
- Remote control central locking
- Electrically adjustable/heated door mirrors
- LED headlights and tail lights
- LED daytime running lights
- Six airbags
- Hill start assist

SRI Premium

Features over SE Edition models:

- Multimedia Navi Pro infotainment system
 - 10-inch colour touchscreen
- 12-inch digital instrument cluster
- 18-inch bi-colour alloy wheels with red accents
- Black roof
- Red upper window moulding
- Black Griffin logo and vizor frame
- Black front/rear skid plates
- Black headliner
- Dark-tinted rear windows
- Vauxhall Connect
- Front centre armrest with storage
- 2 rear USB connections
- Forward collision alert (all speed)
- Adaptive cruise control
- Lane positioning assistant*
- Heated front seats
- Electronic climate control
- LED front fog lights
- Alloy sports pedals
- Storage pockets on front seat backs
- Panoramic rear-view camera
- Sports switch with engine sound enhancement
- Side blind spot alert and flank guard
- Front and rear parking distance sensors
- Remote control ultrasonic security alarm system
- Keyless entry and start
- Heated steering wheel
- Electrically foldable door mirrors
- Sight and Light Pack

Elite Edition

Features over SE Edition models:

- Multimedia Navi infotainment system
 - Satellite navigation
 - 2 rear USB connections
- 17-inch bi-colour alloy wheels
- Black roof
- Chrome-effect front/rear skid plates
- Vauxhall Connect
- Forward collision alert (all speed)
- Adaptive cruise control
- Lane positioning assistant (Automatic transmission only)
- Heated front seats
- Heated steering wheel**
- Electronic climate control
- LED front fog lights
- Rear parking distance sensors

Mokka's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Mokka-e is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

Mokka-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Mokka range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline
- Adaptive brake lights – Automatically warns other road users of heavy braking

Child Safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire Mokka range.
Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Convenience

Standard Features – The following features are standard across the entire Mokka range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's and front passengers sunvisors incorporating vanity mirrors with covers
- Dipping rear-view mirror
- Reach and rake-adjustable steering
- Steering wheel mounted audio controls
- Front USB connection

Heating and Ventilation

- Air recirculation facility
- Cabin particulate filter – Removes dust, airborne particles and pollen
- Four-speed fan
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents

Interior Storage

- Centre console with two cup holders at front and one in rear
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Door pockets with two-litre capacity

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Mokka range.
Specific features by model are outlined in the separate tabular information.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

Driver Information

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Pure Panel – Infotainment

Standard Features

Multimedia with 7-inch touchscreen

Standard on SE Edition

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay • Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Standard on SRi (from May 2021) and Nav models only. Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Multimedia Navi with 7-inch touchscreen

Standard on Elite Edition

Standard on Mokka-e SE Premium models

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Multimedia Navi Pro with 10-inch touchscreen

Standard on SRi Premium, Elite Premium and Ultimate

Standard on Mokka-e SRi Premium, Elite Premium and Ultimate models

Features as Multimedia Navi, with the addition of:

- 10-inch colour touchscreen

Vauxhall Connect*

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen on multimedia Navi Pro audio unit.

Interior Styling and Comfort

SE Edition/SE Premium

Steering wheel:

- Three-spoke design

1.5 (110PS) Turbo D	1750	1200 (640)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

- Front-wheel drive
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.2 (130PS) Turbo/1.5 (110PS) Turbo D models.
- Eight-speed automatic transmission
 - Available on 1.2 (130PS) Turbo models.

Steering

- Single pinion electrical power steering

Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

Petrol/diesel engines

– 1.5 (110PS) Turbo D 41 litres (9.0 gallons)

AdBlue® Tank Capacity

– 15 litres (3.3 gallons)

Start/Stop technology

New Mokka's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

All-new Mokka-e Specifications

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

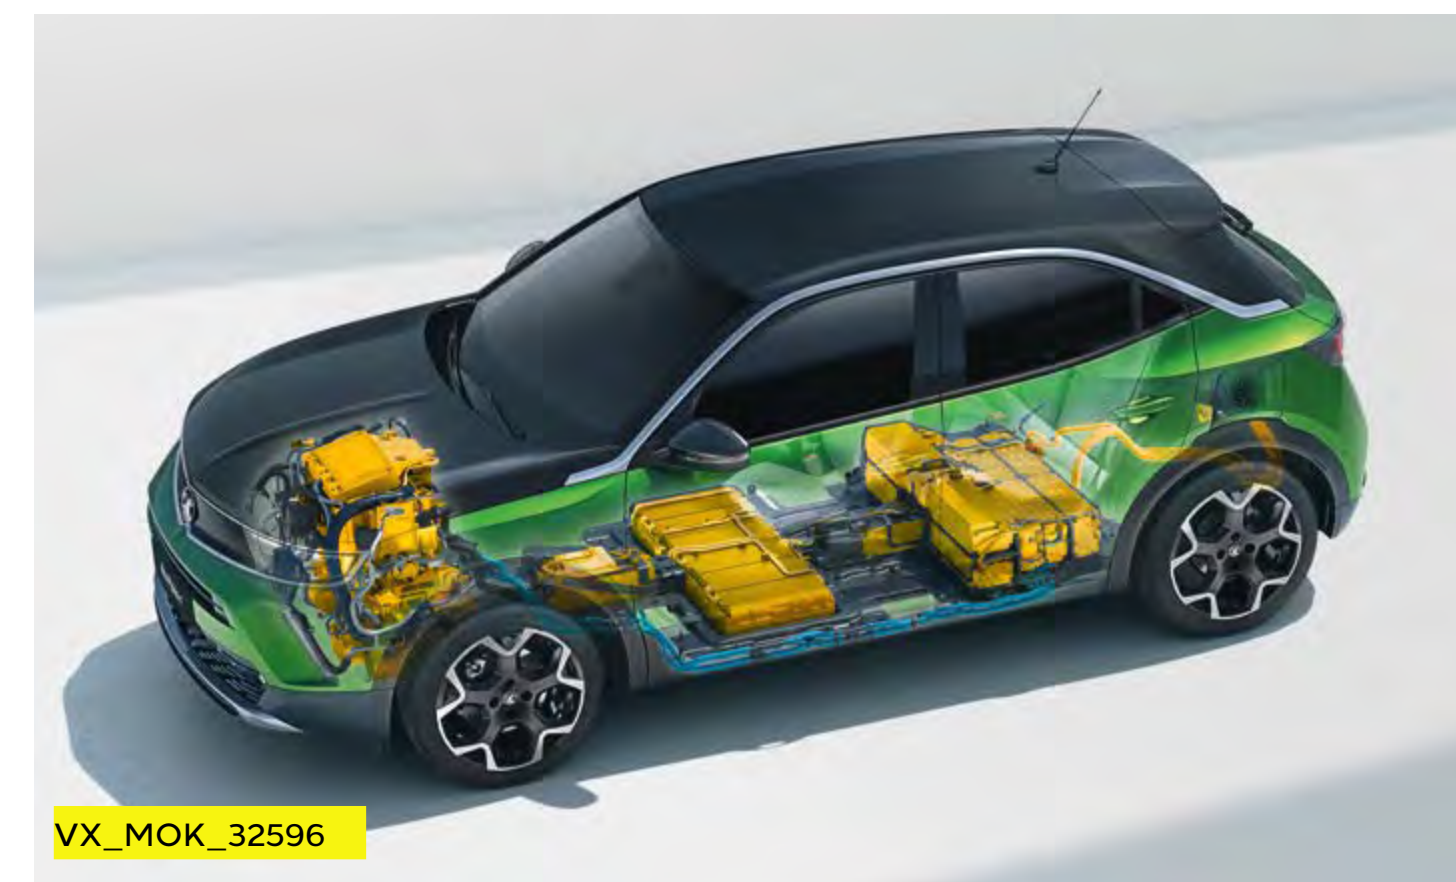

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Mokka-e
CO ₂ emissions	0g/km
Maximum power	100/136kW/PS
Maximum torque	260/192Nm/lb. ft.
Acceleration 0-60mph	9.2 sec
Maximum speed	93mph
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

All-new Mokka-e Specifications

Charging

New Mokka-e comes fitted with an 11kW on-board charger and mode 3 cable.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Mokka-e) or by using the Multimedia Navi Pro infotainment system (standard on SRi Premium, Elite Premium and Ultimate).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current - Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current - Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current - Public charger (11kW)*	Type 2	5h
DC current - Rapid charger (100kW)	CCS	30m (0-80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed (standard)	11kW
EV range (WLTP high)	209 miles
Energy consumption (Combined low/high)	15.8-16.2kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

The Mokka-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Requires optional 11kW on board charger.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

- Adapter (various)	£120

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ³Side steps and splash guards are not available together.

⁴Only available with anti-dazzle rear-view mirror. ⁵Only for use with 18-inch diamond-cut alloy wheels. ⁶Available on petrol and diesel models only.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka SE Edition 1.5 (110PS) Turbo D Start/Stop (CO₂ emissions 114g/km)

On-the-road RRP	£23,635.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£23,400.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£24,000.00
Car benefit charge 2021-22 tax year (26%)	£6,240.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,248.00
Higher Rate (40%) tax payer	£2,496.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Mokka-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

Crossland's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

Safety

Standard Features – The following features are standard across the entire New Crossland range.

Airbags

- Driver's airbag • Front passenger's airbag
- Front seat side-impact airbags • Full-size curtain airbags

Seating

- Height-adjustable front seat head restraints
- Height-adjustable outer rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats
- Pretensioners on outer rear seatbelt retractors
- Load limiters on front and outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats

Braking

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hydraulic brake assist • Hydraulic brake boost
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Hill start assist.

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beams
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

ISOFIX child seat mountings.

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Corner stability control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

Tyre pressure

- Tyre pressure monitoring system

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive power-assisted steering
- Reach and rake adjustable steering column

Wipers

- Rain-sensitive windscreen wipers
- Intermittent rear window wash/wipe

Rear-view mirror

- Automatically dimming anti-dazzle rear-view mirror

Speed sign recognition

- Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
- Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster

Lane departure warning

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Model Specific Features

	SE Edition	SRI Edition	Elite Edition	Ultimate

Driver Information and Security

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Luggage area cover

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver's door

Model Specific Features

Convenience

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's and front passenger's illuminated vanity mirrors with flip-up cover
- Reach and rake-adjustable steering
- Steering wheel mounted audio/phone/cruise controls
- Front USB connection

Interior Storage

- Glovebox with lid
- Front door pockets with 1.5-litre bottle holder
- Two drinks holders in centre console
- Rear door pockets with 0.5-litre bottle holder
- Open storage compartment in centre console

Luggage Area

- Luggage compartment foldable cover
- Illuminated luggage area
- Fully carpeted luggage area

Interior Lighting

- Central front courtesy light
- Central rear courtesy lights
- Fade up/fade down

Infotainment

Standard Features

Multimedia with 7-inch touchscreen

Standard on SE Edition

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 8-inch Touchscreen

Standard on SRi Edition, Elite Edition and Ultimate

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- 1 extra USB connection

Vauxhall Connect

Standard on Elite Edition and Ultimate

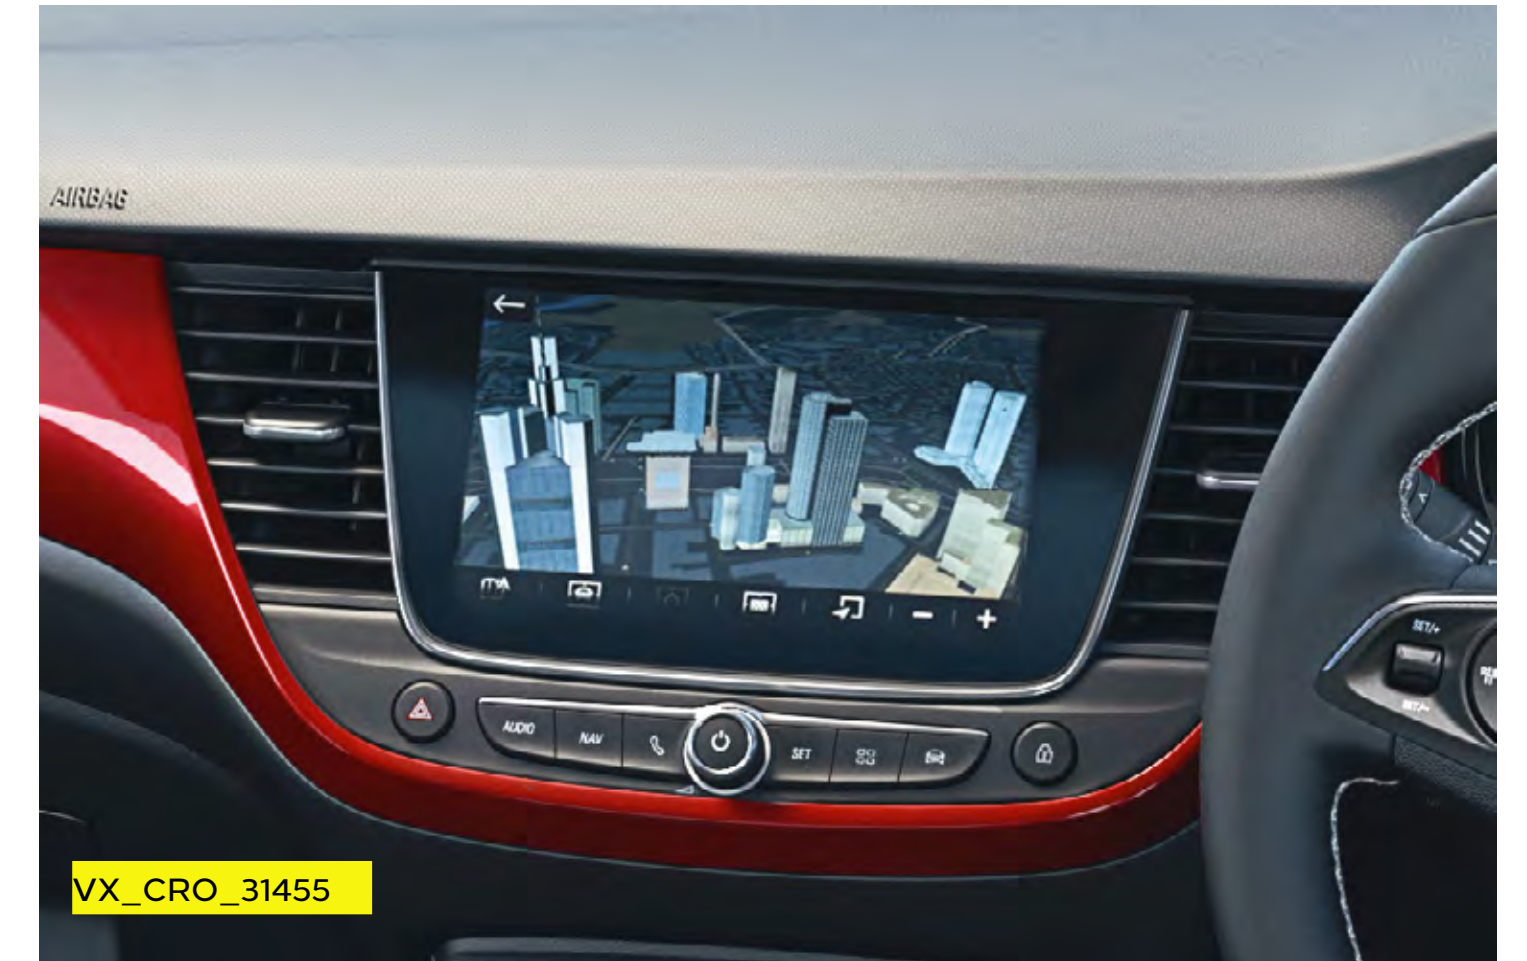

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

1.5 (120PS) Turbo D auto	1855	870 (650)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

Five-speed manual gearbox

Petrol engines: 1.2 (83PS)

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo models

Diesel engines: 1.5 (110PS) Turbo D models

- 14.8 litres (3.2 gallons)

Body

- Aerodynamic drag co-efficient: Cd 0.31

Start/Stop technology

Crossland's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

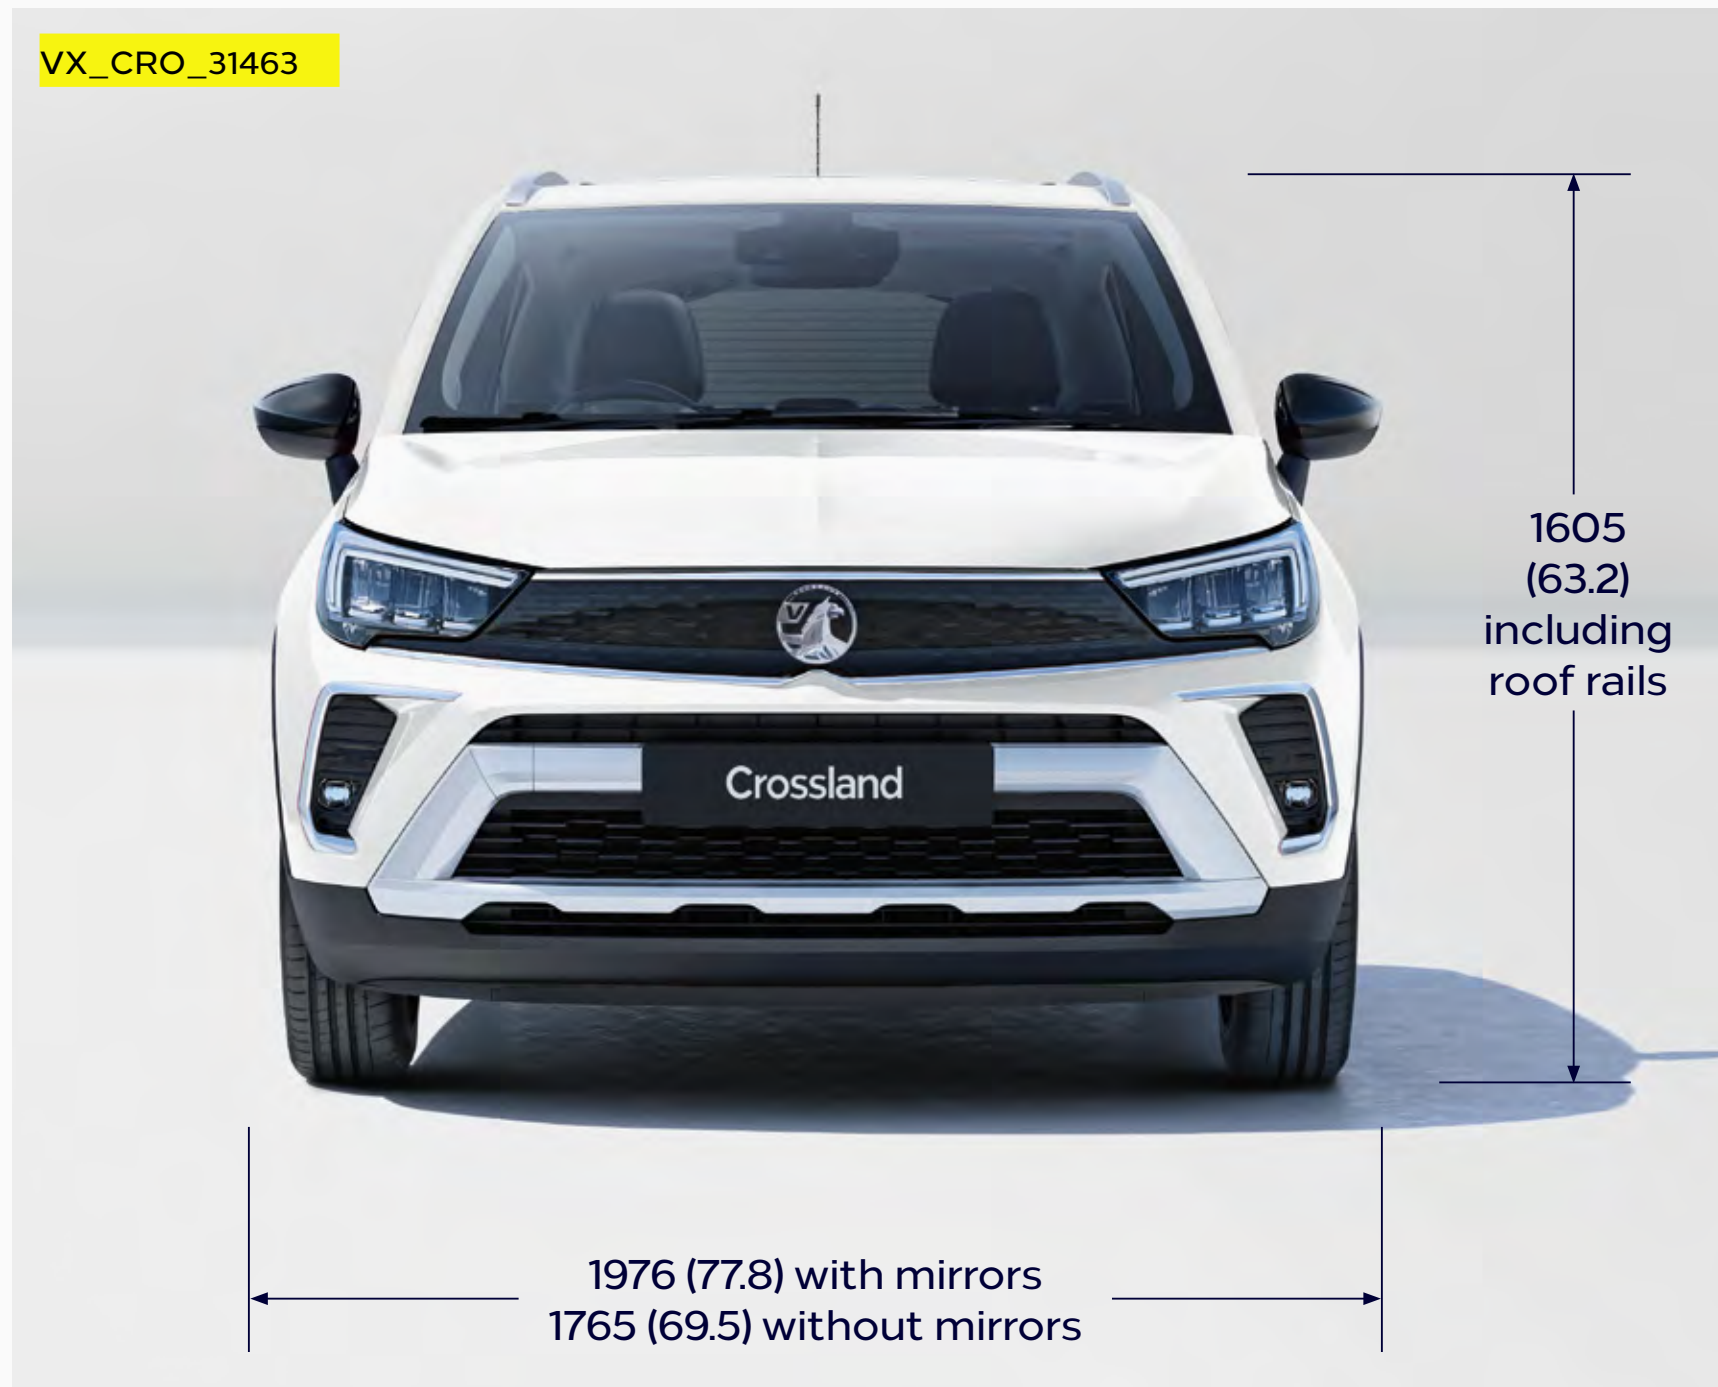

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	
Maximum length behind rear seats	793 (31.2)
Maximum length rear seats folded	1483 (58.4)
Maximum width	1000 (39.4)
Maximum height	894 (35.2)

Luggage Capacities Litres (cu.ft.)	
Rear seats up (under luggage compartment cover)	410 (14.5)
Rear seats up with optional sliding rear seats in forward-most position	520 (18.4)
Rear seats folded (to roof)	1255 (44.3)

Stretch tow rope	£20					– Detachable	from £502

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Can only be fitted with rear parking sensors. ³Only compatible with IOA radio (BYOM2). ⁴Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ⁵Not compatible with spare wheel. ⁶A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your free* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Crossland SE Edition 1.5 (110PS) Turbo D Start/Stop (CO₂ emissions 120g/km)

On-the-road RRP	£22,655.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£22,420.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£23,020.00
Car benefit charge 2021–22 tax year (28%)	£6,446.00
Benefit in kind tax liability (2021–22 tax year)	
Basic Rate (20%) tax payer	£1,289.20
Higher Rate (40%) tax payer	£2,578.40

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021–22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%
65–69	17%
70–74	18%
75–79	19%
80–84	20%
85–89	21%
90–94	22%
95–99	23%
100–104	24%
105–109	25%
110–114	26%
115–119	27%
120–124	28%
125–129	29%
130–134	30%
135–139	31%
140–144	32%
145–149	33%
150–154	34%
155–159	35%
160–164	36%
165–169	37%
170+	37%

Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1-50	£10	£155
C	51-75	£25	£155
D	76-90	£115	£155
E	91-100	£140	£155
F	101-110	£160	£155
G	111-130	£180	£155
H	131-150	£220	£155
I	151-170	£555	£155
J	171-190	£895	£155
K	191-225	£1,345	£155
L	226-255	£1,910	£155
M	Over 255	£2,245	£155

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

SRi

OTR from £35,290

Infotainment:

- Multimedia Navi Pro system
 - 10-inch colour touchscreen
 - Satellite navigation
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - Front and rear USB connection
- Six speakers
- Vauxhall Connect

Interior convenience/styling:

- 12-inch digital instrument cluster
- Dual-zone electronic climate control with pre-conditioning
- Heated flat-bottomed leather-covered steering wheel
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Electronic parking brake
- Driver's seat height adjuster
- Driver's armrest
- Automatic lighting control
- Rain-sensitive windscreen wipers
- Automatic anti-dazzle rear-view mirror
- Driver's ergonomic active sports-style seat (AGR approved*)
- Front passenger's sports-style seat
- 60/40 split folding rear seat backs
- Soundproofed insulated windscreen

Exterior convenience/styling:

- 18-inch 5- twin spoke high gloss black alloy wheels
- LED headlights, tail lights and daytime running lights
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors
- Black side window trim
- High beam assist
- Black roof with high gloss black roof rails
- Dark-tinted rear windows

Safety/security:

- Front and rear parking distance sensors
- 180 degree rear-view parking camera
- Speed sign recognition
- Remote control security alarm system
- Hill start assist
- ISOFIX child seat fixings on outer rear seats
- Electronic stability programme (ESP)
- Anti-lock braking system (ABS)
- Six airbags
- Tyre pressure monitoring system
- Driver drowsiness system
- Lane departure warning with lane keep assist
- Highway integration assist
 - Lane positioning assistant
 - Adaptive cruise control
- Forward collision alert
- Automatic emergency braking
- Keyless start
- Side blind spot alert

New Grandland Plug-in HYBRID-e Elite

VX_GRA_PHEV_32076

Elite

OTR from £35,940

Infotainment:

- Multimedia Navi Pro system
 - 10-inch colour touchscreen
 - Satellite navigation
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - Front and rear USB connection

Grandland's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Safety

Standard Features – The following features are standard across the entire Grandland range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – these keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – permits the safe use of a child seat in the front passenger seat
- ISOFIX compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows ISOFIX child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Switchable Electronic Stability Programme (ESP)

Additional ESP features

- Corner stability control
- Traction control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

VX_GRA_32010

Hill start assist.

VX_AST_23436

ISOFIX child seat mountings.

VX_GRA_32090

Automatic emergency braking.

Driver Assistance

Standard Features – The following features are standard across the entire Grandland range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Automatically tilting door mirrors

Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On models with Sat Nav, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Electronic parking brake

Centre console switch in lieu of handbrake lever.

Steering

- Speed-sensitive electric power-assisted steering
- Reach and rake adjustable steering column

Parking distance sensors

- Front and rear parking distance sensors

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

*Optional at extra cost including VAT.

Convenience

Standard Features – The following features are standard across the entire Grandland range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- 60/40 split-folding rear seat backs
- Interior courtesy lighting operated by door switches
- Ventilated glovebox with lid
- Front door pockets with 2.6-litre capacity
- Two drinks holders in centre console
- Rear door pockets with 1.8-litre capacity
- Covered storage compartment in centre console and in driver's armrest
- Luggage compartment foldable cover • Rear reading lights
- Illuminated luggage area • Ambient lighting in front doors
- Ambient centre console downlighter

Heating and Ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Illuminated controls
- Four adjustable facia vents • Windscreen demist vents
- Side window demist vents
- Rear passenger compartment heating ducts
- Heated rear screen with timed cut-off

Exterior Convenience

- Soundproofed insulated windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Twin electrically adjustable/heated power door mirrors (wide-angle on driver's side) with automatic timed cut-off
- Rain-sensitive windscreen wipers
- Intermittent rear window wash/wipe

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Grandland range.
Specific features by model are outlined in the separate tabular information.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Model Specific Features

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Grandland Plug-in HYBRID-e range.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

3D instrument cluster.

Vehicle charge display.

Infotainment

Standard Features

Multimedia with 7-inch touchscreen

Standard on SE models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)
- Six speakers

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – contacts/last calls/missed calls etc. are mirrored on IntelliLink's display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 10-inch touchscreen

Standard on SRi, Elite and Ultimate models

Standard on SRi and Elite Plug-in HYBRID-e models

Features as Multimedia, with the addition of:

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Additional features:

- Shark fin aerial

Vauxhall Connect

Standard on all models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live navigation* and more:

You can also access live navigation services, receive vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Petrol Engine

	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	230Nm (169lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d
Service interval	12,500 miles or 1 year (whichever occurs sooner)

Diesel Engine

	1.5 (130PS) Turbo D automatic
Capacity	1499cc
Maximum power	130PS (96kW) @ 3750rpm
Maximum torque	300Nm (221lb.ft.) @ 1750rpm
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger with intercooler. Common rail direct injection
Emission compliance	Euro 6d Diesel Particulate Filter
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Petrol Engine

Petrol Engine	1.6 (225hp) Direct Injection Turbo/Electric
Maximum power	180hp (133kW) @ 6000rpm
Combined power output	225hp (165kW)
Maximum torque	300Nm (221lb.ft.) @ 3000rpm
Combined torque	360Nm (265lb.ft.)
Combined CO ₂ emissions (WLTP)#	31g/km
Combined fuel economy (WLTP)#	192mpg (1.5l/100km)
Maximum speed/electric only	140/84mph
0-60mph	8.9 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d

Electric Motor

Electric Motor	
Maximum power	110hp (81.2kW) @ 2500rpm
Maximum torque	320Nm (236lb.ft.) @ 500-2500rpm

Battery	
Battery capacity	13.2kWh
AC on-board charger speed (standard)	3.3kW
Electric only range (WLTP)#	39 miles
Energy consumption (WLTP Combined)	16.1kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

These figures were obtained using a combination of battery power and fuel. The Grandland Plug-in HYBRID-e requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from - 2021/22 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (130PS) Turbo	122	10.4	44.8 (6.3)	45.6 (6.2)	140	142	£220	£155	32%
1.2 (130PS) Turbo auto	121	10.3	43.4 (6.5)	44.1 (6.4)	146	148	£220	£155	33%
1.5 (130PS) Turbo D auto	119	12.3	53.3 (5.3)	54.3 (5.2)	136	138	£220	£155	31%

Weights and Towing Data^{kg}**

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1930	1400 (600)
1.2 (130PS) Turbo auto	1955	1200 (600)
1.5 (130PS) Turbo D auto	2000	1300 (600)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Start/Stop technology

Grandland's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

AdBlue[®] tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox

Standard on all models.

Eight-speed automatic transmission

Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Plug-in HYBRID-e Specifications

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

- Kerbweight FWD: 1735kg
- Maximum towing weight FWD:
Braked trailer 1250kg (without brakes 600kg)

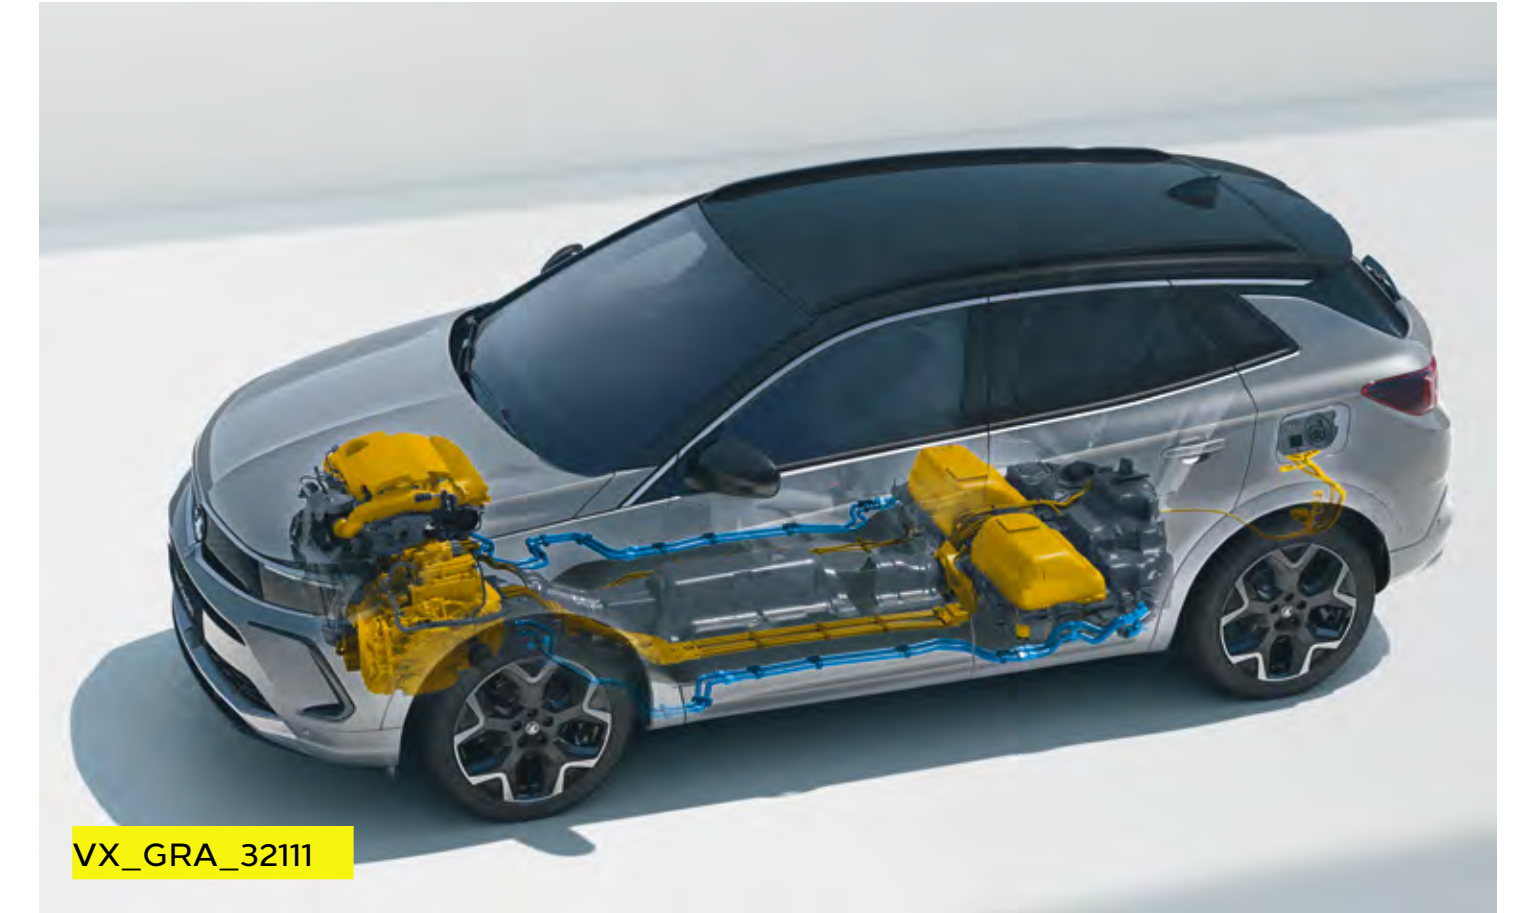

Charging

- Grandland Plug-in HYBRID-e range comes fitted with a type 2 charging cable and a 3.3kW on-board charger as standard. Includes cable bag at no extra cost
- A 6.6kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A type 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland Plug-in HYBRID-e range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

VX_GRA_32111

VX_GRA_32039

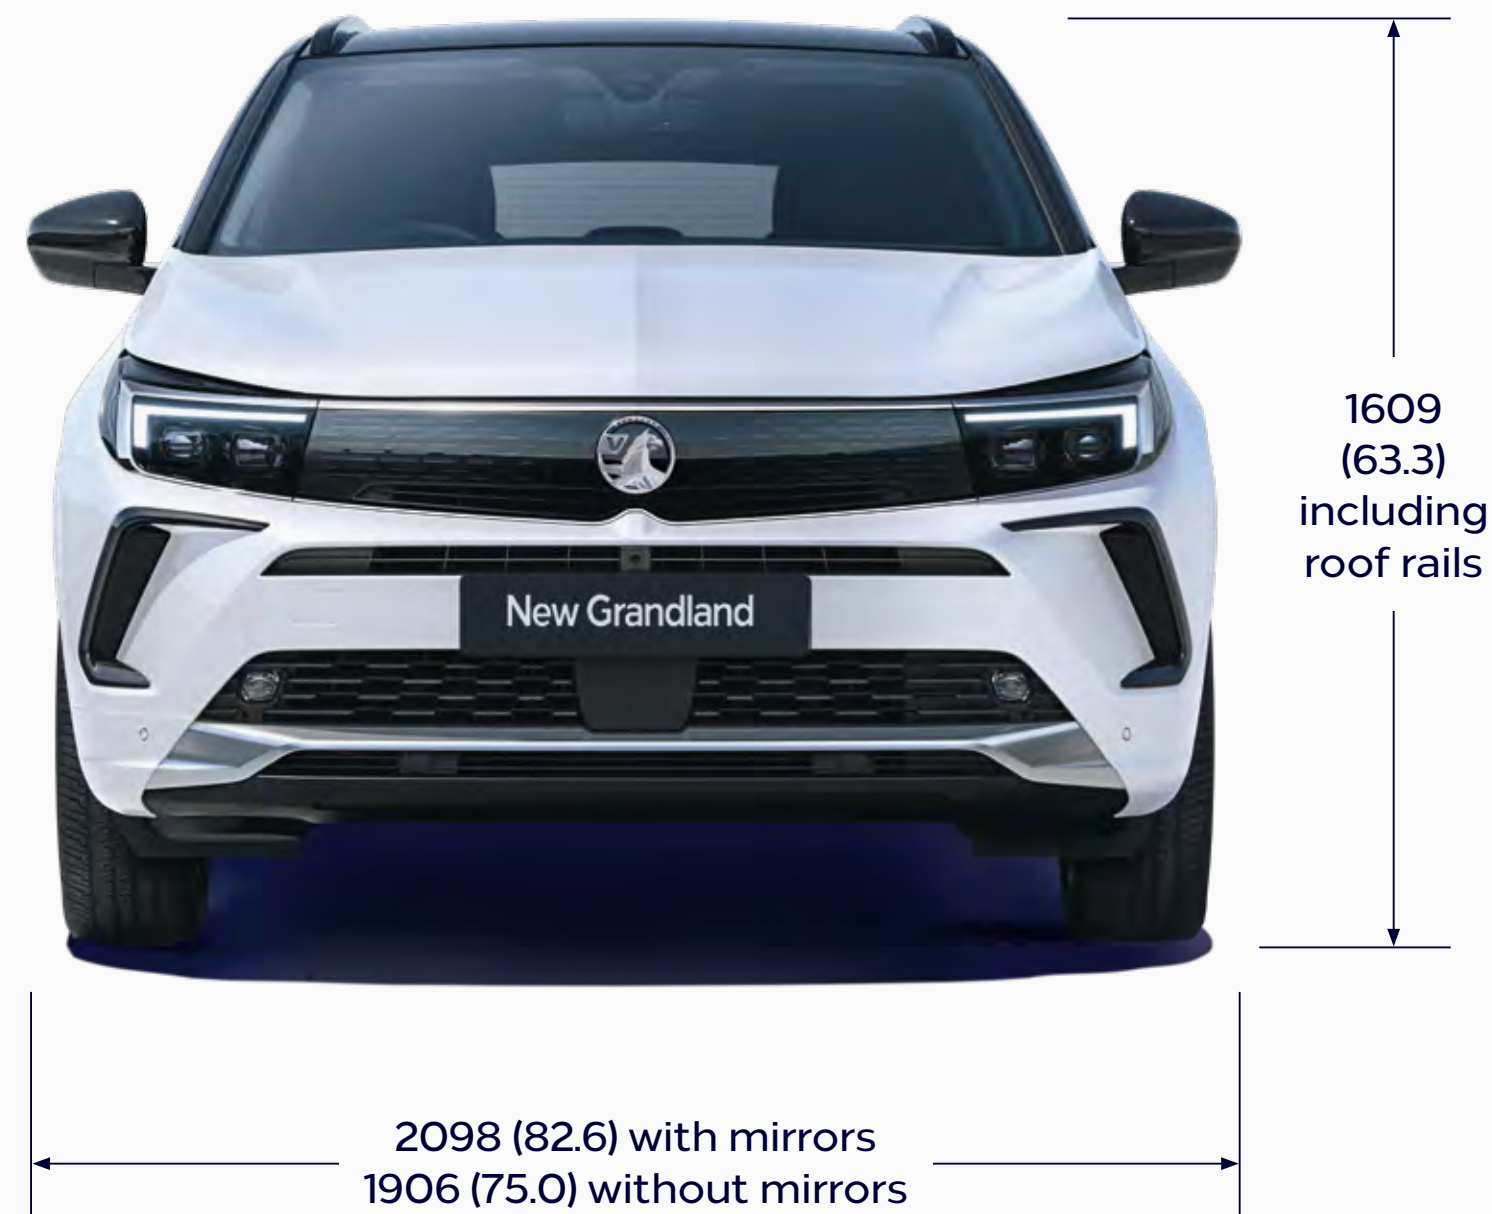

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	5h 45m
AC current – Home wallbox or public charger (3.6kW)	Type 2	3h 30m
AC current – Home wallbox or public charger (7kW)**	Type 2	1h 45m

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

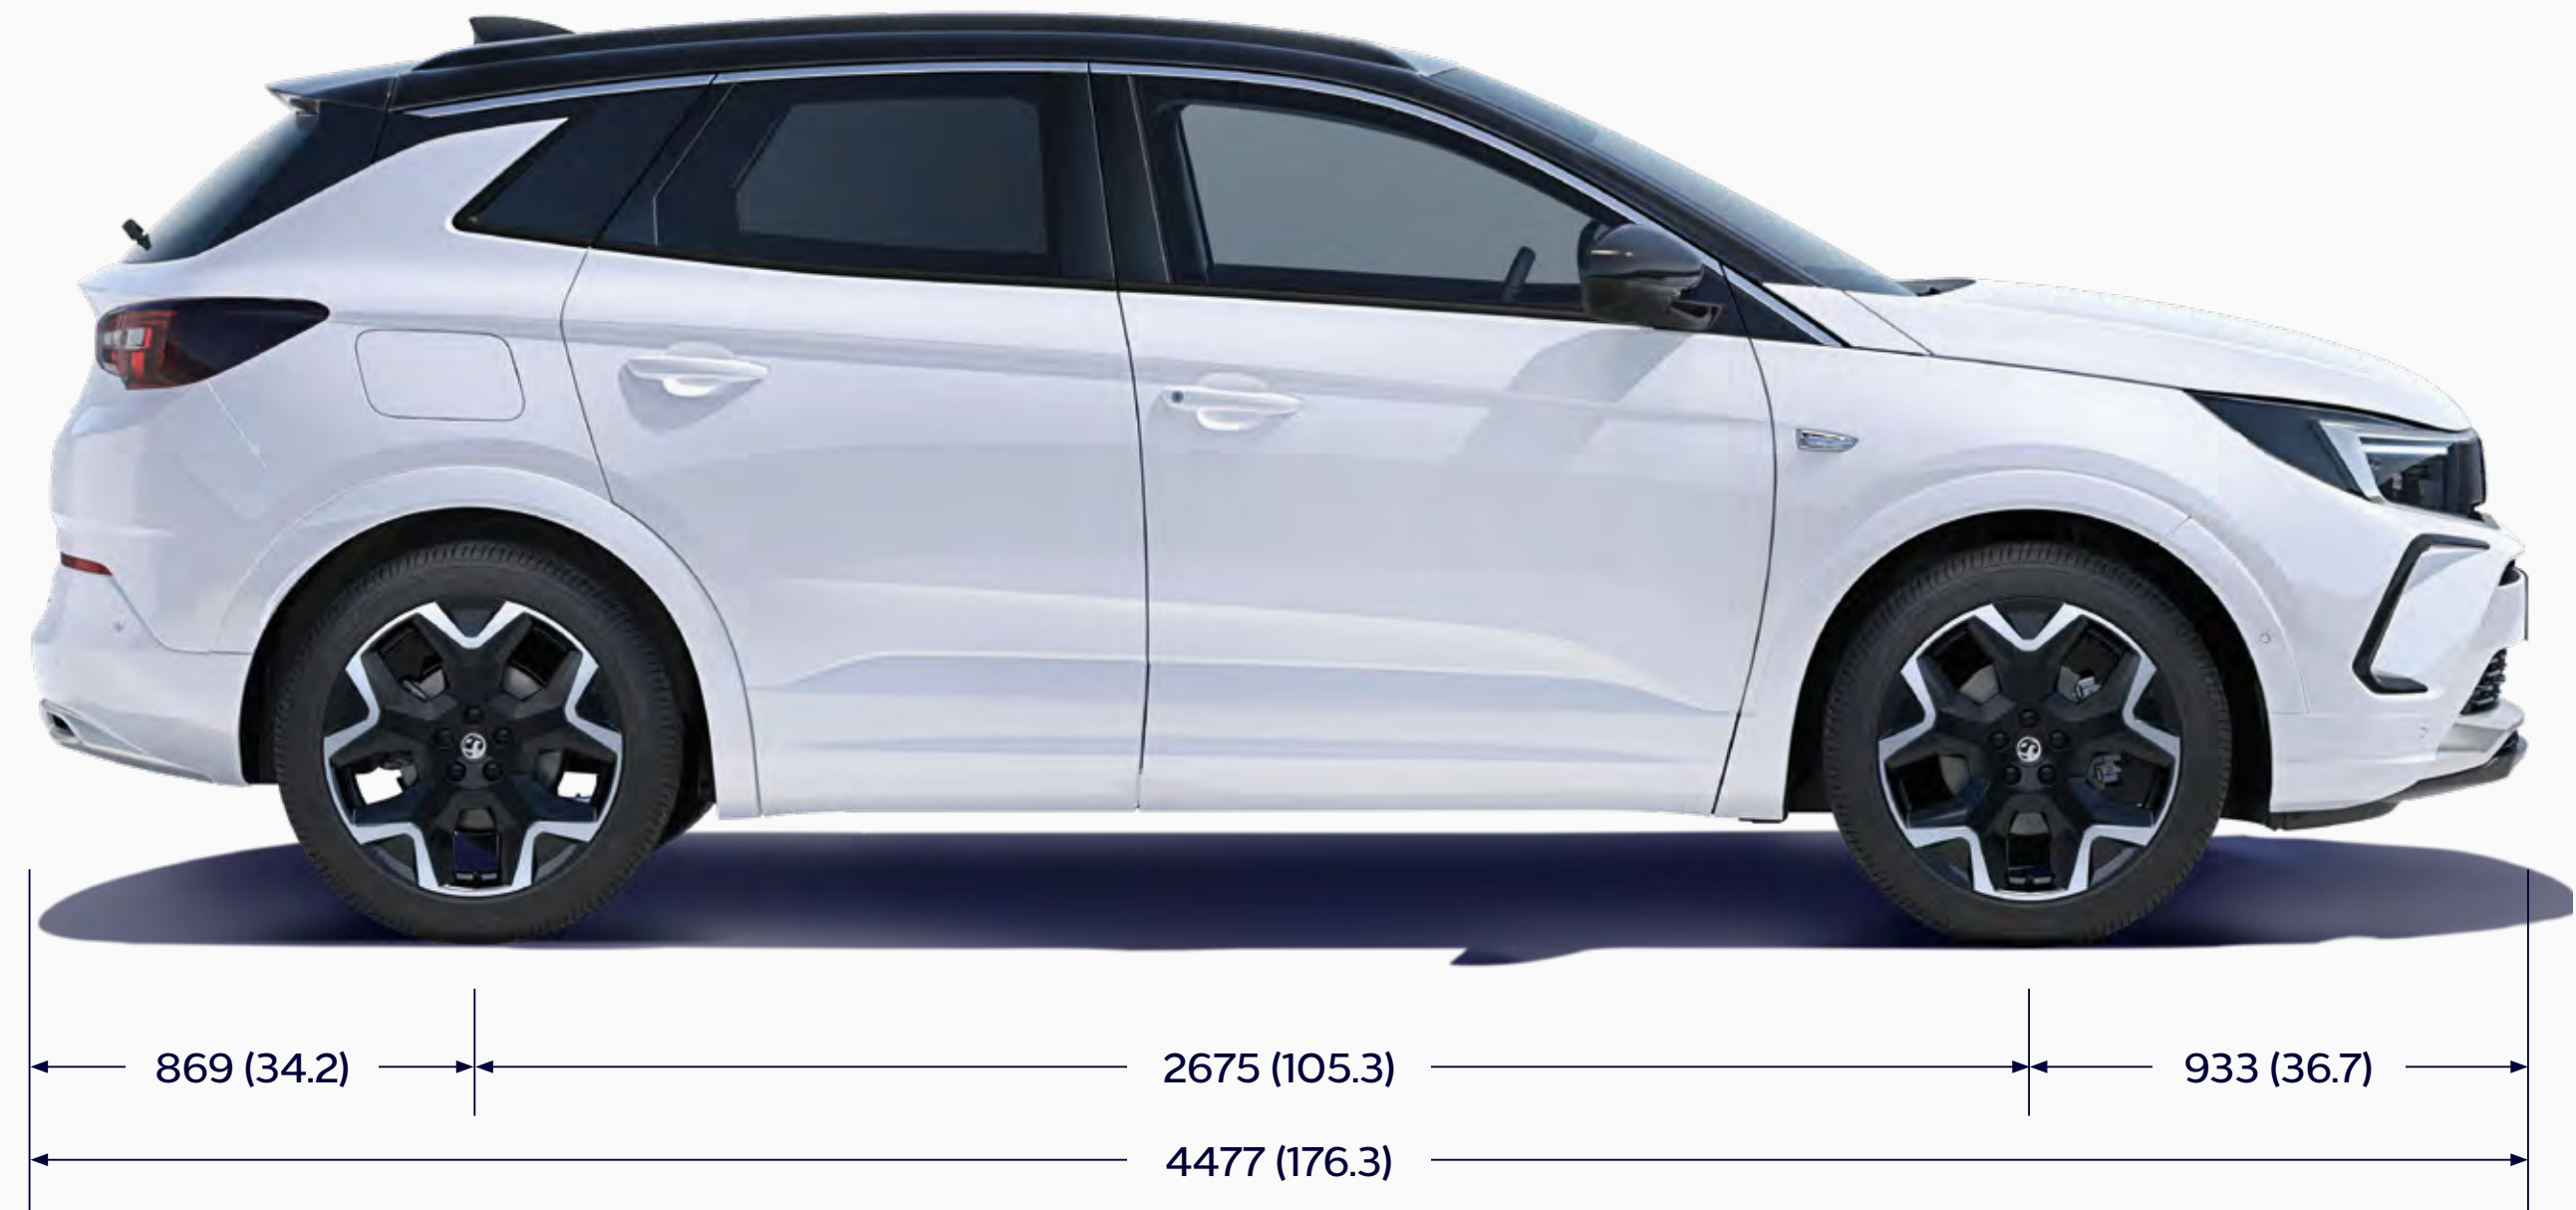

*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit. **Requires optional 6.6kW on board charger.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

				– Adapter Type 3c	£358		
				– Adapter (various)	£120		

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Petrol and diesel models only. ³For manual transmission only. ⁴Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer.

⁵A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland SE 1.5 (130PS) Turbo D auto (CO₂ emissions 136g/km)	
On-the-road RRP	£28,085.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£27,850.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£28,450.00
Car benefit charge 2021-22 tax year (31%)	£8,820.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,764.00
Higher Rate (40%) tax payer	£3,528.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
 **Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/Plug-in HYBRID-e models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on the Grandland Plug-in HYBRID-e range the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit

Choose Your Trim Level

Edition

VX_COM_31958

First up in the range is the Combo Life Edition, which is packed with plenty of practical features as standard. Choose from 5- or 7-seats.

SE

VX_COM_e_31961

The Combo-e Life SE is fully-electric that's heavy on features but light on your pocket. It's available with a choice of two lengths and 5- or 7-seats

SE models even come in your choice of lengths with either petrol automatic or diesel models.

Elite

VX_COM_32826

Combo Life Elite completes the range, with a little more exterior style and extra comfort features. Again, you can choose from 5- or 7-seats.

Combo Life Range Highlights

Edition

Standard features include:

- Radio
 - 5-inch mono display
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Front and rear USB connection
- Six speakers
- 3.5-inch colour instrument display
- 60/40 split-folding rear seat back
- Air conditioning
- Steering wheel mounted audio controls
- Height-adjustable driver's seat
- Chrome-effect interior door handles
- Luggage compartment cover
- Electrically adjustable/heated door mirrors
- Electrically operated front and rear windows
- Nearside and offside sliding side-access door with opening windows
- Daytime running lights
- Tailgate with heated rear window and wiper
- Body-colour front and rear bumpers
- Side-protection mouldings
- Emergency tyre inflation kit
- Front fog lights
- Body-colour exterior door handles and side-access door rail covers
- Rear parking distance sensors
- Automatic emergency braking with pedestrian detection
- Electronic stability programme with traction control
- Forward collision alert
- Lane departure warning with lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Speed sign recognition
- Six airbags
- Driver drowsiness system
- Tyre pressure monitoring system

Edition XL 7-seat

XL 7-seat models additionally feature:

- Two individual split-folding and removable third-row seats
- Sliding facility for third-row seats

Combo-e Life SE/SE

Features over Edition models:

- Multimedia system
 - 8-inch colour touchscreen
 - Apple CarPlay/Android Auto™
 - Smartphone projection
- 10-inch colour instrument display
- Chrome-effect instrument rings
- Leather-covered steering wheel
- Fold-flat front passenger seat with armrest
- Front-seat back pockets
- Two foldable tables with cupholders
- Body-colour door mirrors
- Body-colour side-protection mouldings
- 16-inch alloy wheels
- Rain-sensitive windscreen wipers
- High beam assist
- Electrically foldable door mirrors
- Dark-tinted rear windows
- Panoramic rear-view camera
- LED daytime running lights
- Opening tailgate window
- Vauxhall Connect (electric models only)
- Keyless entry (petrol automatic models only)

Combo-e Life SE/SE 7-seat

Elite

Features over SE models:

- Multimedia Navi Pro system
 - Satellite navigation
- Dual-zone electronic climate control
- 35/30/35 split-folding second-row seats with fold-flat facility
- Alloy-effect protective front skid plate
- Roof rails
- Onyx black door mirrors
- Luggage restraint net

Elite 7-seat

Combo-e Life SE

VX_COM_e_31978

SE OTR from £29,610*

Infotainment:

- Multimedia system
 - 8-inch colour touchscreen
 - DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - Front and rear USB connection
- Six speakers
- Vauxhall Connect

Interior convenience/styling:

- 10-inch colour instrument display
- Height-adjustable driver's seat
- Air conditioning
- Steering wheel mounted audio controls
- 60/40 split-folding rear seat back
- Chrome-effect interior door handles
- Luggage compartment cover
- Chrome-effect instrument rings
- Leather-covered steering wheel
- Fold-flat front passenger seat with armrest
- Front-seat back pockets
- Two foldable tables with cupholders
- Electronic parking brake

Exterior convenience/styling:

- Nearside and offside sliding side-access door with opening windows
- Tailgate with opening heated rear window and wiper
- Body-colour front and rear bumpers
- Body-colour side protection mouldings
- Body-colour door handles and side-access door rail covers
- Body-colour door mirrors
- Front fog lights
- 16-inch alloy wheels
- Emergency tyre inflation kit

- Electrically adjustable/foldable/heated door mirrors
- Sight and Light Pack
 - Rain-sensitive windscreen wipers
 - High beam assist
- Electrically operated front and rear windows
- Dark-tinted rear windows
- Panoramic rear-view camera
- LED daytime running lights

Safety/security:

- Rear parking distance sensors
- Automatic emergency braking with pedestrian detection
- Electronic stability programme with traction control
- Anti-lock braking system
- Forward collision alert
- Emergency brake assist
- Lane departure warning with lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Speed sign recognition
- Six airbags
- Driver drowsiness system
- Tyre pressure monitoring system

SE 7-seat OTR from £30,110*

7-seat models additionally feature:

- Two individual split-folding and removable third-row seats
- Sliding facility for third-row seats (XL models only)

*Price shown is after allowing for PiCG (Plug-in Car Grant).

Combo Life Edition

VX_COM_31958

Edition OTR from £23,505

Infotainment:

- Radio
 - 5-inch mono display
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Front and rear USB connection
- Six speakers

Interior convenience/styling:

- 3.5-inch colour instrument display
- Height-adjustable driver's seat

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted as at 23 November 2021.

#The Combo-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Combo-e Life is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

New Combo-e Life is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Combo Life's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

*Provisional data. **Available from February 2022.

Safety

Standard Features – The following features are standard across the entire Combo Life range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Two front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – to reduce speed even further the driver must brake themselves

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Automatic emergency braking.

ISOFIX child seat mountings.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Combo Life range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering column

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system

Parking sensors

- Rear parking distance sensors

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Wipers

- Intermittent rear window wash/wipe
- Magic Wash System – Mounted in the front windscreen wipers, Combo Life models benefit from our innovative windscreen wash system, designed to more effectively distribute water and reduce wastage. Using nozzles located above the wiper blades, fluid is distributed as the wiper sweeps the windscreen. This avoids the ‘temporary blindness’ of more conventional bonnet mounted systems between fluid release and wiper sweeping, improving visibility

Model Specific Features/Options

	Option code*	Electric model	Edition	SE	Elite
Driver Assistance					
Front and rear parking distance sensors	UD5			£400	
Panoramic rear-view camera		●		●	●
Adaptive cruise control (diesel manual models only)	K38			£250

Sight and Light Pack – High beam assist/Rain-sensitive windscreen wipers		●		●	●
11kW three-phase on-board charger	K29	£360			

*Optional at extra cost including VAT.

Driver Information and Security

Standard Features – The following features are standard across the entire Combo Life range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- ‘Key left in ignition’ audible warning
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Model Specific Features/Option

	Option code*	Electric model	Edition	SE	Elite
Driver Information

10-inch colour information display		●		●	●
Security					
Keyless entry				auto only	●
Remote control ultrasonic security alarm system	PS6	£200	£200	£200	£200

*Optional at extra cost including VAT.

Convenience

Standard Features – The following features are standard across the entire Combo Life range.
 Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's sun visor incorporating vanity mirror with cover
- Dipping rear-view mirror
- Steering wheel mounted audio controls
- Front and rear USB connection

Interior Storage

- Two facia-mounted drinks holders
- Two drinks holders in centre console
- Large open storage pocket behind infotainment screen
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Small open storage compartment behind gear knob
- Two front large and small door pockets
- Two rear door pockets
- Open storage compartment below glovebox
- Full-width overhead storage shelf with ambient lighting

Luggage Area

- Luggage compartment cover
- Illuminated load area
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts

Interior Lighting

- Central front courtesy light
- Central rear courtesy light
- Fade up/fade down

Model Specific Features/Options

	Option code*	Electric model	Edition	SE	Elite

Exterior Style and Lighting

Standard Features – The following features are standard across the entire Combo Life range.
 Specific features by model are outlined in the separate tabular information.

Exterior Styling

- Chrome-effect front grille bar
- Body-colour door handles
- Body-colour bumpers and sliding rail cover

Exterior Lighting

- Automatic lighting control
- Front fog lights
- LED side repeat indicators
- Lights-on audible warning – When driver’s door is opened an audible warning sounds to alert the lights have been left on

- Manual headlight beam levelling. Use to adapt headlight range to the vehicle load to prevent dazzling.
- Rear fog light
- Reversing light
- Hazard warning lights

Infotainment

Standard Features

Radio with 5-inch mono display

Standard on Edition models

Onboard features:

- AM/FM stereo radio • DAB Digital radio
- RDS with Traffic Programme • Four speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming
(Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Vauxhall Connect*

Standard on Elite models and optional at extra cost on Edition and SE models at £240 inc. VAT

Standard on Combo-e Life SE models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

Multimedia with 8-inch touchscreen (IO5)

Standard on SE models

Standard on Combo-e Life SE models

Features as Radio, with the addition of:

- 8-inch colour touchscreen
- Phone book access

Smartphone interface:

- Apple CarPlay • Android Auto™
- Smartphone projection

Multimedia Navi Pro with 8-inch touchscreen (IO6)

Standard on Elite models and optional at extra cost on Edition and SE models at £460 inc. VAT

Optional on Combo-e Life SE models at £460 inc. VAT

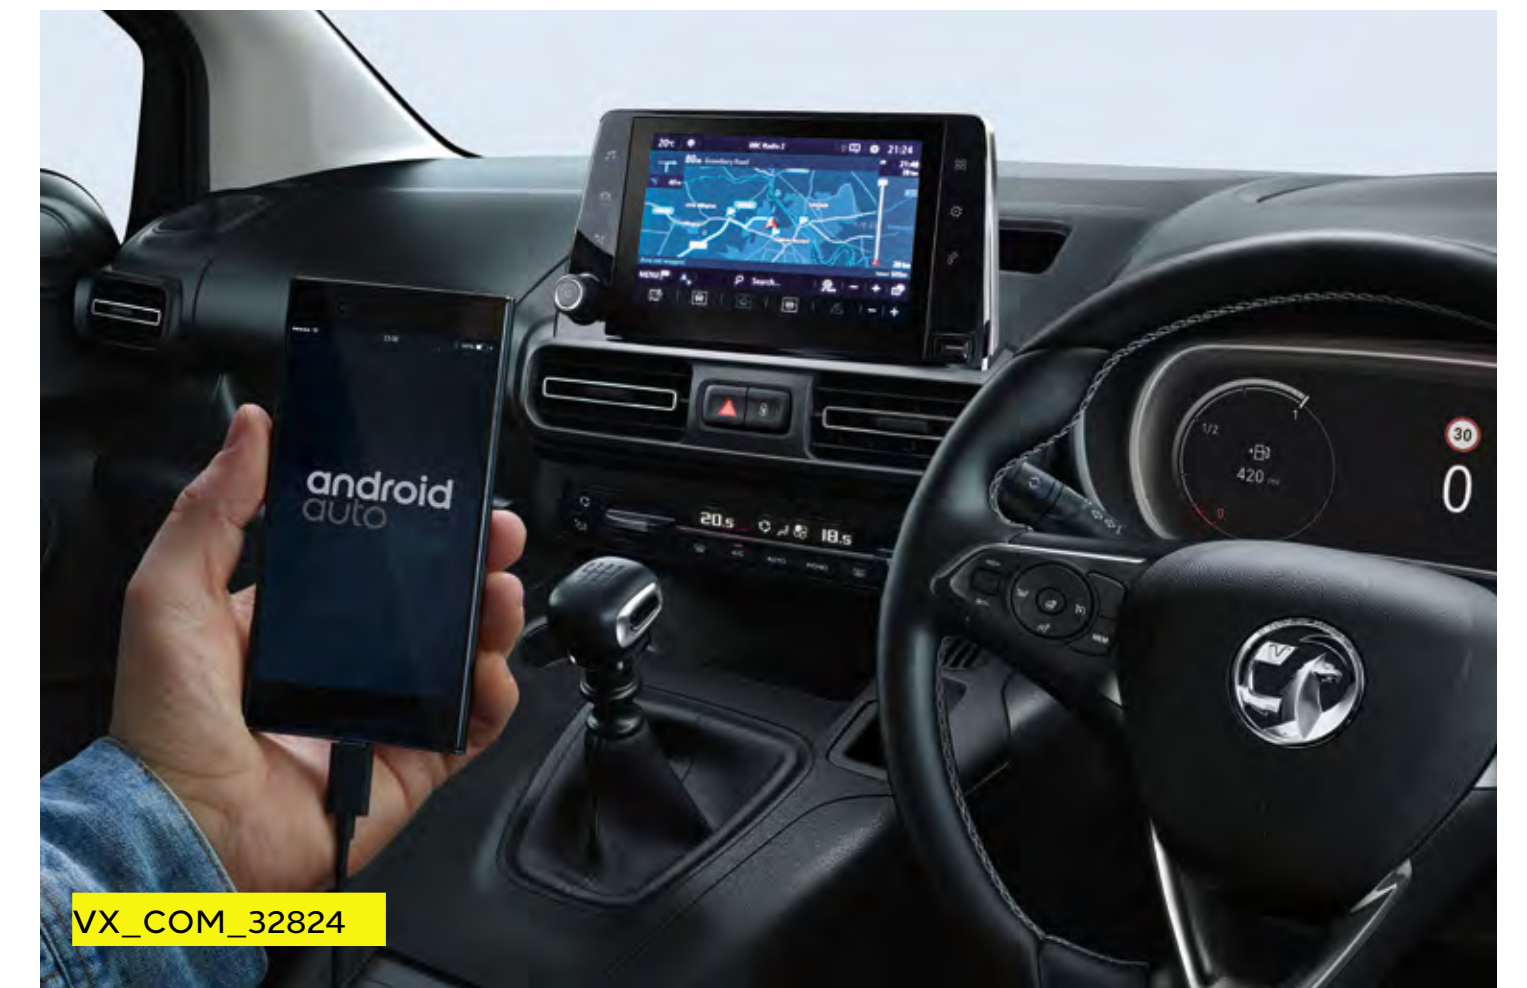

Features as Multimedia, with the addition of:

- Satellite navigation system

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data. [†]Available from February 2022.

Combo-e Life Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

VX_COM_e_31963

Drivetrain	Combo-e Life	
CO ₂ emissions	0g/km	
Maximum power	100/136kW/PS

The Combo-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Combo-e Life Specifications*

Charging

Combo-e Life comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Combo-e Life models or with optional Navi Pro).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m

Specifications

Transmission

Six-speed manual gearbox

- 1.2 (110PS) Turbo models
- 1.5 (100PS) Turbo D models

Eight-speed automatic transmission

- 1.2 (130PS) Turbo models
- 1.5 (130PS) Turbo D models

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

Fuel tank capacity

- 61 Litres (13.4 gallons) – Petrol models
- 50 Litres (10.9 gallons) – Diesel models

AdBlue® Tank Capacity

- 17 Litres (3.7 gallons)

Steering

Turning circle (kerb-to-kerb)

- 11.0m (36 ft) Life models
- 11.8m (38.7 ft) Life XL models

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
Combo Life		
1.2 (110PS) Turbo	2050	1150 (720)
1.2 (130PS) Turbo automatic	2090	1200 (750)
1.5 (100PS) Turbo D	2095	1300 (750)
1.5 (130PS) Turbo D automatic*	tba	tba
Combo Life XL		
1.2 (110PS) Turbo (7-seat)	2240	950 (750)

1.5 (100PS) Turbo D (7-seat)	2285	1100 (750)
1.5 (130PS) Turbo D automatic (7-seat)*	tba	tba

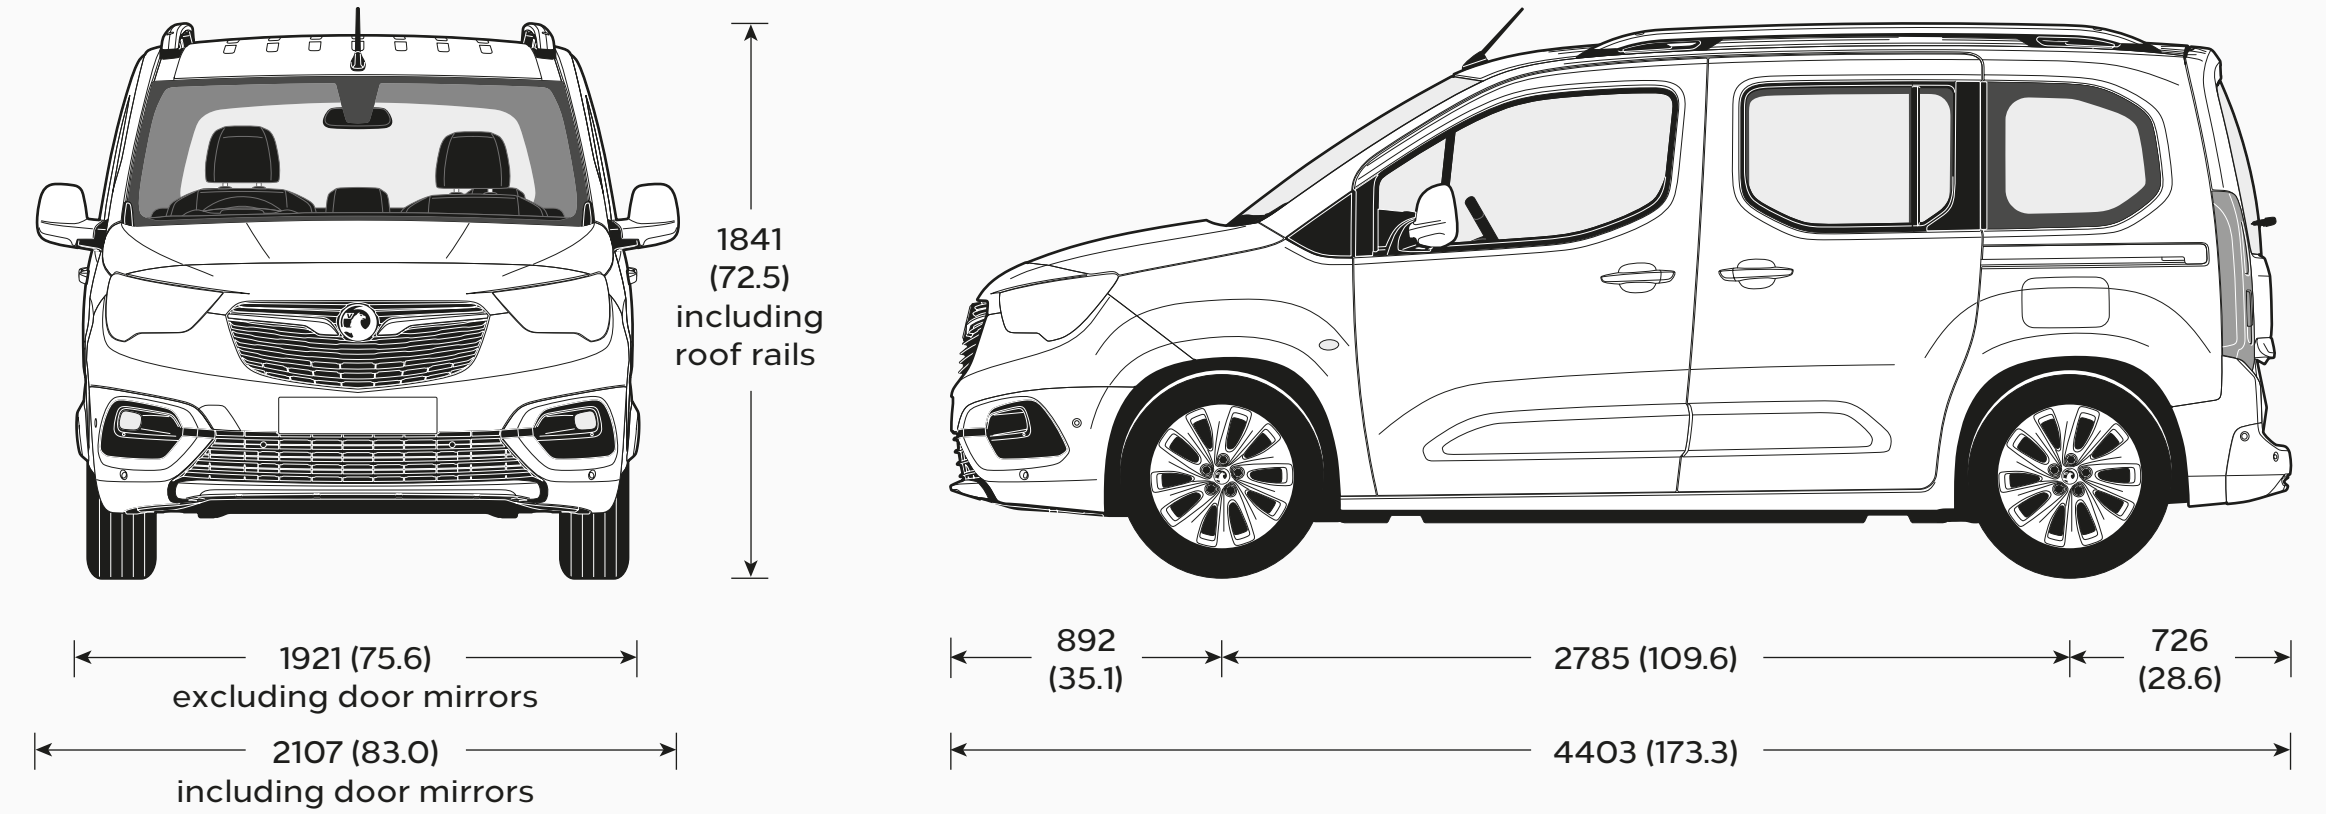

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended. *Available from February 2022.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

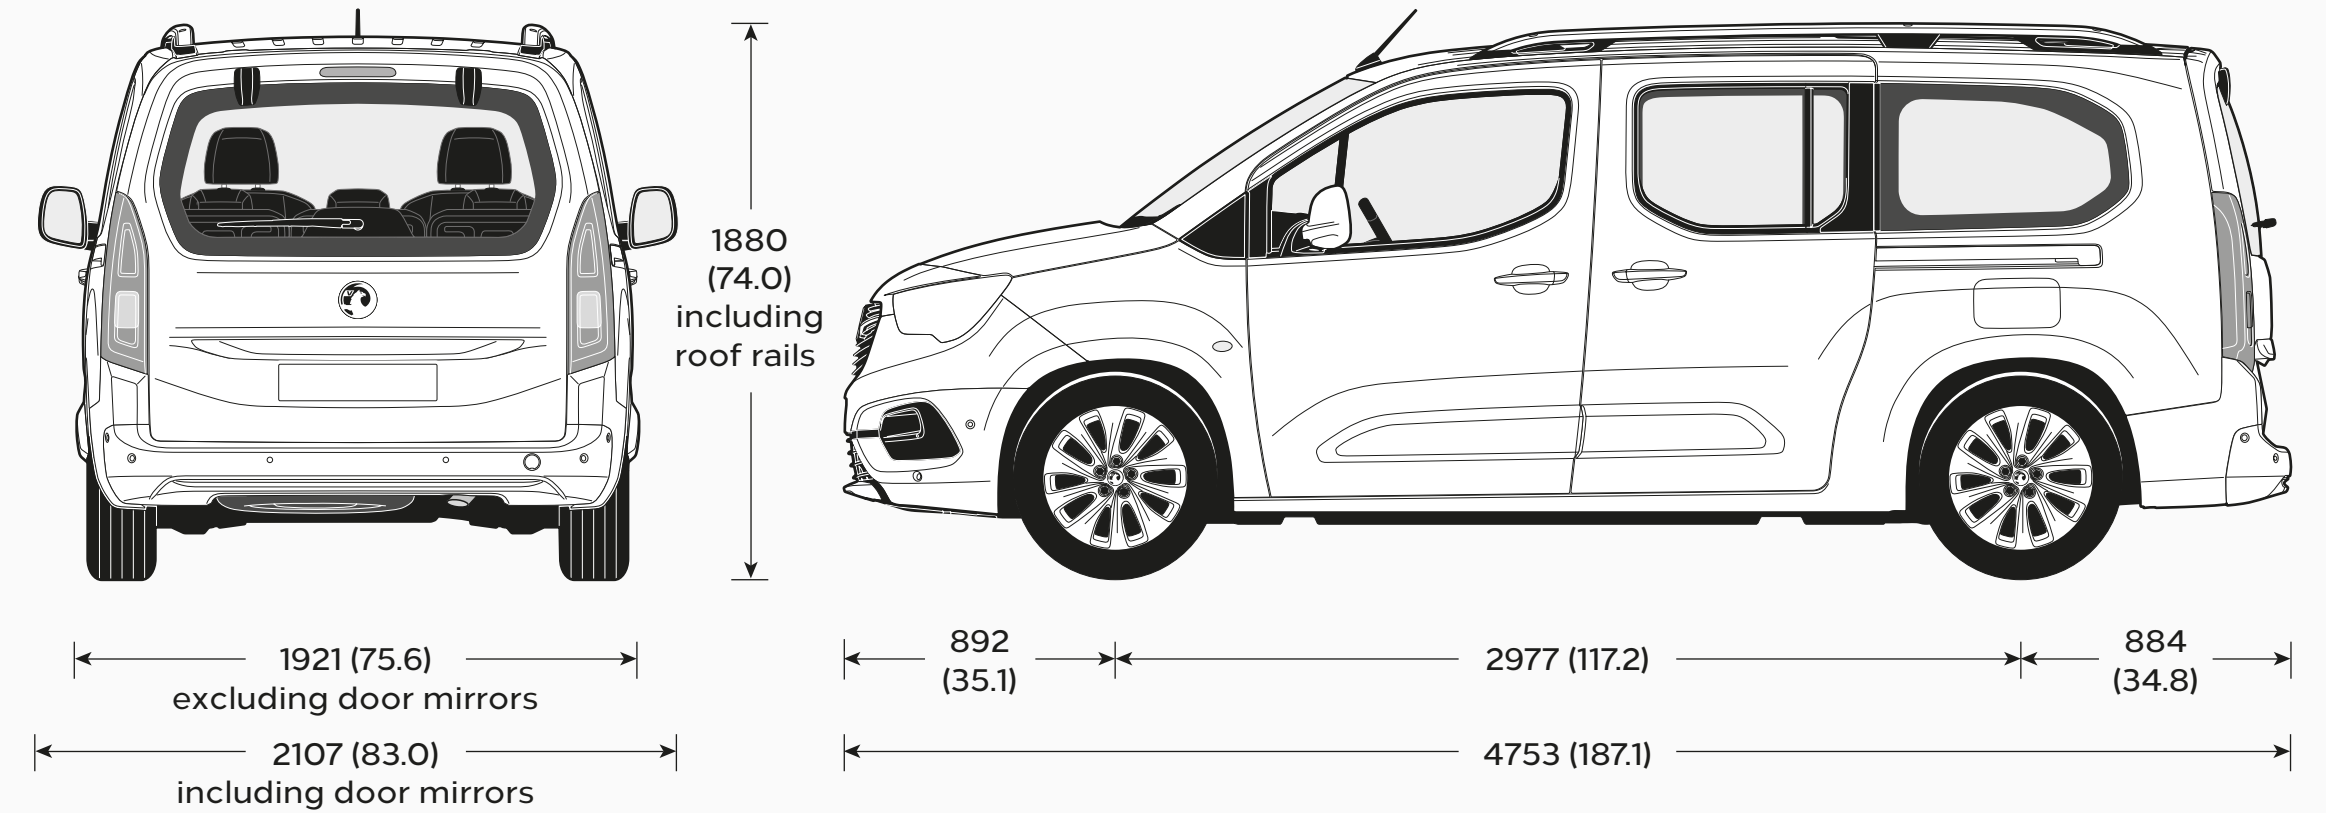

Loadspace Dimensions	Life	Life XL
Maximum load floor length – passenger seat folded	2700 (106.3)	3050 (120.1)

¹Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ²A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo Life Edition 1.5 (100PS) Turbo D Start/Stop (CO₂ emissions 135g/km)	
On-the-road RRP	£23,705.00
Deduct: Vehicle Excise Duty	(£220.00)
New vehicle first registration fee	(£55.00)
Effective list price	£23,430.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£24,000.00
Car benefit charge 2021-22 tax year (31%)	£7,440.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,488.00
Higher Rate (40%) tax payer	£2,976.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Combo-e life models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]The Vivaro-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

Vivaro-e Life is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

*Elite is not eligible for the plug-in car grant.

Vivaro Life Prices

	Pack Code	Orderable Option Code	Fuel Type	Price (£)	VAT (£)	Total (£)	On-the-road RRP (£)	Financial Year 2021/22 BiK 20% (£)	WLTP Combined CO ₂ /mpg# - pack code	Insurance groups
Edition L (Long) 9-seater										
1.5 (120PS) Turbo D	8C06 I4L1	XiFF	Diesel	28,770.83	5,754.17	34,525.00	35,835.00	217.22	169/43.4	21D
Elite L (Long) 8-seater

Vivaro Life's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

Safety

Standard Features – The following features are standard across the entire Vivaro Life range.

Airbags

- Driver's airbag • Front passenger's airbag
- Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers
- Full-length curtain airbags second- and third-row seating (Long wheel base models only)

Seating

- Height-adjustable front seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts (height-adjustable front)
- Front body-lock diagonal seatbelt pretensioner system.
- Drivers and front passenger's lap belt pretensioner system
- Front seatbelt force limiters
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance

- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Driver drowsiness system (see next page for feature description).

ISOFIX child seat mountings.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Vivaro Life range.
Specific features by model are outlined in the separate tabular information.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

Driver Information and Security

Standard Features – The following features are standard across the entire Vivaro Life range.
 Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel warning light
- Fuel economy gauge
- Coolant temperature warning light

Multi-function trip computer

- Trip odometer
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronic engine deadlock immobiliser
- Steering column lock
- Lockable fuel filler cap
- Anti-theft spare wheel cradle
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts with alloy wheels

Remote control security alarm system

- Remote control door locking
- Two keys with integral remote
- Door deadlocks
- Selective door locking
- System monitors doors, tailgate, bonnet and the passenger compartment

Infotainment

Standard Features

Multimedia with 7-inch touchscreen (IO5)

Standard on **Combi**/Edition models

Onboard features:

- 7-inch colour touchscreen
- AM/FM stereo radio
- DAB Digital radio
- RDS with Traffic Programme
- Four speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- Smartphone interface – Apple CarPlay/Android Auto™

Additional features:

- Flexible roof-mounted aerial

Multimedia Navi Pro with 7-inch touchscreen (IO6)

Standard on **Elite**/Elite models and optional at extra cost on **Combi**/Edition models at £650 inc. VAT

Features as Multimedia, with the addition of:

- Satellite navigation system • 2D/3D street level mapping
- European coverage • Points-of-interest search
- Eco routing • Map updates via USB
- Second USB connection
- Three years subscription to TomTom Live*
- On-line navigation services provided by TomTom®
- Vivaro-e shortcut key – Energy flow visualization
 - Energy stats visualization
 - Deferred charging options
 - Thermal pre-conditioning
 - Battery/range check
- Ten speakers

Vauxhall Connect**

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation. **Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Interior Styling and Comfort

Combi/Edition

Steering wheel:

- Three-spoke design
- Satin chrome-effect bezel

Facia and door trim:

- Mistral Black/Grey

Front seating:

- Driver's seat (six-way adjustable):
 - Height – Reach – Backrest
 - Manual lumbar adjustment
 - Under seat storage – Head restraint
- Dual front passenger's seats
 - Fixed position bench seat and backrest
 - Height-adjustable front padded head restraints

Seat trim:

- Curitiba Tritone Grey fabric seat trim

Elite

Steering wheel:

- Leather-covered
- Three-spoke design
- Satin chrome-effect bezel

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. S/S = Start/Stop. *Correct at time of publication.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 170kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Vivaro-e Life Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

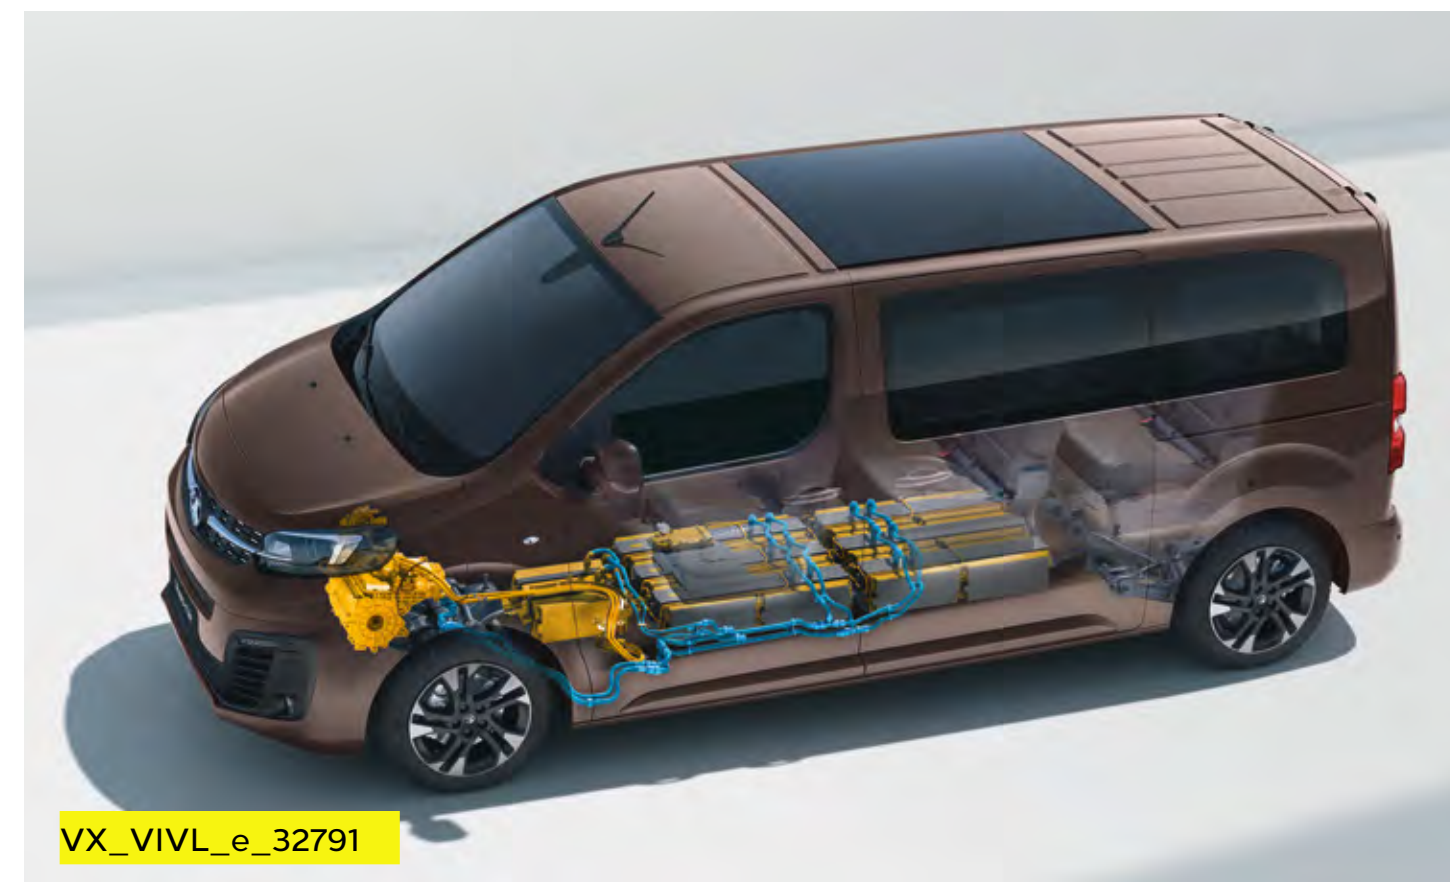

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

Drivetrain	Vivaro-e Life	
CO ₂ emissions	0g/km	
Maximum power	100/136kW/PS	
Maximum torque	260/192Nm/lb. ft.	
Acceleration 0-62mph	13.1 sec	
Maximum speed	81mph	
Transmission	Automatic electric drive with fixed gear ratio	
Service interval	Every 25,000 miles or 2 years (whichever comes sooner). Initial inspection at 12,500 miles or 1 year (whichever comes sooner)	
Electric range	143 miles (WLTP preliminary)	
Weights kg	L Combi 9-seater	L Elite 8-seater
Gross vehicle weight	3030	2965

The Vivaro-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Vivaro-e Life Specifications*

Charging

Vivaro-e Life comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Vivaro-e Life models or with optional Multimedia Navi Pro).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current – Public charger (11kW)**	Type 2	5h
DC current – Rapid charger (100kW)	CCS	30m (0-80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed (standard)	7.4kW
WLTP Range (Combined)	129-141 miles
WLTP Range (City)	182-215 miles
Energy consumption (Combined low/high)	24.3-26.6kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

The Vivaro-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. *Provisional data. **Requires optional 11kW on board charger.

Specifications

Transmission

Six-speed manual gearbox:

- Front-wheel drive
- Transverse engine/gearbox

Eight-speed automatic transmission:

- Front-wheel drive
- Transverse engine/gearbox

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible

Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

Brakes

Front ventilated disc brakes: 304mm x 28mm
Rear disc brakes: 290mm x 12mm

Fuel tank capacity

- 70 litres (15.4 gallons)

AdBlue® tank capacity

- 22.5 litres (4.95 gallons)

Start/Stop technology

Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted.

Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Dimensions and Capacities

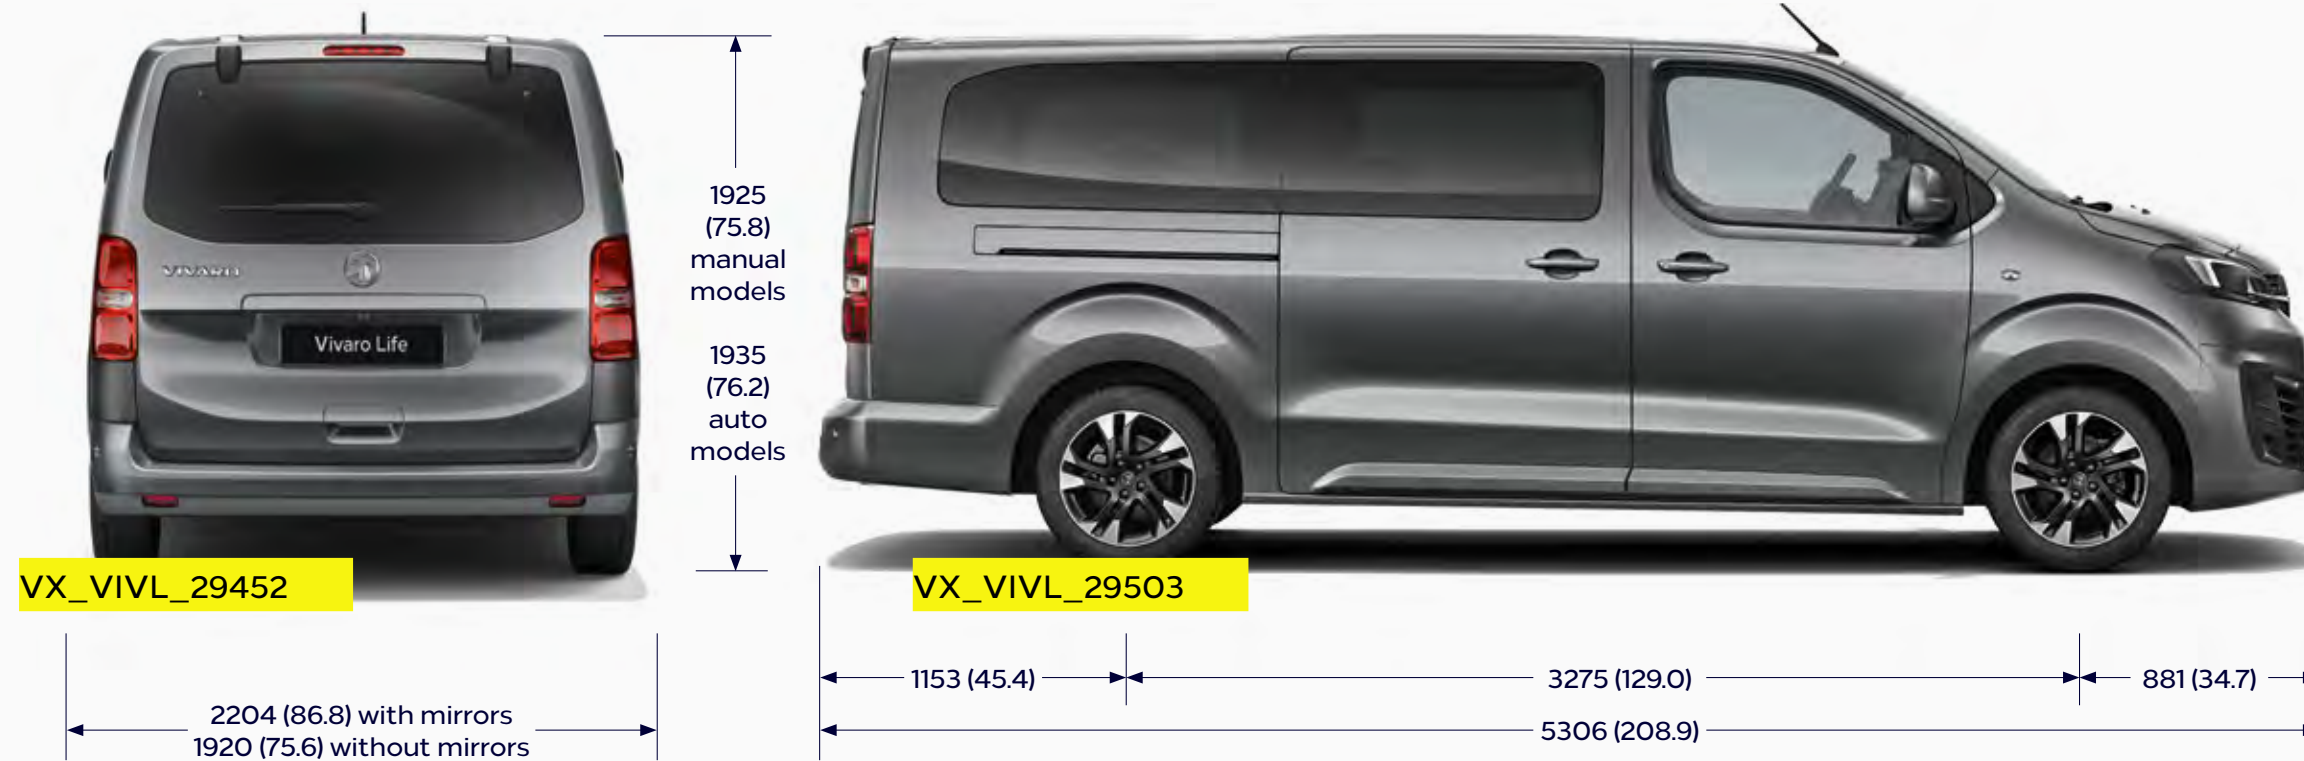

All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	M (Medium)	L (Long)
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)
Maximum load length – Behind front seats	2413 (95.0)	2763 (108.8)
Maximum width	1618 (63.7)	1618 (63.7)

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO ₂ emissions 168g/km)	
On-the-road RRP	£35,835.00
Deduct: Vehicle Excise Duty	(£555.00)
New vehicle first registration fee	(£55.00)
Effective list price	£35,225.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£35,825.00
Car benefit charge 2021-22 tax year (37%)	£13,256.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£2,651.20
Higher Rate (40%) tax payer	£5,302.40

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%
150-154	34%
155-159	35%
160-164	36%
165-169	37%
170+	37%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021-22 tax year
0	-	1%
1-50	130+	1%
1-50	70-129	4%
1-50	40-69	7%
1-50	30-39	11%
1-50	<30	13%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Vivaro-e life models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare
